ILLINOIS DEPARTMENT OF AGRICULTURE DISCLAIMER

"The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book."

Will County General Project Show Rules

1. Only those projects in which the Will County 4-H member has enrolled can be exhibited. All exhibits must be completed by the 4-H member during the current program year beginning September 1, 2025 (refer to specific departments for livestock ownership dates). Unless otherwise noted, the exhibitor's age is determined as of September 1 of the current 4-H year.
2. Members may exhibit a maximum of two (2) projects per class. Members are not limited to the number of classes they may exhibit in as long as they are enrolled in those classes.
3. Show entries are required for all 4-H classes. Show entries will be accepted at go.illinois.edu/2026WillCountyFairEntry. All show entries must be submitted ONLINE to the Extension Office by 4:30 pm on the deadline date- ***no entries will be accepted after these deadlines:***
 - a. **June 1st** for Cat, Dog, and General Projects
 - b. **July 1st** for Livestock
4. The State Fair project areas available for group displays are Civic Engagement, Service Learning, Diversity & Cultural Awareness, Intercultural, Leadership and Video. For group displays at the State Fair, only those members enrolled in the group project and registered to show will be allowed to exhibit the project with the group, and only those members present for conference judging are eligible to receive ribbons and premiums. Members may exhibit by Absentee Form at the County Absentee Form. **The display must be manned by minimum 3, maximum 10 club members of 4-H age 8 and older.**
5. *If present at the show you MUST do face-to-face conference judging.* Conference (face-to-face) judging is the method used to evaluate all non-animal exhibits. 4-H members unable to be present on show day must submit an absentee report with their exhibit. **This report MUST be attached to your project if it is to be judged as excused.**
6. Exhibits will be judged against a set of standards for each project. Judged and Extension Staff decisions are FINAL. Ribbons will be awarded according to the following levels of achievement:
 - a. Blue Award (A Rating)- Project meets the standards.
 - b. Red Award (B Rating)- Project needs improvement
 - c. White Award (C Rating)- Project needs much improvement.
7. Members will receive only one (1) premium per class of the highest rating received (If funds are available). Members who meet a certain dollar amount threshold will be asked to provide their social security number or foreign national tax ID number prior to receiving a prize to ensure proper IRS reporting as required by law. This information is kept confidential and handled through security-protected software. Participants will not be eligible for a prize, gift, or award if social security or foreign national tax ID information is not provided in a timely manner when requested by the Extension Office. If you have questions about whether a communication or information

request came from the Extension Office, you may call us directly anytime during business hours at 815-727-9296 or call the Kankakee Unit Office at 815-933-8337.

8. 4-H premiums will be awarded if available, by the X system. Under this system, X will be worth a specific currency amount based upon the amount of money appropriated for 4-H premiums for the year, the number of entries, and the distribution of blue, red, and white awards. The X value will then be multiplied by the factor indicated for a given show.

	Blue	Red	White
Public Speaking, and General Projects.	3x	2x	1x
Cats, and Dogs	3x	2x	1x

9. 4-H exhibits will be automatically lowered one rating for the following reasons:
- Project is checked in after 9:30 a.m.
 - Project does not follow requirements.
 - Project is not properly displayed or presented.
 - No report, journal, notebook, project book, or other required paperwork is attached (see list of required materials under each project rule)
 - Project violates copyright/trademark rules.** This includes music, written material, graphics, logos, etc.
10. **COPYRIGHT/TRADEMARK RULE**- 4-H exhibits will automatically be lowered one rating and will be ineligible for State Fair if the project violates any copyright/trademark rules (judgment of Extension Staff—This judgment is FINAL.) Projects found on Pinterest, the use of copyrighted characters, the use of intellectual material without permission, etc. are all violations of this rule. **To learn more about copyright and 4-H projects, visit this resource produced by our Unit 4-H Staff: go.illinois.edu/4HCopyright**
11. Exhibits illustrating inappropriate subject matter and/or graphics are not acceptable. Extension Staff reserves the right to not display exhibits deemed inappropriate for youth audiences. Items deemed potentially dangerous to fair-goers may be removed from the exhibit.
12. 4-H members whose exhibits are removed earlier than the scheduled release time *will forfeit premiums.*
13. A pre-determined number of non-livestock exhibits in the BLUE AWARD groups will be selected for display at the Illinois State Fair. These exhibits will be denoted as State Fair Delegates and State Fair Alternates. **If projects do not meet the project requirement listed (which would receive a score of 4 or above in all categories) they will not be allowed to move on to the State Fair per State rules- even if this means no projects in the class advance. Judges are not required to make state fair selections and being the only project in a category does not guarantee state fair status or does meeting the minimum criteria.**

