UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN

Are you ready for the 4-H Show?

☐ I enrolled in 4-H and chose projects before the deadline (March 1 for most projects).

☐ I've stared using the 4-H Project Process booklet (available at go.illinois.edu/LMSresources) to set goals and track my project work.

☐ I carefully read this Show Book, including the Schedule, Rules, and Exhibit Requirements for my projects.

☐ If I'm exhibiting a live animal, I completed the ethics training and any other requirements. *See the newsletter and emails for details.*

☐ I registered which of my projects I plan to exhibit this year. *Being enrolled in a project does not automatically mean you will exhibit that project in the 4-H Show. You MUST register which of your projects you plan to exhibit using the FairEntry website. Watch for instructions to be sent via email.*
- Sangamon/Menard General Projects – deadline June 1
- Sangamon Livestock – deadline June 1
- Menard Livestock – deadline June 15
- Logan General Projects & Livestock – deadline June 24
- Public Speaking & Horse – refer to emails with registration details

☐ If I need to request an accommodation, I contacted county 4-H staff.

☐ I prepared my exhibits, and I'm ready to talk to a judge about what I learned, where I got the idea for my exhibit, what I would do differently next time, etc. *Parents can guide and assist with project work, but members are expected to complete their exhibits themselves.*

ONLINE ENTRY DEADLINE IS JUNE 24, 2022

4-H…More Than You Ever Imagined!

The Illinois 4-H Program is administered by University of Illinois Extension, which provides an extensive network of locally based, trained staff consisting of professionals, paraprofessionals, plus adult and teen volunteers.

The overall mission of University of Illinois Extension, in conducting 4-H programs, is to assist youth in acquiring knowledge, developing life skills and forming attitudes that will enable them to become self-directing, productive and contributing members of society.

4-H is for all youth, rural and urban, with programs conducted in all Illinois counties.

TABLE OF CONTENTS

ONLINE ENTRY DEADLINE IS JUNE 24, 2022

Rules and General Information

Membership

Community club member eligibility: Any boy or girl, regardless of race, creed, color, or handicap, who was 8-18 years of age on Sept. 1, 2021, may be a member of a 4-H community club. These members can hold offices, participate in the county 4-H fair and events, and participate in the 4-H awards program. A list of clubs in Logan County is available from the county Extension office or located on our website: http://go.illinois.edu/logan4h

Special Interest Club member eligibility: Any boy or girl, regardless of race, creed, color, or handicap, who was 8-18 years of age on Sept. 1, 2021, may be a member of a 4-H SPIN (Special Interest) Club. 4-Hers enrolled in SPIN clubs are eligible for full membership, awards, scholarships, and exhibit opportunities.

Cloverbud member eligibility: Youth 5-7 years of age by Sept. 1, 2021 may enroll in 4-H as Cloverbuds. Cloverbuds may learn about 4-H by attending club meetings, taking The Cloverbud 4-H project and participating in 4-H shows and events. Cloverbuds do not hold offices and are not allowed to exhibit livestock or horses. Cloverbud members do not receive premiums, but are allowed to exhibit any activity they have done throughout the year and receive a participation ribbon.

Program fees: All members, regardless of classification must pay the $20 Illinois state program fee. The fee helps support programs and events, as well as provides funds for local events, workshops, recognition, office materials, manuals and leadership training opportunities. Members who belong to more than one club are only required to pay the fee one time. The fee covers 12 months of 4-H membership.

Enrollment year: The 4-H year runs from September 1 to August 31 of the current year. "4-H" age is determined as the age the 4-H member was on September 1, 2021.

Accessibility: Anyone needing a reasonable accommodation to participate in a 4-H program should contact the Logan County Extension Office at 217-732-8289.

Benefits of Membership

4-H E-Newsletter: All 4-H families and volunteers will receive a bi-monthly E-newsletter detailing upcoming 4-H events and activities. These newsletters contain important information. If you do not have e-mail, you may request a paper copy of the newsletter be mailed to you.

Illinois 4-H Project Guide: The Illinois 4-H Project Guide lists all of the projects available from the State 4-H office. It briefly describes these projects, gives suggested ages for each project level and lists available publications. Special 4-H awards and programs, which may require applications, are also listed in the guide.   Available online at http://go.illinois.edu/4hprojectguide

4-H Project Resources: 4-H members may order a project manual/digital resource for each project that they enroll, if available. Each member is allotted 3 project manuals/resources annually. Any additional manuals/resources must be purchased by the 4-H family. Leaders and members are strongly encouraged to return or reuse these manuals as much as possible to save money for the local office as well as encourage a "green" lifestyle.

Demonstrations and Talks: 4-H members gain confidence by talking in front of others. Each 4-H member is encouraged to give a talk or demonstration to their club either on a project they are enrolled in or on a topic that is interesting to them.

4-H Member Code of Conduct

All participants of the Illinois 4-H program are responsible for their conduct to University of Illinois Extension personnel and/or volunteers of the 4-H program. All 4-H members are expected to maintain the following standards:

a. Be courteous and respect others.
b. Obey all the laws of the locality, state, and nation and the University of Illinois and Extension policies and guidelines as well as 4-H program guidelines and those of the local club/group.
c. Treat all people fairly and animals humanely.
d. Respect the property of others.
e. Respect the authority of adult or youth volunteers, paid Extension staff, and others in leadership roles.
f. Use appropriate language and wear acceptable clothing at 4-H activities and events.
- Closed toed shoes or boots are recommended when working with animals.
g. Show kindness to others and give assistance when needed.
h. Be honest and honor commitments.
i. Strive for personal best and keep trying to improve.
j. Accept responsibility for personal choices.

Members and parents sign this agreement as part of their 4-H enrollment.

The following conduct will not be allowed by any youth participating in 4-H activities or events and is subject to disciplinary action, which could include being removed from the program and activity:

1. Possession, use, or distribution of alcohol and other controlled substances, including tobacco products.
2. Theft or destruction of public or private property.
3. Involvement in sexual misconduct or harassment.
4. Unauthorized possession or use of weapons or dangerous materials, including fireworks.
5. Fighting or other acts of violence.
6. Willfully breaking curfew.
7. Unauthorized use of vehicles.
8. Leaving the site of the event without permission.
9. Participating in gambling.
10. Absence from the planned program.
11. Intentionally interfering with or disrupting the event.
12. Use of profane, abusive or sexually explicit language.
13. Public displays of affection or inappropriate actions.
14. Failure to comply with direction of Extension personnel, including designated volunteers.

4-H members' behavior is expected to demonstrate the character traits of trustworthiness, respect, responsibility, fairness, caring and citizenship.

All 4-H exhibitors, parents, and leaders are expected to show respect and courtesy to the judges. Violations may result in disqualifying the exhibitor. Parents will not be allowed in the judging area unless permission has been given by Extension staff. Exception: youth identified by Extension staff as "children with special needs" may have another person with them during the judging. Please notify Extension staff prior to the fairs if you feel your child may fall into this category so a pre-determined decision can be made.

Show Policies and Regulations

Health Safety

All events are subject to change, and additional health safety measures may be required. Illinois 4-H will respond to and adjust events in response to evolving guidance as provided by the CDC, IDPH, and University of Illinois. Additional local venue guidelines will be followed.

Entry Procedure and Deadlines:

- No alcoholic beverages or controlled substances allowed during 4-H shows.
- Youth must be currently enrolled as a 4-H member and have been age 8 – 18 as of Sept. 1, 2021, to exhibit.
- 4-Hers must be enrolled in each 4-H project they wish to exhibit at the 4-H show by March 1. 4-H'ers should check their enrollments in the 4-H Online system (https://il.4honline.com/) prior to March 1 to ensure they are enrolled in the correct projects.
- Members must attend at least 1 club meeting or activity prior to completing online fair entry to be eligible to participate in summer shows, including the fair.
- Logan County 4-H Show entry will be submitted through Fair Entry (**https://logan4-hfair.fairentry.com**) no later than Friday, June 24. Any member that does not complete online entry will not be eligible to participate in the fair.
- Each member that entered in projects that require an exhibit tag will be notified when they are printed and ready for pick up prior to the show. 4-Hers should firmly attach the tag to their exhibit.
- 4-Hers will not be penalized for not bringing an exhibit.
- Cloverbud members are allowed to exhibit any activity they have done throughout the year and receive a participation ribbon. They will have opportunity to talk with a volunteer about their project in a show and tell style.
- GENERAL PROJECT EXHIBITS – allowed one entry unless otherwise specified

Exhibit Rules and Guidelines

Exhibit rules: Specific rules for each project are listed in this Showbook. Be certain to follow the rules listed in this book exactly. 4-H exhibits which do not meet these guideline rules will not be eligible to receive a "blue" rating or any higher awards, such as champion project.

Work of the exhibitor: Projects are to be constructed by the exhibitor, and they must have been made in the current 4-H year. The same product or speech that is selected at the county level must be exhibited at the State Fair/State Contests, adjusted to State Fair class requirements (if necessary). All animals exhibited must have been owned and/or personally cared for by the exhibitor from the state required ownership date until the time of exhibit.

