

# My 4-H Project Record

## Environmental Sciences

Name: \_\_\_\_\_

4-H Year: \_\_\_\_\_

4-H Club: \_\_\_\_\_

4-H Age: \_\_\_\_\_

Please list the project you are taking:

---

### ***Goals: What do I want to do?***

Examples of Goals:

Learn about conservation

Learn about trees

Learn to identify insects

Talk or demonstration

List your own goals:

### ***What did I do in Environmental Sciences?***

#### ***Size & Growth***

List how many items you have in a collection or items purchased etc. Examples: 4 butterflies; 6 moths; 12 leaves from Illinois trees; camped 4 times with family.

#### ***What did I learn?***

**Knowledge & Skills:** List what you learned this year related to your project area. Examples: learned how to properly identify, and display rocks/insects; learned safe camping practices.

I learned to:

## ***Reflection on Project Area***

**Knowledge & Skills:** List challenges you encountered, memories you made, and what you learned from them.

## ***Participation in Environmental Sciences***

List participation related to your project area(s). Examples: toured nature center, attended workshop on insects.

## ***Leadership in Environmental Sciences***

List activities in this project area only, where you led others; include the number of people you led. Examples: gave talk at Earth Day celebration to preschoolers (30); led demonstration for how to figure the value of tree at club meeting; taught workshop on sportfishing.

## ***Community Service in Environmental Sciences***

List activities that you participated in and where you helped others in your project area(s). Example: helped with trash in wildlife habitat; helped clean up campgrounds before and after camping season.
