Please draw in and write in universal numbers in the correct column. Refer to universal notching system for pig numbers.

Numbering of Universal Ear Notching System: Up to two notches can be made in each quarter of the ear. To correctly identify the right and left ear, face the same direction as the pig and your right and the pig's right will be the same. If you stand looking at the face of the pig, its right ear is on your left.

Right Ear	Left Ear	Right Ear Notch #	Left Ear Notch #	B = Barrow G = Gilt	Breed and birthdate		Right Ear	Left Ear	Right Ear Notch #	Left Ear Notch #	B = Barrow G = Gilt	Description – Breed & color if x-breed
