Decisions made by the superintendents will be final.

**POULTRY RULES**

***Illinois Health Requirements for Poultry:***

1. All entries (except waterfowl, i.e. domesticated fowl that normally swim, such as ducks and geese) in a show or exhibition shall have originated from a U.S. Pullorum-Typhoid Clean or equivalent hatchery or flock OR have a negative pullorum-typhoid test within 90 days prior to exhibition. Exhibitor shall show proper information as to name and address of owner or exhibitor, name and address of the authorized testing agent, date of the testing and the number, breed, and species of those tested.
2. Prior to being used to transport poultry to a show, all crates, boxes, containers and vehicles shall be thoroughly cleaned and disinfected.
3. Any poultry vaccinations must be performed at least 4 weeks prior to delivery to the show.
4. Upon admission to a show, all entries shall be examined by the official county fair veterinarian or qualified state personnel who shall also receive and examine all certificates necessary for admission of birds to a show. Birds not in show condition will be excused from exhibition and removed from the premises. Any fowl showing signs of illness during the fair will be removed from the exhibition grounds.
5. All out-of-state turkeys must originate from flocks that are officially classified as U.S. Mycoplasma Gallisepticum Clean in accordance with the provisions of the National Poultry Improvement Plan or be negative to a test for Mycoplasma gallisepticum within 30 days prior to entry.
6. A permit is also required for out-of-state poultry. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>.

***NEW THIS YEAR: For the DeKalb County 4-H Fair, ALL poultry (except for waterfowl) are REQUIRED to be tested within 90 days prior to the fair. Testing can be done for FREE on Saturday, June 7 from 9-Noon at the DeKalb County Farm Bureau building.***

1. Appropriate attire is expected at the show table and in the sale ring. Safety should be considered – long sleeves are recommended.
2. **Due to the possibility of poultry overheating, exhibitors are to bring water dishes so their animals will have water available at all times.**
3. Poultry exhibits should be in the 4-H'ers possession as of **June 1** of the current year.
4. Exhibitors may enter a maximum of **9 birds and in 12 poultry classes**. Individual poultry may be shown in the pen classes.
5. Poultry will be checked in between 2:30 p.m. and 3:00 p.m. on Saturday, August 2.
6. A pen of 3 consists of one male and 2 females of the same breed. In the Egg Production class, a pen consists of 3 hens of the same standard breed.
7. Both the Champion and Reserve Champion meat pen exhibits at the fair, and the Grand Champion Poultry of Show and the Reserve Grand Champion of Show will be eligible for the Blue Ribbon Livestock Auction, and they will retain ownership. *Photos of these Champion animals will be taken immediately following the poultry show in the back of the swine annex barn.*
8. Exhibits will ONLY be released after the COMPLETION of poultry judging. All pens are to be stacked neatly in the dirty cage pile before leaving for home.

9. 4-H Premiums paid will be using an X factor. Premium values will be:  
Blue: 5X      Red: 4X      White: 3X
10. All entries will be FINAL on June 9 and individuals may not make substitutions or changes after this date.
11. All poultry exhibits will be judged according to the American Poultry Standard of Perfection. A copy of this book is at the Extension office for you to use as a reference.
12. **4-H members are limited to receive one premium per class exhibited in premium eligible projects. Example: If a 4-H'er has 2 birds they exhibit in class 204 English Class - Pullet, the 4-H'er will only receive one premium for that class. This rule was established by the Agriculture Premium Fund.**
13. 4-H'ers uncertain of what class they should enter in should contact Superintendent Dale Sanderson at 815-751-6408
14. To control diseases such as avian influenza it is recommended that you isolate show birds for at least 2-4 weeks after returning from a fair so you can look for signs of the disease.

***The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premiums amounts may not be accurately reflected in this Premium Book.***
