STEPHENSON COUNTY

4-H SHOW BOOK

2022

Dear 4-H Members, Leaders and Parents:

The **2022** 4-H Show Book is provided to assist you in preparing for this year's 4-H Shows and Contests. It identifies the 4-H projects, which may be exhibited, their various classes, and the rules & regulations governing their exhibition. Please read it thoroughly and carefully to prevent any misunderstanding or potential disappointment. The general rules and regulations at the beginning of the book and the specific regulations under each project area are very important.

Advanced entries are required for ALL (livestock & non-livestock) 4-H projects. These entries tell us what projects your child will be bringing to the 4-H shows. Please register **ONLY** for the projects/ animals you plan to bring to the shows. We use these numbers for planning for the shows & to have the right number of judges. If you know you won't be bringing a specific project, don't enter it! Registration of show entries must be done using our online fair entry system:

<http://stephenson4-hfair.fairentry.com>.

Registration will open May 15, 2022 and the DEADLINE is June 15, 2022. Members must log in using their 4-H ONLINE ID and password.

Most of our non-livestock 4-H Shows will take place in the NEW 4-H Building (also known as the Foresight Commercial Building), at the Stephenson County Fairgrounds. Our "seperate shows" have specific locations, the locations & time of these shows is printed next to the projects inside of this book.

For our 4-H shows this summer, we will be following the most current guidance from the Illinois Department of Public Health (IPDH). Information regarding each show will be shared in a timely manner by 4-H staff.

Thank you for your cooperation. We look forward to working with you for another successful Stephenson County 4-H Show season. If you have any questions, please contact the Stephenson County Extension office at (815) 235-4125.

Sincerely,

Brenda Heimann

VOLUNTEERS ARE THE BACKBONE OF 4-H

Stephenson County 4-H club leaders, superintendents and committee members volunteer their time and talent to help the 4-H program be successful in its mission of serving the community. These people add many new ideas and contribute hours of work to the Stephenson County 4-H Program. We would like to sincerely thank everyone for volunteering their time and talent to the 4-H program.

STEPHENSON COUNTY 4-H AWARD PROGRAM

MEMBER AWARDS, COUNTY LEVEL

While many 4-H'ers gain recognition for their efforts at the 4-H Fair, there are many other opportunities for recognition based primarily on 4-H records and award applications completed and turned in by set deadlines.

1. **1ST Year Member Award** – Awarded to the top 10 4-H members who submit and have a qualifying score of 150/210 points.
2. **Top 4-H'er Award** – Based on 4-H participation. Up to two awards are given annually.
3. **I Dare You Leadership Award** – High school juniors and seniors only.
4. **Illinois 4-H Experience Award – Engage, Experience, Excel**
Members may fill out the application for awards at the Bronze, Silver, Gold, Diamond and Emerald Clover. (Diamond & Emerald Clover awards are submitted and presented at the State level.)

MEMBER AWARDS, STATE LEVEL

Illinois Sustaining the Future Award

The Illinois 4-H Sustaining the Future Award was created to recognize 4-H members who have exemplified outstanding leadership within the agricultural industry. (Formerly known as the LCP Award) Members must be ages 17-19 (as of 9/1/22). The two-tier awards program includes plaques for the top ten scoring members and invitations to the 2-day Premier 20 Youth Leadership Conference in April. Delegates for this conference are selected based on their outstanding leadership within either 4-H or the FFA Organization. Members are also honored at a state awards ceremony each spring.

OTHER SPECIAL MEMBER/VOLUNTEER AWARDS

President/Vice-President or Co-President Award
Secretary Award
Recreation Award
Officer Team Award
Leader Team Award
4-H Alumni Award

Treasurer Award
Reporter Award
Scrapbook Award
Youth Volunteer of the Year Award
Adult Volunteer of the Year Award
4-H Family of the Year Award

EEC Electricity Award – Awarded by the Energy Education Council. Member must be enrolled in electricity project and shown outstanding accomplishment in constructing and displaying an electricity exhibit. Member can only receive this award once. The winner will receive this award at 4-H Recognition Night.

Holstein-Friesian Award – Awarded to members enrolling in and completing the 4-H dairy project by showing a registered Holstein at the 4-H Dairy Show. First year winners receive a pin; members receive a certificate for each following year.

CLUB AWARDS

Club of The Year – This award goes to the club scoring the highest on the Club application form. Important criteria include club participation, member recruitment and community service. The Club of the Year will receive a certificate and \$50 check sponsored by the Stephenson County 4-H & Extension Foundation.

State 4-H Club Excel Award – Awards given for clubs actively working as a team to accomplish a common goal within the areas of Community Service, Leadership and Project Learning. Applications must receive 90 points to be recognized at the State level. \$75 cash award.

STEPHENSON COUNTY 4-H POLICIES

1. The 4-H club year is September 1 to August 31.
2. Any person, regardless of race, color, religion, gender, national origin, marital status, familial status, sexual orientation, or disability may participate in Illinois 4-H programs. Youth who are eight years of age and have not reached their nineteenth birthday on or before September 1 of the current 4-H year may enroll in Illinois 4-H clubs. An effort must be made to recruit minorities who live within the geographic boundaries of the club.
3. Eligibility to show is limited to boys and girls officially enrolled in a 4-H project in a 4-H Club in Stephenson County. 4-H members must also complete the ethics requirements (for livestock projects) and attend at least 1/3 of one's club meetings after enrollment in order to show.
4. A youth that enrolls in a 4-H club, but fails to attend at least 1/3 of the meetings or events, is not eligible to take part in 4-H exhibitions, receive 4-H premium money or sell an animal at auction.
5. All 4-H members must be enrolled in a minimum of one project. Enrollment is done through the 4-H ONLINE program.
<https://il.4honline.com>
6. 4-H members not meeting all published deadlines will not be eligible for State Fair Delegate, Champion, Reserve Champion or any other higher award than a Blue, Red or White ribbon.
7. If 4-H members cannot be in attendance at time of judging, they must prepare a report called "Stephenson County 4-H Exhibit Report" and attach this report to their project for their leader or other 4-H club member to present to the judge at time of judging. If this report is not presented at time of judging, the project rating will be lower by one grade ("A" goes to "B" etc.).
8. In order to qualify as a Grand Champion, Reserve Grand Champion, Champion or Reserve Champion, the project must receive an "A" (BLUE) rating.
9. 4-H'ers will be expected to respect the rights of other participants at 4-H functions. The Stephenson County 4-H Youth Exhibitor Code of Conduct has been adopted by Stephenson County and will be in effect for all events and activities.
10. Each 4-H member must care for his/her own 4-H projects (this includes livestock exhibits).
11. Advanced entries are required for ALL 4-H exhibits. 4-H'ers may exhibit only in project areas in which they are enrolled. 4-H age is calculated as of September 1 of the 4-H year.
12. 4-H Cloverbud members (age 5-7) may only show in the designated 4-H Cloverbud classes. They will receive participatory ribbons and will not be eligible to compete for Champion awards or premiums.
13. The following positions have been designated as OFFICIAL 4-H club officer positions within a Stephenson County 4-H Club and may either be elected by club vote or appointed by the club leader, according to each individual club's bylaws: President, Vice-President, Secretary, Treasurer, Reporter, Recreation Chair, Historian/Scrapbook Chair. All club officers must be of 4-H age, 8-19, by the current 4-H year. Suggested recommendation for Jr. Leaders and 4-H Ambassadors is 12 years of age and at least 2 years in the 4-H program.
15. PROGRAM FEE: \$20/year 4-H Program Fee with a max of \$60 per family.
16. If you need a reasonable accommodation to participate in any of the 4-H Shows, please contact the Stephenson County Extension office at (815) 235-4125 at least 2 weeks prior to the event.
17. University of Illinois Extension staff or volunteers do not assume liability for loss, theft or damage to any exhibit.
18. Stephenson County 4-H reserves the right to cancel, postpone, or change any 4-H show due to unforeseen events, weather related challenges, or due to identified risks. If such should happen, the 4-H Program Coordinator will send e-mails to all families notifying them of said changes immediately.

4-H EXHIBIT ACCOMMODATIONS POLICY

Any person, regardless of race, color, religion, sex, national origin, ancestry, marital status, familial status, sexual orientation including gender identity or disability, may participate in Illinois 4-H. Stephenson County 4-H is committed to providing a positive experience for all youth within an inclusive environment.

4-H members, families, volunteers, judges and superintendents must understand that at any time, whether it is apparent or not, Illinois Extension staff may be complying with an accommodations request to ensure a positive experience for all youth in 4-H. The following accommodation practices will be followed at all times.

These policies, when necessary, will supersede any other policies written in this Program Book:

- All youth and their families have a right to privacy in regards to an accommodations request.
- Specific accommodations for youth with disabilities may include, but are not limited to:
 - a. Having a parent or trusted adult nearby during the judging process;
 - b. Turning in a written project report, even though they are physically present;
 - c. Having another 4-H member present their project with a written project report, even though they are physically present;
 - d. Space accommodations, including access to a quieter space for judging;
 - e. Other, as decided upon by the youth, parents and Extension staff.
- Judges, volunteers and superintendents are not allowed to question a youth or parent about the nature of the disability or comment on the accommodation being made.
- Every accommodation is unique to the individual. There is no one-size-fits-all accommodation.
- No project will be lowered a grade or ineligible for State Fair selection due to an accommodation.
- Judges, superintendents and 4-H volunteers are not guaranteed to have access to the existence of or details regarding an accommodations request. Therefore, at all times:
 - a. Written comments on scoresheets should be positive, constructive, and related to the 4-H project and exhibitor's project-specific knowledge and learning process only.
 - b. Comments related to 4-H member demeanor, eye contact, ability to speak clearly, etc., are strictly prohibited and could be a violation of a youth's right to privacy.
 - c. Any questions regarding a youth's approach to judging should be directed to Extension staff only.
- A separate space will be made available during 4-H exhibit days for any youth feeling overwhelmed by the judging process or environment. Any 4-H member is free to use this quiet space (for this purpose), not only youth requesting accommodations.

Any youth needing a reasonable accommodation to participate in a 4-H exhibit opportunity should contact the Extension office at (815) 235-4125 approximately 3 weeks in advance. However, if this timeframe is missed, please call anyway and we will be happy to discuss what can be done.

IL 4-H CODE OF CONDUCT

The opportunity to participate in or attend 4-H activities is a privilege and not a right. All 4-H participants- youth, families, volunteers, and Extension staff- who participate in or attend any activity or event sponsored by the University of Illinois Extension 4-H Youth Development Program are expected to uphold the values of the Illinois 4-H program and conduct themselves according to the following standards. These standards also apply to online 4-H activity, including social media and internet presence.

1. **Create a welcoming environment for all.** Encourage everyone to fully participate in 4-H. Recognize that all people have skills and talents that can help others and improve the community. Though we will not always agree, we must disagree respectfully. When we disagree, try to understand why. Our priority is to create a safe, inclusive space for learning, sharing, and collaboration that is welcoming to people from diverse backgrounds, cultures, and perspectives. Diversity includes, but is not limited to: race, color, religion, political beliefs, national or ethnic origin immigration or citizenship status, sex, gender identity, and expression, transgender status, sexual orientation, age, marital or family status, educational level, learning style, pregnancy, physical appearance, body size, and individuals with disabilities.
2. **Bring your best self.** Conduct yourself in a manner that reflects honesty, integrity, self-control, and self-direction. Accept the results and outcomes of 4-H contests with grace and empathy for other participants, Accept the final opinions of judges and evaluators. Be open to new ideas, suggestions, and opinions of others.
3. **Obey the law.** Commit no illegal acts. Do not possess, offer to others, or use alcohols, illegal drugs, or tobacco products, which include e-pens, e-pipes, e-hookah, e-cigars, JUULs, vapes, vape pens, or other electronic nicotine delivery systems. Do not possess or use weapons or firearms except as expressly permitted as part of a supervised 4-H shooting sports programming. Do not attend 4-H activities under the influence of alcohol or illegal substance.
4. **Honor diversity- yours and others.** Respect and uphold the rights and dignity of all persons who participate in 4-H programs.
5. **Create a safe environment.** Do not carelessly or intentionally harm or intimidate anyone in any way (verbally, mentally, physically, or emotionally). Do not engage in romantic displays or sexual activities in either public or private situations. Be kind and compassionate toward others. Do not insult harass, or bully others or engage in other hostile behaviors. Be considerate and courteous of all persons and their property.
6. **Be a team player.** Work cooperatively with all individuals involved in 4-H programs and activities. Be responsive to reasonable requests of the person in charge. Respect the integrity of the group and the groups' decision.

7. **Humane treatment of animals.** Treat animals humanely and teach 4-H youth to provide appropriate animal care.
8. **Participate fully.** Participate in and contribute to planned programs, be on time, and follow through on assigned tasks/responsibilities in a manner that fosters the safety, well-being, and quality of educational experience for self and others. Have fun!
9. **Watch what you wear.** Use good judgment. Wear clothing suited for the activity in which you will participate. Dress in a manner that is respectful to yourself and others. Clothing that displays or promotes violence, obscenity, illegal activities, discrimination, or intimidation is prohibited. Do not wear revealing clothing, such as short skirts or shorts, midriff-baring tops, or anything showing undergarments.
10. **Be a positive role model.** Act in a mature, responsible manner, recognizing you are role models for others and that you are representing both yourself and the University of Illinois Extension 4-H Youth Development program. Be responsible for your behavior, use positive and affirming language, and uphold exemplary standards of conduct at all 4-H activities.

CONSEQUENCES

1. Participants will receive a verbal warning
2. Participants may remain at the event/activity but may be barred from future events.
3. Participants may be asked to leave the event/activity. If the participant is a youth, the parent(s) will be called and the youth will be sent home at the family's expense.

4-H MEMBERS IN STEPHENSON COUNTY AGREE TO THE FOLLOWING:

1. I believe that my participation in the 4-H program should demonstrate my own ability, knowledge and skill. I will do my own work and only accept advice and support from others.
2. I will not use abusive or questionable techniques in the feeding, fitting and showing of my animals. I will not resort to fraudulent, illegal or deceptive practices when fitting them for show. I also will not allow my parents, my supervisor or any other adult to employ such practices to my animal.
3. I will read and understand the rules of all 4-H shows in which I am a participant. I ask that my parents and the supervisor of my project not break the rules or make exception on my behalf. I wish for my project to be an example of how to accept what life has to offer – good or bad – and how to live with the outcome.
4. I realize that I am responsible for following the rules and accepting the consequences.
5. The superintendent and/or Extension staff will deal with violation of any of the General 4-H Rules and/or 4-H Show Rules. The decision of the department superintendent and/or Extension staff will be final. Penalties could include losing the right to show for the current year and/or subsequent years, losing ribbon(s), trophy(s), the privilege to auction for the current year and/or subsequent years and the privilege to show at State Fair.

4-H VOLUNTEERS IN STEPHENSON COUNTY AGREE TO THE FOLLOWING:

1. Treat others in a courteous, respectful manner demonstrating behaviors appropriate to a positive role model for youth.
2. Obey the laws of the locality, state and nation.
3. Make all reasonable effort to assure that 4-H youth programs are accessible to youth without regard to race, color, national origin, sex, religion or disability.
4. Recognize that verbal and/or physical abuse and/or neglect of youth is unacceptable in 4-H youth programs and report suspected abuse to the authorities.
5. Do not participate in or condone neglect or abuse that happens outside the program to 4-H youth participants and report suspected abuse to authorities.
6. Treat animals humanely and teach 4-H youth to provide animal care.
7. Operate motor vehicles (including machines or equipment) in a safe and reliable manner when driving and working with 4-H youth, and only with a valid operator's license and the legally required insurance coverage.
8. Do not consume alcohol or illegal substances while responsible for youth in 4-H activities, nor allow 4-H youth participants under supervision to do so.

Volunteers who work directly with youth in University of Illinois Extension programs are required to fill out a volunteer application, complete a full background check, complete an interview with a Volunteer Screening Committee member, and participate in the online Abused and Neglected Child Reporting Act (ANCRA) training. Additionally, the Sex Offender website will be checked yearly for each 4-H volunteer. All volunteers will be rescreened every 5 years. **VOLUNTEERS WILL NOT BE ENROLLED OR MAY NOT ACT IN A VOLUNTEER CAPACITY UNTIL THE VOLUNTEER SCREENING PROCESS IS COMPLETE.** Volunteers not complying with the following 4-H Adult Behavior Guidelines will be dismissed.

PREMIUM DISTRIBUTION

1. 4-H premiums may be awarded to 4-H youth ages 8-18 exhibiting in premium eligible classes. Premiums for the 4-H Shows and exhibitions will be issued one per eligible class and determined by an "X" factor calculation based on the total amount of money available.
2. No premium will be paid in the following classes: Showmanship (all species); Dog Costume; Cat Decorated Cage/Carrier; Horse & Pony Costume; Horse Gaming.
3. 4-H premiums will be distributed by the Stephenson County Extension office after the final 4-H show or exhibition and only after the Dept. of Ag have deposited the funds in our account.
4. Premiums will only be issued for the top ten (10) projects per exhibitor.
5. County projects are not eligible for premiums.
6. Cloverbud members (ages 5-7) do not receive premiums.

DISCLAIMER

"The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book."

TAX IMPLICATIONS FOR PRIZES, GIFTS, OR AWARDS

Program Participants (including minors) will be required to provide their social security number or foreign national tax ID number before receiving a prize, gift, or award to ensure proper IRS reporting as required by law. This sensitive information is kept confidential and handled through security-protected software (PEAR). Participants will not be eligible for the prize, gift, or award if social security or foreign national tax ID information is not provided.

TEAM CONTEST PARTICIPATION POLICY:

Any 4-H member can compete at a judging contest. However, any 4-Her participating on a University or Community College judging team or enrolled in University or Community College academic classwork cannot compete at any state-level judging contest but may compete at a county judging event. To be eligible for a state team, a 4-Her must be 14 by September 1 of the current 4-H year, currently enrolled in the 4-H program, and participate on the county team.

4-H CLOVERBUD PROGRAM

The Cloverbud program is designed with specific educational objectives focused on the ages of 5-7 years. It is neither the intent nor the objective of the Illinois 4-H Cloverbud program to duplicate the 8-18 year old Illinois 4-H member experience, nor to create a mini 4-H concept. The program is designed to give Cloverbuds a start in the 4-H "learning by doing" process. Competition is also not a part of the 4-H Cloverbud program.

Cloverbuds may participate in the county Cloverbud Show and county Cloverbud events. According to State 4-H Guidelines, Cloverbuds may not receive premium money for projects. Cloverbuds may choose from the list of projects in the Cloverbud Section of the Stephenson County 4-H Program Book.

4-H CLUB & PROJECT ENROLLMENT POLICIES:

1. All 4-H members must be enrolled in a minimum of one project. To exhibit at any 4-H Show, 4-H members must be enrolled by the following dates:

- **December 1, 2021**- previously enrolled 4-Hers
- **February 1, 2022** - new member enrollment deadline to be able to exhibit at shows-

Liability Waivers **MUST** be completed and returned to the Extension Office or postmarked by the above dates. A Liability waiver must be completed for every member. Parents may not put multiple 4-Hers on one waiver.

Fair Registration Deadline Information

- **June 15**– all fair entries must be entered online by 11:59 pm.
2. Youth may participate in 4-H under a shared membership arrangement with another county or state; however, **approval must be granted by both counties and states before enrollment.** Members may not collect premium money from the same project if participating in multiple county or state 4-H shows. Members may apply for 4-H awards or recognition in only one county or state. The member must carry different projects in each county or state.
 3. Youth may participate in multiple 4-H clubs in one county but must carry different projects in each club.
 4. Youth may enroll in 4-H in Stephenson County regardless of the member lives in Stephenson County.
 5. A member may enroll in a 4-H project after entering college, provided he/she can satisfactorily carry out the work of the project(s).
 6. Any new members enrolling after the above dates will not be allowed to show in this year's show.

