HILLTOPPERS VISIT WITH TANNER

Former Hilltopper member Tanner Scherer attended the September meeting of the Hilltoppers 4-H Club and shared his 4-H experiences. He told members the advantages of being in 4-H and how 4-H helped him in college as well as in his career in many ways, such as learning responsibility, maintaining good records, and developing leadership skills. Now that he has his own business, he applies many of those skills in his daily work. He encouraged members to continue their hard efforts with their projects and records.