14. To participate as a State Fair Delegate or Alternate, 4-H members must be 8 years old by September 1, 2025. An individual 4-H member may enter **ONLY ONE** exhibit class in the 4-H Exhibit Division at the State Fair. If the 4-H member is also part of a **STATE RECOGNIZED** group project (see Gen Rule #4 above) that goes to state, they may also participate in the group project as well. Public Speaking is **NOT** part of the State Fair and is a separate contest. Participants in the State Public Speaking Contest are eligible to also bring an individual project to the State Fair- See rules on public speaking in the show book.
15. Registration paperwork to participate as a State Fair Delegate must be completed and returned to the Extension Office by the posted deadline. Alternates will be contacted by the Extension Office if an opening becomes available in their project area.

4-H General Project Exhibit Guidelines

Exhibiting in the 4-H Exhibit is a privilege. It is the responsibility of the exhibitor to follow the general rules of this division and the exhibit requirements for the specific class entered. The University of Illinois Extension personnel or their assigned agents do not assume liability for loss, theft, or damage to any exhibit. To see the complete list of rules for the Illinois State Fair General Project Show, please visit the Illinois State Fair page on the Illinois 4-H Website:

go.illinois.edu/4HGeneralProjectGuidelines. These guidelines will be followed at State and Will County General Project shows.

EXHIBITORS:

- Exhibitors must be currently enrolled as a 4-H member and have been at least 8 years old as of September 1, 2025. Parents and leaders should make provisions for the adequate care and supervision of exhibitors.
- Exhibitors must be enrolled in the project or have participated in the activity in which they are exhibiting during the current year. Due to the nature of the conference judging process, exhibitors must be present.
- youth and families: Conference judging is not about preparing a presentation. Judging is meant to be a conversation between the judge and a 4-H member (or group) about the project and the learning experience. You may bring notes if you wish. Tips on creating an engaging display board are available at go.illinois.edu/4HDisplayTips.
- Accommodation requests must be received in advance by contacting your local Extension office.

GENERAL EXHIBIT GUIDELINES:

- All exhibits must be products of the current 4-H year (September 1, 2025 - August 15, 2026).
- Exhibits illustrating inappropriate subject matter and/or graphics are not acceptable. The Superintendents reserve the right to remove exhibits deemed inappropriate or dangerous for youth audiences. The content of any 4-H competitive presentation does not necessarily reflect the beliefs or views of the Illinois State Fair or the University of Illinois Extension 4-H program.
- Some exhibit areas may have size limitations. Read the descriptions carefully. Please choose a display size which is most appropriate for the exhibit you are bringing. Larger does not always mean better; use good judgement in creating your exhibit. Exhibitors will need to carry their project from the distant parking lots on the fairgrounds. TABLES ARE PROVIDED. Do not bring your own.
- INNOVATION CLASSES are open to all 4-H members in the project areas listed. Members choosing to exhibit in the Innovation class may be enrolled in any level of the project they are studying. Members choosing to exhibit in the Innovation class decide the best way to show off

their project mastery and knowledge for the year in that project category. Some suggestions are provided for each category, but members may choose any method they want for demonstrating project learning as long as it does not fit in any other class in that category. Only selected projects categories have an Innovation option.

- GROUP PROJECT OPPORTUNITIES HAVE EXPANDED. They include Civic Engagement, Diversity and Cultural Awareness, Leadership, Passport to the World, Service Learning, and Video.
- **Project Manuals:** Some projects require a project manual, book, workbook, or guide. These are indicated with a book icon. . Project books can be purchased from shop4-h.org or in some cases, have a free PDF resource available on the [project's page on the Illinois 4-H website](#).

