

Boone County 4-H Award Application

Instructions

Age 8-14

Award applications are not required, but rather away for 4-H youth to be recognized for the work they have done throughout the 4-H year. *We encourage **ALL** 4-H'ers to apply for awards.* Many of the project areas have special awards which may include trophies, plaques, cash prizes, or other award of donor's choice.

The following will make up a completed award application:

- Boone County 4-H Award Cover Page
- Application with Sections 1-3
- 4-H Story (one for each area applying for an award in)

Please note: The application Sections 1-3 cannot be changed. Please do not adjust columns, margins, or lines. If you have more information than will fit in the allotted space, you will need to prioritize and just include the most important items. This part of the application is based on the past 3 years and covers your 4-H project work, club activities, county events and activities, and all state and national events as well.

4-H Story:

You will need to write a 4-H story for each of the projects that you want to apply for an award in. For example, if you applying in photography and swine you will write one story for photography, and one for Swine. In addition, if you are applying for an Outstanding Member Award (Achievement) then you will also need a 4-H Story on your overall 4-H experience. *Please be sure each 4-H story is labeled with the project name.*

What is important in the 4-H Story? The story is where you will want to share details about your project or 4-H career. It should include information on how 4-H and your project work have helped you personally and your family. How has it affected your future? Do you want to continue to learn about a subject area or has what you learned helped you in a career choice? How have you used what you have learned in school, other organizations, your job, or everyday life? Be sure to make it personal! The reader should feel like they know you by the time they finish reading your story. You can tell your story using straight facts, or demonstrate creativity.

2019 Boone County 4-H Awards Cover Page

Name: _____ Club _____

Age as of September 1, 2018: _____ Number of years in 4-H, including this year: _____
