Finish the Story
Fill in the blanks with the right letters.

Apples are good for you. Same apples are yellow, some are red. When I went to the store, I saw broccoli right next to carrots. There were bunches of rapes. While in the store, my mom asked me to pick out the best looking tomatoes for my bacon, lettuce, tomato sandwich.

As we checked out, I gave the cashier two bags of apples, one bag of potatoes, and a big watermelon. Grocery shopping can be fun. Look for all the colors of the fruits and vegetables and do not forget to try something different like a jicama.
