Camp Russell 2025

Register your child now for summer day camp! Choose from four weeklong programs, each with a different theme. Camp will run from 9 a.m. to 3 p.m. each day. Children will have fun learning about nature through hands-on activities, games, and nature awareness. Camps fill quickly and space is limited to 20 per camp so register now!

June 23 — 27 Forest Adventures (ages 9 - 11)

If you like to be outside and learn about nature, come explore the forest with us. This camp is for kids who want to know all about nature and the things that live there. We will study animals, plants, rocks, and so much more. Nature will be our teacher this week as we play and learn.

July 7—11 Birds of Prey (ages 7 - 9)

Campers need to have completed 1st grade

Birds are all around us, from birds of prey to our backyard songbirds. What are birds of prey? What do they eat? How do birds fly? We will learn all about these awesome creatures during hikes, activities, and games.

Registration Information

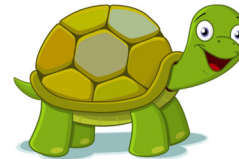

Camp fee is \$150 per child, per week. **Make check payable to the DeKalb County Forest Preserve**. Registration (see back) and payment are due as soon as possible to reserve your space. Upon receipt of payment, you will be mailed a registration packet containing additional camp information.

Questions: About camp: Call the Natural Resource Education Center at (815) 784-2000. **About registration or camp availability:** Call the University of Illinois Extension Office at (815) 758-8194.

July 21—25

Endangered Species (ages 7 - 9)

Campers need to have completed 1st grade

Endangered species are all over the world. Campers will learn what makes an animal threatened or endangered. We will explore different animal habitats and the importance of biodiversity through lessons and active learning while playing games.

July 28—Aug 1 Rockin' in the River (ages 11 - 13)

Campers need to have completed 5th grade

This entire camp is dedicated to the Kishwaukee River and all the creatures that live in and around it. We will study and become river experts by the end of this week. Campers will have a wet week of learning and fun.
