840 EID TAG REMINDER

Per USDA requirements, all beef, dairy, and swine exhibiting at state and county fairs must have an "840" electronic identification (EID) ear tag.

Tag numbers will be required on livestock health papers accompanying each animal and will be verified during vet checks at the fair.

Please see page 2 for more details.

840 EID TAG REMINDERS CONTINUED...

What must have an EID tag?

- All beef cattle, dairy cattle, and swine exhibiting at a county or state fair must have an “840” EID tag. Cattle under the age of 6 months are exempt.
- Tags should be placed in the ears by owners using an EID button tagger. Taggers may be purchased from a farm supply dealer (i.e., Valley Vet, Nasco, Premier 1).
- All steers will be inserted with EID tags supplied by U of I Extension during the initial winter weigh-in this year, as usual. Why must these animals have an EID tag?
- The purpose of the tag is to aid in animal disease traceability and reduce the impact of an animal disease outbreak.

Where can you get an EID tag?

- Tags should be inserted by the breeder that you purchase your animal from. If a purchased animal is already identified with an 840 tag, it should not be double-tagged, nor should the current tag be removed/replaced. Use the tag that is already in place.
- You can request tags for free from the Illinois Department of Agriculture

- You can purchase tags from a farm supply dealer (i.e. Valley Vet, Nasco, Premier 1)

**A Premise ID is needed to order an EID tag.*

How do I obtain a Premise ID if I do not have one already?

- Complete a registration form:

<https://agr.illinois.gov/content/dam/soi/en/web/agr/animals/animalhealth/documents/fillable-premiseform-2019.pdf>

and remit to the Illinois Department of Agriculture.

SHOOTING SPORTS-SHOTGUN

4-H Shooting Sports: Shotgun Club

Informational Meeting:
February 9, 2026
7:00p.m.
Monroe County Annex

Youth must be 10 by
September 1, 2025 to
participate.

4-H Shooting Sports programs provide a positive experience for youth and promote the safe and ethical use of firearms. It is our belief that firearm education reduces gun accidents. Hunting and shooting have been a strong part of our American tradition, and the 4-H shooting sports programs helps to continue this tradition through involvement of the whole family.

 6. 4-H members must present a talk or demonstration during the 4-H year.
 7. 4-H members must be enrolled in the project they are exhibiting/selling.
 8. 4-H and FFA members should have 4-H or FFA Livestock Record Books up-to-date and show their **in-progress** records to their 4-H Club Leader or FFA Advisor by their **May, June or July club meeting**, prior to the county Fair. 4-H Record Books must be **completed by September 15** and turned into the Monroe Co. Extension office.
- *Note: members **must** complete a Livestock Record Book for any of the livestock species they are selling in the current year, AND in order to sell in the Youth Livestock Auction in the following year.
9. Market animals receiving a blue or red 4-H ribbon are eligible to sell. Those receiving a white ribbon and/or not meeting the weight or rate-of-gain requirements are not eligible to sell.
 10. Exhibitors may sell **two livestock projects of two different species: Beef, Sheep, Swine, Goat, Rabbit, Poultry, and/or Dairy Cattle Basket (basket=products or certificates with a minimum value of \$50.)** ***Dairy Goat Baskets will sell with Goats.**
 11. Participants should declare the specie they plan to sell at the Livestock Entry Day prior to the Monroe County Fair. Any changes should be provided to the U of I Extension office prior to 8am, Thursday of Fair week.

YOUTH LIVESTOCK AUCTION RULES CONTINUED...

12. If a 4-H or FFA member receives Grand Champion and/or Reserve Champion in any specie area, they will have the opportunity to sell the Grand and Reserve Champion regardless of the number of other species they plan to sell, as long as all of the additional sale requirements are met.
13. Auction participants are responsible for helping to recruit potential buyers to the auction. Exhibitors should recruit and invite potential buyers of their livestock prior to the livestock auction via letters or personal visits.
14. Youth are encouraged to dress in neat and clean attire when selling their animal. Members should not wear business promotional clothing during the auction.
15. The seller's immediate family is discouraged from bidding on their child's animal.
16. Payment from the buyer must be made to the auctioneer service before the animal is moved from the Fairgrounds.
17. The seller is responsible for the animal until it is delivered to the buyer's destination and until the buyer's check has been successfully processed by the bank.
18. The exhibitor/seller is responsible for the delivery of the animal to the processor.
19. The exhibitor/seller is responsible if the carcass is rejected by the health inspector.
20. The exhibitor/seller is responsible for making necessary arrangements and/or agreements with the buyer if the exhibitor wishes to exhibit the animal at other fairs.
21. The cost of the thank you advertisement photo will be deducted from the check the exhibitor receives on the sale of their animal.
22. The exhibitor/seller will receive their animal sale check after the buyer's check has been successfully processed by the bank and internal financial processes have been completed by the Monroe County Extension and 4-H Education Foundation.

If the weather deteriorates in the evening before the event, please check your email and Facebook for cancellations.

2025-2026 GOAT CHANGES

Please note the following updates for the coming year regarding market goats for the Monroe County Fair:

The birth date for market goats has been moved from "after October 1" to "after April 1, 2025." Exhibitors who wish to participate in the Monroe Co. Fair and State Fair can still exhibit a child born after October 1.

In addition, the recommendations of an average daily gain of 0.20 and an ideal weight of 75 pounds by the second weigh-in at the fair will remain. Please note that these are still recommendations as we move toward adjusting the birth date.

The goal is to increase the quality of meat sold to consumers. The U of I Meat Sciences Instructor has emphasized the importance of backfat in producing high-quality meat. Goats without sufficient backfat tend to dry out excessively when hanging at the packers, which reduces meat quality. Allowing for slightly older animals will increase the likelihood of adequate backfat development, ultimately leading to a better product for buyers.

LIVESTOCK & HORSE RECORD BOOKS

All members are highly encouraged to fill out a 4-H Record Book for livestock and/or horse projects they are exhibiting at a 4-H Show.

It is REQUIRED to fill out 4-H Record Books for any livestock that members are selling at the Youth Livestock Auction.

Members must complete a livestock record book in the current year to be eligible to sell in the preceding year, except for new members or members not previously enrolled in that project.

In-progress Record Books should be shown by your leader at your May, June, or July club meeting before 4-H Shows.

The PDF versions of the books are found here:

<https://go.illinois.edu/LivestockRecord>

They may be filled in on your computer, or you may print them off and fill them in by hand (neatly).

The Instruction Guide is found here:

https://go.illinois.edu/LivestockRecord_Guide

It will help you through the process of filling out the book. Books are due at the Extension office by **September 15** for evaluation.
