Show Day Procedure & Project Exhibit Requirements

Before the Show

1. **EXHIBIT RULES:** Specific rules for each project are listed in this Show Book. In most cases, the exhibit listed is one of several activities taken from your project manual. Be certain to follow the rules listed in **this book EXACTLY**, even if they differ from your project manual. 4-H Show exhibits which do not meet these guidebook rules will not be eligible to receive an A rating.
2. **WORK OF EXHIBITOR:** Projects are to be constructed by the exhibitor, and they must have been made in the current 4-H year. The same product or speech that is selected at the county level must be exhibited at the State Fair, adjusted to State Fair class requirements.
3. **NUMBER OF ENTRIES:** Some projects allow you to bring more than one exhibit per project; others allow only one. Remember to select just one choice unless the project rules specifically say you can prepare more than one. In the visual arts project, you may enter a separate exhibit in any or all of the visual arts sub-divisions, but you may only bring one exhibit per sub-division. For example, you may enter chalk drawing in the “chalk, pigment and carbon” division and enter a quilt in the “heritage arts” division. Members are limited to one entry per show CLASS listed.

Members unable to exhibit or who have a conflict **MUST** contact the Extension Office, their club leader, or the appropriate superintendent at least 48 hours in advance of the show. The exhibitor is to make arrangements for another *Fayette County* 4-H'er to exhibit his/her project. 2. **CONFERENCE JUDGING:** At the county 4-H shows, a judge will evaluate the quality and appearance of each exhibit. In addition, the judge will ask the 4-H member some questions about their project to assure their knowledge of the project. Parents are not allowed to assist the 4-H member at any time during the conference judging. Only the superintendents and junior superintendents will be allowed in the judging areas along with the 4-Her being judged. 4-Hers should dress nicely and be well groomed.
3. **SCORESHEETS:** Exhibits will be scored by the state score sheet for that project. A copy of score sheets are available online at: <https://4h.extension.illinois.edu/members/projects>

The amount varies each year based on the amount provided to the Illinois Department of Agriculture for the 4-H premium fund. These funds are appropriated by the State Of Illinois General Assembly. **Disclaimer:** *Premiums will be provided based on funds available. The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such, premiums may be curtailed.*

- Members who do not exhibit at the County Show can show the project at a local club tour or achievement meeting to receive credit for exhibiting, but will not receive premium money for the exhibit.
 - Non-state projects are not allowed, by law, to receive a state premium.
5. **RIBBONS:** Projects will be scored against a score sheet which is available to anyone upon request from the county office.
- Based on that score, each exhibit will receive either a **blue, red or white ribbon**. Projects earning a blue ribbon “met the standards” in most categories of the score sheet. Projects “needing some improvement” will receive a red ribbon, and projects “needing much improvement” will receive a white ribbon.

7. **DURATION:** Exhibits must remain at the exhibit location throughout the length of the Show. No project may be removed (except live animals) until after it is released by the Extension Staff. Members are responsible for picking up their items from the 4-H Show. The Extension Office does not accept responsibility of any projects left after the release time.

Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, create something different using the concept, however, it MUST NOT look exactly like something the judge can search for and find on the internet. The exhibit must combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create a replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

4-H Livestock Project and Exhibit Rules

The following rules will help you have a successful 4-H Show. Please read these general rules as well as the rules for your animal species. County livestock policies are subject to change at the discretion of the Livestock Committee. Call the Extension office or livestock superintendent if you have any questions or concerns.

