Dennis and Julia Finfrock
Effingham County

**Illinois

 **Illinois 4-H**
FOUNDATION

Dennis & Julia Finfrock have been a vital role and been the backbone for the Effingham County 4-H program for many years. Their parents dedicated much of their lives to 4-H, and Dennis & Julia have continued that family tradition. For years they have supported the Effingham County 4-H program in many ways. Donating countless hours to the youth in our county, monetary contributions, and educating the youth in the swine industry.

Dennis & Julia serve on the Effingham County Pork Producers. Every year they make sure superintendents, ring helpers, and judges receive a delicious meal provided by the Pork Producers at no charge once their shows are complete!