Size: See specific project requirements for size limitations. Exhibits over 4' tall may be placed on the floor.

Category: In the case where a project may have been entered into the wrong category, the superintendents have authority to move a project to the correct class if it doesn't meet the requirements of the class it was originally entered in. The project will be judged, but it forfeits all special awards, including state fair delegate and alternate.

Conference Judging: CONFERENCE JUDGING is required for general project exhibits, which means being present with your exhibit and discussing it with a judge. If a member has a conflict they must contact the Extension office to make arrangements.

Premiums: Premiums are given to 4-H members for judged projects based on the rating at the show using a "point value" system. The amount varies each year based on the amount provided to the Illinois Department of Agriculture for the 4-H Premium Fund. These funds are appropriated by the State of Illinois General Assembly. Members will only be paid a premium for 1 entry per class (ex. If member exhibits 2 projects in any one class, he/she will only be paid for 1).
Disclaimer: The Department of Agriculture shall use its best efforts to secure sufficient appropriates to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book.

Ribbons/Point Values:

Each exhibit will be judged for the following awards:

Blue - meets requirements, good exhibit; Red – needs some improvement; White - needs much improvement

Project Category	Blue	Red	White	Participation
Cloverbud	0	0	0	0
All Foods and Nutrition projects, All Natural Resource projects, Animal Science displays, Shopping in Style, Crops & Soils, Interior Design, Visual Arts, Small Engines, Collectibles, Communications, Entomology, Horticulture & Floriculture, Exploratory, Welcome to 4-H, Family Heritage, Health, Geology, Bicycle, Citizenship, Consumer Education, Child Development, Forestry, Intercultural, Leadership, Plant & Soil Science, Service Learning, Small Engines, Tractor, Theatre Arts, Weather, Vet Science, *All others not listed*	3	2	1	0

Livestock (Beef, Sheep, Swine, Goats, Dairy, Horse/Pony)	5	4	3	0

Tax Implications for Prizes, Gifts or Awards: Program Participants (including minors) will be required to provide their social security number or foreign national tax ID number prior to receiving a prize, gift or award to ensure proper IRS reporting as required by law. This sensitive information is kept confidential and handled through security protected software (PEAR). Participants will not be eligible for prize, gift or award if social security or foreign national tax ID information is not provided.

Tips for a successful 4-H Show: Read your specific project exhibit requirements in the 4-H handbook. You must follow the project requirements exactly or you may not be awarded a blue ribbon. Review your 4-H project manual and be certain you have all the materials needed to complete the project. Get help now! Call your leaders or the Extension office if you have questions about exhibit requirements. Do not wait until the fair starts or the day of the show. Be sure you are aware of the date and time of your exhibit judging.

State Fair: Any 4-H members may be selected to participate in the State Fair. Members may exhibit one individual and one group (club) project at the State Fair, excluding live animals. If a member was selected in more than one area as an individual, they must choose only one to show at State Fair. Members are responsible for transporting their project to the State Fair and must be present for conference judging with their project on the specified day.

Logan County Day at the Illinois State Fair will be Sunday, August 14, 2022

Project care: Care will be exercised to prevent accidents or damage of any kind to the projects, but the superintendents, University of Illinois Extension staff and project helpers will not assume any liability for damage to property or person.

Saying "Thank You": Please remember to take time to say "Thank you" to the sponsors of trophies and gifts following the 4-H shows. Saying the words is nice, but taking time to write a short note is much appreciated. These notes help the donors realize that award sponsorship really means something to the 4-H member who received it. To assist you, the Extension office has attached an addressed thank you to the sponsor on your plaque and/or trophies. Animal project members should also write a thank you note if someone buys your animal at the youth livestock auction.

Livestock Guidelines

Ethics Guidelines: All livestock projects must be cared for or maintained by the individual 4-H member as a part of the learning process intended for all 4-H projects. With their entry, members are certifying that the project animal(s) has/have been cared for and maintained by the member and his/her immediate family during the required tenure of ownership and said animal(s) has/have not been cared for by a professional fitter or maintained at a professional fitter's facilities. Members who need assistance fitting or grooming their animals for the show may seek help from their family members or other Logan County 4-H members. The 4-H member must be present during any grooming as an active participant in the process.

Animal Rights: If violations are observed, the animals will be excused from exhibition and possibly ordered to be removed from the grounds with all awards being forfeited as determined by superintendents, fair board, and/or Extension staff. Any practice or deviation from normal humane husbandry practices, including but not limited to artificial manipulations, physical abuse, medical treatments or mechanical applications of any substance, other than on the prescriptions of a licensed veterinarian, will constitute a violation of show rules and are subject to the above provisions.

Showmanship: You must sign up for showmanship classes when you do your fair entries online. No additions to classes will be made on show day. If a 4-H member wins Jr. Showmanship, they must move up a showmanship level and upon reaching

Sr. Showmanship may stay in that class for remainder of 4-H exhibit years. 4-H members may enter showmanship classes every year of their 4-H career.

Quality Assurance & Ethics Certification (QAEC): All 4-H youth enrolled in animal project areas of poultry, horses, rabbits, cats, and dogs and plan to exhibit a "live animal" will be required to complete the QAEC online course <u>once</u> during a 4-H member's career. Anyone who has already taken the certification does not need to retake the test. Members should print out their affidavit and certificates and keep with their 4-H records. The Quality Assurance and Ethics Certification has been developed to review what is expected of youth when preparing for and exhibiting animals in competition. The course can be accessed here: http://web.extension.illinois.edu/qaec/

Youth for the Quality Care of Animals Training (YQCA): All youth enrolled in a large animal livestock project area (beef, dairy, sheep, swine, goat) & plan to exhibit a "live animal" are required to attend/take training on an <u>annual basis each year you exhibit livestock</u>. In person as well as online training options to be offered (http://yqca.org) – watch the 4-H newsletter for dates or call 4-H office to obtain info. Members should print their completion certificates & keep with 4-H records.

Health Certificates: Health certificates for Beef, Dairy, Goats, Sheep, Swine, and Poultry in accordance with the Illinois Exhibition Livestock Health Requirements will be required. Animal health papers should be presented to specie superintendent and the fair vet when animals are unloaded at the fairgrounds. Lack of health papers may result in dismissal of animals from the grounds.

Animal Registration Papers: All exhibitors showing in purebred classes must have registration papers. Registration papers must be in the <u>first and last name of the exhibitor</u> (not to include farm names, initials of 4-H'ers, family names, etc.) and date of ownership as shown on registration papers must comply with 4-H ownership dates. Registration papers must be in the exhibitor's possession at the fair-no electronic copies or Certificates from breed association representatives will be accepted in lieu of registration papers. The entry form itself still has to be in the individual exhibitor's name.

Illinois State Fair Livestock Entries: Illinois State Fair Livestock Entry Forms are to be filed with the Illinois State Fair Junior Department and will need to be signed by a University of Illinois Extension employee before exhibitors send them to State Fair Entry Office. Signature verifies exhibitor is an active 4-H member and enrolled in the project area they are entering in. **It is the responsibility of exhibitor to submit entry forms to Illinois State Fair Jr. Department**. These entries are due July 1, 2022. Entry forms are available at Illinois State Fair website: http://www.agr.state.il.us/isf/premium/ **TO RECEIVE 4-H MEMBERSHIP VERIFICATION SIGNATURE, ENTRIES MUST BE BROUGHT TO THE 4-H OFFICE <u>BY JUNE 30, 2022.</u>**

General Project Information

Innovation Class: This class is open to youth enrolled in the particular project area. Members are to demonstrate the skills and knowledge you have gained through the project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Club/Group Projects: Clubs can take any project as a club/group project. All members wishing to participate must be enrolled in the project by the set deadline. The members will present the group project to the judge at the same time as individual project judging. The exhibit requirements for the project are the same as for individuals, however only 1 project is needed for the group. At least 3 members must be present for judging. Only members present at the judging will receive a premium. Only certain projects are eligible to advance to State Fair as a group exhibit.

2022 4-H Show Schedule **

**** <u>Show Schedule Subject to change:</u>** Illinois 4-H reserves the right to adjust or cancel events in the case of identified risk, such as changes in local COVID conditions or known instances of non-compliance with safety guidelines.

ONLINE ENTRY DEADLINE IS JUNE 24, 2022

AEROSPACE - Monday, August 1- at Special Events Building (brown doors). Judging times will be assigned in advance.

Projects are released on Sunday, August 7 from 12-2 pm.

STATE FAIR SELECTION: Each county may send 2 entries total from 50130, 50131 and 1 entry from 50133.