GENERAL LIVESTOCK OWNERSHIP AND EXHIBIT RULES

1. To participate in a state 4-H animal project, a 4-H member must complete the online **Quality Assurance and Ethics Certification** provided by the Illinois 4-H office. The website may be accessed at: <http://web.extension.illinois.edu/qaec/> . The certification has been developed to review what is expected of youth caring for animals. A 4-H member need only complete the certification one time during their 4-H career. A 4-H member who has already taken the certification and is already on file at the Extension office does not need to re-take the certification. A 4-H member is only required to take the certification in one of the species, regardless of how many animal projects they are enrolled. The certification must be completed before the Fair.
2. Youth for the Quality Care of Animals (YQCA) is a national multi-species quality assurance program for youth ages 8 to 21. YQCA is currently required for all 4-H exhibitors showing **Beef, Goat, Sheep & Swine**. All 4-H exhibitors of these animals will be required to certify in the YQCA program yearly starting for the 2022 show season. Youth must either attend a face to face class or certify on-line via the website: yqca.org. The online version is broken into age divisions as follows: juniors 8-11, intermediate 12-14, senior 15-18, and young adults 19- 21. This certification is annual with test out options of 1-3 years. Youth exhibiting swine at the Illinois State Fair and 4-H fairs are no longer required to be PQA plus certified. The estimated cost for the face to face training will be \$3 and \$12 for the online version.
3. ALL 4-H Fair Livestock Entries are due to the Extension Office or submitted on Fair Entry website at the same time as other 4-H Fair entries are due. The entries are due July 1, 2022 to the Extension Office.
4. The Fayette County **4-H Show** and the Fayette County Fair **Junior** shows require **separate** entries. All Fair Junior Show entries **MUST** be made through the Fayette County Fair Office. 4-Hers wishing to show in the Fayette County Fair Junior Show must make entries from the official Fayette County Fair Book and pay the appropriate fees at the fairgrounds. The Extension Office will not be responsible for junior show entries.
5. Each exhibitor may weigh up to FOUR animals from each species (beef, sheep, goats and swine) for the 4-H Show. This means a member can weigh 4 steers, 4 barrows, 4 sheep wethers, 4 sheep market ewes, 4 goat wethers. 4-H members may then exhibit two market animals in each species (or weight class).
6. All 4-H Market Animal projects (steer, goat wethers, sheep wethers and sheep market ewe lambs) **MUST** be identified and weighed at the county weigh-in to be eligible to exhibit in the Fayette County 4-H Shows. (Market Steers includes both Beef and Dairy steers.) There will be no early or late weigh-ins of any animal for the Fayette County 4-H Show. If you cannot be there, please make arrangements for someone else to bring your animals. **NO EXCEPTIONS!**
7. Every 4-Her exhibiting beef, horses/ponies/mules, dogs, or barrows needs to have **OWNERSHIP PAPERS & PHOTOGRAPHS** (one of each side of your animal) on file in the Extension Office by May 1 of the current 4-H year. Forms can be accessed at <https://extension.illinois.edu/cefi/4-h-fayette-county>.

8. ALL 4-H members taking a livestock project are **REQUIRED** to complete a 4-H Livestock record for the following species: beef, dairy, swine, sheep, poultry, rabbit, meat goat and dairy goat. These records are inspected, along with other health documents, at county 4-H fair check-in to see that they have been started. **Final records must be submitted to the office by County Awards due date.**
9. 4-H members exhibiting livestock, rabbits or poultry are responsible for **cleaning their own pens after the show.** University of Illinois Extension reserves the right to restrict future participation for those individuals not doing so.
10. There is no entry, stall, or pen fee for the 4-H show.
11. Showmanship contests are divided using the official 4-H Age (age as of Sept. 1, 2021). The Livestock Committee reserves the right to change age breaks dependent upon class size for each species at the Fair.
 - a. Junior, 8-10 years;
 - b. Intermediate, 11 – 13 years;
 - c. Senior, 14-18 years
 - If class size is small, the Livestock Committee reserves the right to divide contest into two classes.
 - a. Junior, 8-12 years;
 - b. Senior, 13-18 years
12. All market animals must be weighed and shown in the 4-H shows.
13. Livestock must be on the grounds by no later than 5 p.m. Saturday and **must** remain for 72 hours.
14. All livestock exhibited in the 4-H Show must meet State Exhibition Livestock Health Requirements. A copy of these rules is provided in the back of this show book. It is the 4-H'er's responsibility to allow plenty of time for all health papers to be processed by their veterinarian and returned in time for the 4-H show.
15. ALL livestock exhibitors (beef, goat, sheep, & swine) are expected to check-in Sunday at 11 a.m., with weigh-in starting at 1 p.m. All health certificates, registrations, ownership papers, 4-H livestock records, etc. will be checked at this time. **Papers should then be kept on the premises (fairgrounds) for the remainder of the week in the event that they need to be shown again.**
16. Registration papers are required in all purebred classes and must show ownership of the animals in the name of the exhibitor **ONLY** (no partnerships or Farm names) for the period required in the 4-H project. This is so that an individual ID number can be assigned. Certificates from breed association representatives will not be accepted in lieu of the registration papers. **Double registered animals will be allowed entry in only one breed show!** Any registered animals must have been owned by the exhibitor by June 1 of the current year. This will be specified on the animal's registration papers.
17. If you are showing a registered animal in any division, but there is no class listed for that breed, then you must show that animal in the "*All Other Breeds*" Class. Please make sure you have this correct on your entry form.
18. Exhibitors must have aisles cleaned and cleared. *No tack should be stored in the aisles.* Livestock Superintendents will designate where tack will be allowed. Only the enrolled 4-H member or immediate family members should fit the livestock project(s) for the show. Remember that 4-H is a learning experience for the entire family!
19. In the case that an exhibitor has more than one animal in a class, he/she may ask another *enrolled Fayette County 4-H member* to exhibit the additional animal(s). Parents, Cloverbuds or 4-H'ers from other counties may not assist. Members assisting in showing are expected to have exhibitor's name displayed on their back for clarification for the judges and staff.

