

# 4-H Excused Absence Form

Excused absence from the county show is for conflicts with a 4-H event, a school-related activity, or a church event. If any of the above conflicts pertain to you, 4-H'ers can be excused from showing and still be eligible to receive premiums but will not be State Fair eligible.

**General Projects:** If a 4-H member is unable to attend a general project show, they may seek approval for judging a general project from Extension Staff by submitting an Excused Absence Form one week prior to the general project show. Extension staff will then review the request and notify the 4-H member, within 48 hours of approval or denial.

**You must do the following:**

- Submit an Excused Absence Form the Extension Office by the due date to be considered for an excused absence.
- Submit a brief written report talking about the project (what you did).
- Submit the project goal sheets (if applicable).
- Submit project at the registration desk on the day of the show.
