Marketing and Communications Graphic Designer

WE TRANSFORM LIVES
Everything we do is designed to improve the quality of life of the people in the state of Illinois, across the nation, and around the world. We discover, develop, translate, and disseminate knowledge to address societal concerns and train the next generation of experts and leaders in a way that empowers them to expand the boundaries of science to higher levels of understanding and influence.

Be a part of our story. Through learning partnerships that extend knowledge and change lives, University of Illinois Extension provides educational programs aimed at making life better, healthier, safer, and more profitable for individuals and their communities. Illinois Extension has operated continuously for more than 100 years connecting the citizens of Illinois to their land-grant university by providing educational programming around the state. University of Illinois Extension is based in the College of ACES and works with all colleges and units of the University of Illinois at Urbana-Champaign.

The Marketing and Communications Graphic Designer serves as a regular, full time, 12-month position with primary responsibility for utilizing creativity, talent, vision, and drive to help Illinois Extension’s Marketing and Communications Team to develop visual and graphic design solutions across platforms for state-wide projects and initiatives that build a strong brand reputation. This position will determine project objectives and deliver end-to-end design artwork that is ready for a variety of media including print, web, social channels, and digital; create illustrations, graphics, templates, and forms consistent with University of Illinois and Illinois Extension brand guidelines; support the Art Director, Project Manager, and Director of Communications in asset creation, execution of high-level requests, budget estimations, and proofing; advise on complex design problems/projects; communicate with outside vendors when technical knowledge and expertise is required; assist colleagues with design and technical solutions; contribute to design training as part of the State Marketing and Communications team, and serve as a liaison to hourly/extra help employees as needed.

The Marketing and Communications Graphic Designer will be located in Urbana-Champaign on the University of Illinois campus (remote and flexible working arrangements are negotiable for this position) and will report to the Art Director for University of Illinois Extension.