Illinois 4-H Policies and Rules governing state and/or national events supersede Stephenson County Extension Unit policies/rules. All questions concerning policies/rules should be directed to the Stephenson County Extension Unit 4-H Staff.

4-H EXHIBITS:

1. All exhibits must be part of a 4-H project the member is enrolled in for the current 4-H year. All exhibits must be produced and/or cared for by the exhibiting 4-H member. All exhibits must be products of the current 4-H year.
2. In all matters relating to the eligibility of an exhibit, the 4-H Extension Staff and department Superintendent will have the final decision.
3. For questions on the interpretation of rules and regulations, see a 4-H Extension Staff member. The 4-H Extension Staff will confer with the Show Superintendent on all decisions concerning the interpretation of the rules and regulations. 4-H Extension Staff has the final decision.
4. 4-H members should refer to each project area for further rules and policies relating to that exhibit.
5. Parents will not be allowed to make comments to the judge, or answer questions for the child, during or after conference judging. Parents are asked to step away from the judging table and allow the youth member to interact with the judge on their own unless an accommodation has been made.
6. Every exhibit will be critiqued in a discussion with the judge. The exhibitor **MUST** be present for this evaluation, if at all possible. If the 4-Her cannot be present, the exhibit must be accompanied by the absentee exhibit form which may be found on the Extension Office website. You must call the Extension Office and inform them of the 4-Hers absence BEFORE the 4-H Fair. This rule does not apply to live animal exhibits. In the absence of the 4-Her, the live animal exhibit may be exhibited by another 4-Her.
7. **The decision of the judge is final.** Keep in mind that our judges graciously give of their time and expertise; we all need to treat them with respect.
8. State Fair eligibility will not determine who receives the Champion or Reserve Award.
9. 4-H Clubs may not establish club meeting attendance policies for eligibility to exhibit at the county level or beyond. The county may establish a club meeting attendance policy. Stephenson County 4-Hers must attend 1/3 of club meetings and/or club events to participate in any county show. Clubs may implement an "officer contract" to accompany the attendance policy.
10. A project made for a project area may only be exhibited in one project area. For example: if a clothing item is made for Clothing & Textiles-STEAM, it **may not** be shown in Visual Arts – Fiber as well.
11. A member may enroll in as many classes of a specific project (i.e. Visual Arts – paper (class), wood (class), glass (class), etc.) as he/she wishes. A 4-Her may also show two different projects in one class; however, the 4-Her must note the project quantity during the fair registration process. **Only one project in each class will be paid a premium.** For example Two Visual Arts– Glass projects may be shown, but the 4-Her will only receive one premium in the Glass class.
12. It will be up to the 4-H Extension Staff to determine if the 4-Her can replace an animal after the registration deadline if: **1)** an accident or situation occurs with an animal that leaves an animal dead or injured; **2)** 4-Her has registered that animal to show; **3)** 4-Her does not have another animal registered to show in that same species.
13. If a 4-H project is deemed to be in the wrong project area or does not meet project requirements, the 4-Her is still eligible to show but **may not** be eligible for Champion, Reserve Champion, award, or State Fair based on 4-H Staff and Show Superintendent's input.

STATE FAIR EXHIBIT GUIDELINES:

1. Exhibitors must have been preselected by their County 4-H Extension program as a state fair exhibitor.
2. Exhibitors must be currently enrolled as a 4-H member and have been at least 8 years old as of September 1 of the current year. Parents and leaders should make provisions to the adequate care and supervision of exhibitors.
3. Exhibitors must be enrolled in the project or have participated in the activity in which they are exhibiting during the current 4-H year. Due to the nature of the conference judging process, exhibitors must be present with the exhibit on their assigned county exhibition day. Scheduling adjustments for religious reasons may be requested by contacting the IL State 4-H Office @ illinois.4H@illinois.edu by August 1 of the current year.
4. Exhibitors must be present for judging. No Skype or FaceTime sessions will be allowed. If a 4-H member needs reasonable accommodation to participate in the General Project Show, please contact the IL State 4-H office at illinois.4H@illinois.edu by August 1 of the current year.

ENTRY PROCEDURE

5. Local Extension offices will make all entries for their 4-H members via 4-H Online by August 1 of the current year. Counties needing permission for late entries after August 1 (due to late local shows) should contact Dan Horn at the State 4-H Office in writing by July 15 of the current year.

GENERAL GUIDELINES

6. All exhibits must be products of the current 4-H year. The same product that is selected at the county level must be the one exhibited at the State Fair (except for Food and Nutrition-must be the same recipe), Crops, Floriculture, and Vegetable Gardening exhibits (must be the same species/type (i.e. slicing tomatoes, snap beans, onions, etc.). Modifications can be made to the original county exhibit to meet State Fair class requirements or to incorporate suggested improvements made by the local judge. Determination of exhibit eligibility rests solely with the University of Illinois Extension Assistant Dean and Director, 4-H, and designated persons.
7. A 4-H member may enter only one individual exhibit and one group exhibit in the 4-H General Project Show. This also applies to exhibitors who are enrolled in projects in two different counties. If they are identified as a state fair delegate in two counties, they will have to choose one individual and/or group project exhibit.
8. Exhibits illustrating inappropriate subject matter and /or graphics are not acceptable. The Superintendents reserve the right to remove exhibits deemed inappropriate or dangerous for youth audiences. The contest of any 4-H competitive presentation does not necessarily reflect the beliefs or views of the IL State Fair or the University of Illinois Extension.
9. Some exhibit areas may have size limitations. Read the descriptions carefully. Please choose a display size that is most appropriate for the exhibit you are bringing. Larger does not always mean better, use good judgment in creating your exhibit. Exhibitors will need to carry their project from the distant parking lots on the fairgrounds.
10. **INNOVATION CLASSES** are open to all 4-H members. Members choosing to exhibit in the Innovation class may be enrolled at any level of the project they are studying. Members choosing to exhibit in the Innovation class must decide the best way to show off their project mastery and knowledge for the year in that project category. Some suggestions are provided for each category, but members may choose any method they want for demonstrating project learning as long as it does not fit in any other class in the category. Only selected project categories have an Innovation option.
11. **READY4LIFE CLASSES** (Career & Entrepreneurship Exploration) are open to any 4-H member who was at least 11 years of age by September 1 of the current 4-H year. Members choosing to exhibit in the READY4LIFE class may be enrolled at any level of the project they are studying. Exhibits should show the connection between the project area and related career or business opportunities. Members may choose any method they want for demonstration project learning. Counties are eligible to send one READY4LIFE exhibit for each project category in addition to the total allowed for that division.

STATE FAIR SCHEDULE:

1. The County Extension Office will provide official exhibit tags for all exhibitors before the state fair. This entry tag should be filled out and securely attached to the exhibit. County exhibit tags and ribbons should be removed.
2. All Stephenson County exhibitors will compete on **Saturday, August 13, 2022.**
3. The General Project Exhibit will be held in the Orr Building of the state fairgrounds. Members must drop off their projects any time from 8-9:30 am. All projects should be in place by 9:30 am. Judging is scheduled throughout the day. The judging schedule will be posted in each area. Members should check the judging schedule and return to the judging area about 10 minutes before their scheduled judging time. Projects must remain on display throughout the day until 3:30 pm. All projects must be removed no later than 4:30 pm daily. If you cannot remain until 3:30, you may make arrangements with another person from your county to pick up your project on your behalf, as long as you provide them with your claim ticket.

STATE FAIR RECOGNITION:

1. All exhibitors will receive an Award of Excellence ribbon for participating. Approximately 25% of exhibitors will be awarded Superior awards at the judge's discretion. Judges take into account the display and information provided during the interview in determining Superior awards. Exhibitors who do not follow the exhibit class guidelines and requirements are ineligible to receive Superior Awards. The judge's decision that is posted on the official's judge's class lists is final unless it has been determined that an exhibitor has not followed the guidelines or rules for that exhibit class.
2. Premium checks will be awarded to those exhibitors who receive a Superior award. The amount of the individual premium is determined by a total number of Superior awards given. Exhibits must remain on display until the posted release time or whenever judging is completed, whichever is later.

USE OF 4-H NAME AND EMBLEM:

1. The 4-H Clover is the official emblem of all 4-H organizations nationwide. All 4-H materials should include the 4-H emblem to create and reinforce the 4-H identity. In addition, 4-H materials produced in Illinois should include the University of Illinois Extension logo to reinforce the relationship between Extension and 4-H.
2. 4-H Clubs and Groups are authorized by their local University of Illinois Extension Office to use the 4-H name and emblem. This privilege brings a degree of accountability to the USDA, the University of Illinois Extension, and the local community served by the 4-H Club/Group. Please contact the Extension Office for guidelines on the proper use of name and emblem before use. This applies to t-shirts, club booths, window displays, etc.

Revised: April 2022

HELPFUL HINTS FOR PREPARING YOUR EXHIBITS

4-H projects are exhibited at various 4-H Shows. County show dates are listed in the program book. Before arriving at the show to exhibit your project, please review the following hints:

Hint #1 You may exhibit only in project areas you are enrolled in!

To determine which individual class to enter, refer to the Stephenson County 4-H Show Program Book. The class number is listed next to the class name. Each class will have all display requirements listed.

Example: Program Book

Class number
53962

Project name
Outdoor Meals
Prepare an exhibit of three (3) breakfast cookies
from the recipe in the Project Manual

Project requirement

If the requirements note "display 3 breakfast cookies" bring only those items and that number of items; not 4 or 6 cookies, or chocolate chip or molasses cookies.

The judge will be given a copy of your class requirements. They will refer to these requirements when judging your exhibit.

Hint #2 Read all of the rules or notes at the beginning of the class description. Any special rules will be noted, along with any special State Show requirements. These rules should be kept in mind while completing your project.

4-H members are responsible for knowing the requirements of the classes that you are enrolled in.

Example: Visual Arts Metal: (SF 50342) Any original item made of metal such as sculpture, tin punch, engraved metal, and jewelry. Items intended for industrial use (as tools and/or shop items) are not considered part of this Visual Arts project and are not eligible for entry. Metal items that have been partially or totally created through the use of laser cutting programs/devices be entered in Computer-Generated Art.

Hint #3 Submit your show registration before the deadline! After you decide what you will be exhibiting, log on to Fair Entry and register. <http://stephenson4-hfair.fairentry.com>

Hint #4 When exhibits are judged, ribbons are awarded for meeting the following standards:
Blue ribbon- project exhibit meets the standard requirements.
Red ribbon- project exhibit needs some improvement.
White ribbon- project exhibit needs a lot of improvement.

Hint #5 Plan Ahead! You can learn and have fun while completing a 4-H project. However, if you wait until the last minute to start your project, it will become a stressful chore rather than a fun learning experience.

Hint #6 If you have a question, ask your leader or call the Extension Office at 815-235-4125.

Items that can be used to decorate include such things as towels for the bottom of the cage, ribbons, bows, cut-outs, streamers, etc. Cat and needed bowls should be in the cage at time of judging. Judging will take place following conference judging. No premiums are given in this area.

DOG SHOW

Superintendent: Darlene Frederick

Saturday, July 9

Dog Show- 9 a.m. Under the Grandstand
Stephenson County Fairgrounds

Show Order:

Obedience – Advanced classes
Rally Obedience classes
Showmanship
Costume Class

Every 4-H'er who plans to show a dog at the Stephenson County 4-H Dog Show or any other dog event must turn in an ownership or lease form to the Extension Office by June 1 of the current 4-H year. NO 4-H'er will be allowed to show in the dog project area without this form on file.

County Fair Rules:

1. QAEC needs to be completed by June 1.
2. Exhibitors shall be limited to one (1) entry/dog in each class.
3. Dogs may be purebred or mixed breed.
4. A dog being shown in the dog obedience project must be trained by and belong to the exhibitor or to a member of his/her immediate family or leased for the length of the project with a signed agreement.
5. Two children from the same family may show the same dog; however, the dog must be shown in different classes. The same dog **cannot** be shown in two different classes within Obedience or Showmanship. (i.e. one child can show in Obedience and one child can show in Showmanship.) A suggestion to avoid this is for one child to lease a dog from someone else for showing.
6. All dogs may show in the Showmanship class.
7. All dogs must be 6 months of age or older in order to compete in the county & state dog shows

Show Day:

8. ****PROOF OF DOG'S CURRENT VACCINATION WILL BE REQUIRED AT CHECK-IN. NO EXCEPTIONS!!**
 - Dogs must be accompanied with a current official rabies vaccination certificate, a DHLPP, and either a negative fecal, wormed in the last six (6) months, or on an appropriate preventative.
9. All dogs must be brought to the show on a leash. ALL OWNERS MUST CLEAN UP AFTER THEIR OWN DOGS. PLEASE BRING SUPPLIES TO DO SO!
10. All dogs are required to wear a plain buckle, snap collar, or plain choke collar. (NO TAGS or HARNESES).
11. No spike collars or tags hanging from the collar will be allowed in the show ring.
12. Superintendent must be notified prior to judging if a dog is in season. Dogs in season must be kept in or near the vehicle in which they arrived until summoned for showing.
13. A dog that is not under the control of the exhibitor, or shows viciousness toward its handler, judge, or other dogs WILL BE EXCUSED from further competition upon direction of the Show Superintendent.
14. AKC rules will be used for judging.
15. Qualifying scores to receive ribbons in **OBEEDIENCE CLASSES** are as follows:
 - 170-200 points = BLUE
 - 140-169 points = RED
 - 139 & below = WHITE

16. Ribbons and trophies in **SHOWMANSHIP** will be awarded according to the judge's discretion.
17. A run-off will be held in case of a tie for the total score. Heeling on lead exercises will be used (beginner Novice I & II, Novice, & Graduate). All other classes, novice off lead exercises will be used (Pre-Open & above).
18. If a dog receives a qualifying score at a given level in obedience, the dog must advance to the next level of classes the next year the dog is shown. The ten (10) levels are: 1) Beginner Novice I; 2) Beginner Novice II; 3) Pre Novice; 4) Novice; 5) Graduate Novice; 6) Pre Open; 7) Open; 8) Graduate Open; 9) Pre Utility; and 10) Utility. If a 4-H'er and his or her dog receive a qualifying score in Beginner Novice I, they then move to Pre Novice. If a 4-H'er and his or her dog do not receive a qualifying score in Beginner Novice I, they move to Beginner Novice II.
19. A qualifying score for the IL State 4-H Dog Show is 170 points or more for all Obedience Classes. State Dog show exhibitors must be 8 years of age by September 1 of the current 4-H year. If a 4-H'er and their dog receive a qualifying score in Obedience, they are eligible to go to the State Dog show, regardless if they won Champion, Reserve, or Trophy.

Showmanship:

20. Showmanship includes Grooming & Maintenance. Showmanship classes are to be judged on the basis of appearance, performance of the exhibitor, health of the dog and knowledge the exhibitor has about his/her dog. Both purebreds and mixed breeds will be exhibited together. Judging is not on dog's conformation.

Other:

21. Special concerns not covered by these rules will be acted upon by the Dog Superintendents and an Extension Staff member according to State rules.
22. **County rules are consistent with State rules, with the addition of the following State rules:**
 - a. After you have qualified, see your County Extension Office for assistance in registering for the contest. The County Extension office will register you for the state contest through its online system. Registration deadline is August 1.
 - b. Exhibitors must bring score sheet signed by the Judge of the County 4-H Show.

STEPHENSON COUNTY 4-H GENERAL PROJECTS SHOW RULES

1. The 4-H member must be enrolled in the corresponding project during the current year to exhibit.
2. Premiums will be paid for eligible projects exhibited at the 4-H Show (no premium for county only projects). Premiums will be paid for a **maximum of ten projects** (one per class) shown using the X Factor. Please see disclaimer under PREMIUM DISTRIBUTION Policies.
4. Exhibits not following prescribed rules will be lowered one grade and will be ineligible for Class Winner or any higher award.
5. All General Projects must be products of the current year, produced by the exhibiting 4-H member, and can only be shown in one project area.
6. All questions on rules and regulations during fair time are to be referred to Extension staff.
7. Exhibit dispute protests must be made **in writing** by the 4-H member and presented to the show Superintendent before the judging of the class is complete. Trophy awards will be withheld until the protest is settled. Protests will be settled via consultation with the judge, superintendent, 4-H leader, 4-H member and parent(s), and Extension staff.
8. All exhibits must be entered according to the instructions of the Stephenson County Extension Office, prior to the 4-H Show. Fair entries are due by June 15th and will be completed through <http://stephenson4-hfair.fairentry.com>. Sign in with your 4-H Online user name and password.
9. Judging –the following system will be used to place projects – Blue for A, Red for B, and White for C. Only 4-H members will be permitted to show projects.
10. A 4-H member may enroll in and exhibit in as many different project areas as they wish.
11. Each exhibitor will be permitted to show two entries per class, unless specified otherwise under individual project rules.
12. Parents are responsible for their children at all times during the 4-H Show and County Fair. Parents are not allowed to accompany their youth during judging unless an accommodations request has been filed.
13. 4-H members must exhibit their projects in person, if at all possible. If the exhibitor cannot be present, they can ask another 4-H member to exhibit the project for them but must provide them with a one-page essay explaining their absence, how they constructed the project, how long it took them to complete the project, any difficulties faced, what was learned, and what they'd do differently next time. (This rule does not apply to live animal exhibits, which may be exhibited by another 4-H member.)
14. In order to receive a Champion, Reserve Champion, Grand Champion or Reserve Grand Champion, participants must receive an "A" rating for their project. A Class Winner Ribbon will be awarded to the winner of the class, as long as the project followed all prescribed rules.
15. 4-H members not meeting all published deadlines or registered for the wrong exhibit **WILL** be allowed to show but will **NOT** be eligible to receive Grand Champion, Reserve Grand Champion, Champion or Reserve Champion awards. These members will also **NOT** be eligible for State Fair.
16. In addition to the general rules above, please review division rules and individual exhibit requirements under each project category in this book.
17. Any changes or errors in the rules and regulations will be posted online and will be the **FINAL AUTHORITY**. Therefore, any errors in this show book will not excuse failure to comply with current rules and regulations.
18. These rules pertain to all general projects, including the shows done on April 6, July 20, July 22, & July 25.

GENERAL PROJECTS

SHOW NOTES:

1. All General Project's Day exhibits are to be displayed at the Stephenson County Fair by project area. At least one (1) General Project's Day project that is shown must be displayed in the 4-H Building in order to receive your fair exhibitor pass. See the Show Briefing Newsletter for exceptions to this rule.
2. Parents will not be allowed to make comments to the judge or answer questions for the child during or after conference judging.
3. Table displays are limited to 2' wide x 15" deep unless otherwise stated in the requirements for a specific class. Standard science display boards fit into this size limitation. The maximum poster size for hanging is 22"x 30" unless otherwise stated. Be sure to read area specifications thoroughly before beginning your project!

READY4LIFE CHALLENGE:

Open to 11- to 18-year olds. Exhibits in this category must include the following:

1. A physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work and
2. Verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields.

The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

IMPORTANT:

Closer to the 4-H Shows we will be releasing dates and times in e-mails and a fair briefing. Please be watching for this IMPORTANT information!

AEROSPACE

Superintendent: Adam Boyer

1. Each county may submit two (2) State Fair entries from classes 50130/50131; and 1 from 50133.

(Open to youth in Computer Science Visual or Text Based Programming)

Exhibit an original website that you have designed. Internet access will not be provided, so exhibitors must supply their own internet hot spot or the website must be hosted on the exhibitor's computer). All exhibits must include something visual, such as a poster or printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Computer Open Source / Innovation CS: (SF 50162)

Open to youth enrolled in Computer Science Text-Based Programming or robotics project.