Note: Members may choose to exhibit in more than one class but only one entry per class (i.e. A member enrolled in Aerospace 2 could exhibit in both classes 50130 Model Rocketry and Aerospace Ready4Life Challenge 50133)

Model Rocketry: (SF 50130)
(Open to youth in Aerospace 2, Aerospace 3, and Aerospace 4)
Exhibit one model rocket assembled or made by the member. The exhibit will be a static display. The model rocket should be in good flying condition. DO NOT include the rocket engine with your exhibit. The rockets will not be launched. Attach the printed directions for construction of the rocket if any were used.

Aerospace Display: (SF 50131)
(Open to youth in Aerospace 2, Aerospace 3, and Aerospace 4)
Prepare a display related to the aerospace project which does not fit in the model rocketry class. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Aerospace Ready4Life Challenge (SF 50133)
(Open to 11- to 18-year-olds enrolled in any Aerospace project)
Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

BEEF

Thursday, August 4, 9:00 a.m. (Beef must be in livestock/cattle barns by NOON Wednesday, Aug. 3)
Superintendent: Marc Short, Lincoln
Assistant Superintendents: Tracey Rawlings, New Holland; Matt Short, Lincoln; Troy Rawlings, New Holland
Announcer: Bill Bree, Lincoln

1. Exhibitor must follow all general livestock guidelines on pages 7-8. (or click here)
2. All beef animals must be exhibited regardless of the number in a class.
3. 4-H Scramble calves will be grouped together, NO exceptions.
4. **Steer classes** will be weighed in Wednesday afternoon **Aug 3,** beginning at 12:15 p.m. Each breed will be divided into weight classes by the Superintendent and weighmaster after weigh-in is completed and will show in those classes Thursday. **Health & Registration papers will be checked on Wednesday, Aug 3 at 12:15 pm** – **ALL BEEF ANIMALS** to be brought to Show Pavilion/Scales for check in. Health requirements can be found online at https://www2.illinois.gov/sites/agr/Animals/AnimalHealth/Pages/fair-exhibition-requirements.aspx
5. Artificial coloring of animals will not be allowed above the hocks and animals found being artificially colored will be disqualified. Beef Superintendents shall be responsible for toweling procedures and for enforcement of rules.

7. Personalized Show Shirts may be worn except during showmanship.
8. Must declare breed in February (at weigh-in time) and confirm breed with registration paper in June. If no paper in June the animal will show with crossbreds. No crossbreds will be allowed to show in a breed.
9. Show order will be - Steers, Breeding Beef Heifers, Prospect Heifers, Cow/Calf.
10. Animals do not have to be fitted for showmanship classes – it shall be the exhibitor's choice whether to fit for showmanship.

ONLINE ENTRY DEADLINE IS JUNE 24, 2022

11.   Grand Champion will be chosen from breed winners and Champion Crossbred. Reserve Grand Champion will be selected from remaining class with the reserve in class to the Grand Champion brought in. A Champion and Reserve Champion British Breed Steer will be selected, if not selected in Grand Champion drive.

Steers

1.   Beef Steers must have been owned by February 1, 2022.
2.   All beef steers must be tattooed and weighed. All beef steers will be mouthed at the official County weigh-in Wednesday afternoon at the same time that they are weighed. No steer will be allowed to show regardless of birth date that has more than one pair of its milk teeth replaced by permanent teeth, and the permanent teeth cannot be advanced enough to be in wear. The decision of the examining veterinarians will be final.
3.   Final decision of weight classes will be made at the scale.
4.   Show order will be Steers: Black Angus, Herefords, Shorthorns, Simmentals, All Other Breeds/Crossbreds and Non-Papered Breeds. Grand Champion and Reserve Grand Champion Steer Over all Breeds.
5.   The Top Rate-of-Gain Market Steer will be chosen, announced at the conclusion of the steer show and presented an award at that time.
6.   Steer Blood Testing Rule: The Beef Superintendent and Logan County Extension Office reserve the right to blood test the Champion and Reserve Champion Steers of each Purebred Class at the Logan County 4-H Show for type to verify breed characteristics. Any protests must be filed in writing at the 4-H Office within 24 hours after the conclusion of the 4-H Beef Show. The protesting party will pay all blood testing expenses if tests are proven negative; if found positive, the 4-H'er will be responsible for all costs. Any breeder and/or exhibitor found to be in violation will not be awarded premiums and will be barred from exhibiting at the Logan County 4-H Show for the following one year. The second occurrence will bar that 4-H'er for his/her 4-H career from exhibiting. All premium and sale money will be held until tests are returned. Anyone found in violation: Sale money over market price will be refunded to the buyer.
7.   **No 4-H cattle will be allowed to show with horns. Scurs are acceptable.**

CLOTHING & TEXTILES - Saturday, July 30 - at Special Events Building (brown door). Judging times will be assigned in advance. Projects are released on Sunday, August 7 from 12 - 2 pm.

STATE FAIR SELECTION: Each county may submit 3 entries total from 50151, 50152, 50153; 2 entries from 50154, 50155, 50156; and 1 Ready4Life entry from 50157.

All exhibits entered in the clothing and textiles area will be judged based on their construction and fit (if applicable). Exhibitors bringing garments should not wear their garments when they arrive for judging. The garment will be reviewed by the judges for construction first. Exhibitors will be asked to change into the garment as the second step of the judging process. If the garment was constructed for another individual, that individual must be present to wear the garment for the judge. (Only the exhibitor who made the garment is eligible for ribbon and premium.) Construction and appearance will both be considered during judging. If a pattern was used to make the item, the pattern instructions, either written or electronic, are to be included with the exhibit. Exhibit tags should be attached to the garment, not to the hanger.

Members wishing to exhibit knitted items should enroll in Visual Arts Fiber (if original) or Visual Arts Heritage Arts (if made from a pattern). **We strongly encourage youth interested in pursuing quilting to enroll and exhibit in the Visual Arts Quilting project area**. Youth may still exhibit quilts in any level of Clothing as a "Sewn Non-Clothing" item, but these quilts will be judged using the Clothing rubric that evaluates the sewing skills and construction of the item. If exhibiting quilts in the Clothing area, all work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else. Quilts can be hand OR machine quilted as long as ALL work is completed by the exhibitor.

Each year enrolled in Shopping should build on previous year's learning experience.

Shopping in Style (SF 50154, 50155, 50156)
Beginning (SF 50154) (Levels 1 & 2) – Choose one of the following activities from Unit 1 or Unit 2 of the project book:
- Exhibit should consist of a garment that reflects your personal style along with a poster or report that 1) explains how this garment reflects your style and how it influences what others think of you; **OR** 2) how your personal style either aligns or contradicts what is considered to be "in style" today. **OR**
- Exhibit should include a garment you purchased along with a poster or report that explains or illustrates how this garment is either 1) a modern version of a fad or fashion from an earlier decade; **OR** 2) how this garment reflects a different ethnic or cultural influence. Exhibit should include garment you purchased along with a poster or report that provides 1) a body shape discussion and how body shape influences clothing selections; **OR** 2) a color discussion that provides an overview of how different colors complement different hair colors and skin tones and how that influenced garment selection. Poster or report may include pictures from magazines, the internet or actual photos of garments. **OR**
- Exhibit should include garment you purchased along with a poster or report that 1) explains how this garment uses the principles of design lines to create an illusion to alter appearance; **OR** 2) explains how color and texture of fabrics can complement or enhance appearance. Poster or report may include pictures from magazines, the internet, or actual photos of garments.

Intermediate (SF 50155) (Levels 3 & 4) – Choose one of the following activities from Unit 3 or Unit 4 of the project book:
- Exhibit should include two clothing items that were previously a part of your wardrobe that still fit but you don't wear anymore and pair them with something new to make them wearable again. Also include a report that explains why the garment was not being worn and what you did to transform it into a wearable garment again. **OR**
- Exhibit should include at least five pieces of clothing that exhibitor can mix and match to create multiple outfits. Include a poster or report that includes a clothing inventory AND describes what you have learned by completing this activity. **OR**
- Exhibit should include garment you purchased along with a poster or report that 1) includes a wardrobe inventory which indicates why you selected the garment you did, clothing budget, and cost of garment; **OR** 2) explains how advertising influences clothing purchases making a distinction between wants and needs; and how the purchase of this garment compliments and/or extends your wardrobe. **OR**
- Exhibit should include garment you purchased along with a poster or report that 1) describes a cost comparison of

18

this item completed by the exhibitor when purchasing the garment; should include variety of shopping options and/or price tracking at stores over a period of time; **OR** 2) provides a quality comparison rating the specific clothing item purchased based on care, construction, cost and unique features; should include construction quality details, design features that influenced selection, cost per wearing, and garment care.

