

## JOIN US!

4-H clubs are open to all youth between the ages of 8 and 18 by September 1, and Cloverbud clubs are open to all youth between 5 and 7 years old by September 1. The focus is on “learning by doing” by choosing projects to work on and having fun through group club activities. SPecial INterest (SPIN) clubs focus on one specific project area to develop skills in that area or are for a specific age group. 4-H membership independent of a club but guided by an adult mentor is also an option.

### Find a club near you that fits your interests!

All meeting days and times are subject to change. Please check with the county 4-H Coordinator for details before attending your first club meeting.

## CARROLL COUNTY 4-H CLUBS

# VOLUNTEER

Whether you have a little time or a lot, volunteering with 4-H makes a meaningful difference! By sharing your strengths, enthusiasm and time you can help youth explore and discover the skills they need to lead for a lifetime. There are many ways to get involved:

- Help lead a club
- Teach a skill or share your knowledge
- Judge projects
- Help with activities or programs
- Assist youth with their projects
- Volunteer at the 4-H Show
- Offer a farm or business tour

If you're ready to take the next step, contact your county's 4-H coordinator to learn more and make plans.
