We had talked about getting people to volunteer to make Irish soda bread for International Night March 9th. We also did sign ups for shifts for International Night and voted to do clean up afterwards. We voted to donate baskets for the Spaghetti Supper at Zion Church in March. Talked about YQCA and QAEC requirements. We're trying to plan a new outing since sledding was cancelled due to weather changes. The Community Service committee met afterwards to come up with a few new ideas.

Our meeting was September 26th, 2023. We started by voting to start a Cloverbuds club that will meet on the 4th Tuesday of every month like our normal club starting at 6:30 in the basement at the Flora Grange building. Everyone needed to turn in record books at this meeting. Some of the members went to Volcano Falls at the end of August and gave a talk about how that went and set up our new recreation and community service committees. 4-H enrollment for the new year will be coming out in the near future. Started our Hometown Christmas committee and talked about the Christmas craft to hand out during Hometown Christmas this year. Our next meeting is October 24, 2023.