Advanced (SF 50156) (Levels 5 & 6) – Choose one of the following activities from Unit 5 or Unit 6 of the project book:

- Exhibit should include garment you purchased along with a poster or report that summarizes care requirements not only for this garment but also for garments made of other natural and synthetic fibers; exhibit should also include a care cost analysis for garments of different fibers. **OR**
- Exhibit should include garment you purchased which you have repaired or altered along with a poster or report that provides a clothing inventory list which includes cost savings for repaired items as compared to purchasing replacement garments.
- Exhibit should include multiple garments you purchased along with a poster or report that provides plans and commentary for a fashion show that that would capture the attention of an audience. Fashion show plans should identify target audience, include show venue, purpose of the show, and logistical plan for the fashion show. This should also include a financial plan. UAV or Drone exhibits in this class must be either originally designed or built from a kit of reconfigurable parts and components. These displays are limited to multicopters (tri, quad, hex, and octocopters), as well as FPV airplanes and flying wings with wingspans up to 36". A detailed build log with pictures, as well as a Mission Logbook must be included. The UAV MUST have a Flight Controller and utilize a camera/video transmission system. The exhibit will be a static display. The Drone should be in good flying condition with batteries fully charged, and all UAS components (including Video System) ready to demonstrate. DO NOT display your UAV with the propellers on, but rather on the table to the side of your UAV. The Drone will not be flown. Attach the printed directions/instructions of the UAV if any were used.

ELECTRICITY - Monday, August 1 - at Special Events Building (brown doors). Judging times will be assigned in advance. Projects are released on Sunday, August 7 from 12-2 pm
STATE FAIR SELECTION: Each county may submit 3 entries total from 50177, 50178, 50179; and 1 entry from 50181.

Electricity 1 (SF 50177)
(May only be battery-powered projects using battery components and wiring). Exhibit a momentary switch, simple switch, basic circuit, electromagnet, galvanometer, **OR** an electric motor. All projects must include a report explaining how the project was constructed and the principles demonstrated. Recommendations can be found on the website. Projects using paper clips, cardboard, thumbtacks, & brads are not eligible for state fair exhibits in electricity. Members wishing to exhibit these types of projects should consider exhibiting in Junkdrawer Robotics 1 or 2.

Electricity 2 (SF 50178)
(May only be battery-powered projects using battery components and wiring) Exhibit a circuit board demonstrating parallel and series switches, including a circuit diagram; 3-way or 4-way switch circuit using DC/battery; **OR** a basic electrical device (examples: rocket launcher, burglar alarm, etc). All projects must include a report explaining how the project was constructed and the principles demonstrated. Recommendations can be found on the website. Projects using paper clips, cardboard, thumbtacks, & brads are not eligible for state fair exhibits in electricity. Members wishing to exhibit these types of projects should consider exhibiting in Junkdrawer Robotics 1 or 2.

Electricity 3 (SF 50179)
Exhibit a 120V lighting fixture or other appliance which uses a switch; **OR** two electrical household circuits using 120V materials to comply with National Electrical Code, one with a simple on/off switch to control bulb, and one using 3-way switches to control light from two locations**; OR** other project which demonstrates principles in the Wired for Power book. All electricity projects must include a report, explaining how the project was constructed, and principles for its operation. Recommendations can be found on the website.

Electricity 4 (not eligible for state fair)
Exhibit any electronic or solid state appliance. Exhibitor must be able to explain how the project was constructed, how it is to be used and how it works. When project is being constructed, general safety and workmanship should be considered.

Electricity Ready4Life Challenge: (SF 50181) - **Open to 11- to 18-year-olds enrolled in any Electricity project.**
Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

ENTOMOLOGY GENERAL - Monday, August 2-at Special Events Building (brown doors). Judging times will be assigned in advance. Projects are released on Sunday, August 8 from 12-2 pm.
STATE FAIR SELECTION: Each county may submit 2 entries total from 50183, 50184, 50185, 50186; 1 from 50187.

Size and number of exhibit cases should relate appropriately to the number of insects being displayed for a specified class. Cases should be no deeper than 4". Exhibitors should note that Entomology exhibits may be placed UPRIGHT for display.

Entomology 1 (SF 50183)
Exhibit 15 or more species representing four or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 1 project manual*, Teaming With Insects 1,* with at least one completed activity for each year enrolled. The project manual must be included. Rules for pinning and labeling insects are available from your local Extension office.

Entomology 2 (SF 50184)
Exhibit 30 or more species representing eight or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 2 project manual, *Teaming With Insects 2,* with at least one completed activity for each year enrolled. The project manual must be included. Rules for pinning and labeling insects are available from your local Extension office.

Entomology 3 (SF 50185)
Exhibit 60 or more species representing twelve or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 3 project manual, *Teaming With Insects 3,* with at least one completed activity for each year enrolled. The project manual must be included. Rules for pinning and labeling insects are available from your local Extension office.

Entomology Display (SF 50186) **Open to youth enrolled in Entomology 1, Entomology 2 or Entomology 3**
Exhibit any activity or display related to Entomology that does not fit into Entomology Classes 1, 2 or 3 above. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Entomology Ready4Life Challenge (SF 50187) **Open to 11- to 18-year-olds enrolled in any Entomology project.**
Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

ENTOMOLOGY BEEKEEPING - Monday, August 1 - at Special Events Building (brown doors). Judging times will be assigned in advance. Projects are released on Sunday, August 7 from 12-2 pm.
STATE FAIR SELECTION: Each county may send 2 entries total from Classes 50188, 50189, 50190; and 1 entry from 50191.

Create an exhibit that shows the public what you learned in the beekeeping project this year. **Note**: No bee hives may be exhibited. (Honey moisture content will be measured.) Fill level: the honey should be filled to the jar shoulder, not over, nor under. Chunk honey should go in a wide-mouth jar, preferably one specially made for chunk honey (see beekeeping catalogs).

ONLINE ENTRY DEADLINE IS JUNE 24, 2022

Be careful to distinguish "chunk honey" (comb in jar) from "cut comb" (comb only in plastic box). *Honey exhibited (including chunk, cut comb, and sections) must be collected since the previous year fair.*

Beekeeping 1 (SF 50188)
Exhibit an educational display for one (1) of the following:
- Flowers used to make honey. Display pressed flowers from ten (10) different Illinois plants that bees use for making honey.
- Uses of honey and beeswax.
- Setting up a beehive.
- Safe handling of bees.
- Equipment needed by a beekeeper.

Beekeeping 2 (SF 50189)
Exhibit one (1) of the following:
- Extracted Honey: Three (3) 1# jars, shown in glass, screw-top jars holding 1 # of honey each.
- Chunk honey (comb in jar): Three (3) 1# jars (wide-mouth glass jars).
- Cut-comb honey: Three (3) 1# boxes (boxes are usually 4 ½"x 4 ½").
- Section honey: three (3) sections of comb honey (in basswood boxes or Ross rounds).
- Working with Honey Bees. Present a topic from your manual to teach fairgoers about working with honey bees. Use your knowledge and creativity to display this information on a poster or in a notebook.

Beekeeping 3 (SF 50190)
Exhibit three (3) of the five (5) kinds of honey listed below (#1-5) or prepare an educational display about honey bees or beekeeping.
1. Extracted Honey: Three (3) 1# jars (glass)
2. Chunk Honey (comb in a jar): Three (3) 1# jars (wide-mouth glass)
3. Cut-comb Honey: Three (3) 1# boxes (boxes are usually 4 ½" x 4 ½" in size)
4. Comb Honey- 3 sections (honey built by bees in frames of wood commonly called "sections" (boxes are usually 4 ½" x 4 ½" in size)
5. Section honey: three (3) sections of comb honey (in basswood boxes or Ross rounds) or
6. Prepare an educational display about honey bees or beekeeping.

Entomology Beekeeping Ready4Life Challenge (SF 50191) **Open to 11- to 18-year-olds enrolled in any Entomology project.**
Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

ESPORTS - **Monday, August 1 - at Special Events Building (brown doors). Judging times will be assigned in advance.**
Projects are released on Sunday, August 7 from 12-2 pm.
Each county may submit 3 entries from 50430. All exhibitors must complete all activities in the Illinois 4-H eSports Pilot Curriculum.

eSports (SF 50430)
Compete in at least 1 ranked tournament online or in person (either as a team or solo), and fully document your progress throughout. Any game with a documentable bracket system, and at least 3 rounds counts. Be sure to include a description of the tournament, your match information, your win-loss record, and description of the game and platform being used to play the game (Ram requirements/capabilities of your machine, video card specs., etc.). Prepare a PowerPoint presentation describing your journey through eSports (including your 1 mandatory tournament), what you have learned about gaming/eSports, and why you think more youth should be involved. Also include a detailed description of your most important win, explaining your strategy in that victory. Be sure to include screenshots and video, if possible. Load your presentation to a USB drive and be sure to add narration if uploading for virtual exhibition.

EXPLORATORY - Monday, August 1 - at Special Events Building (brown doors). Judging times will be assigned in advance. Projects are released on Sunday, August 7 from 12-2 pm.

EXPLORATORY (*Welcome to 4-H*) (not eligible for state fair)

Youth ages 8 – 10 may exhibit a display on one of the following topics from the project book.

- windowsill gardening;
- 4-H animals;
- 4-H family; **OR**
- coat of arms

COLLECTIBLES (not eligible for state fair)

Exhibit maximum of six items from your collection, as well as a picture of your complete collection which demonstrate your understanding of a technique, skill or knowledge you learned from your Collectibles "My Favorite Things" project manual. Photo of your complete project will be left for exhibit and items in your collection will be taken home after judging.