COPYRIGHT AND CLOVER USAGE:

- **Copyright Reminder:** It is illegal for youth to use an image or brand that someone else owns as part of their 4-H project exhibit without the permission of the copyright/trademark holder.
 - Copyrighted or trademarked designs are not acceptable; this includes team logos, school logos, and/or characters from television, movies such as Disney characters, Iron Man etc.
 - More details in the new "Copyright Guidelines Tipsheet: go.illinois.edu/Il4HCopyrightGuidelines.
- **Use of the 4-H Name and Emblem:** Chartered 4-H Clubs and enrolled 4-H members are authorized to use the 4-H Name and Emblem. This includes permission for an enrolled 4-H member to use the 4-H name and emblem in exhibits you create for personal use as part of 4-H sponsored events. This includes 4-H decorated cookies, a 4-H Clover printed out for use in a scrapbook, etc.
- **Please note:** Any use of the 4-H name and emblem on items intended as gifts or for sale require prior permission using this [UNIVERSITY AGREEMENT](#) . This should be signed by the County Director. Any uses of the 4-H name and emblem for sale or promotion online, and/or in statewide events should be signed by the Illinois 4-H Director (illinois4H@illinois.edu).
- Use of the green clover shaped image is not protected. The 4-H Emblem is distinguished by the four H's that signify Head, Heart, Hands, and Health. No creative rendering, changing in color or shape of the official 4-H emblem is allowed.

All Exhibitors must bring their video to be judged on a USB flash drive and saved in .MP4 format at the State Fair. Wireless Internet access is not necessarily available. Exhibitors are encouraged to post their video on YouTube.com in advance of State Fair. Exhibitors may choose whether to make the video "public, unlisted" (someone must have the link to view it), or "private" (only people you choose may view it). This will allow fairgoers to view the exhibits on display. There will be TV monitors at the exhibit table for viewing videos so exhibitors will NOT need to bring a laptop or device for viewing at the State Fair. However, at the county level, you need to bring your own device (including a way for your judge to hear your video) for viewing. All Video/Filmmaking exhibitors must include a printed copy of materials which will remain on display.

- Scrapbooking (2 total from 50345, 50346, 50347)

Exhibitors must be enrolled in the Visual Arts project category in which they are exhibiting. Exhibitors are encouraged to date the project when it is made. Exhibitors must be able to carry or cart their exhibits across the fairgrounds from the parking lots. All visual arts exhibits are evaluated using a visual arts rubric, which considers correct use of design elements, craftsmanship, and creativity.

Articles exhibited must be an original design created by the exhibitor (except in Heritage Arts, which may follow a pattern). Copyrighted or trademarked designs are not acceptable; this includes team, school logos, and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does NOT make the design original. This also applies to ideas found on a site such as Pinterest. If you see something on Pinterest that you like, you can use that idea as your inspiration; however, create something that is fundamentally different. It **MUST NOT BE AN EXACT REPLICA OF** something the judge can search for and find on Pinterest. The exhibit may

combine parts of different patterns and/or ideas with the concepts of the member; however, changing the color or changing the size of the item or pattern used does NOT make it original. If you create an exact replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

When utilizing repurposed materials, source wisely to avoid materials from old furniture, painted wood, or metal objects that may contain lead-based paint. Items manufactured before 1978 are particularly risky. If you are unsure, lead testing kits to check painted surfaces are available at hardware stores. Consider safely stripping or sealing unknown paint with a non-toxic barrier to prevent exposure.

Use of the 4-H Clover:

Chartered 4-H clubs and enrolled 4-H members are authorized to use the 4-H Name and Emblem. This includes permission for an enrolled 4-H member to use the 4-H name and emblem in exhibits created for personal use and as part of 4-H sponsored events. This includes 4-H decorated cookies, a 4-H clover printed for use in a scrapbook or included as part of any other 4-H exhibit. Use of the green clover shaped image is not protected. The 4-H “emblem” is distinguished by the four H’s that signify Head, Heart, Hands and Health. **No creative rendering, changes in color or shape of the official 4-H emblem is allowed.**

NOTE – Any use of the 4-H name and emblem on items intended as **gifts or for sale locally** requires prior permission from your local Extension office. Your Extension office will be able to provide you with the form which must be signed by the Extension County Director. Any uses of the 4-H name and emblem for sale or promotion **online, and/or in statewide events** should be signed by the Illinois 4-H Program Leader (Illinois4H@illinois.edu).

