Due to the Extension Office on or before May 3, 2022

## Wabash County 4-H Livestock Identification Form Sheep

(Individual or One Form per Family)

All sheep, goats, swine, beef and dairy must be positively identified by the designated date for each species.

| Member's Name_ | <br> | <br> |
|----------------|------|------|
|                |      |      |
| Member's Name_ |      |      |
|                |      |      |
| Club           |      |      |
| Cl             |      | <br> |

## Sheep:

| Breed | Birth Date | Registration # | Tattoo # | Scrapies Tag # |
|-------|------------|----------------|----------|----------------|
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |
|       |            |                |          |                |

All commercial sheep will need to write the scrapies tag number and return to the office by May 3, 2022.