Demonstrate the skills and knowledge you have gained through the Computer project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. Exhibits in this class may also demonstrate successful application of open source (publicly available) computing software and/or hardware, such as Raspberry Pi and Linux, to accomplish a task. All exhibits must include something visual, such as a poster or printed copy of a digital presentation or programming flowchart, which will remain on display during the exhibition. Exhibits in this area will be judged on the computer science programming. Youth enrolled in a robotics project should choose this class if you want the exhibit to be judged on the programming of the robot. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Computer Science Ready4Life Challenge: (SF 50164)

Open to 11- to 18-year-olds enrolled in any Computer project

See Ready4Life Challenge Guidelines on pg. 32.

CONSERVATION

Superintendent: Bruce Baumgartner

Prairie Plants in Illinois (CF 18024) (not eligible for state fair)

Display a minimum of five (5) photographs or illustrations of prairie plants that you have identified in your community. **DO NOT EXHIBIT LIVE OR DRIED SAMPLES.** With this display, include: the name of the plant; written description of location where plant was found; date plant was found; and what type of environment the plant survives in. Do research online to find plants indigenous to Northern Illinois.

Wildflowers (CF 18025) (not eligible for state fair)

Display a minimum of five (5) photographs or illustrations of woodland wildflowers that you have identified in your community. **DO NOT EXHIBIT LIVE OR DRIED SAMPLES.** With this display, include: the name of the wildflower; written description of location where wildflower was found; date wildflower was found; and what type of environment the wildflower survives in. ID books are available at the Extension Office.

CONSUMER EDUCATION

Superintendent: Christy Youtzy

1. Each county may submit two State Fair entries from classes 50168/50169 and one from 50167.
2. Table displays are limited to 2' wide x 15" deep (standard science display boards fit into this size limitation). The maximum poster size for hanging is 22" x 30".

Entrepreneurship: Be the E! (CF 19026) (not eligible for state fair)

Exhibit a binder portfolio or display that includes the results of at least two completed activities from each year exhibitor has been enrolled in the project. Completed activities from previous years should be included.

My Financial Future 1 Beginner: (SF 50168)

Develop a Financial Planning portfolio, which includes the items listed below. This project can be completed all in one year; or a member may take several years to explore each of the activities and develop a more detailed financial plan. The original OR photocopies of the completed activities from the project manual should be included in the portfolio. Each year enrolled in the project should build on previous year experiences.

- **First Year** – Complete a minimum of Activities 1-6 from the My Financial Future – Beginner project manual which includes: Who Needs This?; Let's get SMART; Bringing Home the Bacon; Managing Your Money Flow; My Money Personality; and Money Decisions.
- **Second Year and Beyond** – Complete a minimum of Activities 7-11 from the My Financial Future – Beginner project manual which includes: Banking your \$\$\$\$; Charging it Up; Check it Out; Better than a Piggy Bank!; and My Work; My Future.

My Financial Future 2 Advanced: (SF 50169)

Building on your previous work in My Financial Future – Beginner project, continue adding to your Financial Planning portfolio which includes the items listed below. Members are encouraged to spend more than one year involved in this project so they have time to thoroughly explore the learning modules and develop a

greater understanding of financial literacy, planning for their future, and develop a comprehensive career and financial planning portfolio. The original OR photocopies of the completed activities from the project manual should be included in the portfolio. Each year enrolled in the project should build on previous year's learning experiences.

- **First Year** – Complete a minimum of two activities from Module 1: Earning Income and Career Planning and Module 2: Organizing Your Flow.
- **Second Year** – Complete all activities not previously completed in Module 1: Earning Income and Career Planning and Module 2: Organizing Your Flow; **AND** a minimum of two the activities from Module 3: Working with Banks and Credit Unions: Bank on It and Module 4: Making Your \$ Work 4 U.
- **Third Year and beyond** – Complete all activities not previously completed in Module 3: Working with Banks and Credit Unions: Bank on It and Module 4: Making Your \$ Work 4 U; **AND** a minimum of two activities from Module 5: Credit and Consumer Breadcrumbs.

Consumer Ed Ready4Life Challenge: (SF 50167)

Open to 11- to 18-year-olds enrolled in any Consumer Education project.

See Ready4Life Challenge Guidelines on pg. 32.

DRONES: UNMANNED AERIAL VEHICLES/SYSTEMS

Superintendent: Adam Boyer

Each County may submit 2 entries from each class.

Choose one of the following classes based on your interest and skill level. Each exhibitor must complete all three sections of Quads Away Curriculum and display (or upload) a completed Mission Logbook.

UAV Display (SF 50375)

Prepare a display related to the Drones/UAV project on the topic of your choosing. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. Non-UAV/ Drone projects should not be entered in this class (see Aerospace Display).

UAV Unmanned Aerial Systems (SF 50376)

Exhibit one Unmanned Aerial Vehicle and associated system assembled or made by the member. UAV or Drone exhibits in this class must be either originally designed or built from a kit of reconfigurable parts and components. These displays are limited to multicopters (tri, quad, hex, and octocopters), as well as FPV airplanes and flying wings with wingspans up to 36". A detailed build log with pictures, as well as a Mission Logbook must be included. The UAV MUST have a Flight Controller and utilize a camera/video transmission system. The exhibit will be a static display. The Drone should be in good flying condition with batteries fully charged, and all UAS components (including Video System) ready to demonstrate. DO NOT display your UAV with the propellers on, but rather on the table to the side of your UAV. The Drone will not be flown. Attach the printed directions of the UAV if any were used.

UAV Ready4Life Challenge (CF 190283) (not eligible for State Fair)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any UAV project.

ELECTRICITY

Superintendent: Adam Boyer

1. Each county may submit three State Fair entries from classes 50177/50178/50179 and one from 50181.
2. Table displays are limited to 2' wide x 15" deep unless otherwise stated in the class listings for that project (standard science display boards fit into this size limitation). The maximum poster size for hanging is 22" x 30" unless otherwise stated in the class listings for that project. If an item is not meant to be displayed on a table top, please indicate such on the exhibit tag.
3. All projects must include a typed or written report on 8.5" x 11" paper explaining how the project was constructed and the principles demonstrated.
4. During conference judging, the exhibitor should be prepared to discuss how the exhibited item is to be used, the way it was assembled, and demonstrate disassembling a part(s) to show how the exhibited item works.

Electricity 1: (SF 50177)

- (May only be battery-powered projects using battery components and wiring). Exhibit a momentary switch, simple switch, basic circuit, electromagnet, galvanometer, **OR**
- An electric motor. All projects must include a report explaining how the project was constructed and the principles demonstrated. Recommendations can be found on the website. Projects using paper clips, cardboard, thumbtacks, & brads are not eligible for state fair exhibits in electricity. Members wishing to exhibit these types of projects should consider exhibiting in Junkdrawer Robotics 1 or 2.

Electricity 2: (SF 50178)

- (May only be battery-powered projects using battery components and wiring) Exhibit a circuit board demonstrating parallel and series switches, including a circuit diagram; 3-way or 4-way switch circuit using DC/battery; **OR**
- A basic electrical device (examples: rocket launcher, burglar alarm, etc.). All projects must include a report explaining how the project was constructed and the principles demonstrated. Recommendations can be found on the website. Projects using paper clips, cardboard, thumbtacks, & brads are not eligible for state fair exhibits in electricity. Members wishing to exhibit these types of projects should consider exhibiting in Junkdrawer Robotics 1 or 2.

Electricity 3: (SF 50179)

- Exhibit a 120V lighting fixture or other appliance which uses a switch; **OR**
- Two electrical household circuits using 120V materials to comply with National Electrical Code, one with a simple on/off switch to control bulb, and one using 3-way switches to control light from two locations; **OR**
- Other project, which demonstrates principles in the Wired for Power book. All electricity projects must include a report, explaining how the project was constructed, and principles for its operation. Recommendations can be found on the website.

Electricity 4: (CF 18033) (not eligible for state fair)

Exhibit any electronic or solid-state appliance. Exhibitor must be able to explain how the project was constructed, how it is to be used and how it works. When project is being constructed, general safety and workmanship should be considered.

Electricity Ready4Life Challenge: (SF 50181)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Electricity project.

ENTOMOLOGY - BEEKEEPING

Superintendent: Dorothy Wire

1. Each county may submit two State Fair entries from classes 50188/50189/50190 and one from 50191.
2. Create an exhibit that shows the public what you learned in the beekeeping project this year.

Note: No beehives may be exhibited. (Honey moisture content will be measured.) Fill level: the honey should be filled to the jar shoulder, not over, nor under. Chunk honey should go in a wide-mouth jar, preferably one specially made for chunk honey (see beekeeping catalogs). Be careful to distinguish “chunk honey” (comb in jar) from “cut comb” (comb only in plastic box). *Honey exhibited (including chunk, cut comb, and sections) must be collected since the previous year fair.*

Beekeeping 1: (SF 50188)

Exhibit an educational display for one (1) of the following:

- Flowers Used to Make Honey. Display pressed flowers from ten (10) different Illinois plants that bees use for making honey.
- Uses of Honey and Beeswax.
- Setting Up a Bee Hive.
- Safe Handling of Bees.
- Equipment needed by a Beekeeper.

Beekeeping 2: (SF 50189)

Exhibit one (1) of the following:

- Extracted Honey: Three (3) 1# jars, shown in glass, screw-top jars holding 1 # of honey each.
- Chunk honey (comb in jar): Three (3) 1# jars (wide-mouth glass jars).
- Cut-comb honey: Three (3) 1# boxes (boxes are usually 4 ½" x 4 ½").
- Section honey: three (3) sections of comb honey (in basswood boxes or Ross rounds).
- Working with Honey Bees. Present a topic from your manual to teach fairgoers about working with honeybees. Use your knowledge and creativity to display this information on a poster or in a notebook.

Beekeeping 3: (SF 50190)

Exhibit three (3) of the five (5) kinds of honey listed below (#1-5) or prepare an educational display about honeybees or beekeeping.

- Extracted Honey: Three (3) 1# jars (glass)
- Chunk Honey (comb in a jar): Three (3) 1# jars (wide-mouth glass)
- Cut-comb Honey: Three (3) 1# boxes (boxes are usually 4 ½" x 4 ½" in size).

- Comb Honey - 3 sections (honey built by bees in frames of wood commonly called “sections” (boxes are usually 4 ½” x 4 ½” in size)
- Section honey: three (3) sections of comb honey (in basswood boxes or Ross rounds) **or**
- Prepare an educational display about honeybees or beekeeping.

Entomology Beekeeping Ready4Life Challenge: (SF 50191)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Entomology project.

ENTOMOLOGY - GENERAL

1. Each county may submit two State Fair entries from classes 50183/50184/50185/50186 and one from 50187.
2. Size and number of exhibit cases should relate appropriately to the number of insects being displayed for a specified class. Cases should be no deeper than 4”.
3. Exhibitors should note that Entomology exhibits may be placed UPRIGHT for display.
4. Additional information is available from the Extension Office for labeling, pinning and instruction manual that tells how to make nets, cases, pinning blocks, etc.

Entomology 1: (SF 50183)

Exhibit 15 or more species representing four or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 1 project manual, *Teaming With Insects 1*, with at least one completed activity for each year enrolled. The project manual must be included. Rules for pinning and labeling insects are available from your local Extension office.

Entomology 2: (SF 50184)

Exhibit 30 or more species representing eight or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 2 project manual, *Teaming With Insects 2*, with at least one completed activity for each year enrolled. The project manual must be included. Rules for pinning and labeling insects are available from your local Extension office.

Entomology 3: (SF 50185)

Exhibit 60 or more species representing twelve or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 3 project manual, *Teaming With Insects 3*, with at least one completed activity for each year enrolled. The project manual must be included. Rules for pinning and labeling insects are available from your local Extension office.

Entomology Display: (SF 50186)

(Open to youth enrolled in Entomology 1, Entomology 2 or Entomology 3)

Exhibit any activity or display related to Entomology that does not fit into Entomology Classes 1, 2 or 3 above. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Entomology Ready4Life Challenge: (SF 50187)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Entomology project.

ESPORTS

Each county may submit 3 entries from 50378.

All exhibitors must complete all activities in the Illinois 4-H eSports Pilot Curriculum.

eSports (SF 50378)

Compete in at least 1 ranked tournament online or in person (either as a team or solo), and fully document your progress throughout. Any game with a documentable bracket system, and at least 3 rounds counts. Be sure to include a description of the tournament, your match information, your win-loss record, and description of the game and platform being used to play the game (Ram requirements/capabilities of your machine, video card specs., etc.). Prepare a PowerPoint presentation describing your journey through eSports (including your 1 mandatory tournament), what you have learned about gaming/eSports, and why you think more youth should be involved. Also include a detailed description of your most important win, explaining your strategy in that victory. Be sure to include screenshots and video, if possible. Load your presentation to a USB drive, and be sure to add narration if uploading for virtual exhibition.

EXPLORATORY

Superintendent: Pennie Miller

EXPLORATORY - Welcome to 4-H (CF 18034) (not eligible for state fair)

Youth ages 8 – 10 may exhibit a display on one of the following topics from the project book.

- windowsill gardening;
- 4-H animals;
- 4-H family; **OR**
- Coat of Arms

EXPLORATORY: COLLECTIBLES

Superintendent: Sheila Bolen

Ages 8-12 (CF 18015) (not eligible for state fair)

Ages 13-18 (CF 18016) (not eligible for state fair)

1. No card tables allowed for this display.
2. Display items are to be arranged attractively in a 2' x 3' area and not more than 2' tall.
3. Exhibit must include up to a one-page report explaining your reason for choosing this collection and how your collection has changed over the years. List and explain the goals for your project.
4. Collection is to be displayed for one 4-H year only, unless new items are added to the display (from year to year). Indicate in your report what items were added each year.
5. LEGOS® will not be allowed in this class and should be exhibited in the LEGOS® class under Visual Arts.

FAMILY HERITAGE

Superintendent: Christy Youtzy

Each county may submit 1 entry from 50197; and 1 entry from 50199.

Family Heritage (SF 50197)

Prepare an exhibit of items, pictures, maps, charts, slides/tapes, drawings, illustrations, writings or displays that depict the heritage of the member's family or community or 4-H history. Please note: Exhibits are entered at 4-H's own risk. 4-H is not responsible for loss or damage to family heirloom items or any items in this division. Displays should not be larger than 22" x 28" wide. If the size needs to be a different size because the historical item is larger than 22"x28" please contact the superintendents for approval.

Family Heritage Ready4Life Challenge (SF 50199)

Open to 11- to 18-year-olds enrolled in any Family Heritage project. See Ready4Life Challenge Guidelines on pg. 32.

FORESTRY

Superintendent: Dorothy Wire

1. Each county may submit one State Fair entry from classes 50212/50213/50214 and one from 50216.
2. Table displays are limited to 2' wide by 15" deep (standard science display boards fit into this size limitation). The maximum poster size for hanging is 22" x 30".

Forests of Fun 1: (SF 50212)

Exhibit any product or display illustrating an activity from the book. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Forests of Fun 2: (SF 50213)

Exhibit any product or display illustrating an activity from the book. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. GEOLOGY

Superintendent: Dorothy Wire

1. Each county may submit three State Fair entries from classes 50218/50219/50220/50221/50222 and one from 50224.
2. **Size and number of exhibit cases should relate appropriately to the number of specimens being displayed for a specified class.**
3. Specimens are not limited to Illinois locations.
4. All levels of Geology use the same manual, *Geology-Introduction to the Study of the Earth*.

Pebble Pups 1: (SF 50218)

Display 8 to 19 rocks and mineral specimens with three minerals in the collections. Collection may include duplications that show variations. Label collection and note where found.

Pebble Pups 2: (SF 50219)

Display at least 20, but no more than 29, rocks and mineral specimens with seven minerals in the collections. Collection may include duplications that show variations. Label collection and note where found.

Rock Hounds 1: (SF 50220)

Display at least 30, but no more than 40, rocks and mineral specimens with ten minerals in the collection. Rocks should include at least three igneous, two metamorphic, and three sedimentary groups. Label collection and note where found.

Rock Hounds 2: (SF 50221)

Display no more than 50 specimens that have been selected to illustrate a specific theme of the exhibitor's choosing. Be creative. Sample categories could include (but are not limited to): industrial minerals and their uses; a specific rock group and the variety that occurs in that group, including some minerals that occur in that environment; select fossils traced through the geologic ages; minerals and their crystal habits; rocks and minerals used in the lapidary arts.

Geology Innovation Class: (SF 50222)

Open to youth enrolled in Geology

Demonstrate the skills and knowledge you have gained through the Geology project. Exhibit may be the result of knowledge gained from project manuals; independent study about Illinois rock(s) and mineral(s), interaction with geology professionals; and/or individual exploration in the area of geology. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best

shows what you have learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

HEALTH

Superintendent: Karen Wilhelms

1. Each county may submit three State Fair entries from classes 50226/50227/50228/50229 and one from 50231.
2. Table displays are limited to 2' wide x 15" deep (standard science display boards fit into this size limitation). The maximum poster size for hanging is 22" x 30".

Health 1 (SF 50226)

Select four First Aid Skills and complete the activities for that section. Bring the project book and be prepared to discuss the completed sections. Exhibit a family first aid kit and be prepared to explain what each item is used for.

Health 2 (SF 50227)

Select four Staying Healthy skills and complete the activities for that section. Bring the project book and be prepared to discuss the completed sections. Exhibit a "smarts" project as explained in the project manual.

Health 3 (SF 50228)

Select four Keeping Fit Skills and complete the activities for that section. Bring the project book and be prepared to discuss the completed sections. Exhibit a poster or display on one of the Keeping Fit Skills.

Health- Your Thoughts Matter – Navigating Mental Health (not eligible for state fair)

Prepare an exhibit that demonstrates the knowledge and understanding gained through completion of the Your Thoughts Matter Member Project Guide. Exhibit the following 1) a poster or display that highlights activities and knowledge gained as you completed any two of activities 1 – 9 included in the curriculum; AND 2) the item you created in Activity 10 - the flyer, website, video, or other promotional tool that points individuals to the resources you found. To exhibit in this project area, 4-H Members must have been involved in a 4-H Your Thoughts Matter SPIN Club experience.

Health Innovation Class: (SF 50229)

Open to youth enrolled in Health 1, 2 or 3

Demonstrate the skills and knowledge you have gained through the Health project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Pharmacy (CF 190284) (not eligible for State Fair)

Prepare a poster display using one of the 3 pharmacy categories below:

1. Pharmacy Medication Reminder

- Create/develop a type of reminder system (digital, paper, etc.) to help example patient remember to take their medications properly. System should be explained/displayed on a poster board
 - i. Questions to consider when creating system: patient preferences, cost, ease of use
- Give example medication schedules to use that increase in difficulty from beginning to advanced
- Patient templates:
 - i. Beginning – Young patient taking 1-2 medications/day
 - ii. Intermediate – middle aged person taking 3-4 medications/day
 - iii. Advanced – elderly person taking 5-10 medications/day

INTERCULTURAL

Superintendent: Christy Youtzy

1. Each county may submit one State Fair entry from classes 50233/50234/50236 and one club entry from 50235.
2. Due to space restrictions, exhibits are limited to 2’6” wide and 15” deep (standard science display boards fit into this size limitation). Maximum poster size for hanging is 22” x 30”.

