4-H Permanent Record

The 4-H permanent record is a list of all the groups, organizations, communications/presentations, exhibits, contests, activities, and awards that you complete in the year. This is your way to journal everything as the year goes by, keeping accurate records of what you do. Use this sheet to fill out your award applications, as it lists all your 4-H and non-4-H events. This record grows with the 4-H member, as you add on to it year after year. An up-to-date Permanent Record can be helpful with many award and scholarship applications.

Date	Non-4-H	Kind of Recognition	Local	County	Unit/Regional	State	National/Intl