20. Exhibition of 4-H projects in local, county, or state exhibits or fairs, is considered a privilege, and is voluntary on the part of the exhibitor. The exhibition of projects provides the 4-H member an opportunity to display their projects, entertain wholesome competition and enjoy an educational/social environment with their peers. With the privilege of exhibition also comes the obligation of abiding by the rules of the respective 4-H projects.
21. **A mandatory livestock exhibitor meeting will be held in the 4-H show ring at 6 p.m. on Saturday evening.** We will pass along any important information for the week and announce any changes that may be applicable.
22. Exhibitors with special needs: At a county level, 4-H leaders shall encourage members to participate in project classes based on their abilities. Special exceptions or modifications to classes shall be made as required to allow the 4-H member a satisfactory experience. Members may advance to the IL State Fair competition, provided they are able to meet the specific class requirements.
23. If livestock needs *any* medication, contact the Show Superintendent, Fair Office, Livestock Committee member, or the Fair vet BEFORE administering the medication.
24. The 4-H member must be enrolled in the project and have ownership of animal by the following dates:
 - Steers - by February 1, 2022
 - Barrows – by May 1, 2022 (Swine Ownership Form deadline)

2022 ILLINOIS STATE FAIR 4-H GENERAL PROJECT DIVISION

Exhibiting in the 4-H Exhibit Division at the Illinois State Fair is a privilege. It is the responsibility of the exhibitor to follow the General Rules of this division and the exhibit requirements for the specific class entered. The Illinois State Fair, State 4-H Office, and local University of Illinois Extension personnel or their assigned agents do not assume liability for loss, theft, or damage to any exhibit.

General Rules

EXHIBITORS:

1. Exhibitors must have been pre-selected by their county 4-H Extension program as a state fair exhibitor.
2. Exhibitors must be currently enrolled as a 4-H member and have been at least 8 years old as of September 1, 2021. Parents and leaders should make provisions for the adequate care and supervision of exhibitors.
3. Exhibitors must be enrolled in the project or have participated in the activity in which they are exhibiting during the current year. Due to the nature of the conference judging process, exhibitors must be present with the exhibit on their assigned county exhibition day. Scheduling adjustments for religious reasons may be requested by contacting the Illinois State 4-H Office@ illinois4H@illinois.edu by August 1, 2022.
4. Exhibitors must be present for judging. No Skype or Face Time sessions will be allowed. If a 4-H member needs a reasonable accommodation to participate in the General Project Show, please contact the Illinois State 4-H Office @ illinois4H@illinois.edu by August 1, 2022.
5. A 4-H member may enter only one individual exhibit and one group exhibit in the 4-H General Project Show. This also applies to exhibitors who are enrolled in projects in two different counties. If they are identified as a state fair delegate in two counties, they will have to choose one individual and/or group project to exhibit.

ENTRY PROCEDURE:

6. Local Extension offices will make all entries for their 4-H members via 4-H Online by August 1, 2021. Counties needing permission for late entries after August 1 (due to late local shows) should contact the Illinois State 4-H Office @ illinois4H@illinois.edu by July 1, 2022.
7. Each county may make the number of entries allowed in each area as stated. Counties with more than 500 members are allowed 12 additional exhibits/exhibitors for state fair. These additional exhibits may be entered in any class/classes of the county's choosing. Current enrollment figures should be used to determine entry numbers. Multi-county Extension units have the option of combining enrollments from all counties within the unit to determine a total number of entries, using the quota systems. This procedure, if used, must be used for ALL State Fair class entries from that multi-county unit.

