UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN

On the Personal Details page, fill in County and current grade, if they are missing. Hit continue and fill in a phone number in the home phone number line.

Confirm that the address listed is correct. This is important - it is where your premium check will be mailed!

Next, choose which project(s) your 4-H'er will bring to the 4-H Show. Select the correct project(s).
- General Projects is where most of your options can be found.
- You may be asked to enter information about animals, such as breed and EID/Scrapie Tag/Tattoo number.
- Your county may allow you to enter multiple projects/animals in the same Class at the same time. If so, you will need to change the quantity.
- You may need to select your 4-H Club here as well.

For additional 4-H'ers, repeat as many times as needed.

The last step is to review your projects. THIS STEP IS VERY IMPORTANT!! Please make sure they are correct as you will not be able to change them after the Fair Entry deadline. Continue through the payment part (there is no fee).

Then, finally, you will click the green submit button. After you hit submit, you may not be able to add projects OR additional children' until county Extension staff approve your submission.
