## 840 TAGS IN BEEF, DAIRY CATTLE, AND SWINE

### 840 Tag Requirement

**New this year, all swine, beef, and dairy cattle are required to have a USDA official animal identification number ear tag (840 tag).** The tag must be both visually and electronically readable. We know that there will be many questions, so here are a few answers to some basic questions:

- Who must have the 840 tag?
  - Beef – all heifers, all cows, and all steers being exhibited at the fair
  - Dairy Cattle – all heifers, all cows, all steers, and all calves being exhibited at the fair
  - Swine – all gilts and all barrows being exhibited at the fair
- Where do I get the 840 tag?
  - Breeder in which you purchased your animal from (up to breeder)
  - Local Veterinarian
  - Purchase tag from a farm supply store (Valley Vet, Nasco)
  - Purchase from Department of Agriculture:  
<https://agr.illinois.gov/animals/animalhealth/premises-registration.html>
- How do I purchase my own tags?
  - The location where the animal is being kept will have to have a registered Premise ID from the state of Illinois. With the Premise ID, you can purchase tags from a farm supply store such as Valley Vet, Nasco, or the Department of Agriculture.
- We don't have a Premise ID, and it hasn't been updated. What do we do?
  - You can obtain an application from the Illinois Department of Agriculture and send it in. The turnaround time is very quick.
  - If you have a Premise ID but need it updated, reach out to [agr.premises@illinois.gov](mailto:agr.premises@illinois.gov), and she will help you!
  - If you need a new Premise ID, you can log onto <https://agr.illinois.gov> and search for "Fillable Premise Form," then fill it out and email it to the address listed on the form.
- Will tags be checked when we arrive at the show?
  - Yes, superintendents will be checking that all beef, dairy cattle, and swine have the tag.
  - If an animal does not have a tag, they are not allowed to be on the fairgrounds.
  - There is a chance that a State employee will be at the show monitoring that tags are checked, and if they are not, then 4-H and the fairgrounds can be fined.

# 4-H Grant

Madison County Farm Bureau Young Leaders utilized \$5,000 of proceeds from their annual golf scramble to fund 4-H project grants. The purpose of the grant is to supply funding to support the growth of projects before fair season. Grant applications ranged from livestock show supplies to welding & woodworking materials to art classes and more! All 52 4-H applications received the award! **The top 10 applications were awarded \$250 to support their 2026 4-H project. Those top recipients are Amelia Reding, Ava Meyer, Briggs Eilers, Ethan Engelke, Grace Madson, Harper Merkel, Jemma Dorsey, Lincoln Zimmerman, Mia Abernathy, and Warren Musgrave.**

Madison County Farm Bureau Young Leaders would love to feature your grant award and project in our Madison County Farm Bureau newsletter and social media, so please send in a brief report and photo when you put your funds to use. Information can be emailed to [manager@madcofb.org](mailto:manager@madcofb.org).
