Have fun, make friends, & try new things in 4-H!

Multi-Project Clubs
are open to all youth ages 8-18 as of Sep 1. During monthly club meetings, members develop leadership and life skills through fun activities and community service. Outside of club meetings, members independently work on 4-H projects, choosing topics that spark their interest.

Cloverbud Clubs
are for children ages 5-7 as of Sep 1, and members do all project activities as a group during club meetings.

SPIN (SPecial INterest) Clubs
focus on one project area, and club meetings are spent developing skills in that area.

How do I join?

- **See the list on the back and contact a club about visiting a meeting.**
- **The "4-H year" runs Sep 1-Aug 31. You can join at any time, but you must enroll by March 1 to participate in the 4-H shows.**
- **The annual enrollment fee is $20. Financial assistance is available.**
