- 4-H enrollment is open 365 days per year!
- Any youth, regardless of race, color, religion, gender, national origin, ancestry, marital status, familial status, sexual orientation, or disability may enroll as a 4-H member. Youth who are 5 through 7 years of age (on or before September 1 of the start of the 4-H year) may enroll as a 4-H Cloverbud. Youth who are 8 years of age and have not reached their 19th birthday (on or Before September 1 of the start of the 4-H year) may enroll in 4-H clubs or participate as an independent member.
- All youth are eligible to show at the general show; however, if enrolled after April 15, 2024 they are not premium and state fair eligible.
- 4-H enrollment and project selections must be completed in ZSuite or sent to your coordinator by April 15, 2024 in order to be state fair and premium eligible at the 2024 general show.
- A 4-H risk form must be on file with a wet signature in the county extension office by April 15, 2024 to complete your 4-H enrollment. See risk form on page 82.
- **YQCA – Youth for the Quality Care of Animals** is a required annual training for youth exhibiting **beef, sheep, goats, swine, and dairy projects**. The training is available 365 days a year online for \$12 by visiting <https://yqcaprogram.org>. YQCA must be completed by **July 1, 2024** to be premium eligible at the county livestock show. Youth will not be permitted to show livestock if the YQCA is not completed by **July 1, 2024**. This requirement does not apply to **poster projects, horses, rabbits, or poultry**.
- **QAEC – Quality Assurance Ethics Certification** must be completed by **July 1, 2024** for youth exhibiting **dogs, cats, horses, rabbits, and poultry** to be premium eligible at the county 4-H show. QAEC is available online 24 hours per day/7 days a week and can be accessed through ZSuite at <https://4h.zsuite.org/>. This course is only required to be taken one time and will remain on file during your 4-H career.
- 4-H project books will no longer be purchased for each member. 4-H project books will be available online for purchase at <https://shop4-h.org/>. Please contact your coordinator for assistance.
- A youth who enrolls in a 4-H Club must attend at least one meeting or activity to be considered a 4-H member. Youth that do not comply are not eligible to take part in 4-H exhibitions, receive 4-H premiums, or other 4-H awards and recognitions that are available to 4-H members. All members are entitled to all the benefits of 4-H membership, including participation in 4-H events, 4-H award opportunities, and 4-H exhibition opportunities; provided they meet the specific requirements of the event or program.

- Illinois 4-H members may participate in 4-H under a shared membership arrangement with another county; however, approval must be granted by both counties prior to enrollment by completing the 4-H Shared Membership Agreement form. Members may not benefit economically from exhibiting the same project at multiple local, county or state 4-H Exhibitions, fairs, or shows, including premiums, auctions, trophies, ribbons, and other awards.
- Members may apply for 4-H awards or recognition in only one county. Shared membership is also an option when a project(s) or exhibitions are not offered in county of residence. Shared membership will not be approved to accommodate family vacations or other summer activities that may interfere with the scheduled 4-H Show in their own county.
- Youth that are not able to exhibit their project on the show dates can show absentee. Absentee forms will be available in the back of this book if you are unable to attend on any of the unit's exhibition dates. You must get approval from your 4-H program coordinator or 4-H Youth development educator. It will be your responsibility to have someone take your project and pick up your project at the designated time. Absentee projects will be premium eligible but will not be eligible for state fair. Extension staff will not be responsible for any loss or damage to your project.
- Absentee livestock projects are available to be shown as posters, pictures, or Power Points during the scheduled times.
- If you need a reasonable accommodation to participate in the 4-H show, please contact your county office or program coordinator. If possible, please notify the office one week prior to the event. The office numbers are located at the front of this book.
- The method of judging exhibits will be conference judging. Youth will be interviewed by a judge about the project. Please read requirements for each project. Some projects require that you bring your project book along with your project. Youth being judged are the only ones that should be in the judging area once judging has begun. Anyone not being judged will be asked to leave. If your child requires special accommodations, please speak to the 4-H coordinator prior to conference judging.
- Complaints, grievances and protests should immediately be reported to the 4-H Program Coordinator. If the program coordinator can't handle the complaint, grievance, or protest in a timely manner the coordinator will ask for the written complaint and take it to the Youth Development Educator. If the complaint, protest or grievance can't be handled at this level it will be forwarded to the County director. The person with the complaint will be notified when decisions are made.
- Premium Ribbons will be awarded to 4-H members based on face-to-face interview with the judge. "A"-Blue "B"- Red "C"- White. 4-H members 8-18 will be considered as a state fair delegate for the state fair eligible projects.
- Cloverbud members age 5-7 will have an opportunity to showcase their projects at the general show. They will receive participation ribbons. Cloverbuds are ineligible for premiums and state fair.

- Availability of premium money will be dependent upon Illinois State legislature and the number of exhibits shown and number of exhibitors per county. Premium will be paid according to state requirements when the money becomes available. Premiums will be paid according to the x factor page. The X factor will be used to pay all premiums in all counties. The X Factor for all projects are as follows: 3x Blue Ribbon 2x Red Ribbon 1x White Ribbon 0x Participation and Cloverbud.

