

4-H T-SHIRT SPONSOR FORM

University of Illinois Extension provides equal opportunities in programs and employment.

The 4-H Programs in Coles, Cumberland, Douglas, Moultrie, and Shelby Counties are seeking sponsors for our annual early enrollment incentive. Sponsors can choose a \$200 sponsorship, which includes your business name on the back of the t-shirt, or a \$400 sponsorship, which includes your logo. Thank you for supporting local 4-H youth!

WHY SPONSOR A T-SHIRT?

- As youth receive a free shirt, it helps create a sense of belonging so members feel a part of our organization.
- T-shirts create a walking promotion for 4-H and your business; showing our communities you support the largest youth organization in the country.
- Over 800+ youth across Coles, Cumberland, Douglas, Moultrie, and Shelby Counties will be reached through your sponsorship.
