## 5. Click Individual

The image shows a registration progress bar with three steps: 'Exhibitors' (highlighted in green), 'Entries', and 'Payment'. To the right of the bar, the amount '\$0.00' is displayed. Below the bar, the text 'Do you want to register an Individual?' is centered. A green button with a person icon and the text 'Individual' is positioned below the question. At the bottom of the screen, the 'FairEntry' logo is on the left and the copyright notice '© 2024 RegistrationMax LLC' is on the right.

6. Next, choose which child you want to register projects for, OR create an Exhibitor from Scratch, if you need to add a child to your account.

The image shows a modal window titled 'New Individual Exhibitor'. It contains a section 'Select an Existing person to continue...' with three radio button options, each with a person icon, a name, and a date/age: 'Pierson, Shelly 1/01/0001 - Age 2023', 'Ruesken, Lance 1/01/0001 - Age 2023', and 'Ruesken, Leigha 1/01/0001 - Age 2023'. Below these options is the text '- OR -' and a button with a plus icon and the text 'Create an Exhibitor From Scratch'. At the bottom right of the modal are two buttons: 'Cancel' and 'Continue'.

7. Start on the Personal Details page and fill in County and current grade. Hit continue and fill in a phone number in the home phone number line.

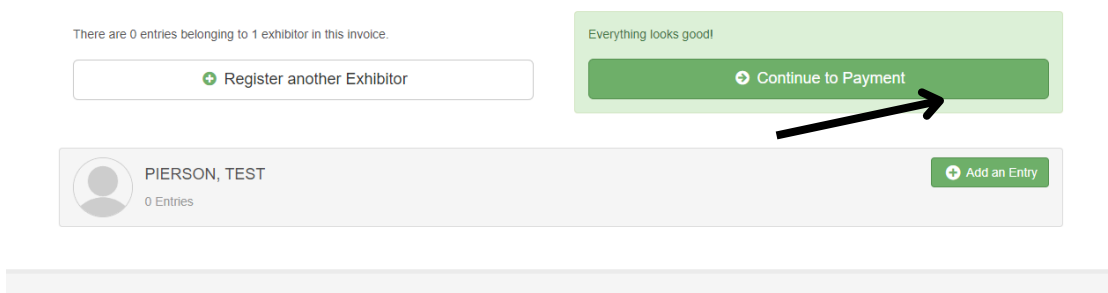

The screenshot shows the registration interface for the 2024 Clay County Fair. At the top, a blue header displays the fair name and a dropdown menu for the county, currently set to 'Pierson'. Below the header is a progress bar with three steps: 'Exhibitors' (highlighted in green), 'Entries', and 'Payment' (with a '\$0.00' amount). A user profile for 'Pierson, Shelly' (ID: 12/31/0000) is shown on the left with a 'Delete this Exhibitor' button. The main content area is titled 'Contact Info' and contains several input fields: 'Home Phone Number' (Required), 'Email Address' (Optional), 'Cell Phone Number' (Optional), and 'Cell Phone Carrier' (Optional). Each field has a format hint below it. A red error message at the bottom of the form states: 'The form is incomplete. Please complete the form.' A green 'Continue' button is located at the bottom right of the form.

8. Confirm that the address listed is correct. This is important for when premium checks are issued.

9. Next, hit the green Continue to Entries button

This screenshot shows the registration page after the 'Contact Info' step is completed. The progress bar now shows five steps: 'Personal Details', 'Contact Info', 'Address', 'Questions', and 'Review' (all marked with checkmarks). A green banner at the top of the main content area contains the text 'Please review the exhibitor registration.' and a green 'Continue to Entries' button with a right-pointing arrow. Below the banner, two summary cards are visible: 'Personal Details' showing 'First Name' as 'Shelly' and 'Contact Info' showing 'Email' as an empty field. Both cards have an 'Edit' button.

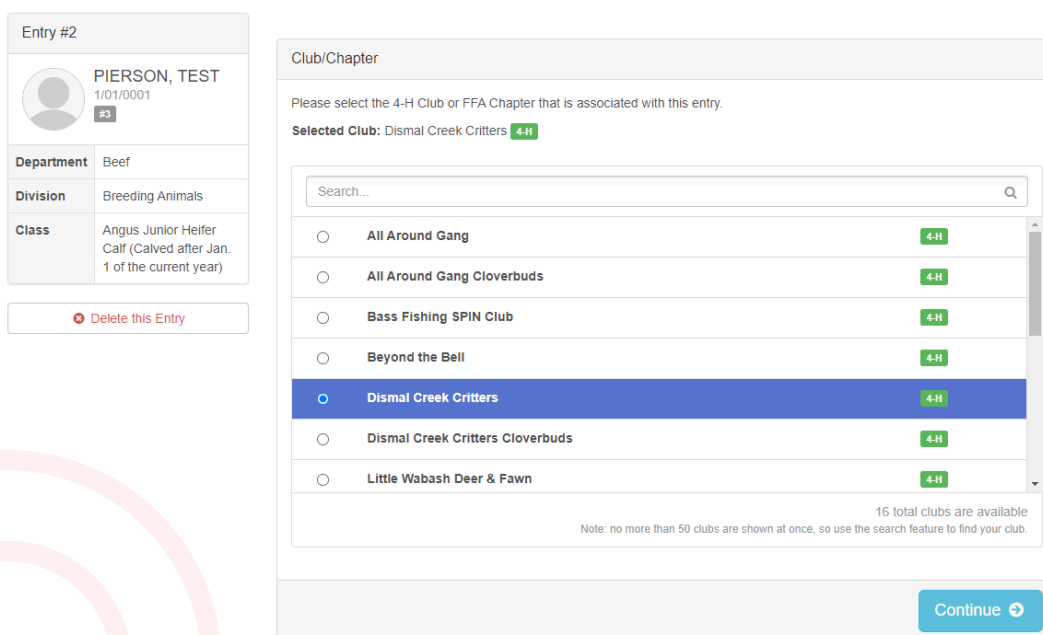

10. In the gray box with the youth's name, there will be a green button that says Add an Entry.

11. Next, you will choose which project(s) you will bring to the 4-H Show. So on the next screens you see please select the correct projects you plan to bring to the fair.

- Your county may allow you to enter multiple projects/animals in the same Class at the same time. If so, you will need to change the quantity button.

12. You may need to select your 4-H Club and then hit continue

### 13. THIS STEP IS VERY IMPORTANT!!

- If you have another child that you need to enter in projects for please hit the register another exhibitor button. If you are adding another child you will repeat steps 7-12.
- If you forgot to add another project to your child's account please click add another entry.
- or if this is your last child to enter then you may click continue to payment.

If you hit continue to payment and you have not entered your other child or need to add more projects you will not be able to until county Extension staff approve the projects you already submitted.
