TOP 4-H LEADER TEAM NOMINATION FORM

The **TOP 4-H LEADER TEAM AWARD** will be presented to the winners at the annual 4-H Achievement Celebration held in the fall. Nominations for this award may only be made for total teams of club leaders. Individuals will not be eligible for the award unless they are the only leaders for their club. In other words, either all of a club's leaders must be nominated or none of them. The winning team will be selected by nonpartisan judges based on information included in this form. The judges' decision will be final. Nomination forms become the property of the Ogle County Extension Office upon submission. They are due in the Extension Office by September 15th at 4:30 p.m. Forms postmarked after September 15th will not be accepted. Leader teams may not win in consecutive years. 4-H members, parents, and leaders can make nominations.

Send completed nomination forms to:
