UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN

Camp Russell 2024

Register your child now for summer day camp! Choose from four weeklong programs, each with a different theme. Camp will run from 9 a.m. to 3 p.m. each day. Children will have fun learning about nature through hands-on activities, games, and nature awareness. Camps fill quickly and space is limited to 20 children per camp so register now!

June 24 — 28 Naturalist Camp (ages 9 —11)

If you like to be outside and learn about nature, then you are a Naturalist. This camp is for kids who want to know all about nature and the things that live there. We will study animals, plants, rocks, and so much more. Nature will be our teacher this week as we play and learn.

July 8—12 Pioneer Camp (entering 2nd grade to age 9)

Come back in time with us. We will experience the life of pioneer kids. We will make candles, try outdoor cooking, play pioneer games and much more! Campers will get to make vital decisions during a simulated wagon train activity. No need to head west, just come to camp with us!

Registration Information

Camp fee is \$150 per child, per week (**check payable to the DeKalb County Forest Preserve**). Registration (see back) and payment are due as soon as possible to reserve your space. Upon receipt of payment, you will be sent a registration packet containing additional camp information. **Questions?** Call the Natural Resource Education Center (located in Russell Woods Forest Preserve) for questions about the camps at (815) 784-2000. For questions regarding registration or to find out if camps are full please call the University of Illinois Extension Office at (815) 758-8194.

July 22—26 Magnificent Mammals (entering 2nd grade to age 9)

Squirrels, and beavers, and bats, Oh My! Put yourself in the shoes (paws) of the mammals of Russell Woods. Come explore where and how animals live in the woods. We will learn where they are in the food chain and how they adapt their lives for the greatest chance of survival.

July 29—Aug 2 Rockin' in the River (ages 11 and 12)

This entire camp is dedicated to the Kishwaukee River and all the creatures that live in and around it. We will study, play and become river experts by the end of this week. Campers will have a wild and wet week of learning and fun.