Passport to the World, Individual: (SF 50233)

Prepare a display illustrating what you have learned about a country’s or U.S. region’s geography, economy, agriculture, people, language, housing, culture, music, crafts, clothing, holidays or other aspect. Exhibit should be educational in nature and should not promote one’s beliefs over another person’s beliefs. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. Include the project manual with completed sections that

pertain to the exhibit information. Due to space restrictions, exhibits are limited to 2' 6" wide and 15" deep.

Diversity & Cultural Awareness – Seeing i2i (SF50234)

Create a display or binder portfolio that illustrates the results of a minimum of three (3) completed activities from the project book. Please note size restrictions above.

Intercultural Ready4Life Challenge: (SF 50236)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Intercultural project.

Intercultural, Club, Includes *Passport to the World, Diversity & Cultural Awareness, and Latino Cultural Arts Projects*: (SF 50235)

Exhibit a display illustrating the steps that the club has completed on the project selected for the year. Include a written outline or report of accomplishments and future goals. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what the club members have learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. The display must be accompanied by 3 or more club exhibitors at the time of the judge's critique. Club members should make a 5- to 10-minute presentation to the judge. All club members present for the judge's critique should be able to discuss the project and answer questions. Only club members present for judging who participate in the actual critique and presentation are eligible for ribbons and premiums. Please note space restrictions from above.

INTERIOR DESIGN

Superintendent: Karen Wilhelms

1. Each county may submit two State Fair entries from classes 50242/50243/50244/50245 and one from 50247.
2. Table displays are limited to 2'6" wide x 15" deep unless otherwise stated in the class listings for that project (standard science display boards fit into this size limitation).
3. Interior design projects designed to sit on the floor may exceed the size restrictions noted above.

Design Decisions, Beginning: (SF 50242)

Any exhibit must have been created or redesigned by the exhibitor as part of their current Interior Design 4-H project. Exhibitors should be knowledgeable about various aspects of the project. Exhibits could include items such as, but not limited to, comparison studies of different products or techniques; made accessories, wall-hangings, window coverings, or furniture items; refinished or redesigned furniture; or a plan to solve some type of interior design problem. Exhibit should be appropriate to the exhibitor's age, skills and ability in this project.

Design Decisions, Intermediate: (SF 50243)

Any exhibit must have been created or redesigned by the exhibitor as part of their current Interior Design 4-H project. Exhibitors should be knowledgeable about various aspects of the project.

Exhibits could include items such as, but not limited to, comparison studies of different products or techniques; made accessories, wall-hangings, window coverings, or furniture items; refinished or redesigned furniture; or a plan to solve some type of interior design problem. Exhibit should be appropriate to the exhibitor's age, skills and ability in this project.

Design Decisions, Advanced: (SF 50244)

Any exhibit must have been created or redesigned by the exhibitor as part of their current Interior Design 4-H project. Exhibitors should be knowledgeable about various aspects of the project. Exhibits could include items such as, but not limited to, comparison studies of different products or techniques; made accessories, wall hangings, window coverings, or furniture items; refinished or redesigned furniture; or a plan to solve some type of interior design problem. Exhibit should be appropriate to the exhibitor's age, skills and ability in this project.

Interior Design Innovation Class: (SF 50245)

Open to youth who are enrolled in Interior Design. Demonstrate the skills and knowledge you have gained through the Interior Design project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Interior Design Ready4Life Challenge: (SF 50247)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Interior Design project.

LEADERSHIP

Superintendent: Pennie Miller

1. Each county may submit three State Fair entries from classes 50249/50250/50251/50252; two from 50254; and one from 50255.
2. Table displays are limited to 2'6" wide x 15" deep (standard science display boards fit into this size limitation). The maximum poster size for hanging is 22" x 30"

Leadership 1: (SF 50249)

Create a binder portfolio with a minimum of four (4) completed activities each year from the areas noted below. Build upon your previous year's work. Photocopies or original pages of the completed activities from the book should be included in the portfolio.

First Year – One activity from each of the following sections: Understanding Self; Communication; and Getting Along with Others, plus one of exhibitor's choice from the manual.

Second Year – One activity from each of the following sections: Getting Along with Others; Learning to Learn; and Making Decisions, plus one of exhibitor's choice from the manual.

Third Year – One activity from each of the following sections: Making Decisions; Managing; and Working with Groups, plus one of exhibitor's choice from the manual.

Leadership 2: (SF 50250)

Building upon your previous work, continue adding to your binder portfolio with a minimum of four (4) completed activities each year from the areas noted below. Photocopies or original pages of the completed activities from the book should be included in the portfolio.

First Year – One activity from each of the following sections: Understanding Self; Communication; and Getting Along with Others, plus one of exhibitor's choice from the manual.

Second Year – One activity from each of the following sections: Getting Along with Others; Learning to Learn; and Making Decisions, plus one of exhibitor's choice from the manual.

Third Year – One activity from each of the following sections: Making Decisions; Managing; and Working with Groups, plus one of exhibitor's choice from the manual.

Leadership 3: (SF 50251)

Building upon your previous work, continue adding to your binder portfolio with a minimum of four (4) completed activities each year from the areas noted below. Photocopies or original pages of the completed activities from the book should be included in the portfolio.

First Year – One activity from each of the following sections: Understanding Self; Communication; and Getting Along with Others, plus one of exhibitor's choice from the manual.

Second Year – One activity from each of the following sections: Getting Along with Others; Learning to Learn; and Making Decisions, plus one of exhibitor's choice from the manual.

Third Year – One activity from each of the following sections: Making Decisions; Managing; and Working with Groups, plus one of exhibitor's choice from the manual.

Leadership Innovation Class: (SF 50252)**Open to youth enrolled in Leadership 1, 2, or 3.**

Demonstrate the skills and knowledge you have gained through the Leadership project. **Your exhibit should not fit in the other exhibit options for this project.** The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Leadership Ready4Life Challenge: (SF 50255)

See Ready4Life Challenge Guidelines on pg. 33. Open to 11- to 18-year-olds enrolled in any Leadership project.

Leadership Group Exhibit: (SF 50254)**Open to clubs and groups whose members are enrolled in any Leadership project.**

Exhibit a display illustrating how your group has used the Teens As Leaders model effectively in your club, community, school, or state. Leadership activities might include planning, advising, promoting, mentoring, teaching or advocating for change. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. The display must be accompanied by 3 or more 4-H members at the time of the

judge's critique. Club members should make a 5- to 10-minute presentation to the judge. All club members present for the judge's critique should be able to discuss the project and answer questions. Only club members present for judging who participate in the actual critique and presentation are eligible for ribbons and premiums. Due to space limitations, exhibits are limited to 2'6" wide and 15" deep.

MAKER: (SF 50400)

Counties may submit 3 entries TOTAL from 50400.

Exhibits in this category are designed to be multi-disciplinary in nature, innovative, and must not fit into any other exhibit category. To qualify for this category, your project **MUST** abide by the following guidelines:

1. Exhibitors must complete the DIY Make & Build Curriculum and answer all the questions at the end of each lesson. You must display (or upload if virtual) your answers to these questions, as well as your Maker Log from the DIY Make and Build curriculum.
2. Exhibits must be an object or device that has an intended purpose and uses technology in either a mechanical way, digital (computer) way, or combination of the two. Your device or object **cannot** be one of the included activities in the DIY Make and Build curriculum.
3. The device must be something that can be used in everyday life by multiple people (a target audience), and **MUST** be manufactured/built by the exhibitor (If not fully manufactured by the exhibitor, the device **MUST** be modified structurally or be reprogrammed to perform a different function other than what it was designed to do)
4. Exhibit **MUST** be able to interact with the outside world. (e.g. an on off switch, input sensors, feedback, etc.)
5. Exhibits **MUST** include a detailed build log with instructions on how to make or build the exhibit, **AND** contain either a 3D rendering or detailed and labeled sketches of the device/product.
6. All parts and software used in the design/build **MUST** be listed in a detailed Bill of Materials including cost per item and total cost. Total time spent on the build must be documented in your build log.

In addition, exhibitors are **HIGHLY** encouraged to use tools such as 3-D printers, laser cutters, routers and/or other hand/power tools to help in the manufacturing process (NOTE: Simply 3-D printing or laser cutting an object without the other specifications does not qualify as a Maker Project). It is also **HIGHLY** encouraged that exhibits use Open Source Software and/or Hardware in the build.

NATURE: NATURAL RESOURCES AND OUTDOOR ADVENTURES

Superintendent: Bruce Baumgartner

1. Each county may submit 3 entries from 50256, 50257, 50258, 50259, 50278; 1 entry from 50267.
2. Table displays are limited to 2'6" wide x 15" deep (standard science display boards fit into this size limitation). The maximum poster size for hanging is 22" x 30".
3. Electricity and water are **NOT** available for these displays. **NO** live animals or reptiles are permitted in these exhibits.
4. Please be aware of what you are doing and **DO NOT** disrupt the homes of creatures or pick living foliage.

Natural Resources 1 (SF 50256)

Exhibit any item developed from the project book, *Step Into Nature*, such as complete an animal comparison chart; build an ecosystem; identify wildlife habitat needs; plan and build an indoor wildlife habitat; etc.

Natural Resources 2 (SF 50257)

Exhibit any item developed from the project book, *Explore the Natural World*, such as fertilizer experiment; make a compost column; develop a habitat improvement plan; develop an urban forestry plan; organize and carry out a poster campaign; etc.

Natural Resources 3 (SF 50258)

Exhibit any item developed from the project book, *Blaze the Trail*, such as develop a landscape plan; organize and carry out a highway clean-up project; show an ecosystem balance; water purification process; develop a puppet show to teach about the wise use of resources; etc.

Outdoor Adventures 1, 2, and 3 (SF 50259)

Exhibit a display illustrating an activity completed from the project manual.

Natural Resources or Outdoor Adventures Innovation Class (SF 50278)**Open to youth enrolled in any Natural Resources or Outdoor Adventures project.**

Demonstrate the skills and knowledge you have gained through your Natural Resources or Outdoor Adventures project. Exhibit may be the result of knowledge gained from project manuals; independent study, interaction with natural resource or conservation professionals. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Natural Resources Ready4Life Challenge (SF 50267)

Open to 11- to 18-year-olds enrolled in any Natural Resources and Outdoor Adventures project. See Ready4Life Challenge Guidelines on pg. 32.

NATURE: FISHING AND WILDLIFE

Superintendent: Bruce Baumgartner

1. Each county may submit 3 entries total from 50260, 50261, 50262, 50263, 50264, 50265, 50266; and 1 entry from 50291.
2. Table displays are limited to 2'6" wide x 15" deep (standard science display boards fit into this size limitation). The maximum poster size for hanging is 22" x 30".
3. Electricity and water are NOT available for these displays. NO live animals or reptiles are permitted in these exhibits.
4. Please be aware of what you are doing and DO NOT disrupt the homes of creatures or pick living foliage.

Sportsfishing 1 (SF 50260)

Exhibit a product or display made to complete an activity in the *Take the Bait* project manual. This could include, but is not limited to, displays on: different types of fishing tackle, identifying different

baits and their uses (no actual bait, please) or identifying the anatomy of a fish. For safety reasons, lures must be placed in a plastic case.

Sportsfishing 2 (SF 50261)

Exhibit a product or display made to complete an activity in the *Reel in the Fun* project manual. This could include, but is not limited to, displays on: different types of knots or rigs and their use; a collection of fishing lures, labeled with their use; or information on preparing and cooking fish (not recipes). For safety reasons, lures must be placed in a plastic case.

Sportsfishing 3 (SF 50262)

Exhibit a product or display made to complete an activity in the *Cast into the Future* project manual. This could include, but is not limited to, displays on: making artificial flies and lures; researching effects of water temperature; sportsfishing careers; or identifying insects that fish eat. For safety reasons, lures must be placed in a plastic case.

Wildlife 1 (SF 50266)

Exhibit any activity developed from the project manual. Be able to explain the importance of and concept behind the exhibit.

Wildlife 2 (SF 50263)

Exhibit any activity developed from the project manual. (Ex. Create a display of the life history of an animal.) Within the exhibit, explain the importance of and concept behind the exhibit.

Wildlife 3: (SF 50265)

Exhibit any activity developed from the project manual. Be able to explain the importance of and concept behind the exhibit.

Fish and Wildlife Innovation(SF 50264)

Open to youth enrolled in any Sportsfishing or Wildlife project.

Demonstrate the skills and knowledge you have gained through your Sportsfishing or Wildlife project. Exhibit may be the result of knowledge gained from project manuals; independent study, interaction with natural resource or conservation professionals. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Fishing & Wildlife Ready4Life Challenge: (SF 50291)

See Ready4Life Challenge Guidelines on pg. 33. Open to 11- to 18-year-olds enrolled in any Fishing or Wildlife project.

Exploring Your Environment 1: (CF 19043) (not eligible for state fair)

Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of natural and/or manmade environments, how humans affect the environment, or how the environment affects our lives. Include your project manual that documents activity recordkeeping, your answers to activity questions, and details the exhibitor's thoughts and ideas.

Exploring Your Environment 2: (CF 18044) (not eligible for state fair)

Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of one of the following: stewardship of natural resources, investigating greenhouse effects on living organisms, methods of reducing or managing waste in your home or community, or calculating your ecological footprint. Include your project manual that documents activity recordkeeping, your answers to activity questions, and details the exhibitor's thoughts and ideas.

PHOTOGRAPHY

Superintendent: Christina Boyer

1. Each county may submit three State Fair entries from classes 50268/50269/50270/50271/50272 and one from 50274.
2. ALL photos in exhibits must have been taken by the exhibitor.
3. Photo/Model releases from individuals pictured in the exhibitor's photographs are required unless the photograph is of a group in a public place where identification would not be an issue. The release can be obtained at: <https://4h.extension.illinois.edu/members/projects/photography>.
4. Photos may be taken with a camera, an electronic tablet (i.e. iPad), or a cell phone.
5. **NEW!!! All framed photography work should be wired across the back for hanging purposes. A saw-tooth hanger is not sufficient for hanging.**
6. ALL photos (including Photo Editing exhibits) must be accompanied by details of the camera settings that include:
 - a. Camera/device used
 - b. Aperture (F-stop)
 - c. Exposure time (shutter speed)
 - d. ISO (film/sensor sensitivity)
 - e. Lighting used (flash, artificial, sunlight, other)
 - f. Lens Filters (Ultra-Violet, Polarizing, etc) if used

Additional details required for Photo Editing ONLY:

- g. Photo editing software/application used (required for ALL edits and retouches except for cropping)
 - h. Filters used (lens filters and or digital/software filters)
- Members are allowed to shoot on a camera's automatic setting, but should be able to find the metadata information on the photo to discuss the information above.

The exhibition size requirements for all photographs will be:

Minimum image size: 5X7

Maximum image size: 8X10

Maximum exhibit size (including frame): 18X20

All exhibitors must include unframed (taped to the back of the framed exhibit or attached to the project booklet) **original or un-edited** versions of either the same subject or the examples of the same technique that the framed image represents. This will assist the judge in understanding the choices made by the photographer to build the exhibited composition.

NOTE: Images taken with devices that apply an automatic filter will not be eligible for award.

Photography 1 (SF 50268)

Exhibit one framed photo which demonstrates your understanding of a technique you learned from your Photography 1 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.

Photography 2 (SF 50269)

Exhibit one of the options listed below:

- Exhibit one framed 8x10 close-up photograph using the skills learned on page 62-63 (section: Bits and Pieces) of the project manual titled *Controlling the Image*. No photo editing is allowed in this class except cropping and red eye removal; **OR**
- Exhibit one framed 8"x10" photo which demonstrate your understanding of a technique you learned from your Photography 2 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.

Photography 3 (SF 50270)

Exhibit one of the options listed below:

- Exhibit one framed 8" x 10" still-life photo that demonstrates good composition, including color, form, texture, lighting and depth of field. No photo editing is allowed in this class except cropping and red eye removal; **OR**
- Exhibit one framed 8"x10" photo which demonstrate your understanding of a technique you learned from your Photography 3 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.

Photo Editing (SF 50271)**Open to members in Photography 1, Photography 2, and Photography 3.**

Exhibit one framed 8" x 10" photo that has been altered using digital photo-editing techniques (beyond cropping and red-eye reduction). Include a print of the original photo(s), taped to the back of the photo frame. Photos in which an automatic filter was applied at the time the photograph was taken will not be eligible for award.

Photography Innovation Class: (SF 50272)**Open to youth enrolled in Photography 1, 2, and 3.**

Demonstrate the skills and knowledge you have gained through the Photography project. **Your exhibit should not fit in the other exhibit options for this project.** The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. All exhibits must include one framed photo illustrative of the work you are presenting.

Photography Ready4Life Challenge: (SF 50274)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Photography project.

ROBOTICS

Superintendents: Kathy Baumgartner

1. Each county may submit three State Fair entries from classes 50285/50286/50288/50289/50292 and one from 50293.
2. Exhibitors must bring their own computers for demonstration purposes (if applicable for their display); computers will not be provided. **Internet access will not be available.**
3. Exhibits in classes 50285, and 50286 are designed to be used with LEGO Mindstorms (NXT or EV3).
4. Any other programmable robot kit such as Arduino or Raspberry Pi should be exhibited in Robotics Innovation/ Open Source Class (50292).

Robotics 1: Beginning (CF 190284) (not eligible for state fair)

Exhibitors should complete Activities 1-6 in the Robotics 1 with EV3 project book. Exhibitors will design, build, and program a robot that can autonomously follow a predetermined path that changes direction at least 4 times during a single run. They will bring their project book, their program code (on laptop or on paper), and a single page write up to share what they learned about the engineering design process and programming.

Robotics 1: Intermediate (SF 50285)

Exhibitors should complete Activities 7-12 in the Robotics 1 with EV3 project book. Exhibitors will design, build, and program a robot that uses at least one sensor to autonomously follow a path, respond to and/or avoid obstacles. Exhibitors in this class must use at least one sensor in their robot design. They will bring their project book, their program code (on laptop or on paper), and a short journal sharing what they learned about the engineering design process and programming throughout their work in the project and specifically while preparing the exhibit.

Robotics 2: (SF 50286)

Exhibitors should complete Activities 1-7 in the Robotics 2 EV3N More project book. Exhibitors will design, build and program a robot that uses sensors and programming to complete one of the challenges selected challenges from the 2022 4-H State Robotics Challenge (Eligible Challenges will be Marked in the Challenge Documents on the Illinois 4-H website). They will bring their project book, their program code (on laptop or on paper), and a short journal sharing changes they made to the robot and/or program along the way, and to describe their experience with completing the challenge.

Robotics Innovation Open Source Class: (SF 50292)

Open to youth enrolled in Robotics 3, but may also include youth in Robotics 1 or 2 if the exhibits meets the guidelines.

Exhibit an original robot, either homemade or a kit that does not fall under Robotics 1 or 2 that can complete a task using MULTIPLE sensors. If a robot kit is used, then some parts of the robot must be built using other components such as wood, plastic or metal. The robot can include any types of motors, pneumatics or sensors. The Innovation class can also be used for LEGO Mindstorms or Vex kits where the exhibit does not fall under Robotics 1 or 2 exhibit option. Autonomous control of the robot may also be achieved using an "open source" platform such as Arduino or Raspberry Pi and can be programed using a coding language that is publicly available. Exhibitors in Robotics Innovation/Open Source class must bring a detailed engineering notebook that describes how the exhibitor designed, built and programmed the exhibit.

Junk Drawer Robotics: All exhibits should be original designs made with everyday objects and materials. Exhibits with purchased kits will not be accepted. Exhibitors are also required to bring their Junk Drawer

Robotics Youth Robotics Notebook with the sections completed for the project they are exhibiting, including the sections leading up to the activity they are exhibiting. For example, if a youth is bringing Activity E from Junk Drawer Level 1, they should have robotics notebook sections A-E completed.