Quilts entered in Visual Arts should **ONLY** be entered in the Quilting Project area in either Level 1 *You Can Quilt* (SF 50331) OR Level 2 *Quilting the Best Better* (SF 50331). All work on the quilt **MUST** be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else.

Unless otherwise noted, due to space limitations, projects should be no larger than 48” x 48”.

Fine Art and Design

Visual Arts Chalk/Carbon/Pigment (Drawing and Painting): Division A, B, or C

Enter the division based on the type of material on which the art was created.

Chalk/Carbon/Pigment (Drawing and Painting): Division A: Canvas (SF 50336a)

Any original artwork created on canvas using traditional materials such as pencils, chalk, pens, ink, paint, charcoal, or dyes. All artwork must be either framed, matted, or otherwise prepared for display. Oil and acrylic paintings may be exhibited without glass or matting and are acceptable unframed if the canvas edges are finished and the piece is ready to hang. Watercolor, chalk, pen and ink, and similar media require protective covering, such as glass or a clear sleeve. Gallery-style frames and matted-only presentations are both acceptable, provided the piece is equipped for hanging. If the artwork is not designed to hang, exhibitors must include a photo showing how it will be displayed (e.g., on a stand or easel). There is no restriction on the type of mat used.

Chalk/Carbon/Pigment (Drawing and Painting): Division B: Paper (SF 50336b)

Any original artwork created on paper using traditional materials such as pencils, chalk, pens, ink, paint, charcoal, or dyes. All artwork must be either framed, matted, or otherwise prepared for display. Oil and acrylic paintings may be exhibited without glass or matting and are acceptable unframed if the piece is ready to hang. Watercolor, chalk, pen and ink, and similar media require protective covering, such as glass or a clear sleeve. Gallery-style frames and matted-only presentations are both acceptable, provided the piece is equipped for hanging. If the artwork is not designed to hang, exhibitors must include a photo showing how it will be displayed (e.g., on a stand or easel). There is no restriction on the type of mat used.

Chalk/Carbon/Pigment (Drawing and Painting): Division C: Clay, Glass, Wood, Metal, Textiles (SF 50336c)

Any original artwork created on clay, glass, wood, metal, or textiles using traditional materials such as pencils, chalk, pens, ink, paint, charcoal, or dyes. Original glaze painting on pre-formed clay surfaces is acceptable, provided the design demonstrates creativity and artistic effort. Simply adding a single color or minimal decoration, for example, painting a frog entirely green, does not meet the criteria for original artwork. All artwork must be either framed, matted, or otherwise prepared for display. If the artwork is not designed to hang, exhibitors must include a photo showing how it will be displayed (e.g., on a stand or easel). There is no restriction on the type of mat used. If you are painting on clothing, consider entering your work in the “Clothing Embellishment” project, “Applied” class.

Visual Arts Clay (SF 50337)

Any original item made of clay may be fired or unfired, hand-formed or thrown on a wheel. Ceramics, oven-cured, cornstarch, air-dry/self-hardening, and fire-cured clays are acceptable. Modeling clay is not recommended as it does not harden and risks melting. Items can include, but are not limited to, clay statues, bowls, jewelry, etc. Pre-formed ceramics should refer to Visual Arts Chalk/Carbon/Pigment for guidance.

Visual Arts Computer-Generated Art (SF 50338, SF 50370)

- **Computer-Generated Art** (SF 50338)

Any original artwork created using any software package, where all pixels must be entirely original. Exhibits may not contain scanned images, clip art, downloaded content, imported graphics, or photographs. Photo mosaics are not permitted. Wood and metal pieces created through laser cutting software should be entered in this class, as should plastic artworks produced with a 3-D printer if they have an artistic focus. If the artwork is designed to hang, it must include protective covering, such as a glass frame, and be prepared for hanging. Laser-cut pieces not intended for hanging do not require protective covering or hanging hardware.

- **Graphic Design** (SF 50370)

Any original art created in any software package that displays visual information, such as an advertisement, publication, website, or any other type of visual communication, by effectively combining text and graphics. If using clip art, downloaded images, imported images, or photographs, they must be either royalty-free or owned by the exhibitor.