Articles exhibited must be an original design created by the exhibitor (except in Heritage Arts, which may follow a pattern, AND Fiber-Non Original Ages 8-10 ONLY). Copyrighted or trademarked designs are not acceptable; this includes team, school logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, you can use that idea as your inspiration, however, create something which is fundamentally different. It **MUST NOT BE AN EXACT REPLICA OF** something the judge can search for and find on Pinterest. The exhibit may combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create an exact replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

Copyrighted or trademarked designs are not acceptable; this includes team logos, school logos, and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and packaged plastic block sets are not considered original and not acceptable in any Visual Arts Class.

**Use of the 4-H Clover:** Chartered 4-H clubs and enrolled 4-H members are authorized to use the 4-H Name and Emblem. This includes 4-H decorated cookies, a 4-H clover printed for use in a scrapbook or included as part of any other 4-H exhibit. Use of the green clover shaped image is not protected. The 4-H “emblem” is distinguished by the four H’s that signify Head, Heart, Hands and Health. **No creative rendering, changes in color or shape of the official 4-H emblem is allowed.**

NOTE – Any use of the 4-H name and emblem on items intended as **gifts or for sale locally** requires prior permission from your local Extension office. Your Extension office will be able to provide you with the form which must be signed by the Extension County Director. Any uses of the 4-H name and emblem for sale or promotion **online, and/or in statewide events** should be signed by the Illinois 4-H Program Leader ([Illinois4H@illinois.edu](mailto:Illinois4H@illinois.edu)).

### LIVESTOCK EXHIBITED AT STATE FAIR

If you plan to exhibit livestock at the Illinois State Fair, you should contact your 4-H county coordinator so that they can help you complete all the necessary forms. Most animal shows at state fair must be registered before July 1 so you should contact the coordinator as soon as you know you may want to show your animal at the state fair. Some projects must be weighed/tagged/tattooed and photographed by a specific date early in the calendar year, by a staff member. Ask your Extension office or 4-H coordinator for more details to see if you are eligible for 2024 or to prepare for the 2024 State Fair Experience.

**Risks of Extension Activities.** I understand that my participation in University of Illinois Extension activities can present risks of physical injury (including death or disability) to me and damage to my personal property. The University of Illinois does not guarantee my personal health or safety or protect me against property loss. Physical injury to me or property damage may result from known or unexpected risks arising from things such as: use of equipment, materials, or facilities; environmental conditions, including poisonous plants, insects, and extreme heat or cold and other weather-related hazards; natural disasters; water activities; transportation; actions of others; animal behaviors; unavailability of immediate or adequate emergency care; infectious diseases; and slips and falls.

**Risks of 4-H Equine Activities.** Equine (horse, pony, mule, donkey, or hinny) activities present dangerous risks of injury and harm, regardless of the safety measures taken. If a horse or other equine animal is frightened or provoked, I understand that it might ignore its training and act according to its natural survival instincts, which may include actions such as unexpected change of directions or speed; running; sudden movement or stopping; shifting weight; bucking; rearing; kicking; and biting. I understand that **UNDER THE ILLINOIS EQUINE ACTIVITY LIABILITY ACT, EACH PARTICIPANT WHO ENGAGES IN AN EQUINE ACTIVITY EXPRESSLY ASSUMES THE RISK OF ENGAGING IN AND LEGAL RESPONSIBILITY FOR THE INJURY, LOSS, OR DAMAGE TO PERSON OR PROPERTY RESULTING FROM THE RISK OF EQUINE ACTIVITIES.** *Risk of equine activities* means dangers including but not limited to: (1) propensity of an equine to behave in ways that may result in injury, harm or death to persons on or around them; (2) unpredictability of an equine's reaction to sounds, sudden movement, and unfamiliar objects, persons, other animals or other things; (3) certain hazards such as surface and subsurface conditions; (4) collisions with other equines or objects; and (5) the potential of a participant to act in a negligent manner that may contribute to injury, such as failing to maintain control over the animal or not acting within his or her ability.

**Risks of 4-H Shooting Sports Activities:** Shooting sports involve the use of firearms, live ammunition, or archery equipment. I understand that there are inherent dangers associated with my participation in shooting sports, including observation. The potential dangers include, among other things, gunshot or archery wounds that can result in paralysis or loss of vision, limb, or life.

**Assumption of Risks and Release of Claims:** In consideration for allowing me to participate in Extension activities, I voluntarily assume all risk of injury and loss that I may sustain or suffer in connection with my participation in the activities described in this Agreement, and I forever and fully release, waive, and discharge all claims, demands, actions, and causes of action, known or unknown, that I have or that may accrue to me in the future ("Claims") against the Board of Trustees of the University of Illinois, its officers, employees, agents, and volunteers (individually a "Releasee") for personal injuries (including death), damage to property, and all liabilities, losses, costs, and expenses (including attorney fees) arising out of or resulting from my participation in Extension activities, including all Claims arising, in whole or in part, from the negligence of any Releasee. This Agreement is binding on my heirs, assigns, and representatives.

**Effective Date:** This Agreement is effective on the date signed by me ("Effective Date") and replaces any similar agreements previously signed by me as to Extension activities that occur on or after the Effective Date.
