GENERAL RULES AND REGULATIONS

EXHIBITORS:

1. Exhibitors must have been pre-selected by their county 4-H Extension program as a state fair exhibitor.
2. Exhibitors must be currently enrolled as a 4-H member and have been at least 8 years old as of September 1, 2023. Parents and leaders should make provisions for the adequate care and supervision of exhibitors.
3. Exhibitors must be enrolled in the project or have participated in the activity in which they are exhibiting during the current year. Due to the nature of the conference judging process, exhibitors must be present with the exhibit that they have made for judging on their assigned county exhibition day. Scheduling adjustments for religious reasons may be requested by contacting the Illinois State 4-H Office at illinois4H@illinois.edu by August 1, 2024.
4. Exhibitors must be present for judging. No Skype or Face Time sessions will be allowed. If a 4-H member needs a reasonable accommodation to participate in the General Project Show, please contact the Illinois State 4-H Office at illinois4H@illinois.edu by August 1, 2024.

ENTRY PROCEDURE:

5. Local Extension offices will make all entries in this division for their 4-H members by August 1, 2024. Counties needing permission for late entries after August 1 (due to late local shows) should contact Dan Horn at the State 4-H Office in writing by July 15, 2024.
6. Each county may make the number of entries allowed in each area as stated.

GENERAL EXHIBIT GUIDELINES:

7. All exhibits must be products of the current 4-H year (September 1, 2023 - August 11, 2024). The same product or speech that is selected at the county level must be the one exhibited at the State Fair (except for Food & Nutrition - must be the same recipe, Crops, Floriculture, and Vegetable Gardening exhibits - must be the same specie/type (i.e. slicing tomatoes, snap beans, onions, etc.)). Modifications can be made to the original county exhibit to meet State Fair class requirements or to incorporate suggested improvements made by the local judge. Determination of exhibit eligibility rests solely with the University of Illinois Extension Assistant Dean and Director, 4-H and designated persons.
8. A 4-H member may enter only one individual exhibit and one group exhibit in the 4-H General Project Show.
9. Exhibits illustrating inappropriate subject matter and/or graphics are not acceptable. The Superintendents reserve the right to remove exhibits deemed inappropriate or dangerous for youth audiences. The content of any 4-H competitive presentation does not necessarily reflect the beliefs or views of the Illinois State Fair or the University of Illinois Extension 4-H program.
10. Some exhibit areas may have size limitations. Read the descriptions carefully. Please choose a display size which is most appropriate for the exhibit you are bringing. Larger does not always mean better; use good judgment in creating your exhibit. Exhibitors will need to carry their project from the distant parking lots on the fairgrounds.

EXHIBIT JUDGING PROCEDURE & SCHEDULE:

11. The County Extension office will provide official exhibit tags for all exhibitors prior to the state fair. This entry tag should be completely filled out and securely attached to the exhibit. County exhibit tags and ribbons should be removed.
12. All exhibitors from a county will exhibit the same day. A 4-H member may also show in the junior livestock show, but they must be present at the required time for their general project judging. If possible, attempts will be made to accommodate livestock exhibitors within the judging time span, but no premium will be awarded if the exhibitor misses their judging time.
13. The General Project Exhibit will be held in the Orr Building of the state fairgrounds. Members must drop off their projects any time from 8:00 to 9:00 a.m. Interviews will begin at 9:00 a.m. Judging is scheduled throughout the day. The judging schedule will be posted in each area. Members should check the judging schedule and return to the judging area about 10 minutes before their scheduled judging time. Judging ends at 3 p.m. The official project release time is 3:30 p.m. However, projects will be released throughout the day, and families have an option of when to pick up projects. All projects must be removed no later than 4:30 p.m. daily.

