Zoey LaSarge

2023 Illinois 4-H
Hall of Fame Inductee
Congratulations Alan Kollmann

**Illinois
Extension**

Alan has dedicated most of his life serving families in Effingham County and throughout the state of Illinois. He has accomplished this by not only volunteering for the University of Illinois Extension Effingham County 4-H program, but through school, church, and other organizations. Our world has become a much better place from the years of service from Alan.

As a 4-H volunteer, he has shared his expertise, passion, knowledge, and skills to help transform a new generation of confident, young leaders. Alan has been the spark that has inspired several generations. He has given so much of his time and talent to make a difference in the lives of young people by teaching them skills that they will use the rest of their lives. If a child has an interest in the swine industry or farming, Alan is sure to step up to help that child develop.

He has been instrumental in empowering and preparing youth in Effingham County for success as 4-H members to provide service for others and their community. Today's 4-H youth are engaged in learning activities as they are practicing skills employers want; growing and distributing food to communities in need; stewarding the natural resources; making a difference in local, state, national, and global issues; and influencing positive choices for healthy living. Alan not only volunteers his time educating others on a county level but serves at the state level as well.

Congratulations

**TO ALL
OUR
WINNERS**