Junk Drawer Robotics 1 (CF 190287) (not eligible for state fair)

Exhibit any item from the “To Make” activity from the Junk Drawer Robotics Level 1 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

Junk Drawer Robotics 2 (SF 50288)

Exhibit any item from the “To Make” activity from the Junk Drawer Robotics Level 2 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

Junk Drawer Robotics 3 (SF 50289)

Exhibit any item from the “To Make” activity from the Junk Drawer Robotics Level 3 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

Robotics Ready4Life Challenge: (SF 50293)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Robotics project.

SMALL ENGINES

Superintendent: Tom Mulder

1. Each county may submit one State Fair entry from classes 50294 and one from 50297.
2. Small Engine displays must be no larger than 4' x 4' display board. Exhibits must be portable.
3. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display.
4. No electrical power is available for displays/exhibits.

Small Engines 1-3 (SF 50294)

Exhibit a display, selecting one of the following items:

- **Ignition System:** Identify the parts of the Ignition System and explain how magnetic energy is produced through the ignition system to ignite the spark plug; **OR**
- **Compression System:** Explain how heat energy is produced by an engine and converted into mechanical energy; **OR**
- **Heat Transfer:** Explain how heat is transferred through the cooling and lubrication system of an air cooled or water cooled engine; **OR**
- **Filter Maintenance:** Explain the proper maintenance and cleaning of the air, fuel and oil filters of an engine; **OR**
- **What does a serial number reveal?:** Explain the various information that can be learned from the serial number or identification number stamped on the shroud of a Briggs & Stratton engine; **OR**
- **Tools to do the job:** Identify and explain the function(s) of different specialty tools needed for small engine work; **OR**
- **Experimentation:** Explain through illustration an experiment you conducted from the project manual showing the results of your work.

Small Engines Ready4Life Challenge: (SF 50297)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Small Engines project.

THEATRE ARTS

Superintendent: Karen Wilhelms

1. Each county may submit three State Fair entries from classes 50299/50301/50302 and one from 50304.
2. Multiple items included in an exhibit must all be labeled with the member's name and county.
3. Table displays are limited to 2'6" wide x 15" deep (standard science display boards fit into this size limitation). Maximum poster size for hanging is 22" x 30".

Theatre Arts 1 (SF 50299)

Exhibit one of the following items:

- Portfolio of acting activities completed during the current year (A video of performances is not considered a portfolio and will not be accepted for exhibit.); **OR**
- Display illustrating a drawing/photograph of a clown character created by the exhibitor; **OR**
- Display illustrating a picture story developed by the exhibitor.

Theatre Arts 3 (SF 50301)

Exhibit one of the following items:

- Portfolio of activities for set design; make-up; or sound, props, or costuming completed during the current year; **OR**
- Display that includes sound, props and costume charts appropriate for a selected scene from a story or play (limited to no more than 8 items); **OR**
- Display a scenic design model to depict a scene from a script; **OR**
- Display illustrating a character with make-up drawn or colored in. Include a photograph of a person wearing the make-up and information on the character's personality or part in the play.

Theatre Arts Innovation Class (SF 50302)

Open to youth enrolled in Theatre Arts. Demonstrate the skills and knowledge you have gained through Theatre Arts project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Theatre Arts Ready4Life Challenge: (SF 50304)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Theatre project.

TRACTOR

Superintendent: Tom Mulder

1. Each county may submit two State Fair entries from classes 50306/50307/50308/50309/50310 and one from 50312.
2. Table displays are limited to 2'6" wide x 15" deep (standard science display boards fit into this size limitation). Maximum poster size for hanging is 22" x 30".
3. All items in the display should be affixed to the display board. NO additional items should be

included.

Tractor A (SF 50306)

Exhibit a display or poster that illustrates one of the following topics: tractor safety; care and maintenance; the tractor as a valuable farm machine; or an activity listed in the project manual.

Tractor B (SF 50307)

Exhibit a display or poster that illustrates one of the following topics: cause and prevention of rollovers, diagram how an air cleaner works, diagram & identify an engine cooling system, regulations for battery & oil disposal, or another activity listed in the 4-H project manual.

Tractor C (SF 50308)

Exhibit a display or poster that illustrates one of the following topics: wagon and bin hazards, diagram and identify open and closed hydraulic systems, mower types and safety features conveyor types and safety features, or another activity listed in the 4-H project manual.

Tractor D (SF 50309)

Exhibit a display or poster that illustrates one of the following topics: method of winterizing a tractor, chemical uses and required safety equipment, parts and process of internal combustion engine, procedure for cleaning and flushing tractor radiator, or another activity.

Tractor Innovation Class (SF 50310)

Open to youth enrolled in Tractor A, B, C or D.

Demonstrate the skills and knowledge you have gained through the Tractor project. This could be related to, but not limited to, advancements in technology, enhancements to crop production, or a topic of interest to the member related to tractors or farm machinery. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Tractor Ready4Life Challenge: (SF 50312)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Tractor project.

Tractor/Ag Equipment Restoration (CF 18053) (not eligible for state fair)

Restore a mechanical agriculture implement such as a tractor, plow, horse-drawn piece, etc. Maintain a photo diary of the process including before, during, and after photos. Use these photos to help create a journal/scrapbook of the restoration. Include text describing the process. You will be judged on knowledge gained from the restoration. **NOTE:** Exhibitors will be broken into two age categories: ages 8-13 and 14-18. Trophies will be awarded for both age groups.

VETERINARY SCIENCE

Superintendent: Curt Miller

1. Each county may submit one State Fair entry from class 50320 and one from 50322.
2. All items in the display should be affixed to the display board. NO additional items should be included.
3. Table displays are limited to 2'6" wide x 15" deep (standard science display boards fit into this size limitation). Maximum poster size for hanging is 22" x 30".

Veterinary Science 1, 2 or 3 (SF 50320)

Prepare a display focusing on any activity related to the veterinary science project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. For safety reasons, exhibits cannot include glass, syringes with needles or any other sharp objects.

Veterinary Science Ready4Life Challenge: (SF 50322)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Vet Science project.

VIDEO/FILMMAKING

1. Each county may submit three State Fair entries total from classes 50324/50325/50326/50327/50328 and one from 50330.
2. Enrollment in the Video project is required to exhibit in the classes in this section.
3. Entries in 360° video may be enrolled in video/film or computer science projects
4. **All exhibitors must bring their video to be judged on a USB flash drive and saved in .MP4 format.**
 - a. Exhibitors are encouraged to post their video on YouTube.com in advance of State Fair.
 - b. Exhibitors may choose whether to make the video "public, unlisted" (someone must have the link to view it), or "private" (only people you choose may view it). This will allow fairgoers to view the exhibits on display.
 - c. There will be monitors at the exhibit table for viewing videos so exhibitors will NOT need to bring a laptop or device for viewing.
5. Requirements that apply to ALL video classes:
 - a. Video submissions should be no longer than five (5) minutes in length (unless noted differently in class description.).
 - b. Videos are to be original and a result of the member's work from the current 4-H year.
 - c. Criteria for judging shall include: (1) Evidence of story line; (2) Use of camera angles; (3) Use of zooming techniques; and (4) Smoothness of scene changes.
 - d. Image and sound quality will be considered in relation to equipment available to and used by exhibitor.
 - e. All videos should comply with copyright regulations and display an image that is appropriate for 4-H audiences.
 - f. No time or date should be imprinted on the video footage.
 - g. All videos should include an opening title screen, as well as closing credits, which include date of production, name of video exhibitor and research sources if appropriate.
 - h. **All Video/Filmmaking exhibitors must include a printed copy of materials, which will remain on display.**

Commercial or Promotional Video (SF 50324)

Prepare a short video (30 seconds to 1 minute in length) that promotes an event, advertises a specific project/product, or is a public service announcement. The video should demonstrate skills in making and editing video.

Animated Video (SF 50325)

Video in this class should represent creative animation of original artwork created by the exhibitor and may include stop motion techniques. Media might include images created with graphics software or hand-drawn images.

Documentary (SF 50326)

Video in this class should represent a research-based investigation into a topic of choice. Video credits should list research sources and may include paper or electronically published materials, as well as, and/or interviews with experts or constituents related to the topic of investigation.

Short Story or Short Narrative (SF 50327)

Prepare a short video that tells a story. The video should demonstrate skills in making and editing video.

Video/Filmmaking Innovation Class (SF 50328)**Open to youth enrolled in Video/Filmmaking.**

Demonstrate the skills and knowledge you have gained through the Video project. **Your exhibit should not fit in the other exhibit options for this project.** The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Video/Film Ready4Life Challenge: (SF 50330)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Video/Filmmaking project.

VISUAL ARTS

Superintendents: Cindi Mielke
Mike Shore
Kayla Hoeffle

1. Counties may submit one State Fair delegate each from classes: 50331A/50331B/50337/50338/50339/50350/50340/50341/50321/50342/50343/50344/50348/50349/50351 and two from 50336. Two total from 50345/50346/50347- Scrapbooking.
2. All projects exhibited **must be an original design** created by the exhibitor (except in heritage arts which may follow a pattern, and Fiber – Non Original (Ages 8-10 ONLY).
3. Exhibitors are encouraged to date the project when it is made.
4. All visual arts exhibits are evaluated using a visual arts rubric, which takes into account correct use of design elements; craftsmanship; and creativity.
5. Copyrighted or trademarked designs (i.e. Mickey Mouse, Marvel characters, etc.) are not

acceptable; this includes Team or School logos.

6. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class.
7. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, use the concept and create something different using the concept; however it MUST NOT look exactly like something the judge can search for and find on Pinterest. If you create a replica of what you see somewhere else, it is not your original design.
8. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.
9. Stepping stones are not acceptable in any Visual Arts class.
10. Members wishing to exhibit quilts, should exhibit them under Visual Arts: Quilting. All work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else. Quilts can be hand OR machine quilted as long as ALL work is completed by the exhibitor.
11. **NEW!!! All 2-D work should be wired across the back for hanging purposes. A saw-tooth hanger is not sufficient for hanging.**

Visual Arts Chalk/Carbon/Pigment: Enter the division based on the type of material on which the art was created.

Division A: Canvas, Paper, Glass: (SF 50336)

Any original art work done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc. on canvas, paper, or glass. This would include all painting, sketching, drawing, cartooning, original non-computer generated graphics, printing, etc. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Drawings and paintings should be matted or framed under glass. (Exceptions: Oil and acrylic paintings do not require glass and are not required to be matted.) Water color, chalk, pen & ink, computer-generated art, etc. do require some protective covering. Gallery frames are acceptable. Canvas paintings that continue "over the edges" are acceptable without frames; however, the piece must still be prepared for hanging. Matted pieces without frames are acceptable, however the piece must be prepared for hanging OR it must include a photo of the artwork being displayed in a non-hanging manner. There is no specific requirement for the type of mat used. Pa

Division B: Wood, Metal, Textiles: (SF 50352)

Any original art work done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc., on wood, metal, or textiles. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Any exhibits created as a piece of wall art must be prepared for hanging.

Visual Arts Clay (SF 50337)

Any original item made of clay; may be fired or unfired, hand formed or thrown on a wheel. Self-hardening clays are fine. Fire/oven-cured and cornstarch clay could be accepted. Items can include, but are not limited to, clay statues, bowls, jewelry, etc. Pre-formed ceramics are not eligible for State Fair exhibit.

Visual Arts Computer-Generated Art (SF 50338)

Any original art created in any software package. Exhibit may not include scanned work, clip art, downloaded images from the internet, any imported image, or photographs. All pixels must be original. Photo mosaics are NOT allowed. Exhibitors in this class (like all other classes in this sub-

section) must be enrolled in Visual Arts; Computer project enrollment is not required. **NOTE:** Wood and metal exhibits created using laser cutting programs/devices should be entered in this class. **Plastic exhibits with an artistic focus created using a 3-D printer should be entered in this class.** If the art created is designed to hang, then the entry should have some protective covering, such as a glass frame, and prepared for hanging. If the art is something that has been created with a laser cutting program/device and is NOT designed to hang, it does not require protective covering nor does it need to be prepared to hang.

Visual Arts Fiber (SF 50339)

Any original item made of fiber. Examples are fabric collage, soft sculpture, stitchery, weaving, embroidery, cross-stitch, wearable art, hooking, braiding, duct tape artistry, string art, and baskets. All baskets and decorated textiles (such as painted shirts or stenciled clothing) should be entered in Heritage Arts. **Original** cross-stitched, knitted, or crocheted items belong in this Fiber class. **Non-original** cross-stitched, knitted, or crocheted items should be entered in Heritage Arts. Machine knitted items are not appropriate for this class.

Visual Arts Fiber Non-Original AGES 8-10 ONLY: (SF 50350)

Any non-original item made of fiber. Examples are fabric collage, soft sculpture, stitchery, weaving, embroidery, cross-stitch, crocheting, knitting, weaving, hooking, and felting. Exhibitors may use a pattern and/or an idea generated from another source.

Visual Arts Glass/Plastic (SF 50340)

Any original item made of glass or plastic. Possible items to exhibit include stained glass, etched glass (original design), mosaics made of glass, glass beading, plastic jewelry (friendly plastic). Interlocking building block creations (i.e. LEGOS) are not suitable for State Fair entry. Stepping stones or wall hangings that include cement decorated with glass or plastic items are not suitable for this class.

Visual Arts Heritage Arts (SF 50341)

Exhibit an item of **traditional** art learned from another person or **from a pattern** (NO KITS) may be entered in this class. Non-original cross-stitched, knitted and crocheted items by pattern fit in this class. ALL ORIGINAL cross-stitched, knitted and crocheted items should be exhibited in Fiber Arts; (machine knitted items ARE NOT acceptable for this class.) Other possibilities include: needlepoint, counted cross-stitch, crewel, embroidery, cut work, hardanger embroidery (embroidery openwork), macramé, baskets, candles, pysanki (decorated eggs), leather, baskets (made using a traditional pattern), traditional handmade dolls with handmade costumes, soaps made using nature dyes also can be made using hand-made molds or broken into chunks for display, or candles. Exhibitors must also bring 1) the pattern or a copy of the pattern they used to create their traditional art; and 2) a description of the traditional origins of their art choice.

Visual Arts Leather (SF 50321)

Exhibit one of the following options using leather.

- **Leather Stamping:** Exhibit should utilize one or more stamping techniques – exhibit examples include items such as belt; coasters; bookmark; key chain; wrist bracelet.
- **Leather Carving or Tooling:** Exhibit should use simple swivel knife tooling techniques or may incorporate several swivel knife-tooling designs or patterns – exhibit examples include items such as belt; pictorial carving; key case.
- **Leather Lacing:** Exhibit to include stamping and/or carving techniques incorporated with lacing techniques – exhibit examples include items such as wallets; purses; etc.
- **Leather Stitching:** Exhibit may include stamping; carving and/or lacing techniques and should be

a leather item or article of apparel, which incorporates hand-sewing and/or machine stitching techniques. Hand-sewing and/or machine stitching must be the work of the exhibitor.

Legos® (CF 19054) (not eligible for state fair)

The Legos® exhibit must be an original design only. No kits/manuals allowed. Display must be no larger than 2' x 15". You must also fill out and bring the Lego Model Project Record Sheet available from the Extension Office or on the website at: go.illinois.edu/jsw. All Legos® projects **must be shown in this class and NOT IN COLLECTIBLES.**

Visual Arts Metal (SF 50342)

Any original item made of metal such as sculpture, tin punch, engraved metal, and jewelry. Items intended for industrial use (as tools and/or shop items) are not considered part of this Visual Arts project and are not eligible for entry. Metal items that have been partially or totally created using laser cutting programs/devices should be entered in Computer-Generated Art.

Visual Arts Nature (SF 50343)

Any original item made of natural material such as wreaths, cornhusk dolls, etc. Items should be made of natural materials (which may be purchased) but securing elements such as glue and wire may be used in the inner construction as long as they do not detract from the overall "natural" appearance. Articles such as dried pressed flowers may be displayed under glass since it is necessary for protection/preservation of the natural materials. Candles are not suitable as entries. All baskets should be entered in Heritage Arts. Painted rocks are acceptable as an original item; however, everything that is added to the rock must be a natural substance (i.e. dyes or ink created from all natural substances such as blueberries, red cabbage leaves, purple grape juice, red onion skins, etc.). If you wish to exhibit a State Fair (original) project, you must bring the exhibit and the recipes you used to create your dyes or ink.

Visual Arts Paper (SF 50344)

Any original item made of paper. Examples could include origami; greeting cards; paper-cut designs, paper mache, hand-made paper, paper collage, paper models of architecture, quilling, etc. Paper twist articles, made from directions in craft books and stores ARE NOT original and are not appropriate for this class. Scrapbooks should be exhibited in Visual Arts Scrapbooking.

Visual Arts Quilting – You Can Quilt (SF 50331A)

Exhibit one of the following quilting options. All exhibits should include a card which identifies the quilt as an original design created by the exhibitor or as a pattern created by someone else. Item may be quilted using any method – tie, hand, or machine quilted. All work must be completed by the 4-H member. Exhibit one of the following:

- A Mini Quilt for a doll; OR a Quilt sized for an infant (*maximum size of 48"x48"*); OR
- A Quilted Table Runner (*width ranging from 15-18"; length ranging from 24-48"*)

Visual Arts Quilting – Quilting the Best Better (SF 50331B)

Exhibit one of the following quilting options. All exhibits should include a card which identifies **if** the quilt as an original design created by the exhibitor or as a pattern created by someone else. Item may be quilted using any method – tie, hand, or machine quilted. All work must be completed by the 4-H member. Exhibit one of the following:

- Lap Quilt (*width ranging from 48-60"; length ranging from 60-72"*); OR

- Large Quilted Wall Hanging (*may be rectangular or square, sized larger than 48" x 48"*). Hanging should include tabs or a pocket on the back in order for it to be hung; OR Quilt that fits any size bed (Twin, Double, Queen or King).

Visual Arts Recycled Art – Ages 8-12 (CF 18055) (not eligible for state fair)

Visual Arts Recycled Art – Ages 13-18 (CF 18056) (not eligible for state fair)

Any project made out of recycled materials from home (i.e. old milk jugs, egg cartons, juice bottles, etc.). Artwork will be broken into age groups for judging. It is required that you attach a 3" x 5" index card to your exhibit with your name, club, age and an interesting fact about recycling with the source listed.

Visual Arts Scrapbooking – Individual

1. Each county may submit one State Fair entry from classes 50345/50346/50347.
2. Exhibit one album or notebook, either 8 ½" x 11" or 12"x12", with a front and back cover. The album/notebook must have a minimum of four (4) pages (front and back, 8 sides), exhibited in page protectors.
3. "Embellishments" are defined as the decorations or special details and features that add to a page and make it more visually appealing.

Beginning Level (SF 50345)

Beginners must use a minimum of four embellishments and tell a story with pictures. Embellishments may include, but are not limited to, ribbon, clips, special lettering, etc.

Intermediate Level (SF 50346)

Intermediate level exhibitors must use a minimum of eight embellishments and tell a story with pictures and journaling. Embellishments may include, but are not limited to, ribbon, clips, special lettering, etc.

Advanced Level (SF 50347)

Advance level exhibitors must use a minimum of 12 embellishments and tell a compelling story with pictures, journaling, and other media. Embellishments may include, but are not limited to, ribbon, clips, special lettering, etc.

Visual Arts Three-Dimensional Design/Mixed Media (SF 50348)

Art pieces in this class must be comprised of **at least three different media**. No one medium can make up more than 40% of a piece. The piece should **be freestanding** or should be prepared to be hung. It must be observable on at least three different sides. Originality and design are important concepts. Craft and preformed or assembled projects are not acceptable.

