County Director Updates:

Discussion was held about the trouble of getting a quorum present at Council meetings. Members are to think about a solution and contact Jordee with a solution.

Jordee announced the various positions that the Unit is going to try to fill in the next few months (Family Consumer Science Program Coordinator, Ag & Natural Resource Program Coordinator, Supplemental Nutrition Assistance Program Community Outreach Worker, STEAM Educator and Family and Consumer Science Nutrition Wellness Educator)

Financial Updates:

The September FY25 Financial report was distributed. Jordee gave an update on the status of the FY26 funding requests for each county.

New Business:

All council members need to complete the Open Meeting Act training sometime during the year. If it has been completed, members need to send Jordee an e-mail to reflect that so she has something for the Civil Rights Compliance file.

Nick Suess inquired if there has been any stance given on the Farm Bill; Chris Lueking responded that nothing has been released yet and is wondering if something will be shared at some upcoming meetings.