Visual Arts Glass & Plastic (SF 50340a, 50340b)

Any original item made of glass or plastic.

- **Glass** 50340a

Possible items to exhibit include stained glass, etched glass (original design), mosaics made of glass, and glass beading.

- **Plastic** 50340b

Possible items to exhibit include plastic jewelry (friendly plastic); recycled plastic art; plastic that can be molded into 3D shapes.

Stepping stones can be entered as a Visual Arts exhibit in Glass & Plastic, however, they must have an intentional design created using glass and/or plastic, and the exhibitor must be prepared to discuss the design elements associated with their exhibit.

Visual Arts Metal (SF 50342)

Any original item made of metal, such as a sculpture, a tin punch, an engraved metal, or jewelry. Items intended for industrial use (such as tools and/or shop items) are not considered part of this Visual Arts project and are not eligible for entry. Metal items that have been partially or totally created using laser cutting programs/devices should be entered in Computer-Generated Art.

Visual Arts Open Form and Emerging Techniques (SF 50350)

Any original artwork that explores unconventional formats, mixed media, or emerging creative technologies that reflect technique or design. Materials must be safe and age-appropriate. This project encourages experimentation while upholding elements and principles of design. Exhibitors are encouraged to include a brief artist statement describing their technique, inspiration, and creative process. This category is ideal for youth blending disciplines or exploring new artistic technologies. If a project fits more clearly within an existing category, it should be entered there instead.

Visual Arts Three-Dimensional Design/Mixed Media (SF 50348)

Art pieces in this class must be comprised of **at least three different media**. To ensure a true mixed media composition, no single medium should dominate the piece. As a guideline, each medium should contribute roughly equally to the overall design. One material should not appear to be the main focus or make up the majority of the work. The piece should **be either freestanding or should be prepared to be hung**, and viewable from at least three different sides. Originality and design are important concepts. Craft kits, preformed, or assembled projects are not acceptable. Due to space limitations, any single exhibit in the Three-Dimensional Design/Mixed Media project should NOT exceed 48" x 48".

Visual Arts Wood (SF 50349)

Any original item made of wood (wood carving, sculpture, collage, wood burning, etc.). Utilitarian wood items made from patterns or kits (outdoor or indoor furniture, shelves, etc.) should be entered in woodworking, **NOT** Visual Arts. Popsicle stick crafts are not acceptable for State Fair entry. Wood items that have been partially or totally created using laser cutting devices or programs should be entered in Computer-Generated Art. All Visual Arts Wood exhibits **MUST** have an artistic element that the exhibitor can explain. If the exhibit is a piece of furniture, it should be entered in Woodworking unless the primary focus is an artistic element, such as wood carving or wood burning. Exhibits will be judged using a Visual Arts Rubric and not a woodworking construction rubric.

Artisan Crafts

Visual Arts Fiber (SF 50339)

Any original item made of fiber. Examples include but are not limited to fabric collage, soft sculpture, stitchery, weaving, embroidery, cross-stitch, wearable art, hooking, braiding, duct tape artistry, string art, and baskets. **Original** cross-stitched, knitted, or crocheted items belong in this Fiber class. **Non-original** cross-stitched, knitted, or crocheted items should be entered in Heritage Arts. Engineered wood may be utilized as part of the exhibit to adhere natural materials, not as an element of the design. Articles such as dried pressed flowers may be displayed under glass if viewed as necessary for the protection/preservation of the natural materials. Candles and baskets are not suitable as entries and instead should be entered in Heritage Arts.

- **Three-Dimensional Paper Art** (SF 50344b)

Exhibits should be a 3-dimensional image. Exhibits in the 3-dimensional category must have multiple layers and/or levels. category includes but is not limited to: Origami; Paper Mache; Paper models of architecture, paper-cut designs; quilling.

PLEASE NOTE THE FOLLOWING:

- Paper-cut designs and quilling have the potential, depending on the design, to align with either of the categories. The key design element is whether the design is 2-dimensional or 3-dimensional.
- Paper twist articles made from a kit or directions in a craft book or store ARE NOT original and not appropriate in the Visual Arts Paper exhibit area. Scrapbooks are also not eligible in Visual Arts Paper but should be exhibited in Visual Arts Scrapbooking.
