

4-H Club Participation Makes a Positive Impact on Youth!

- 4-H clubs give kids valuable opportunities to learn new skills, build confidence, and connect with supportive peers and mentors. Being officially enrolled ensures that youth receive important updates, are covered on insurance during 4-H activities, and can fully participate in meetings, workshops, and events.
- Enroll your child in 4-H at <https://4h.zsuite.org> under “**Moultrie-Douglas**” counties. Youth may join **as many clubs as they wish**, allowing them to explore all their interests! Reach out to Moultrie-Douglas 4-H Coordinator Rachel Stenger with any questions! 217-543-3755 / rstenger@illinois.edu