Visual Arts Wood (SF 50349)

Any original item made of wood (woodcarving, sculpture, collage, wood burning, etc.). Utilitarian wood items made from patterns or kits (e.g. outdoor or indoor furniture, shelves) should be entered in woodworking, not in visual arts. Popsicle stick crafts are not acceptable for State Fair entry. Wood items that have been partially or totally created using laser cutting programs/devices should be entered in Computer-Generated Art. Furniture built by the exhibitor aligns with the Woodworking project area – unless the element to be judged is wood carving or wood burning that is one element of the exhibit. Exhibits will be judged using a Visual Arts Rubric and not a woodworking construction rubric.

Visual Arts Ready4Life Challenge: (SF 50351)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Visual Arts project.

WEATHER

Superintendent: Adam Boyer

1. Each county may submit 1 State Fair entry total from 50392/50393/50394; and 1 entry from 50395.
2. You must furnish any equipment you need for your exhibit.
3. Internet service will not be provided for the exhibit.
4. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
5. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Weather and Climate Science 1: (SF 50392)

Exhibit any product or display illustrating an activity from the book. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned.

Weather and Climate Science 2: (SF 50393)

WELDING

Superintendent: Tom Mulder

1. Each county may submit two State Fair entries from classes 50353 and one from 50355.
2. Exhibits larger than 3' x 3' should be noted to staff for state fair purposes

Welding: (SF 50353)

This exhibit class is open to members who are in the 7th grade and higher. Exhibit one Arc weldment/item demonstrating the skill level of the exhibitor. Members new to the project should consider selecting a weldment from the suggested Weldment List found on page 43 of *Arcs and Sparks* (4-H 573 – Shielded Metal Arc Welding). **This class is for industrial welding only.** (Members

that wish to use welding to create objects with an artistic appeal should consider enrolling in the 4-H Visual Arts project and consider entering those types of exhibits in the Visual Arts – Metal class.) Exhibits must be portable and cannot be exhibited on a trailer.

Welding Ready4Life Challenge: (SF 50355)

See Ready4Life Challenge Guidelines on pg. 32. Open to 11- to 18-year-olds enrolled in any Welding project.

WOODWORKING

Superintendent: Bonnie Campbell

1. Each county may submit two State Fair entries total from classes 50357/50358/50359/50360, and one from 50362.
2. Exhibits must be no wider than 6’.
3. No kits are allowed. Pre-cut kits assembled by the member are also not acceptable.
4. Exhibits must be portable and cannot be exhibited on a trailer

Woodworking 1 (SF 50357)

Any item made of wood constructed or refinished by the member, appropriate for their age, skills and ability in this project. Pre-cut kits assembled by the member are not acceptable. This level of Woodworking does not include refinishing. Exhibits must be portable and cannot be exhibited on a trailer.

Woodworking 2 (SF 50358)

Any item made of wood constructed or refinished by the member, appropriate for their age, skills and ability in this project. This level of Woodworking does not include refinishing. (Exhibitors will be allowed to drive to the 4-H Tents for drop-off and pick-up of these exhibit items.) Suggested projects from the manual include: napkin or letter holder, birdhouse or foot stool.

Highland Community College- Building H

Check-in: 8:45 a.m.

Show Time: 9 a.m.

SPECIAL NOTES:

1. Each county may submit three State Fair entries from classes 50151a-c/50152a-c/50153a-c/50157; 2 from 50154/50155/50156.
2. You must check in when you arrive for the show and you will be given a number to be called when it is your turn to talk to the judge.
3. All exhibits entered in the clothing and textiles area will be judged based on their construction.
4. Exhibitors bringing garments should not wear their garments when they arrive for judging. The garment will be reviewed by the judges for construction first.
5. Construction and appearance will both be considered during judging. If a pattern was used to make the item, the pattern instructions, either written or electronic, are to be included with the exhibit.
6. Exhibit tags should be attached to the garment, not to the hanger.
7. If you are unable to attend the judging, your garment will be judged for construction only by the judge's. See Rule #7, page 8 in the Policy Section. Exhibitors must be present for Construction and Fit & Appearance sessions of judging to be considered for State Fair.
8. Members exhibiting knitted items should enroll in Visual Arts Fiber (if original) or Visual Arts Heritage Arts (if made from a pattern). **We strongly encourage youth interested in pursuing quilting to enroll and exhibit in the Visual Arts Quilting project area.** Youth may still exhibit quilts in any level of Clothing as a "Sewn Non-Clothing" item, but these quilts will be judged using the Clothing rubric that evaluates the sewing skills and construction of the item. If exhibiting quilts in the Clothing area, all work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else. Quilts can be hand OR machine quilted as long as ALL work is completed by the exhibitor. You may only show a quilt in one class, either in Clothing & Textiles or Visual Arts Quilting.

CLOTHING: STEAM

STEAM Clothing 1 – FUNDamentals: (SF 50151a, 50151b, 50151c)

Exhibit one of the following in either the Non-Sewn, Sewn Non-Clothing, or Sewn Clothing exhibit divisions:

Non-Sewn Exhibits (SF 50151a)

Exhibit one of the following:

- Clothing Portfolio – Complete at least three different samples/activities from Chapter 2 and/or Chapter 3 of the project manual. Examples of samples you might include: How Two Magically Become One, pages 85-86; No Fear of Fray, pages 93-95; Two Sides of the Moon, pages 97-99; On the Flip Side, pages 101-104; Basic Hand Sewing Skills, pages 106-108. The Portfolio should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover, dividers, and table of contents. NOTE – additional pages can be added each year but must be dated with the year. See pages 9-10 of project manual for portfolio formatting.
- Fabric Textile Scrapbook – Must include at least 5 different textile samples. Use Textile Information Cards template on page 41 in project manual to identify fabric swatches. Completed textile cards should be placed in an 8 ½ x 11, 3 ring binder. Include an

appropriate cover. See project manual, pages 42-74, for fabric options and fabric science experiments.

- What's the Difference - What's the Price Point – Exhibit may include a notebook, poster, small display sharing a project comparison and price point. See activity, pages 118-120. Exhibit should include PHOTOS; NO actual PILLOWS.

Beginning Sewing Exhibits – exhibits in this class must be made from medium weight woven fabrics that will sew and press smoothly, flannel/fleece is acceptable. STEAM Clothing 2 – Simply Sewing: (SF 50152a, 50152b, 50152c)

Exhibit one of the following in either the Non-Sewn, Sewn Non-Clothing, or Sewn Clothing exhibit divisions:

Non-Sewn Exhibits (SF 50152a)

Exhibit one of the following:

- Clothing Portfolio – Complete at least four different samples/activities from Chapters 2, 3 AND/OR 4 of the project manual. The Portfolio should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover, dividers, and table of contents. NOTE – this can be a continuation of a Portfolio created in STEAM Clothing 1. Additional pages can be added each year but must be dated with the year created. See project manual, pages 9-11 for portfolio formatting.
- Expanded Textile Science Scrapbook – Must include at least 10 different textile samples. Use Textile Information Cards template on page 39 in project manual to identify fabric swatches. Completed textile cards should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover. See Project, pages 40-82 for fabric science experiments.
- Design Basics – Understanding Design Principles – Exhibit should include a learning experience that demonstrates the design principles and elements involved when selecting fabric for clothing and accessories. See project manual, pages 17-20 for design suggestions.
- Entrepreneurial Sewing – Exhibit should highlight items you made for sale online. Create an exhibit that displays products you made and posted online. Refer to the project manual, pages 161-167 for information on how to analyze the cost of similar purchased items to determine pricing of your products. The exhibit may be a notebook, poster or small display.

Sewn Non-Clothing Exhibits (SF 50152b)

Exhibit one of the following:

- Recycled Clothing Accessory – Create a clothing accessory made from a used item. The item must be changed in some way in the redesign process. The finished accessory must reflect at least one skill learned in the project and exhibitor should be able to identify the skill used. A before picture and a description of the redesign process must accompany the exhibit. Clothing accessory may include: hat, bag, scarf, belt, etc.
- Non-clothing item OR Clothing Accessory – Create a non-clothing item or clothing accessory using at least one skill learned in this project. Exhibitor should be able to identify the skill used.

Sewn Clothing Exhibits (SF 50152c)

Exhibit one of the following:

- Recycled Clothing – Create a garment from used textile based items. The original used item must be redesigned (not just embellished or decorated) in some way to create a new wearable piece of clothing. The finished garment must reflect at least one skill learned in this project and exhibitor should be able to identify the skill used. A before picture and a description of the redesign process must accompany the exhibit.
- Constructed garment – Any garment with facings or curves. Should use at least one skill learned in this project and exhibitor should be able to identify the skills used. Garment should be appropriate for the age and experience of the member.

STEAM Clothing 3 – A Stitch Further: (SF 50153a, 50153b, 50153c)

Exhibit one of the following in either the Non-Sewn, Sewn Non-Clothing, or Sewn Clothing exhibit divisions:

Non-sewn Exhibits (SF 50153a)

Exhibit one of the following:

- Clothing Portfolio – Complete at least four different samples/activities from Chapters 2, 3 AND/OR 4 of the project manual. The Portfolio should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover, dividers, and table of contents. NOTE – this can be a continuation of a Portfolio created in STEAM Clothing 1 and/or STEM Clothing 2. Additional pages can be added each year but must be dated with the year created. See project manual, pages 11-13 for portfolio formatting.
- Expanded Textile Science Scrapbook - Must include at least 10 different textile samples. Use Textile Information Cards template on page 29 in project manual to identify fabric swatches. Completed textile cards should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover. See Project, pages 39-52 for fabric science experiments.
- Advanced Entrepreneurial Sewing – Using knowledge gained in project manual, Chapter 5, display one sample product with a business plan that includes a business ID and logo. The Exhibit may be a notebook, poster or small display.

Sewn Non-Clothing Exhibit (SF 50153b)

Exhibit one of the following:

- Recycled Clothing Accessory – Create a clothing accessory made from a used item. The item must be changed in some way in the redesign process. The finished accessory must reflect at least one skill learned in the project and exhibitor should be able to identify the skill used. A before picture and a description of the redesign process must accompany the exhibit.

- Non-clothing item OR Clothing Accessory – Create a non-clothing item or clothing accessory using at least one skill learned in this project. Exhibitor should be able to identify the skill used.

Sewn Clothing Exhibit (SF 50153c)

Exhibit one of the following:

- Recycled Clothing – Create a garment from used textile based items. The original used item must be redesigned (not just embellished or decorated) in some way to create a new wearable piece of clothing. The finished garment must reflect at least one skill learned in this project and exhibitor should be able to identify the skill used. A before picture and a description of the redesign process must accompany the exhibit.
- Constructed garment – Any garment constructed by the member which is appropriate for the age and experience of the exhibitor. Should use at least one skill learned in this project and exhibitor should be able to identify the skills used. Possible examples are wool garment, dress or jacket with set in sleeves and zipper or buttons and button holes, suites evening gown or sport outfit.

CLOTHING: SHOPPING

Exhibit one of the following options that align with the Shopping in Style level. If a garment is part of the 4-H exhibit, exhibitors should put the garment on PRIOR to their judging time.

Shopping in Style: Members are encouraged to spend more than one year involved in this project so they have time to learn what clothing styles look best on them while they also gain skills in building a versatile wardrobe and staying within their budget. Each year enrolled in Shopping should build on previous year's learning experience.

Shopping in Style: (SF 50154, 50155, 50156)

Beginning – (SF 50154) (Levels 1 & 2)- Choose one of the following activities from Unit 1 or Unit 2 of the project book

- Exhibit should consist of a garment that reflects your personal style along with a poster or report that 1) explains how this garment reflects your style and how it influences what others think of you; OR 2) how your personal style either aligns or contradicts what is considered to be "in style" today. OR
- Exhibit should include a garment you purchased along with a poster or report that explains or illustrates how this garment is either 1) a modern version of a fad or fashion from an earlier decade; OR 2) how this garment reflects a different ethnic or cultural influence. Exhibit should include garment you purchased along with a poster or report that provides 1) a body shape discussion and how body shape influences clothing selections; OR 2) a color discussion that provides an overview of how different colors complement different hair colors and skin tones and how that influenced garment selection. Poster or report may include pictures from magazines, the internet or actual photos of garments. OR
- Exhibit should include garment you purchased along with a poster or report that 1) explains how this garment uses the principles of design lines to create an illusion to alter appearance; OR 2) explains how color and texture of fabrics can complement or enhance appearance. Poster or report may include pictures from magazines, the internet, or actual photos of garments.

Intermediate –(SF 50155) (Levels 3 & 4)- Choose one of the following activities from Unit 3 or Unit 4 of the project book

- Exhibit should include two clothing items that were previously a part of your wardrobe that still fit but you don't wear anymore and pair them with something new to make them

wearable again. Also include a report that explains why the garment was not being worn and what you did to transform it into a wearable garment again. OR

- Exhibit should include at least five pieces of clothing that exhibitor can mix and match to create multiple outfits. Include a poster or report that includes a clothing inventory AND describes what you have learned by completing this activity. OR
- Exhibit should include garment you purchased along with a poster or report that 1) includes a wardrobe inventory which indicates why you selected the garment you did, clothing budget, and cost of garment; OR 2) explains how advertising influences clothing purchases making a distinction between wants and needs; and how the purchase of this garment compliments and/or extends your wardrobe. OR
- Exhibit should include garment you purchased along with a poster or report that 1) describes a cost comparison of this item completed by the exhibitor when purchasing the garment; should include variety of shopping options and/or price tracking at stores over a period of time; OR 2) provides a quality comparison rating the specific clothing item purchased based on care, construction, cost and unique features; should include construction quality details, design features that influenced selection, cost per wearing, and garment care.

Advanced – (SF 50156) (Levels 5 & 6) - Choose one of the following activities from Unit 5 or Unit 6 of the project book

- Exhibit should include garment you purchased along with a poster or report that summarizes care requirements not only for this garment but also for garments made of other natural and synthetic fibers; exhibit should also include a care cost analysis for garments of different fibers. OR
- Exhibit should include garment you purchased which you have repaired or altered along with a poster or report that provides a clothing inventory list which includes cost savings for repaired items as compared to purchasing replacement garments.
- Exhibit should include multiple garments you purchased along with a poster or report that provides plans and commentary for a fashion show that that would capture the attention of an audience. Fashion show plans should identify target audience, include show venue, purpose of the show, and logistical plan for the fashion show. This should also include a financial plan. Exhibitor should be prepared to demonstrate modeling skills.

Sewing & Textiles Ready4Life Challenge: (SF 50157)

Show Time: 9 a.m.

CROPS

1. Each county may submit three State Fair entries from classes 50170/50171/50172/50173 and one from 50175.
2. All crops exhibited must have been grown and cared for by the exhibitor as part of his/her current 4-H Crops project
3. Popcorn and sweet corn should be exhibited in class 50315 under Horticulture.
4. Poster choice for Corn, Small Grains and Soybeans: Exhibit an experimental or educational project related to one experience from your project. Include explanation of the project in a report for public understanding. *Sweet corn should be exhibited in Vegetable Gardening unless being raised under commercial contract by the exhibitor.* Include the member's crop records with the exhibit, such as the 4-H Crop record found online @ <http://4h.extension.illinois.edu/sites/4h.extension.illinois.edu/files/projects/documents/STEM/crop-s-and-soils-record-form-2016.pdf>, an FFA crops record or similar information. Table displays are limited to 2' 6" wide x 15" deep (standard science display boards fit into this size limitation). The maximum poster size for hanging is 22" x 30."

Soybeans (SF 50170)

Exhibit five fresh plants (include root system that is washed) that are representative of member's 4-H project field; **OR** exhibit an experimental or educational project related to one experience from your project. Include explanation of the project in a report for public understanding. Include the member's crop records with the exhibit, such as the 4-H crop record found online @ 4-H.illinois.edu, an FFA crops record, or similar information.

Corn (SF 50171)

Exhibit two fresh plants of field corn (include root system that is washed) that are representative of member's 4-H project field; **OR** exhibit an experimental or educational project related to one experience from your project. Include explanation of the project in a report for public understanding. *Sweet corn should be exhibited in Vegetable Gardening unless being raised under commercial contract by the exhibitor.* Include the member's crop records with the exhibit, such as the 4-H crop record found online @ 4-H.illinois.edu, an FFA crops record, or similar information.

Small Grains (SF 50172)

Exhibit one gallon of the current year's crop of oats, wheat, rye, or barley that is representative of the member's 4-H project field; **OR** exhibit an experimental or educational project related to one experience from your project. Include explanation of the project in a report for public understanding. Include the member's crop records with the exhibit, such as the 4-H crop record found online @ 4-H.illinois.edu, an FFA crops record, or similar information.

Alfalfa Hay – Mixed or Grass (CF 18032) (not eligible for state fair)

Exhibit one (1) slice of hay cut 18' x 20" to fit into a garbage bag. Also display on an 11" x 14" poster, a brief description (can be soil tests) of fertilizer needs for your alfalfa field and date you fertilized the field. Be ready to tell the judge why you did or did not fertilize your hay.

Crops Innovation Class: (SF 50173)

(Open to youth who were at least 13 years of age on 9/1/21 and are enrolled in Crops)

Demonstrate the skills and knowledge you have gained through the Crops project. This could be related to, but not limited to crop production, crop utilization or topics of interest to the member related to agronomy. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you have learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Crops Ready4Life Challenge: (SF 50175)

See Ready4Life Challenge Guidelines on pg. 33. Open to 11- to 18-year-olds enrolled in any Crops project.

PLANTS & SOILS

Superintendents: Dan Miller

Each county may submit 3 entries total from 50280.

Cover Crops (SF 50280)

Exhibit an experimental or educational activity related to one experience from your project; **OR** prepare a display focusing on any activity related to the cover crops project. This could be related, but not limited, to plant growth & development, cover crop benefits, land management, sustainability, or other topics of interest to the member related to cover crops. A cover crop might include any plant that is sown in between primary production crops for the benefit of overall farm health rather than crop yield (examples: pennycress, clover, radish, annual ryegrass, etc.). The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Plants & Soils 1: (CF 19046) (not eligible for state fair)

Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of environmental and internal factors that affect plant growth and the function and characteristics of soil. Include your project journal that documents activity recordkeeping requirements, answers activity questions, and details personal thoughts and ideas.

Plants & Soils 2: (CF 19047) (not eligible for state fair)

Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of the composition of plants, the functions of individual plant parts, plant life cycles, and the many ways plants reproduce. Include your project journal that documents activity recordkeeping, answers activity questions, and details personal thoughts and ideas.

Plants & Soils 3: (CF 19048) (not eligible for state fair)

Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of the relationship between soil and other cycles found in nature. Displays should also provide an example of a leadership or service-learning experiences focused on environmental stewardship. Include your project journal that documents activity recordkeeping requirements, answers activity questions, and details personal thoughts and ideas.

FOODS & NUTRITION

Superintendents: Denise Hayunga
Deb Winning

1. Each county may submit seven (7) State Fair entries total from any of these food classes: 50200 A-C, 50201 A-C, 50202 A-E, 50203 A-D, 50204, 50206, 50208 A-F, 50211; and 1 entry from 50210
2. No microwave ovens should be used to prepare food items unless the recipe calls for it.
3. If your food product has been frozen, make a note of it on your entry tag.
4. **Make sure you check for the requirements necessary for each food level you are signed up for. Most of the levels require pages copied out of your manual, completed, & brought with you to the show!**
5. If you are exhibiting a food item AND demonstrating how to make the item at the Public Presentation Show, you need to be enrolled in BOTH classes (i.e. SF 50200 and CF 19002).

