Dear 4-H Friend,

In 4-H, youth build life skills by leading hands-on projects in areas such as science, health, agriculture, and civic engagement – helping them grow confidence, independence, resilience, and compassion. Adult mentors provide a positive environment where kids learn by doing.

Our 4-H'ers are busy preparing for this summer's 4-H Fair, and we want to recognize outstanding 4-H'ers with awards in honor of their accomplishments. To do this, we rely on the generous support of our donors.

We invite you to support Clark County 4-H in one or both of the following ways:

- Make a "Friends of 4-H" general donation. These donations will support fair awards and other local 4-H programs and are eligible for state-matching funds. Your name or business will be listed as a Friends of 4-H donor.
- Sponsor individual awards with your name or business name listed as the donor.

Please consider donating to support 4-H by completing the second page of this letter. If you cannot contribute at this time, please advocate for 4-H by sharing our mission with a co-worker or friend. Even a quick mention on your social media is appreciated.

We are proud to be a part of this community and know programs like 4-H would not be possible without you.

Sincerely,

Jennifer Bishop
4-H Program Coordinator, Clark County