FAMILY HERITAGE - Saturday, July 30 -at the Special Events Building (brown door). Judging times will be assigned in advance. Projects are released on Sunday, August 7, from 12-2 pm.

STATE FAIR SELECTION: Each county may submit 1 entry from 50197; and 1 entry from 50199.

Family Heritage (SF 50197)

Prepare an exhibit of items, pictures, maps, charts, slides/tapes, drawings, illustrations, writings or displays that depict the heritage of the member's family or community or 4-H history. Please note: Exhibits are entered at 4-H'ers own risk. 4-H is not responsible for loss or damage to family heirloom items or any items in this division. Displays should not be larger than 22" x 28" wide. If the size needs to be a different size because the historical item is larger than 22'x28" please contact the superintendents for approval.

Family Heritage Ready4Life Challenge (SF 50199) **Open to 11- to 18-year-olds enrolled in any Family Heritage project.**

Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

FOODS & NUTRITION - Saturday, July 30 at Logan Extension Office. Judging times will be assigned in advance. Projects will be moved to Logan County Fair Exhibit building (yellow doors) and released on Sunday, August 7, from 12-2 pm.

STATE FAIR SELECTION: Each county may submit 7 total entries from ANY of these food classes: 50200, 50201, 50202, 50203, 50204, 50206, 50208, 50211, and 1 entry from 50210

4-H Cooking 101 (SF 50200A, 50200B, 50200C)

Using the recipes included in the project manual, prepare an exhibit for <u>one or more of the classes below</u>. No icing should be on any products. If you make changes to the recipe, bring a copy of the recipe with your changes. Bars, coffeecake, or cookies should be displayed on a disposable plate placed in a zip-sealing plastic bag. *In addition to your food exhibit*, complete the *What's on Your Plate? Activity* on pages 10-11 in the 4-H Cooking 101 project manual. Bring a document with printed pictures of your 3 or more plates and the answers to questions 1-7 to remain on display with your project. The words on the plates must be legible and clearly visible in the picture. Pictures, graphics or photos are acceptable.

- **Cereal Bars** (SF 50200A) - 3 cereal marshmallow bars
- **Coffeecake** (SF 50200B) - ¼ of 8" square or round coffeecake
- **Cookies** (SF 50200C) - 3 cookies

4-H Cooking 201 (SF 50201A, 50201B, 50201C)

Using the recipes included in the project manual, prepare an exhibit for <u>one of the classes below</u>. If you make changes to the recipe, bring a copy of the recipe with your changes. Bread, muffins, or scones should be displayed on a disposable plate placed in a zip-sealing plastic bag. *In addition to your food exhibit*, complete *Experiment with Meal Planning Activity* on page 91 in the 4-H Cooking 201 project manual. Bring either page 91 with your completed answers or a document with the

31

answers to remain on display with your project along with a picture of the meal you prepared. You do **not** need to complete the Challenge Yourself section on page 91.
- **Muffins** (SF 50201A) - 3 cheese muffins
- **Scones** (SF 50201B) - 3 scones
- **Nut Bread** (SF 50201C) - ½ loaf (9" x 5") of basic nut bread

4-H Cooking 301 (SF 50202A, 50202B, 50202C, 50202D, 50202E)
Using the recipes included in the project manual, prepare an exhibit for **one** or more of the classes below. If icing is used on the tea ring or sweet rolls, the recipe for the icing must also come from the book. The yeast bread/roll dough may be prepared in a bread making machine; however prepared mixes are not permitted. If you make changes to the recipe, bring a copy of the recipe with your changes. Display exhibit on a disposable plate or pie tin and place in a zip-sealing plastic bag. *In addition to your food exhibit*, complete one of the six experiments: *Experiment with Flour* p. 33-34, *Experiment with Kneading* p. 35-36, *Experiment with Yeast* p. 37-38 or 39, *Experiment with Butter* p. 62-63 or *Experiment with Cheese* p. 104-105. Bring a document with a printed picture of your experiment and the answers to the experiment questions to remain on display with your project.
- **Dinner Rolls** (SF 50202A) - 3 dinner rolls
- **Yeast Bread** (SF 50202B) - loaf of yeast bread
- **Tea Ring** (SF 50202C) - 1 tea ring
- **Sweet Rolls** (SF 50202D) - 3 sweet rolls
- **Cake** (SF 50202E) - one layer of a rich white cake or rich chocolate cake, top side up (*without frosting*)

4-H Cooking 401 (SF 50203A, 50203B, 50203C, 50203D)
Using the recipes included in the project manual, prepare an exhibit for one or more of the classes below. If you make changes to the recipe, bring a copy of the recipe with your changes. Display exhibit on a disposable plate and place in a zip-sealing plastic bag. *In addition to your food exhibit*, pick one of the recipes from Cooking 401 that is not a choice for exhibit. Make the recipe and take a picture of the results. Bring a document with a printed picture of the food you made from the recipe and the answers to the following two questions: 1.) If you made this recipe again, what would you do differently? 2.) What did you learn that can help you in other ways besides preparing food?
- **Focaccia Bread** (SF 50203A) - ¼ of a 15" x 10" loaf of focaccia bread (do not include dipping oil)
- **Pie Shell** (SF 50203B) - one baked pie shell – traditional, oil, or whole wheat (no graham cracker)
- **Sponge Cake** (SF 50203C) - ¼ golden sponge cake, top side up, without frosting
- **French Bread** (SF 50203D) - ½ loaf French bread

Food Science 1-4 (SF 50204)
Prepare a display, digital presentation, or poster on one of the food science experiments from the manual that you completed. Share 1) the food science question you investigated; 2) process used to conduct the experiment; 3) results and observations; 4) what you learned; and 5) how you have applied this information. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

Sports Nutrition (SF 50206)
Prepare a display, digital presentation, or poster on one of the activity chapters in the manual that you completed. The activity chapters are listed by page number in the table of contents. Your exhibit should include, at minimum, information on one physical fitness component and one food/recipe component from the activity chapter. The exhibit should include the project manual with the pages of the activity completed. You may also include live demonstration of physical activities. Do not bring food made using the recipes, but consider adding pictures of the completed recipes to your exhibit. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

Examples for Activity 1
Example A: Make a video of yourself practicing flexibility, strength and endurance physical fitness activities and making pasta salad with different vegetable, pasta and dressing ideas. Bring a screen shot and brief description of your video to leave on display.

Example B: Make a poster of pictures of flexibility, strength and endurance physical fitness activities and information on the results of making the spinach and mandarin orange salad. Include answers to the questions in the book.

Food Preservation (SF 50208a, 50208b, 50208c, 50208d, 50208e, 50208f)
Prepare an exhibit using **ONE** of the following food preservation methods: canning; freezing; drying; pickles/relishes; jams, jellies and preserves **OR** a combination of these (see Preservation Combination option below), excluding Freezing. **No freezer jam exhibits will be allowed for Freezing; Jams, Jellies, and Preserves; or for the Preservation Combination options.**

Canning (SF50208a) – The exhibit should include two different canned foods in appropriate jars for the products. Food may be fruit, vegetable, or tomato product (i.e. salsa, juice, etc.).

Freezing (SF50208b) – Prepare a nutrition display that illustrates a freezing principle. There is NOT a food exhibit option for this preservation method.

Drying (SF50208c) – Exhibit two (2) different dried foods packed in plastic food storage bags. Choose from fruit, vegetable, fruit leather or meat jerky.

Pickles and Relishes (SF50208d) – Exhibit two (2) pint jars of different recipes of pickles and/or relishes.

Jams, Jellies, and Preserves (SF50208e) – Exhibit two (2) half-pint jars of two different jams, jellies, and/or preserves.

Preservation Combination (SF50208f) – Exhibit two (2) different preserved food products, excluding Freezing, in appropriate jars/packaging (Drying). For example, exhibit 1 jar of tomatoes (Canning) and 1 half-pint of jelly (Jams, Jellies, and Preserves).

All preserved products should be prepared and processed according to the current USDA/Extension information. USDA information on preserving food, including recipes, can be found at: www.homefoodpreservation.com or web.extension.illinois.edu/foodpreservation/. Recipes must be processed in a water-bath or pressure canner.

All food preservation exhibits must be labeled with: 1) The name of the food; 2) The date preserved; 3) Appropriate method(s) of food preservation (For canned projects: boiling water bath or pressure canner; For drying projects: Specify equipment used (food dehydrator, oven, etc.)).

Examples:

- Strawberry jam, boiling water bath. July 13, 2021.
- Green beans, pressure canner. July 13, 2021.
- Beef jerky, food dehydrator and oven. July 13, 2021.