4-H Cooking 101 (SF 50200A, 50200B, 50200C)

*Using the recipes included in the project manual, prepare an exhibit for **one** of the classes below. No icing should be on any products. If you make changes to the recipe, bring a copy of the recipe with your changes. Bars, coffeecake, or cookies should be displayed on a disposable plate placed in a zip-sealing plastic bag. *In addition to your food exhibit, complete the What's on Your Plate? Activity on pages 10-11 in the 4-H Cooking 101 project manual. Bring a document with printed pictures of your 3 or more plates and the answers to questions 1-7 to remain on display with your project. The words on the plates must be legible and clearly visible in the picture. Pictures, graphics or photos are acceptable.**

Cereal Bars (SF 50200A) - 3 cereal marshmallow bars

Coffeecake (SF 50200B) - ¼ of 8" square or round coffeecake

Cookies (SF 50200C) - 3 cookies

4-H Cooking 201: (SF 50201A, 50201B, 50201C)

*Using the recipes included in the project manual, prepare an exhibit for **one** of the classes below. If you make changes to the recipe, bring a copy of the recipe with your changes. Bread, muffins, or scones should be displayed on a disposable plate placed in a zip-sealing plastic bag. *In addition to your food exhibit, complete Experiment with Meal Planning Activity on page 91 in the 4-H Cooking 201 project manual. Bring either page 91 with your completed answers or a document with the answers to remain on display with your project along with a picture of the meal you prepared. You do **not** need to complete the Challenge Yourself section on page 91.**

Muffins (SF 50201A) - 3 cheese muffins

Scones (SF 50201B) - 3 scones

Nut Bread (SF 50201C) - ½ loaf (9" x 5") of basic nut bread

4-H Cooking 301: (SF 50202A, 50202B, 50202C, 50202D, 50202E)

*Using the recipes included in the project manual, prepare an exhibit for **one** of the classes below. If icing is used on the tea ring or sweet rolls, the recipe for the icing must also come from the book. The yeast bread/roll dough may be prepared in a bread making machine; however prepared mixes are not permitted. If you make changes to the recipe, bring a copy of the recipe with your changes. Display exhibit on a disposable plate or pie tin and place in a zip-sealing plastic bag. *In addition to your food exhibit, complete one of the six experiments: Experiment with Flour p. 33-34, Experiment with Kneading p. 35-36, Experiment with Yeast p. 37-38 or 39, Experiment with Butter p. 62-63 or**

Experiment with Cheese p. 104-105. Bring a document with a printed picture of your experiment and the answers to the experiment questions to remain on display with your project.

**Judges are aware of the issues with the amount of chocolate squares used in this recipe. If you use the three (3) squares called for in the recipe, your cake will not taste good. If you double it and use six (6) squares (as it should be), your cake will taste good, but you will not be following the recipe. Points will not be deducted in either scenario as long as you tell the judge why you did/did not follow the recipe. The State 4-H Office is working to correct this issue with a new publication release soon.*

Dinner Rolls (SF 50202A) - 3 dinner rolls

Yeast Bread (SF 50202B) - loaf of yeast bread

Tea Ring (SF 50202C) - 1 tea ring

Sweet Rolls (SF 50202D) - 3 sweet rolls

Cake (SF 50202E) - one layer of a rich white cake or rich chocolate cake, top side up

*Using the recipes included in the project manual, prepare an exhibit for **one** of the classes below. If you make changes to the recipe, bring a copy of the recipe with your changes. Display exhibit on a disposable plate and place in a zip-sealing plastic bag. In addition to your food exhibit, pick one of the recipes from Cooking 401 that is not a choice for exhibit. Make the recipe and take a picture of the results. Bring a document with a printed picture of the food you made from the recipe and the answers to the following two questions: 1.) If you made this recipe again, what would you do differently? 2.) What did you learn that can help you in other ways besides preparing food?*

Focaccia Bread (SF 50203A) - ¼ of a 15" x 10" loaf of focaccia bread (do not include dipping oil)

Pie Shell (SF 50203B) - one baked pie shell – traditional, oil, or whole wheat (no graham cracker)

Sponge Cake (SF 50203C) - ¼ golden sponge cake, top side up, without frosting

French Bread (SF 50203D) - ½ loaf French bread

Food Science 1, 2, 3 and 4: (SF 50204)

Prepare a display, digital presentation, or poster on one of the food science experiments from the manual that you completed. Share 1) the food science question you investigated; 2) process used to conduct the experiment; 3) results and observations; 4) what you learned; and 5) how you have applied this information. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

Sports Nutrition (SF 50206)

Prepare a display, digital presentation, or poster on one of the activity chapters in the manual that you completed. The activity chapters are listed by page number in the table of contents. Your exhibit should include, at minimum, information on one physical fitness component and one food/recipe component from the activity chapter. The exhibit should include the project manual with the pages of the activity completed. You may also include live demonstration of physical activities. Do not bring food made using the recipes, but consider adding pictures of the completed recipes to your exhibit. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something

visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

Examples for Activity 1

Example A: Make a video of yourself practicing flexibility, strength and endurance physical fitness activities and making pasta salad with different vegetable, pasta and dressing ideas. Bring a screen shot and brief description of your video to leave on display.

Example B: Make a poster of pictures of flexibility, strength and endurance physical fitness activities and information on the results of making the spinach and mandarin orange salad. Include answers to the questions in the book.

Food Preservation: (SF 50208A, 50208B, 50208C, 50208D, 50208E, 50208F)

Prepare an exhibit using ONE of the following food preservation methods: canning; freezing; drying; pickles/relishes; jams, jellies and preserves **OR** a combination of these (see Preservation Combination option below), excluding Freezing. **No freezer jam exhibits will be allowed for Freezing; Jams, Jellies, and Preserves; or for the Preservation Combination options.**

- **Canning (SF 50208A)** – The exhibit should include two different canned foods in appropriate jars for the products. Food may be fruit, vegetable, or tomato product (i.e. salsa, juice, etc.).
- **Freezing (SF 50208B)**– Prepare a nutrition display that illustrates a freezing principle. There is NOT a food exhibit option for this preservation method.
- **Drying (SF 50208C)** – Exhibit two (2) different dried foods packed in plastic food storage bags. Choose from fruit, vegetable, fruit leather or meat jerky.
- **Pickles and Relishes (SF 50208D)**– Exhibit two pint jars of different recipes of pickles and/or relishes.
- **Jams, Jellies, and Preserves (SF50208E)** – Exhibit half-pint jars of two different jams, jellies, and/or preserves.
- **Preservation Combination (SF 50208F)**– Exhibit two different preserved food products, excluding Freezing, in appropriate jars/packaging (drying). For example, exhibit 1 jar of tomatoes (Canning) and 1 half-pint of jelly (Jams, Jellies, and Preserves).

All preserved products should be prepared and processed according to the current USDA/Extension information. USDA information on preserving food, including recipes, can be found at: www.homefoodpreservation.com or web.extension.illinois.edu/foodpreservation/ Recipes must be processed in a water-bath or pressure canner.

All food preservation exhibits must be labeled with: 1) The name of the food; 2) The date preserved; 3) Appropriate method(s) of food preservation (For canned projects: boiling water bath or pressure canner; For drying projects: Specify equipment used (food dehydrator, oven, etc.))

Examples:

- Strawberry jam, boiling water bath. July 13, 2019.
- Green beans, pressure canner. July 13, 2019.
- Beef jerky, food dehydrator and oven. July 13, 2019.

All food preservation exhibits must be accompanied with the recipe(s) – typed or written, with the source of the recipe(s) listed.. **Required Recipes and Sources for Food Preservation Exhibits** – all food preservation recipes be from an approved source. Those sources are:

- *PUT IT UP! Food Preservation for Youth* manuals
- U.S. Department of Agriculture (USDA)

- National Center for Home Food Preservation
- Ball/Kerr Canning (recipes after 1985)
- Mrs. Wages

DO NOT BRING RECIPES FROM: Magazine or newspaper clippings, Pinterest (unless it is from a source listed above), Grandma's or a recipe from a family member or friend without a source, Cookbooks (excluding the Ball, Kerr and Put It Up! book).

Canning Equipment Requirements: All canned products must be canned in clear, standard jars in good condition (no chips or cracks). Jars must be sealed using two-piece canning lids (flat lid and band). Must use a new, unused flat lid. Bands must not be rusty or severely worn.

Foods Innovation Class: (SF 50211)

Open to youth enrolled in any Foods project.

Demonstrate the skills and knowledge you have gained through the project. The exhibit may include, but isn't limited to, original recipes, results of experiments not in the foods project books, variations on recipes or experimenting with unique cooking or baking methods. Your work can be displayed by a food product, demonstrations, digital presentations, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. If you bring a food product, the food will NOT be tasted.

Foods Nutrition Ready4Life Challenge: (50210)

See Ready4Life Challenge Guidelines on pg. 31. Open to 11- to 18-year-olds enrolled in any Foods project.

HORTICULTURE: FLORICULTURE

Superintendent: Curt Miller

1. Each county may submit three State Fair entries from classes 50192/50193/50194/50195/50196 and one from 50198.
2. Table displays are limited to 2' wide x 15" deep (standard science display boards fit into this size limitation). The maximum poster size for hanging is 22" x 30".
3. Members may exhibit two (2) different varieties in each class; however, only one premium will be paid.
4. Flower displays should be placed in jars (either pint or quart) with no decorations added. The jar should be narrow-necked so the flowers stand up.
5. Exhibits should be labeled with the common and scientific name of the plant.
6. Flowers must have been grown by the exhibitor from seed or young seedling plants, bulbs or rhizomes.
7. Fairy gardens must be shown under Floriculture B.

Floriculture A (SF 50192)

Exhibit one of the following options:

- Create a flower arrangement, either a round arrangement or a bud vase. No silk flowers are permitted; *This class is offered only at the Flower Arranging Show* . **OR**

- Create a photo collage or a collection of pictures of flowers that you have raised. Label your flowers by name and tell if you started with a seed, cutting or transplants. Mount pictures on a poster board; **OR**
- Exhibit in one container, 3 stems of blooms - each with attached foliage. Foliage that would go inside the container may be removed. All three blooms or stems should be the same variety, color, shape and size and must have been grown from seed, young seedling plants, bulbs or rhizomes by the exhibitor. (NOTE: Exhibitors choosing lilies should include no more than 2/3 of foliage for their exhibit.)

Floriculture B: (SF 50193)

Exhibit one of the following options:

- Display a mixed planter that may include herbs with foliage plants and/or flowering plants. The planter should include three or more kinds of plants. The container exhibit space must not exceed 18"x18".
- Create an artistic display of dried flowers and/or herbs explaining how each was dried. *This class is offered only at the Flower Arranging Show* ; **OR**
- Create a photo collage or collection of pictures of plants from your theme garden. Label your plants by name and explain how the plants were chosen to fit the theme.
- Create an artistic fairy garden of plants, flowers and/or herbs. Explain the process you utilized to prepare your fairy garden. Label your plants by name and explain how the plants were chosen to fit the theme.

Floriculture C: (SF 50194)

Exhibit one of the following options:

- Create a terrarium. Selected plants should be started by the exhibitor from cuttings or seeds or as purchased plugs. The terrarium must be cared for by the exhibitor for at least 5 months. Exhibitor should be able to explain the different plant, soil, and environmental needs and watering requirements of a closed system; **OR**
- Exhibit a plant that you propagated from cuttings, layering or division or started from seed. Create a photo board showing the progression of growth. Tips for vegetative propagation of houseplants can be found at University of Illinois Extension Gardener's Corner (go.illinois.edu/gardenerscorners)

Floriculture D: (SF 50195)

Exhibit one of the following options:

- Create a centerpiece around a theme. *This class is offered only at the Flower Arranging Show*; **OR**
- Create an exhibit of forced bulbs in a pot.

Floriculture Display: (SF 50196)

(Open to youth enrolled in Floriculture A, Floriculture B, Floriculture C, and Floriculture D)

Present an exhibit of the member's choice that focuses on some aspect of floriculture which does not fit in the categories above. The exhibit may include, but isn't limited to, dish gardens, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Green Foliage House Plant (CF 18035) (not eligible for state fair)

Exhibit a green foliage plant that was raised by the exhibitor from seed, cutting or tuber. Attach a 3" x 5" index card to the side of the container including the botanical and common names of the plant, how it was started and where the plant is located in your home. Only one (1) variety of a plant per container/class is allowed.

Flowering House Plants (CF 18036) (not eligible for state fair)

Exhibit a flowering plant that was raised by the exhibitor from seed, cutting or tuber. If the plant is not flowering at the time of the show, exhibitor may include a picture of the flowering plant. Attach a 3" x 5" index card to the side of the container including the botanical and common names of the plant, how it was started and where the plant is located in your home. Only one (1) variety of a plant per container/per class is allowed.

Outdoor Hanging Basket (CF 18037) (not eligible for state fair)

Exhibit a deck or patio hanging basket grown outdoors. Plant should be in appropriate container for size of plant. Attach a 3" x 5" index card to the side of the container including the botanical and common names of the plant, how it was started and where the plant is located in your home. Only one (1) variety of a plant per container/per class is allowed.

Floriculture Ready4Life Challenge: (SF 50198)

See Ready4Life Challenge Guidelines on pg. 33. Open to 11- to 18-year-olds enrolled in any Floriculture project.

HORTICULTURE: VEGETABLES, HERBS, & FRUIT

Superintendent: Curt Miller

1. Each county may submit 3 entries total for 50313, 50314, 50315, 50316, 50317; and 1 entry for 50318.
2. All exhibits must have been grown by the exhibitor as part of their current gardening 4-H project.
3. Exhibitors should be knowledgeable about various aspects of the vegetables, including but not limited to different varieties, soil testing, fertilizers used, etc.
4. Vegetable exhibits should be prepared according to the Illinois Vegetable Garden Guide website: <http://web.extension.illinois.edu/vegguide/>.
5. Waxes and oils may not be used on vegetables or fruits.
6. Any plant(s) infested with insects will be removed from the exhibit area and will not be eligible for a Champion (county) or Superior (state) rating.

Herb Display (SF 50313)

(Open to youth in Vegetable Gardening A, Vegetable Gardening B, Vegetable Gardening C, and Vegetable Gardening D)

- Exhibits will be accepted displaying herbs grown in pots up to 8" in diameter.
- Categories: Mint, Oregano, Rosemary, Sage, Thyme, and all other herbs. Herbs should be labeled with common and Latin names. Herbs should be in your care for a minimum of three months for state fair exhibits. Remove dead leaves from plants and check that the soil is clear of debris such as dead leaves. In addition to class Champions, Herb Category Grand and Reserve Grand Champions may be selected. When exhibiting herb plants, be sure to grow the plants in the container to be displayed to avoid transplant shock. Exhibits will be evaluated

based on cleanliness, uniformity, condition, quality, and trueness to variety. Additional herb resources are located on the project resources section of the Illinois 4-H website.

Vegetable/Fruit Display (SF 50314)

(Open to youth in Vegetable Gardening A, Vegetable Gardening B, Vegetable Gardening C, and Vegetable Gardening D)

1. This class is allowed a 2'6" x 2'6" space for display.
2. Display must include 6 or more different kinds of vegetables or fruits. There may not be more than 2 different varieties of any vegetable/fruit. For example, red and white potatoes would be classified as two different varieties. Acorn squash and zucchini would be classified as two different vegetables.
3. The number and type of vegetables/fruits used must conform to the Vegetable/Fruit Plate/Display List. *Fruit Plate list is below vegetable plate list.*
4. Exhibitors must provide the name and variety of all vegetables/fruits used. (i.e. Cabbage – Golden Acre; Cucumber, slicing – Straight Eight; Tomatoes, slicing – Rocky Top; Snap Beans – Contender, etc.).

Vegetable Plate: (SF 50315)

(Open to youth in Vegetable Gardening A, Vegetable Gardening B, Vegetable Gardening C, and Vegetable Gardening D)

1. Exhibit must include 2 single vegetable plates. (Exhibitor will furnish the disposable plates.)
2. Number of vegetables on plates must conform to plate list below.
3. Only one variety on each plate.
4. An exhibitor cannot show two plates of the same type vegetable. (i.e.: Cannot exhibit red *and* white potatoes or zucchini *and* straight neck summer squash.)

VEGETABLE PLATE/DISPLAY LIST

When selecting vegetables for exhibition, keep in mind that the judge will evaluate them on the basis of cleanliness, uniformity, condition, quality, and trueness to variety. (*Lists are provided by UI Extension Horticulturists; Items are listed according to the correct definition of vegetables*)

STEPHENSON COUNTY 4-H LIVESTOCK SHOW

GENERAL LIVESTOCK RULES

1. **4-H Members showing BEEF, DAIRY CATTLE, SHEEP, SWINE and GOATS are required to be YQCA Certified** – meaning they need to take the Youth for the Quality Care of Animals training each year. This training may be taken online or at one of the face-to-face training opportunities offered by each county. The website for completing this online training or registering for the face-to-face trainings is: <https://yqca.learngrow.io>. This training **MUST** be completed by June 1st each year. **Once completed a certificate should be printed and turned into the extension office BEFORE June 1st.**
2. In order to show horses, poultry, rabbits, small pets, dogs and/or cats at the Stephenson County 4-H Show or at the Illinois State Fair, 4-H members are **required** to complete an online quality assurance & ethics clinic by June 1st. The online clinic is found at: <http://web.extension.illinois.edu/qaec/>. *Please call the Extension Office (815) 235-4125 if you have questions or need help with this.*
3. All purebred animals and/or animals eligible to be registered or recorded in their respective accredited association(s) **must** register. Animals must be registered in the name of the 4-H member /exhibitor only; no partnership, farm, or co-ownerships will be allowed (except dog, horse, dairy). The registration papers **can** have multiple names as long as they are from the same family.
4. **All forms/ ownership papers must be submitted at time of check-in unless submitted in advance (dog, horse, swine), and must be available for the show superintendent or his/her representatives to review.** If an animal is registered and the papers are not on the fairgrounds, the 4-Hers will be disqualified from showing.
5. See individual species requirements on following pages. **If animals are not born/registered by the deadline the 4-H'er will be allowed to show but will not be eligible for Champion, Reserve Champion, or Trophy.** Exhibitors must be prepared to produce the **ORIGINAL** registration papers or grade ID (VIP) papers for examination when called for by the department superintendent or his/her representatives. **NO EXCEPTIONS!**
6. An exhibitor may enter 1 or 2 entries per class. If two entries are made, the second entry must be shown by another Stephenson County 4-H'er. Parents and/or Cloverbuds are **NOT** allowed to show an animal.
7. Only one premium per exhibitor, per class, will be paid. This includes the weight classes for Beef and Swine.
8. All Livestock Show Entries must be entered in Fair Entry no later than **June 15** of the current 4-H year.
9. All animals must be the property of the 4-H member/exhibitor as certified by the signature of the 4-H member, his/her parents or guardian, and his/her 4-H leader, with the exception of special leasing in the horse project.
10. All weighing, tattooing, and tagging of any animal must be done only at specified weigh-ins or clinics planned by 4-H Extension Staff, superintendents, and committees. Weighing, tattooing, and tagging will not be done at a separate time at the member's home.
11. All livestock exhibits should be on the fairgrounds by the check-in time set for that specific show. **PLEASE CONTACT THE EXTENSION OFFICE FOR EXTENUATING CIRCUMSTANCES.** Health, registration and ownership/lease papers will be checked during the check-in time. Check-in times can be found in the respective animal show requirement sections to follow.
12. Please check all health regulations pertaining to the livestock you wish to exhibit and have the proper papers on hand. State of Illinois, Department of Agriculture, and Health Regulations for County Fairs will prevail. **NO EXCEPTIONS! Please also see individual show rules as well.**
13. Classes having fewer than four entries may be consolidated or may be dropped the next year at the discretion of the 4-H Extension Staff and the Show Superintendent.
14. If no entry in a class receives a blue ribbon rating, the trophy will be held.

