Flora Producers 4-H Club – April 2024

Reporter: Noah Graves

We met Tuesday, April 23rd at the Flora Grange building at 6:30 p.m. We did an activity with the federation members and learned more about federation. We talked about community service ideas, building a float for Kirkland 4th of July parade, and setting a time for our recreation day at Main Event. We reminded the club about the attendance policy and show requirements deadlines. We talked about June's meeting possibly being at a dairy farm to see a robotic milking system. Our next meeting will be May 28th at 6:30 p.m. held at the wee farm to start getting that ready for fair! We had talks about pto shaft safety, rabbit showing, dog tricks, and different knot tying.