All food preservation exhibits must be accompanied with the recipe(s) – typed or written, with the source of the recipe(s) listed. **Required recipes and sources for food preservation exhibits** – all food preservation recipes must be from an approved source. Those sources are:

- *PUT IT UP! Food Preservation for Youth* manuals
- U.S. Department of Agriculture (USDA)
- National Center for Home Food Preservation
- Ball/Kerr Canning (recipes after 1985)
- Mrs. Wages

DO NOT BRING RECIPES FROM: Magazine or newspaper clippings, Pinterest (unless it is from a source listed above), grandmas or a recipe from a family member or friend without a source, cookbooks (excluding the Ball, Kerr and Put It Up! book).

Canning Equipment Requirements: All canned products must be canned in clear, standard jars in good condition (no chips or cracks). Jars must be sealed using two-piece canning lids (flat lid and band). Must use a new, unused flat lid. Bands must not be rusty or severely worn.

Foods Innovation Class (SF 50211) - **Open to youth enrolled in any Foods project.**
Demonstrate the skills and knowledge you have gained through the project. The exhibit may include, but isn't limited to, original recipes, results of experiments not in the foods project books, variations on recipes or experimenting with unique cooking or baking methods. Your work can be displayed by a food product, demonstrations, digital presentations, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. If you bring a food product, the food will NOT be tasted.

Foods Nutrition Ready4Life Challenge (SF 50210) **Open to 11- to 18-year-olds enrolled in any Foods project**
Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

FORESTRY - Monday, August 1 - at Special Events Building (brown doors). Judging times will be assigned in advance.
Projects are released on Sunday, August 7 from 12-2 pm.
STATE FAIR SELECTION: Each county may submit 1 entry total from 50212, 50213, 50214; and 1 entry from 50216.

Forests of Fun 1 (SF 50212) **/ Forests of Fun 2 (SF 50213) / Forests of Fun 3 (SF 50214)**
Exhibit any product or display illustrating an activity from the book. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Forestry Ready4Life Challenge (SF 50216) **- Open to 11- to 18-year-olds enrolled in any Forestry project.**
Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

GEOLOGY - Monday, August 1 - at Special Events Building (brown doors). Judging times will be assigned in advance.
Projects are released on Sunday, August 7 from 12-2 pm.
STATE FAIR SELECTION: Each county may submit 3 entries total from 50218, 50219, 50220, 50221, 50222; and 1 entry from 50224. **Size and number of exhibit cases should relate appropriately to the number of specimens being displayed for a specified class.** Specimens are not limited to Illinois locations. All levels of Geology use the same manual, Geology-Introduction to the Study of the Earth.

Pebble Pups 1 (SF 50218)
Display 8 to 19 rocks and mineral specimens with three minerals in the collections. Collection may include duplications that show variations. Label collection and note where found.

Pebble Pups 2 (SF 50219)
Display at least 20, but no more than 29, rocks and mineral specimens with seven minerals in the collections. Collection may include duplications that show variations. Label collection and note where found.

Rock Hounds 1 (SF 50220)
Display at least 30, but no more than 40, rocks and mineral specimens with ten minerals in the collection. Rocks should include at least three igneous, two metamorphic, and three sedimentary groups. Label collection and note where found.

ONLINE ENTRY DEADLINE IS JUNE 24, 2022

Rock Hounds 2 (SF 50221)

Display no more than 50 specimens that have been selected to illustrate a specific theme of the exhibitor's choosing. Be creative. Sample categories could include (but are not limited to): industrial minerals and their uses; a specific rock group and the variety that occurs in that group, including some minerals that occur in that environment; select fossils traced through the geologic ages; minerals and their crystal habits; rocks and minerals used in the lapidary arts.

Geology Innovation Class (SF 50222) **- Open to youth enrolled in Geology.**

Demonstrate the skills and knowledge you have gained through the Geology project. Exhibit may be the result of knowledge gained from project manuals; independent study about Illinois rock(s) and mineral(s), interaction with geology professionals; and/or individual exploration in the area of geology. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. MAKER - Monday, August 1 - at Special Events Building (brown doors). Judging times will be assigned in advance.
Projects are released on Sunday, August 7 from 12-2 pm STATE FAIR SELECTION: Each county may submit 3 entries total from 50400.
Exhibits in this category are designed to be multi-disciplinary in nature, innovative, and must not fit into any other exhibit category. To qualify for this category, your project MUST abide by the following guidelines:

- Exhibitors must complete the DIY Make & Build Curriculum, and answer all the questions at the end of each lesson. You must display (or upload if virtual) your answers to these questions, as well as your Maker Log from the DIY Make and Build curriculum.
- Exhibits must be an object or device that has an intended purpose and uses technology in either a mechanical way, digital (computer) way, or combination of the two. Your device or object **cannot** be one of the included activities in the DIY Make and Build Curriculum.
- The device must be something that can be used in everyday life by multiple people (a target audience), and MUST be manufactured/built by the exhibitor (If not fully manufactured by the exhibitor, the device MUST be modified structurally or be reprogramed to perform a different function other than what it was designed to do).
- Exhibits MUST be able to interact with the outside world. (e.g. an on off switch, input sensors, feedback, etc.)
- Exhibits MUST include a detailed build log with instructions on how to make or build the exhibit, AND contain either a 3D rendering or detailed and labeled sketches of the device/product.
- All parts and software used in the design/build MUST be listed in a detailed Bill of Materials including cost per item and total cost. Total time spent on the build must be documented in your build log.

In addition, exhibitors are HIGHLY encouraged to use tools such as 3-D printers, laser cutters, routers and/or other hand/power tools to help in the manufacturing process **(NOTE: Simply 3-D printing or laser cutting an object without the other specifications does not qualify as a Maker Project)**. It is also HIGHLY encouraged that exhibits use Open Source software and/or hardware in the build.

Sportsfishing 1 (SF 50260)
Exhibit a product or display made to complete an activity in the *Take the Bait* project manual. This could include, but is not limited to, displays on: different types of fishing tackle, identifying different baits and their uses (no actual bait, please) or identifying the anatomy of a fish. For safety reasons, lures must be placed in a plastic case.

Sportsfishing 2 (SF 50261)
Exhibit a product or display made to complete an activity in the *Reel in the Fun* project manual. This could include, but is not limited to, displays on: different types of knots or rigs and their use; a collection of fishing lures, labeled with their use; or information on preparing and cooking fish (not recipes). For safety reasons, lures must be placed in a plastic case.

Sportsfishing 3 (SF 50262)
Exhibit a product or display made to complete an activity in the *Cast into the Future* project manual. This could include, but is not limited to, displays on: making artificial flies and lures; researching effects of water temperature; sportsfishing careers; or identifying insects that fish eat. For safety reasons, lures must be placed in a plastic case.

Wildlife 1 (SF 50266)
Exhibit any activity developed from the project manual. Be able to explain the importance of and concept behind the exhibit.

Wildlife 2 (SF 50263)
Exhibit any activity developed from the project manual. (Ex. Create a display of the life history of an animal.) Within the exhibit, explain the importance of and concept behind the exhibit.

Wildlife 3 (SF 50265)
Exhibit any activity developed from the project manual. Be able to explain the importance of and concept behind the exhibit.

Fish and Wildlife Innovation Class (SF 50264)
Open to youth enrolled in any Sportsfishing or Wildlife project.
Demonstrate the skills and knowledge you have gained through your Sportsfishing or Wildlife project. Exhibit may be the result of knowledge gained from project manuals; independent study, interaction with natural resource or conservation professionals. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. The display should demonstrate an understanding of natural and/or manmade environments, how humans affect the environment, or how the environment affects our lives. Include your project manual that documents activity recordkeeping, your answers to activity questions, and details the exhibitor's thoughts and ideas.

Exploring Your Environment 2 (not eligible for state fair)

Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of one of the following: stewardship of natural resources, investigating greenhouse effects on living organisms, methods of reducing or managing waste in your home or community, or calculating your ecological footprint. Include your project manual that documents activity recordkeeping, your answers to activity questions, and details the exhibitor's thoughts and ideas.

PHOTOGRAPHY- Monday, August 1 - at Special Events Building (brown doors). Judging times will be assigned in advance. Projects are released on Sunday, August 7 from 12-2 pm.

STATE FAIR SELECTION Each county may submit 3 entries total from 50268, 50269, 50270, 50271, 50272; and 1 entry from 50274.

Note: Members may choose to exhibit in more than one class but only one entry per class (i.e. A member enrolled in Photography 3 could exhibit in both classes 50269 Photography 3 and Photo Editing 50271)

ALL photos in exhibits must have been taken by the exhibitor. Photo/Model releases from individuals pictured in the exhibitor's photographs are required unless the photograph is of a group in a public place where identification would not be an issue. The release can be obtained at: *https://4h.extension.illinois.edu/members/projects/photography* . Photos may be taken with a camera, an electronic tablet (i.e. iPad), or a cell phone.

ALL photos must be accompanied by details of the camera settings that include:
- Camera/device used
- Aperture (F-stop)
- Exposure time (shutter speed)
- ISO (film/sensor sensitivity)
- Lighting used (flash, artificial, sunlight, other)
- Lens Filters (Ultra-Violet, Polarizing, etc.) if used.