GENERAL EXHIBIT GUIDELINES:

8. All exhibits must be products of the current 4-H year (September 1, 2021 - August 31, 2022). The same product that is selected at the county level must be the one exhibited at the State Fair (except for Food & Nutrition (must be the same recipe), Crops, Floriculture, and Vegetable Gardening exhibits (must be the same specie/type (i.e. slicing tomatoes, snap beans, onions, etc.)). Modifications can be made to the original county exhibit to meet State Fair class requirements or to incorporate suggested improvements made by the local judge. Determination of exhibit eligibility rests solely with the University of Illinois Extension Assistant Dean and Director, 4-H and designated persons.
9. Exhibits illustrating inappropriate subject matter and/or graphics are not acceptable. The Superintendents reserve the right to remove exhibits deemed inappropriate or dangerous for youth audiences. The content of any 4-H competitive

presentation does not necessarily reflect the beliefs or views of the Illinois State Fair or the University of Illinois Extension 4-H program.

10. Some exhibit areas may have size limitations. Read the descriptions carefully. Please choose a display size which is most appropriate for the exhibit you are bringing. Larger does not always mean better; use good judgment in creating your exhibit. Exhibitors will need to carry their project from the distant parking lots on the fairgrounds.
11. **INNOVATION CLASSES** are open to all 4-H members in the project areas listed. Members choosing to exhibit in the Innovation class may be enrolled in any level of the Project they are studying. Members choosing to exhibit in the Innovation class decide the best way to show off their project mastery and knowledge for the year in that project category. Some suggestions are provided for each category, but members may choose any method they want for demonstrating project learning as long as it does not fit in any other class in that category. Only selected projects categories have an Innovation option.
12. **READY4LIFE CLASSES (Career & Entrepreneurship Exploration)** are open to any 4-H member who was at least 11 by September 1, 2021. Members choosing to exhibit in the Ready 4 Life class may be enrolled in any level of the project they are studying. Exhibits should show the connection between the project area and related career or business opportunities. Members may choose any method they want for demonstrating project learning. **Counties are eligible to send one Ready 4 Life exhibit for each project category in addition to the total allowed for that division.**

EXHIBIT JUDGING PROCEDURE & SCHEDULE:

13. The County Extension office will provide official exhibit tags for all exhibitors prior to the state fair. This entry tag should be completely filled out and securely attached to the exhibit. County exhibit tags and ribbons should be removed.
14. All exhibitors from a county will exhibit the same day (see schedule below). A 4-H member may also show in the junior livestock show, but they must be present at the required time for their general project judging. If possible, attempts will be made to accommodate livestock exhibitors within the judging time span, but no premium will be awarded if the exhibitor misses their judging time.
15. The General Project Exhibit will be held in the Orr Building of the state fairgrounds. Members must drop off their projects any time from 8 to 9:30 a.m. All projects should be in place by 9:30. Judging is scheduled throughout the day. The judging schedule will be posted in each area. Members should check the judging schedule and return to the judging area about 10 minutes before their scheduled judging time. Projects must remain on display throughout the day until 4 p.m. All projects must be removed no later than 5 daily. If you cannot remain until, you may make arrangements with another person from your county to pick up your project on your behalf, as long as you provide them your claim ticket.

RECOGNITION:

16. All exhibitors will receive a ribbon for participating. Additional awards may be given at the judges' discretion and will be listed on the 4-H State Fair website. Judges take into account the display and information provided during the interview in determining awards. Exhibitors who do not follow the exhibit class guidelines and requirements are ineligible to receive advanced awards. The judge's decision that is posted on the official judge's class list is final unless it has been determined that an exhibitor has not followed the guidelines or rules for that exhibit class.
17. Premium checks may be awarded to exhibitors. The amount of the individual premium is determined by total number of awards given. Exhibits must remain on display until the posted release time *or* whenever judging is completed, whichever is later, to be considered for a premium. Premiums offered by Fair in the 4-H division total \$15,000. *NOTE: The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this document.*

All General 4-H Exhibits from Fayette County will be judged on: SUNDAY, August 14