RECOGNITION

14. The top score in each project area will receive a Champion Medallion. The second-place score in each project area will receive a Reserve Champion Medallion. All exhibitors will receive an Exhibitor ribbon and participation gift. Judges can also give Inspire Awards at their discretion.
15. Premium checks will be awarded to Champion Medallion winners at 2X and to Reserve Champion Medallion winners at 1X.
16. A youth who enrolls in a 4-H club/group must attend at least one meeting, tour, workshop, or other activity of that club/group to be called a 4-H member. Youth that do not comply are not eligible to take part in 4-H exhibitions, receive 4-H premiums, or other 4-H awards and recognitions that are available to 4-H members.
17. Any and all 4-H policies not covered by the written policies in this Handbook will be determined by the Saline County 4-H and Youth Program Committees.
18. May 1 is the project enrollment deadline and June 1 is the project drop deadline.
19. 4-H memberships are open to all youth regardless of race, color, religion, gender, or national origin, ancestry, marital status, familial status, sexual orientation, or disability.
20. All clubs are to be organized by January 1. However, members and adult volunteers must enroll as soon after the beginning of the new 4-H year, September 1, before attending any 4-H meetings or events, in order to be covered by the group insurance policy. By organizing their clubs late, leaders run the risk of members not receiving their project materials in ample time to do the required work. Project books will be mailed to the club leader. **Members will not be allowed to show at County Shows if they enroll after May 1.**
21. Projects may not be dropped after June 1. They will be recorded as "no show". As projects are added or dropped, members or parents are asked to call the office with the member's name, club name and project so that it can be retained by the Extension office along with the original enrollment form.
22. All exhibits, including livestock, exhibited at County Show must be shown by the 4-H member. If a 4-H member is unable to show the exhibit personally, then he/she must submit a written excuse to the Extension Office for approval prior to show date. If approved, the project may be shown by another 4-H member. The project may still be considered for State Fair. **In the event of a 4-H member's inability to show their project due to acute or chronic illness or injury, another 4-H member may assist them. Extension staff must be notified prior to the show.**
23. 4-H members can have only one exhibit in a class unless stated otherwise under individual project. Any entry not meeting class specifications will not be judged. Exhibits will be judged by the Danish system, i.e., "A" (Blue ribbon), "B" (Red ribbon), and "C" (White ribbon). Ribbons will be awarded to all entries judged. **THE JUDGES' DECISIONS ARE FINAL.**

**NOTE: IF JUDGES FIND NO PROJECT EXHIBIT IN ANY CATEGORY DEEMED
STATE FAIR QUALITY, THEN NO STATE FAIR REPRESENTATIVE WILL BE SELECTED AND NO
CHAMPIONSHIP RIBBON GIVEN.**

24. All Blue ribbon projects may be judged for State Fair regardless of age of the exhibitor. The 4-H member winning the State Fair delegate ribbon will receive the State Fair plaque or trophy in that project area provided the project requirements are met and Experience Award Applications are completed on time.

PREMIUM MONEY

"The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in the Premium Book."

25. Members enrolled in all 4-H clubs constitute the eligibility base for county 4-H premiums, providing the member is between the ages of eight and not yet nineteen as of September 1 of the current 4-H year. The member must also recognize that he/she was enrolled in a program conducted by the U of I Extension and the member must have a viable exhibit opportunity.

26. A member may receive 4-H premium money in only one county. 4-H membership is credited to the county authorizing and supporting the local club, even though some members live outside the county.
27. In order to receive premium money for a project, it must have been exhibited at the specified county show and must have met exhibit requirements listed in this Handbook. **By special arrangements, a project may be exhibited at an alternate time/location but WILL NOT be eligible for State Fair or County Champion ratings.** The maximum amount any 4-H member can receive is decided annually, based on amount of funds available.

29. In order to be eligible for State and County Medals, the 4-H member must fill out the State Award Application or County Medal Award application and submit by the stated deadline.
30. In areas where there is a Junior and Senior Division, the age requirements for Junior Division will include 4-H members who have not reached the age of 14 by September 1 of current year, or ages as stated in each project (exception: Horse events at the state level). SALINE COUNTY 4-H PROGRAM

YOUTH COMMITTEES

There are many groups that help provide a fine 4-H Program for the youth of Saline County. The Saline County 4-H and Youth Program Committees are made up of adults and youth who volunteer their time and hard work to our Saline County youth. The Committees meet throughout the year to discuss and carry out the program and other youth related matters, such as Public Speaking and Demonstration Contests, Camping, Achievement Night, Livestock and Horse Events, County Shows, etc.

4-H FEDERATION

The purpose of Saline County 4-H Federation is to band together local 4-H Clubs in a central, representative body for the improvement of the 4-H Club programs and the enlargement of opportunities for members.

The Federation is made up of at least two, no more than four, elected /appointed delegates and the club president from each local 4-H club in the county and members of the executive committee who do not necessarily have to be delegates from their local clubs. The delegates or council members will serve for a term of one year and may be elected to serve as many terms as the local club sees fit to elect him/her.

