

SHEEP - DEPARTMENT F
Judged Friday August 1, 2025, 5:00 p.m.
Superintendent: Bill Kuhn
Assistant Superintendent: David Vandeburg

Appropriate attire is expected in the show ring and sale ring. Safety should be the issue for the attire. Suggested attire: hard shoes, long pants and a collared shirt. (No shorts, open toed shoes, or hats.)

A 4-H member must be the owner of the animals exhibited at the fair. Professional fitters **will not be allowed** to assist in the 4-H Show. 4-H'ers may be assisted with the fitting of the animal by an immediate family member (mother, father, siblings or legal guardian) or by another 4-H member of DeKalb County.

All youth showing a sheep project are required to be certified in Youth for the Quality Care of Animals during the current year.

Decisions made by the superintendents are final.

Illinois Health Requirements for Sheep:

All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request. If an official electronic CVI is utilized, the exhibitor should be able to log on and show Bureau of Animal Health Personnel the completed CVI.

CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.

All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.

Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.

Ear tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal.

When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

Market Lambs All market lambs must be slick shorn (show ring ready) before weigh-in so that show lamb fungus can be identified.

Illinois Sheep

1. Sheep originating from a flock that has previously been classified as either an infected or source flock can be exhibited in Illinois upon the completion of an approved flock plan.
2. A Certificate of Veterinary Inspection must include the date of birth and the flock of origin.

CVI for Illinois-origin livestock shall be void ninety (90) days after issuance.

1. Entries are limited to 8 breeding stock with only two in each breeding age class regardless of breed, and 4 market lambs, for a total of 12 animals. 4-H'ers should however make special note of rule # 2 as this will affect their 4-H premiums.

Example: If a 4-H'er has 2 breeding sheep they exhibit in class 90 Black Face Ewe Lamb, the 4-H'er will only receive one premium for that class.