Additional details required for Photo Editing ONLY:
- Photo editing software/application used (required for ALL edits and retouches except for cropping)
- Filters used (lens filters or digital/software filters)

Members are allowed to shoot on a camera's automatic setting, but should be able to find the metadata information on the photo to discuss the information above.

The exhibition size requirements for all photographs will be:
- Minimum image size: 5X7
- Maximum image size: 8X10
- Maximum exhibit size (including frame): 18X20

All exhibitors must include unframed (taped to the back of the framed exhibit or attached to the project booklet) **original or un-edited** versions of either the same subject or the examples of the same technique that the framed image represents. This will assist the judge in understanding the choices made by the photographer to build the exhibited composition.

NOTE: Images taken with devices that apply an automatic filter will not be eligible for award.

Photography 1 (SF 50268)

Exhibit one framed photo which demonstrates your understanding of a technique you learned from your Photography 1 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.

Photography 2 (SF 50269)

Exhibit one of the options listed below:
- Exhibit one framed 8x10 close-up photograph using the skills learned on page 58-61 (section: Bits and Pieces) of the project manual titled "*Level 2 Next Level Photography*." No photo editing is allowed in this class except cropping and red eye removal; **OR**

Projects are released on Sunday, August 7 from 12-2 pm.
STATE FAIR SELECTION: Each county may submit 3 entries total 3 entries from 50285, 50286, 50288, 50289, 50292; and 1 from 50293.

NOTE: If applicable for their class and display, exhibitors must bring their own computers for demonstration purposes; computers will not be provided. Internet access will not be available.

- Exhibits in classes Robotics 1 beginning, 50285, and 50286 are designed to be used with LEGO Mindstorms (NXT or EV3).
- Any other programmable robot kit such as Arduino or Raspberry Pi, should be exhibited in Robotics Innovation/Open Source class.

Robotics 1: Beginning: (not eligible for state fair)
Exhibitors should complete Activities 1-6 in the Robotics 1 with EV3 project book. Exhibitors will design, build and program a robot that can autonomously follow a predetermined path that changes direction at least 4 times during a single run. They will bring their project book, their program code (on laptop or on paper), and a single page write up to share what they learned about the engineering design process and programming.

Robotics 1: Intermediate: (SF 50285)
Exhibitors should complete Activities 7-12 in the Robotics 1 with EV3 project book. Exhibitors will design, build and program a robot that uses at least one sensor to autonomously follow a path, respond to and/or avoid obstacles. Exhibitors in this class must use at least one sensor in their robot design. They will bring their project book, their program code (on laptop or on paper), and a short journal sharing what they learned about the engineering design process and programming throughout their work in the project and specifically while preparing the exhibit.

Robotics 2: (SF 50286)
Exhibitors should complete Activities 1-7 in the Robotics 2 EV3N More project book. Exhibitors will design, build and program a robot that uses sensors and programming to complete one of the challenges selected challenges from the 2022 4-H State Robotics Challenge (Eligible Challenges will be Marked in the Challenge Documents on the Illinois 4-H website). They will bring their project book, their program code (on laptop or on paper), and a short journal sharing changes they made to the robot and/or program along the way, and to describe their experience with completing the challenge.

Robotics Innovation Open Source Class (SF 50292)
Open to youth enrolled in Robotics 3, but may also include youth in Robotics 1 or 2 if the exhibits meets the guidelines.
Exhibit an original robot, either homemade or a kit that does not fall under Robotics 1 or 2 that can complete a task using MULTIPLE sensors. If a robot kit is used, then some parts of the robot must be built using other components such as wood, plastic or metal. The robot can include any types of motors, pneumatics or sensors. The Innovation class can also be used for LEGO Mindstorms or Vex kits where the exhibit does not fall under Robotics 1 or 2 exhibit option. Autonomous control of the robot may also be achieved using an "open source" platform such as Arduino or Raspberry Pi and can be programed using a coding language that is publicly available. Exhibitors in Robotics Innovation/Open Source class must bring a detailed engineering notebook that describes how the exhibitor designed, built and programmed the exhibit.

Junk Drawer Robotics All exhibits should be original designs made with everyday objects and materials. Exhibits with purchased kits will not be accepted. Exhibitors are also required to bring their Junk Drawer Robotics Youth Robotics Notebook with the sections completed for the project they are exhibiting, including the sections leading up to the activity they are exhibiting. For example, if a youth is bringing Activity E from Junk Drawer Level 1, they should have robotics notebook sections A-E completed.

Junk Drawer Robotics 1 (not eligible for state fair)
Exhibit any item from the "To Make" activity from the Junk Drawer Robotics Level 1 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

Junk Drawer Robotics 2 (SF 50288)
Exhibit any item from the "To Make" activity from the Junk Drawer Robotics Level 2 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

Junk Drawer Robotics 3 (SF 50289)
Exhibit any item from the "To Make" activity from the Junk Drawer Robotics Level 3 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

Robotics Ready4Life Challenge (SF 50293**)- Open to 11- to 18-year-olds enrolled in any Robotics project**
Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

Visual Arts Food/Cake Decorating (ALL LEVELS) – Saturday, July 30 - check at Logan Extension Office. Judging times will be assigned in advance. Projects will be moved to Logan County Fair Exhibit building (yellow doors) and released on Sunday, August 7, from 12-2 pm.

(1 State Fair entry in each class of the following classes: Paper, Fiber, Fiber Arts Non-Original for 8-10-year-olds, Clay, Wood, Glass/Plastic, Leather, Metal, Nature, Computer-Generated Art, Three-Dimensional Design/Mixed Media, Heritage Arts, Food/Cake Decorating, and Chalk/Carbon/Pigment created on wood, metal, or textiles, quilting (you can quilt), quilting (quilting the best better); 2 entries in Chalk/Carbon/Pigment created on canvas, paper, or glass; 2 entries in Scrapbooking. Each county may also submit one entry in the Visual Arts Ready4Life Challenge Class.)

May exhibit maximum of SIX projects with no more than ONE per class. Judging will take place at assigned times.

Exhibitors must be enrolled in the Visual Arts project category in which they are exhibiting (Visual Arts/Clay, Visual Arts/Wood, Visual Arts/Nature, etc). Exhibitors are encouraged to date the project when it is made. All visual arts exhibits are evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity.

Articles exhibited must be an original design created by the exhibitor (except in heritage arts which may follow a pattern AND Fiber-Non Original Ages 8-10 ONLY). Copyrighted or trademarked designs are not acceptable; this includes Team or School logos. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, use the concept and create something different using the concept; however if it MUST NOT look exactly like something the judge can search for and find on Pinterest. The exhibit must combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create a replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

Members wishing to exhibit quilts made from a pattern may enter it in Heritage Arts. Quilts exhibited in the Visual Arts – Heritage Arts area will be evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity. Quilts entries in Visual Arts should ONLY be entered in either Level 1 You Can Quilt (SF 50331A) OR Level 2 Quilting the Best Better (SF 50133B). All work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else.

Visual Arts Chalk/Carbon/Pigment: Division A & B

Enter the division based on the type of material on which the art was created.

Division A: Canvas, Paper, Glass (SF 50336)
Any original artwork done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc. on canvas, paper, or glass. This would include all painting, sketching, drawing, cartooning, original non-computer generated graphics, printing, etc. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Drawings and paintings should be matted or framed under glass. (Exceptions: Oil and acrylic paintings do not require glass and are not required to be matted.) Watercolor, chalk, pen & ink, computer-generated art, etc. do require some protective covering. Gallery frames are acceptable. Canvas paintings that continue "over the edges" are acceptable without frames; however, the piece must still be prepared for hanging. Matted pieces without frames are acceptable, however the piece must be prepared for hanging OR it must include a photo of the artwork being displayed in a non-hanging manner. There is no specific requirement for the type of mat used.

Division B: Wood, Metal, Textiles (SF 50352)
Any original artwork done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc., on wood, metal, or textiles. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Any exhibits created as a piece of wall art must be prepared for hanging.

Visual Arts Clay (SF 50337)
Any original item made of clay; may be fired or unfired, hand formed or thrown on a wheel. Self-hardening clays are fine. Fire/oven-cured and cornstarch clay could be accepted. Items can include, but are not limited to, clay statues, bowls, jewelry, etc. Pre-formed ceramics are not eligible for State Fair exhibit.

ONLINE ENTRY DEADLINE IS JUNE 24, 2022

Visual Arts Computer-Generated Art (SF 50338)

Any original art created in any software package. Exhibit may not include scanned work, clip art, downloaded images from the internet, any imported image, or photographs. All pixels must be original. Photo mosaics are NOT allowed. Exhibitors in this class (like all other classes in this sub-section) must be enrolled in Visual Arts; Computer project enrollment is not required. NOTE: Wood and metal exhibits created through the use of laser cutting programs/devices should be entered in this class. Plastic exhibits with an artistic focus created using a 3-D printer should be entered in this class. If the art created is designed to hang, then the entry should have some protective covering, such as a glass frame, and prepared for hanging. If the art is something that has been created with a laser cutting program/device and is NOT designed to hang, it does not require protective covering nor does it need to be prepared to hang.