The Federation meets most months (watch for meeting dates in the 4-H newsletter). All 4-H members, parents, leaders, and interested persons are welcome to attend all 4-H Federation meetings and activities.

To be a Federation Club Delegate, a member must have completed one year of 4-H club work, be **no younger than eighth grade**, and capable of assisting with plans in carrying out county events. **EXCEPTION:** A new club organized for less than two years can elect a first year member as its delegate.

Officers of the Federation Council or executive committee shall be elected by the 4-H Club Federation Council members in attendance at the annual meeting of the Federation Council. 4-H members desiring an office in the Federation may pick up petitions for office in August and submit them at the annual September meeting. All elected officers must have at least 2 years of 4-H club experience, must be **no younger than eighth grade** and **MUST** either be a 4-H club delegate for the coming year or a previous delegate or officer of Federation Council.

All Federation Delegates are expected to fulfill the following responsibilities: attend all monthly Federation meetings, participate in discussions and program planning conducted by the Federation, serve to the best of his/her abilities on all committees to which he/she is appointed, report happenings of monthly Federation meetings to his/her local club.

Saline County 4-H Federation officers are the youth representatives of the Saline County 4-H Management Committee.

CLOVER BUDS

Youth ages 5-7 that are involved with 4-H are known as Cloverbuds. The Cloverbud Program is designed to introduce youth ages 5-7 years to a variety of 4-H experiences. The Cloverbud groups are involved in activities led by an adult that will help them learn how to get along and share with others, explore many different interests, learn basic living skills, build self-confidence, learn to communicate effectively and learn how to be a part of a group.

Cloverbuds do not elect officers, give talks, or hold regular business meetings. They do an activity and talk about what they have done or process the information. The program is noncompetitive. Cloverbuds do not participate in competitive events, contests, shows, or raise animals as a 4-H project and are not eligible to receive premiums. However, they will be given the opportunity to display their projects.

Articles exhibited must be an original design created by the exhibitor (except in Heritage Arts, which may follow a pattern AND Fiber-Non Original Ages 8-10 ONLY). Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, you can use that idea as your inspiration, however, create something which is fundamentally different. It MUST NOT BE AN EXACT REPLICA OF something the judge can search for and find on Pinterest. The exhibit may combine parts of different patterns and/or ideas with the concepts of the member will work, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create an exact replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

Copyrighted or trademarked designs are not acceptable; this includes Team or School logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class.

Illinois 4-H Participant & Family Code of Conduct

The opportunity to participate in or attend 4-H activities is a privilege and not a right. All 4-H participants – youth and families who participate in or attend any activity or event sponsored by the University of Illinois 4-H Youth Development program are expected to uphold the values of the Illinois 4-H program and conduct themselves according to the following standards. These standards also apply to online 4-H activity, including social media and internet presence.

As a 4-H Youth Development program participant and family, I agree I will:

1. Represent University of Illinois 4-H program with dignity and pride and be a positive role model.
2. Conduct myself in a manner that reflects honesty, integrity, self-control, and self-direction. Accept the results and outcomes of Extension contests with grace and empathy for other participants. Accept the final opinions of judges and evaluators. Be open to innovative ideas, suggestions, and opinions of others.
3. Create a Welcoming Environment for All. Encourage everyone to fully participate in 4-H program. Recognize that all people have skills and talents that can help others and improve the community. Though we will not always agree, we must disagree respectfully. When we disagree, try to understand why. Our first priority is to create a safe, inclusive space for learning, sharing and collaboration that is welcoming to people from diverse backgrounds, cultures, and perspectives. Diversity includes, but is not limited to: race, color, religion, political beliefs, national or ethnic origin, immigration or citizenship status, sex, gender identity and expression, transgender status, sexual orientation, age, marital or family status, educational level, learning style, pregnancy, physical appearance, body size, and individuals with disabilities.
4. Comply with University of Illinois equal opportunity and antidiscrimination policies, as well as all federal, state, and local laws.
5. Honor Diversity - Respect the privacy of persons involved with Extension programs and hold in confidence sensitive, private, and personal information.
6. Create a Safe Environment. Not carelessly or intentionally harm or intimidate anyone in any way (verbally, mentally, physically, or emotionally). Not engage in romantic displays or sexual activities in either public or private situations at any Extension sponsored activity or event. Be kind and compassionate toward others.
