

## Deer Resistant Perennials

Yarrow—*Achillea* sp.\*  
Anemone—*Anemone* sp.\*  
Columbine—*Aquilegi* sp.\*  
Rock Cress—*Arabis caucasica*  
White Mugwort—*Artemisia lactiflora*  
Butterfly Weed—*Asclepias tuberosa*\*  
Baptisia sp.\*  
Heartleaf Bergenia—*Bergenia* sp.  
Snow-in-Summer—*Cerastium tomentosum*  
Daisy—*Chrysanthemum*  
Coreopsis—*Coreopsis*  
Pinks—*Dianthus* sp.  
Coneflower—*Echinacea purpurea*\*  
Rattlesnake Master—*Eryngium yuccifolium*\*  
Joe-Pye Weed—*Eupatorium* sp.\*  
Cranesbill—*Geranium* sp.  
Prairie Smoke—*Geum triflorum*\*  
Helen's Flower—*Helenium autumnale*\*  
Hellebore—*Helleborus* sp.  
Hibiscus—*Hibiscus* sp.  
Candytuft—*Iberis sempervirens*  
Iris—*Iris* sp.\*  
*Lobelia* sp.\*  
Maltese Cross—*Lychnis chalcedonica*  
Bee Balm—*Monarda didyma*\*\*  
Wild Bergamot—*Monarda fistulosa*\*  
Peony—*Paeonia* hybrids  
Russian Sage—*Perovskia atriplicifolia*  
Jacob's Ladder—*Polemonium caeruleum*\*  
Foam Flower—*Tiarella cordifolia*\*\*  
Orange Coneflower—*Rudbeckia fulgida* var. *sullivantii*\*  
Salvia—*Salvia* sp.  
Sempervivum—*Sempervivum* sp.  
Goldenrod—*Solidago* sp.\*  
Missouri Ironweed—*Vernonia missurica*\*  
Speedwell—*Veronica* sp.  
Spanish Bayonet—*Yucca filamentosa*

\*Denotes Illinois native plant species. \*\*Denotes US native plant species.

NOTE: Research has shown that exclusion is the best way to control deer damage in most situations.