Visual Arts Fiber (SF 50339)

Any original item made of fiber. Examples are quilts, fabric collage, soft sculpture, stitchery, weaving, embroidery, cross-stitch, wearable art, hooking, braiding, duct tape artistry, string art, and baskets. **Original** cross-stitched, knitted, crocheted or quilted items belong in this Fiber class. **Non-original** cross-stitched, knitted, crocheted or quilted items should be entered in Heritage Arts. Machine knitted items are not appropriate for this class.

3. The maximum weight limit of the calves in the physical scramble activity should be 350 pounds.
4. Each participant must have their application signed by a parent or guardian or the application is void.
   a. Contestants must be 12 and not yet 18 years of age on Aug 1 of the year they participate in the contest.
   b. Participation is on a first come first serve basis. We will accept the first 18 interested participants with a complete signed application and all others will be put on a waiting list. c)
   c. Any 4-H boy or girl who is exhibiting in the 4-H Show with at least one year of large animal project (i.e. beef, swine, horse, sheep, or goat) before entering in the scramble this year is eligible to enter the contest. All other applicants will be screened by the committee.
   d. PREVIOUS CATCHERS MAY PARTICIPATE. PREVIOUS CHAMPION WINNERS ARE NOT ELIGIBLE TO PARTICIPATE.
5. While one contestant has a hold of a calf, no other contestant will be allowed to touch it. If two contestants catch a calf at the same time, the calf will be turned loose. No tail catching is allowed!
6. Each contestant will be provided with a halter. This halter is not at any time to be used as a lariat to "rope" a calf. The halter must be properly placed on the calf and led to the holding pen
7. The Calf Scramble Committee will act as referees/judges in all cases under protest - their decisions will be final.
8. Those entering the calf scramble must meet on Wednesday night of the fair at 7:00 p.m. in the Show Pavilion before the Scramble in order to be eligible to enter the arena for the calf scramble.

ONLINE ENTRY DEADLINE IS JUNE 24, 2022

9. If you catch a calf:
   a. The calf is the property of the scramble contestant who catches it. He/she must remove their calf from the fairgrounds no later than 10 p.m. the night of the scrambles or make arrangements with the breeder. Participants will take possession of the calf at the Logan County Fairground, Sept 25th 2022.
   b. You will be required to write a report every 60 days beginning Nov 15th, Jan 15th, March 15th, May, 15th & July 15th, Final Aug 2nd Please email Electronic Copies of the reports to:
      LoganCoCalfScramble@gmail.com or by mail to 706 E HARGRAVE ATHENS,IL 62613
      If you fail to complete reports, you will not be allowed to participate in any calf scramble activities. We will provide more details on reports to come .
   c. You must show your calf at the County 4-H beef show and the special 4-H Night scramble show (at Logan County Fair/Lincoln, IL) the following year. Judging for the scramble steers will be based upon 25% conformation, 25% grooming, 25% showmanship, and 25% records.
   d. No prize money/awards given unless the steer is shown at both the 4-H show and the Scramble show.
   e. Submit your final report on your project on August 2nd by either handing them to a member on the calf scramble committee at the fair or sending to the LoganCoCalfScramble@gmail.com. Please include in this report the cost to raise scramble steer. This cost is estimated to be $1500-$2000 from time caught to finish.
   f. You must bring scramble steer to FOUR weigh-ins : December @ Logan Co. Fairgrounds, February @ Greenhaven Animal Clinic Beef Weigh In/San Jose, May @ Flach Memorial Day Cattle Show/Logan Co. Fairgrounds, and final weigh-in during Logan County Fair Week. Dates and times will be provided as we get closer to that date.
   g. Report any unusual incidents affecting the continuation of the project to the members of the scramble committee.
   h. Before you leave the county fair after showing your scramble steer at the fair, you must pay $150 to one of the scramble member for the purchase of your steer or the scramble committee members reserve the right to load your calf up at the end of the fair and take it to the sale barn and send you a check for market price minus $150.
10. THE CALF SCRAMBLE COMMITTEE RESERVES THE RIGHT TO REMOVE ANY CALF FROM ANY PARTICIPANT'S POSSESSION AT ANY TIME.

YOUTH LIVESTOCK AUCTION
Sunday, August 7 – 12:00 p.m.(NOON)

Rules, Regulations & Information

1. The sale will be conducted on Sunday, August 7, under the auspices of the Logan County Fair Association.
2. The sale is open to Steers, Barrows, Sheep Wethers, Champion and Reserve Champion Rabbit Meat Pen, Meat Goat Wethers, Champion and Reserve Champion Poultry Market Pens, State Fair Visual Arts Delegates, and Cakes from Cake Classic. Only one animal or item per 4-H member may be sold unless the member has more than one Grand Champion. If a member has a scramble steer, that animal must sell as the member's animal. In order to sell 2 animals using the scramble animal, the member must have a Grand Champion of a show. In order to have multiple entries in the sale, an exhibitor would have to have multiple Grand Champions and/or a scramble steer. Goat, Rabbits, Visual Arts, and Poultry are not considered Grand Champions.
3. Sale animals and articles must be **CONSIGNED** by **9:00 am on Friday, August 5.** – **Contracts to be submitted to the Logan County FAIR Office (South end of Fairgrounds/near Grandstand) – NO sale contracts will be accepted after 9 am Friday** Decisions concerning show rights must be made then for Visual Arts, Rabbits, and Poultry.
4. **Only Logan County 4-H members who exhibit in the 4-H show are eligible to consign to the sale. 4-H members must be present at time of Auction to present their consigned item.**
5. Animals will be sold by the pound at their show weights except for Champion and Reserve Champion Rabbit Meat Pens, Champion and Reserve Champion Poultry Market Pens and Goat Wethers. For steers to qualify for sale, they will have to weigh 900 pounds and those over 1400 pounds will sell at 1400 pounds. Scramble, Grand Champion & Reserve Grand Champions are excluded from weight limits.
6. The **sale will start at 12:00 pm** with buyer instructions.
7. Five percent will be taken off the top of each sale (gross amount) for advertising to promote buyers and sale; and to help offset 4-H programming costs.
8. Buyers will pay the amount of the bid less market price stated sale day. Buyer will have first claim on animal if desired, and needs to pay the 4-H'er market price upon delivery of animal or at the Logan County Fair Office on **August 7th.** The buyer must state their intention to want the animal immediately upon winning the bid.
9. Buyers must pay within 48 hours of the sale into the fund. **ONE check for the total of the sale amount expected.** Sellers will be paid (minus the percent) when the buyer's check clears. **This can be done at the Fairgrounds until 2:00 pm on August 7 or at the Logan County FAIR OFFICE (South end of Fairgrounds) on August 7th.**

10. Sale order for 2021 is Visual Arts, Rabbit Meat Pens, Poultry Market Pens, Barrows, Sheep Wethers, Meat Goat Wethers, Steers, and Cake Classic Cakes.
11. **All animals consigned to the Youth Livestock Auction must remain on the fairgrounds until the sale is completed - any animal leaving grounds FORFEIT the consignment and will NOT be allowed to participate in auction**.
12. There will NOT be arrangements for **ANY** animals to be shipped after the show. Hauling and sale arrangements may be provided by a livestock dealer.

Master Showmanship Contest – Thursday, August 4 – 2 pm

1. The exhibitor must be between the ages of 14-18 as of September 1, 2021.
2. The exhibitor must be enrolled in a 4-H Livestock event in 2022.
3. The exhibitor must fill out the intent to participate by June 24, 2022. All livestock members will receive the link before the June 24 registration deadline.
4. The county winner must be able to attend and participate in the state contest **Friday, August 12 at 7:00 p.m.** OR 30 minutes following the conclusion of the Supreme Heifer Show at the Illinois State Fair in the Junior Livestock Barn & Open Swine Barn. If the county winner cannot participate in the state contest, then the Reserve Master Showman may participate at the state level.
5. Participants in the 2022 Master Showmanship Contest at Logan County and the Illinois State Fair must supply their own livestock for the competition. Each exhibitor must own or borrow each: a steer or heifer, a market or breeding lamb, and a market hog or breeding gilt.
   The Master Showmanship Contest will not supply animals for the competition!
6. Contest organizers withhold the right to expel any individual who has violated any rules or regulations or exhibits improper conduct that is unbecoming of a 4-H member.
7. In the event of a state contest cancellation, contest organizers are not liable for any lost revenues; expenses incurred, or schedule inconvenience, and are not bound to issue any awards or prizes.
8. The state contest will adhere to any and all guidelines in relation to the Illinois State Fair issued by the Illinois Department of Agriculture.
9. **This is not a premium eligible contest!**
