Showmanship Classes: *Sign up the day of the Show*

- Poultry showmanship is a contest where the youth will be given an opportunity to demonstrate their knowledge of poultry; as well as their ability to carry, examine and position their bird in the cage for a judge.
- In general, this is an activity where exhibitor's will be evaluated even more than their birds. The breeding of the bird does not count, but its cleanliness, condition, freedom from parasites, health and vigor are important. In other words, the contestant will be mainly scored on those things they know and how well they cared for the birds.
- Contestants should be neat, clean and wear clothing appropriate to the occasion.