15. No person, except the exhibitors, judge(s), superintendent, and those designated by the superintendent to assist in the operation of the show, will be allowed in a show ring during judging. Two exceptions to this rule are the Poultry Department (no show ring exists) and club exhibit classes (only as necessary).
16. The club exhibit shall consist of two or more members from different families, from one 4-H club, exhibiting five specimens of the same species. One adult or junior leader may assist in setting up the animals if there aren't enough 4-H'ers to exhibit. If a 4-H club has enough animals to make two separate club exhibits in a given species, the club may do so. **CLOVERBUDS ARE NOT ALLOWED TO SHOW ANIMALS FOR CLUB EXHIBIT OR ANY OTHER LIVESTOCK CLASS.**
17. All 4-H'ers are responsible for cleaning up after their animals when they remove the animals from the barns. Each exhibitor must thoroughly clean his/her pen and place litter in a designated area.
18. If exhibitors do not follow the above listed rules or those listed in the individual sections, the Stephenson County 4-H Extension Staff will determine final penalty. The maximum penalty for breaking rules within the livestock areas will be exemption from that show for three (3) years.
19. With the exception of animals being sold at the Jr. Livestock Sale, and animals being shown in the Jr. Open and Open Shows, all animals will be released immediately following the conclusion of their respective 4-H Shows.
20. 4-H Extension Staff and department superintendent(s) will determine if a 4-H'er can replace an animal after the registration deadline if an accident or situation occurs that leaves an animal dead or injured. The 4-H'er must have registered that animal to show and must **not** have another animal registered to show in that same species.
21. The final decision in all matters relating to health and/or interpretation of State of Illinois Livestock Industry Regulations shall be carried out by a duly appointed Fair Veterinarian.
22. All animals except beef will enter through the south gate. Beef will enter through the northeast gate off Walnut Road.

SHOWMANSHIP RULES

1. 4-H'ers will be allowed to sign up for Showmanship classes on the day of the show. This rule applies **only** to Showmanship.
2. Showmanship classes do not pay premiums.
3. Showmanship age divisions will be based on the 4-H age as of September 1st of the current 4-H year.
4. 4-H'ers **must show his/her own animal** for Showmanship.
5. Showman of Showman can be won at any age and can be won more than once.
6. Showmanship classes will take place **at the beginning** of the livestock show for **ALL** species except Horse & Pony.
7. Once a 4-H'er wins his/her Showmanship age division, he/she will automatically be moved to the next age division the following year. Showmanship can only be won once for each age division.
8. If a 4-H'er wins his/her Showmanship age division, he/she will compete in the Showman of Showman class **that same year**.
9. Regardless of how the 4-H'er places in the Showman of Showman division, he/she will be allowed to exhibit in the next age division the following year (unless he/she ages out of the 4-H program).
10. Past Showman of Showman winners who were not allowed to exhibit the following years are now eligible to come back and exhibit in the age division where he/she left off. If he/she wins his/her age division, he/she may then exhibit in the Showman of Showman class the same year (per rule #5 and #8 above).

STATE FAIR LIVESTOCK EXHIBIT NOTES

1. Exhibitors must be between the ages of 8-18 as of September 1 of the current 4-H year in order to show at the State Fair.
2. All livestock State Fair entries are due to the Illinois State Fair on July 1. Entry forms are available at <https://www2.illinois.gov/statefair/competitions/premium-books/Pages/default.aspx> If you do not have access to the Internet, you may use a computer at the Extension Office to download State Fair information. The Extension Office will no longer receive copies of these forms.
3. All livestock forms must be signed by an Extension Staff member **BEFORE** submitting them to the Illinois State Fair.
4. **4-H Members showing BEEF, DAIRY CATTLE, SHEEP, SWINE and GOATS are required to be YQCA Certified** – meaning they need to take the Youth for the Quality Care of Animals training each year. This training may be taken online or at one of the face-to-face training opportunities offered by each county. The website for completing this online training or registering for the face-to-face trainings is: <https://yqca.learngrow.io>. This training **MUST** be completed by June 1st each year.
5. 4-H'ers planning to show Cat, Dog, Poultry, Rabbits and/or Cavy or Horse at the Illinois State Fair **MUST** complete the Quality Assurance & Ethics Certification (QAEC) before the June 1 deadline, if they are a first-time, State Fair livestock exhibitor (regardless of age). Certification must be completed online at: <http://web.extension.illinois.edu/qaec>. If you do not have a computer or Internet access, a computer will be provided for your use at the Extension Office.

ANIMAL WELFARE

During fair season, 4-H members have an opportunity to showcase our belief in the ethical and humane treatment of animals and demonstrate our guarantee of safe food production practices. While showing livestock, we are under the watchful eye of the general public. Many people attending a local fair may have no idea how livestock is raised. You are our spokesperson for the livestock industry. The proper care of animals in a public setting should receive primary attention. Practicing these guidelines should be helpful in preventing any misconceptions the public may have about the way we raise livestock.

1. Provide fresh, clean water to all animals at all times.
2. Keep your pens clean and dry with good bedding at all times.
3. Be aware of the animal comfort zones i.e. temperature, space.
4. Sort and load animals safely and with concern for them.
5. Train animals to lead or be handled at a young age before the fair; this will make them more manageable at the fair.
6. Arrange for veterinary care in case of an animal emergency.
7. Handle animals in a very humane way.

8. Adhere to all antibiotic, drug, and water or feed additive withdrawal times.
9. Animals should be fed on a routine bases.
10. Avoid stressing the animal.
11. Keep animals clean; a clean animal is viewed as a healthy animal.
12. Use show sticks, whips, and canes for showing only and try to use them as gently as possible.
13. Review your 4-H project manual and follow the care recommendations. This is also a good way to answer any questions the public may have.
14. Have a plan of action if a problem should arise and who to contact to help solve it or answer questions.
15. Know who and where fair officials are and how to get in contact with them.
16. If questioned about animal care by a stranger, remain calm, be polite, answer the questions the best you can, don't argue, and refer the person to the department superintendent if a tough question or situation arises.

Animal welfare is important and highly visible during summer fairs. Following the above practices will present a positive image of our livestock industry and the 4-H program to the public as well as demonstrate the solid animal stewardship which is our 4-H tradition.

Superintendents:

Barb Curry – (815) 541-5642
Gary Mielke - (815) 238-5499
Leslie Musser – (815) 541-6877

Show Time: 9:00 a.m.
Beef Show Ring, Fairgrounds

The 4-H'ers name must be on the registration papers for all purebred animals. The registration papers can have multiple names as long as they are from the same family. All papers **MUST** be on the fairgrounds and **WILL BE** checked. If papers are not on the fairgrounds, 4-H'er will be disqualified from showing.

Rules:

1. **An exhibitor may enter up to two entries per class. If two entries are made, the second entry must be shown by another Stephenson County 4-H'er. Only one premium per class will be paid.**
2. Please read the General Livestock and health and ownership rules in this booklet.
3. All beef projects must have been born after January 1, 2021 and have all milk teeth in place with no permanent teeth showing, with the exception of breeding stock.
4. All beef projects must be dehorned.
5. All beef projects will be weighed on before the 4-H Beef Show. **NO EXCEPTIONS!** They must weigh a minimum of 900 lbs. **All Purebred breeding stock and Purebred steer ownership papers will be checked at this time.**
6. If an animal is found to be in the wrong class, the 4-H Extension Staff will check the original Show Enrollment Form and work with the superintendent to decide what classes that animal will show in.
7. When choosing Grand Champions, **ALL** Champions and Reserve Champions will be called back into the ring.
8. Bucket Calf projects will be shown first, followed by Showmanship, heifer show and steer classes last.
9. It is **highly** recommended that all steers be weighed at the February county weigh-in.
10. **All Beef classes will be a "no fit" show – meaning you may only use show sheen or a similar product. No adhesives of any kind may be used.**
11. All beef exhibitors **MUST** come in the northeast gate of the fairgrounds off Walnut Road.

BEEF BUCKET CALF – Must bring completed project record; see #2 below.

Bucket calves need to be weighed (same as steers). The weight is needed to fill out the 4-H record sheets in the Bucket Calf project manual.

Age 8-10 years N-800
Age 11-12 years N-801

1. All Beef Bucket Calf projects must be on the grounds the day of the show to be weighed.
2. **Completed 4-H Beef Bucket Calf Project Record sheets need to be turned into the Beef Superintendents at the registration table prior to the show.**
3. Obtain a calf born after January 1 of the current year. **Calf must be AT LEAST 90 days old when shown.**
4. Calf may be an orphan or newborn calf, male or female, purebred beef or beef cross, fed on bucket or bottle - **CANNOT be a dairy cross.**
5. 4-H'er is limited to one (1) calf only.
6. Calves will be shown on halter.
7. Bucket calves will be shown only **ONCE**—either Bucket Calf or Calf classes above (Heifer or Bull (not castrated)) - **NOT BOTH.**

8. Final ranking will be based on 4-H'ers knowledge of the calf (50%), completed record sheets (25%), and general health and appearance of the calf (25%).
9. Judging on halter will take place before the Beef Breeding class on the day of the show.
10. **Grooming with adhesives, etc., and clipping are prohibited. Calf just needs to be washed and clean.**
11. Project calves **MUST** be bottle- or bucket-fed only; they **cannot** still be nursing.

Rules:

1. **YOU MUST HAVE YOUR LEASE/OWNERSHIP PAPERS INTO THE EXTENSION OFFICE BY THE MAY 1 DEADLINE OR YOU WILL NOT BE ELIGIBLE FOR CHAMPION, RESERVE CHAMPION, OR TROPHY. NO EXCEPTIONS! IF YOU ARE MISSING ANY OF THE FOLLOWING ITEMS THE DAY OF THE SHOW, YOU WILL NOT BE ELIGIBLE TO SHOW: Current Lease/Ownership papers, Coggins papers, Risk Assumption form and Policies & Guidelines form.**
2. Lame horse, as determined by the judge, will be automatically scratched from all classes for the day. A dated document from a veterinarian releasing your animal to show will be required in order to exhibit that same horse/pony the following year.
3. If you are unable to exhibit the day of the show, please contact one of the Superintendents above.
4. Exhibitors are responsible to know what classes they are in and when to be ready for those classes.
5. Illinois state law requires all horses and ponies over 12 months (1 year) to have a negative Coggins within the past year to be able to go to an advertised event including shows. You **MUST** turn in a COPY (not the original) of current Coggins papers when you check in.
6. All entries must be clean and well mannered.
7. An exhibitor may show more than one breed but is limited to one entry per class.
8. A yearling is a 2021 product.
9. Open refers to both registered and grade animals.
10. No stallions may be exhibited in 4-H. Suckling colts are accepted.
11. A suitable show halter or bridle is necessary to control the animal and should be used in all classes at hand.
12. In Equitation classes, the rider will be judged. Horsemanship, ability to control the animal through various gaits required (walk, trot, and canter) and suitability of the animal and equipment to the rider will be considered.
13. Ponies will be 56" and under. Western and English ponies will be measured prior to show.
14. In all classes, 4-H'ers must wear the proper attire (i.e. boots, clothing, etc.). Junior horses may be shown in Bosal or Snaffle. Chaps are optional. Relaxed attire will be acceptable **ONLY** during Gaming Classes (S-29 to S-32), (i.e. t-shirts, long pants, and boots).
15. English and Western - **In the event that coats are called**, chaps are optional; jeans will be acceptable and a collared shirt (short- or long-sleeved) must be worn.
16. Approved protective headgear, with safety harness fastened and buckled, IS REQUIRED BY ALL RIDERS WHENEVER MOUNTED – NO EXCEPTIONS. Helmets must meet ASTM/SEI standards.
17. Each breed, including leased animals, is to show only in respective class.
18. Please note the general livestock rules, guidelines and policies pertaining to health and ownership in this book. **IF FOAL WON'T BE BORN BEFORE MAY 1ST, THEN MARE MUST HAVE OWNERSHIP OR LEASE PAPERS INTO THE EXTENSION OFFICE BY MAY 1ST.**
19. Open Novice Horse/Pony & Exhibitor combination halter is for the animal and exhibitor that has never received a blue-ribbon rating. This class is not eligible for Champion or Reserve Champion. See S-11 & S-12 for further explanations of class eligibility.
20. **Only 4-H exhibitors can warm up their horses in the show ring. No trainers/parents are allowed to be mounted on any 4-H Horse project once on the showgrounds, the day of the show.**

21. Premiums will not be paid for the following classes: Costume Class, Cloverleaf Barrels, Pole Bending, Egg & Spoon, Flag Race, Bribe Your Horse and Trail.
22. The decision of the judge is final.
23. If the judge and superintendents find a horse to be unfit, the 4-H'er will be advised that all classes that horse is being shown in will be scratched. A health certificate will be required to show that horse in any Horse Show the following year.
24. **All showmanship, equitation, and horsemanship classes must perform a pattern during the judging process.**
25. The Committee reserves the right to split, combine, and/or cancel any class upon its discretion.
26. **Multiple Kids per Horse:** This applies to the situation where more than one child within the same family needs to exhibit the same animal. **The horse can only be shown once in each class.** If both exhibitors fall into the same level showmanship class, one 4-H'er must show in appropriate halter class instead.
27. **NOVICE CLASSES:** You may enter NOVICE classes if you are enrolled in your First or Second Year in the Equine Project. If you enter NOVICE classes, you may ONLY enter classes designated "NOVICE".
28. **WALK-TROT CLASSES:** These classes are for kids who cannot canter yet. WALK-TROT exhibitors are NOT ALLOWED to show in any canter classes (Exceptions: Speed & Trail).

Health Regulations

1. **All paperwork must be shown to superintendent at the time of check-in BEFORE birds can be put in cages.**
2. All entries (except waterfowl, i.e., domesticated fowl that normally swim, such as ducks and geese) in a show or exhibition shall have originated from a U.S. Pullorum-Typhoid clean or equivalent hatchery or flock; OR have a negative pullorum-typhoid test within 90 days prior to exhibition. Exhibitor shall show proper information as to name and address of the owner or exhibitor, name and address of the authorized testing agent, date of the testing; also, the number, breed, and species of those tested. ****Be sure to ask for these papers when you buy your chicks. (This includes turkeys). Exhibitors will not be allowed to show without the correct paper work. NO EXCEPTIONS!!**
3. Any poultry vaccinations must be performed **at least 4 weeks prior** to delivery to show.
4. All entries to a show or exhibition shall be accompanied by a health certificate from the owner or exhibitor that, to the best of his knowledge, the poultry entries and source flocks are free from any evidence of, and were not recently exposed to, any infectious or transmittable disease. The certification shall be based on inspection made 5 days prior to delivery of birds to each show or exhibition; **the certification is to be presented to the show superintendent at that time.**
5. Upon admission to a show, all entries shall be examined by an accredited veterinarian employed by the management of the show or by an authorized State Inspector who shall receive and examine all health certificates necessary for admission of birds to a show.
6. A list of entries of poultry or other fowl must be compiled for the show by the show superintendent. It must indicate name, address, and total number of poultry entered (not pigeons). The list must be given to State Inspector at time of inspection.
7. Prior to being used to transport poultry to a show, all crates, boxes, containers, and vehicles should be thoroughly cleaned and disinfected.
8. Pens, feed, water, and bedding will be furnished, and the 4-H Poultry Superintendents and Committee will feed and water poultry daily.
9. Superintendent will dismiss after judging and awards is completed on the day of the show. All animals must be removed by 4:00 p.m. unless the 4-H'er is participating in the Jr. and/or Open Shows.

General Regulations

1. EXHIBIT RULE: Only Broilers, laying hens and turkeys, pigeons, and other species will be shown as pairs. All others will be shown individually. Please list the **NUMBER** of birds you are bringing if it is not a "pairs" class. The two birds do not need to be the same breed, with the exception of Broilers, laying hens, turkeys, pigeons, and other species.
2. **All exhibitors MUST BE present at time of judging.**
3. Each bird may only be shown in one class.
4. All entries will be cared for by a 4-H member for the duration of the show. Superintendents will feed your animals but 4-H'ers are expected to keep pens clean. No tubs or large pans are allowed in water fowl pens.
5. Egg Production Class will require exhibiting a pair of laying hens and one dozen eggs.
6. **All birds must be hatched after January 1 of the current 4-H year,** with the exception of laying hens, pigeons, and other species.

Poultry will be judged on the following criteria:

- A. Cleanliness and free of all parasites.
- B. Must conform to criteria of class requirements.

Purebreds or Crossbreds: May exhibit two (2) pairs of broilers.

T-1 Pair of Broilers. **Broilers must be same sex.** Suggested weight: 6 lbs.

EGG PRODUCTION: May exhibit two (2) pairs of laying hens.

T-2 Pair of Laying Hens - (over 8 months old, should be egg production hens and must be pullorum-typhoid tested each year)

T-3 Egg Production - must also be entered in T-2 and bring one dozen eggs

RABBITS AND CAVIES

Show Time: 8:30 a.m.
Rabbit Barn, Fairgrounds

Superintendents:

Judy Cary – (815) 238-5312
Denise Hayunga – (815) 232-7226

Rules:

1. **An exhibitor may enter one or two entries per class. If two entries are made, the second entry must be shown by another Stephenson County 4-H'er. Only one premium per class will be paid. An exhibitor must show a rabbit in a class to participate in Showmanship.**
2. **Ear ID forms for all animals are required the morning of the show.**
3. Pens will be provided for rabbits. However, once released by the superintendent, rabbits must be removed immediately following the 4-H Rabbit Show unless showing in the Jr. Open or Open Rabbit Show.
4. 4-H'ers only showing in the 4-H Rabbit Show must provide water for their rabbit. Feed and water are provided for Jr. Open and Open Rabbit Show exhibitors. Pens, feed, water, and bedding will be furnished for all poultry exhibitors, and the superintendents and committee members will feed and water poultry daily. **BE SURE TO THANK THOSE INDIVIDUALS FOR THEIR GENEROSITY AND HELP!!**
5. All animals must meet the health requirements as set up by the State of Illinois – See *Exhibition Livestock Health Requirements* on the Stephenson County 4-H website. **ANY UNSOUND RABBIT WILL BE DISQUALIFIED AND REMOVED FROM THE BUILDING. NO EXCEPTIONS!!**
6. Ownership deadline for all rabbits is June 1 of the current year.
7. Each rabbit will be shown by a 4-H member.
8. Each rabbit must have an identification marking in its ear. Purebred rabbits must have a permanent tattoo. Other rabbits should have the owner's initials and a number in ear. (Use a ballpoint pen or Sharpie marker).
9. 4-H rabbits may be left at the Fair for the week, but **each 4-H'er is responsible for feeding and watering their own rabbit. Parents must sign permission slip for rabbit to stay.**
10. Each exhibitor needs to know when their rabbit was born and its breed and must indicate this on the entry form. To be sure if your rabbit is purebred or crossbred, consult a rabbit breeder or a Show Superintendent BEFORE THE DAY OF THE SHOW. It's important that rabbits are in the correct class.
11. It is highly recommended that 4-H'ers take the initiative to learn about their rabbit's breed. Attending the Rabbit clinic in April would be very beneficial, especially for beginner exhibitors.

SHEEP

Superintendents:

Rose DeVries – (815) 990-2285

Wendell DeVries – (815) 275-1706

Show Time: 9:00 a.m.
Sheep Show Ring, Fairgrounds

Rules

1. An exhibitor may enter up to two (2) entries per class. If two entries are made, the second entry must be shown by another Stephenson County 4-H'er. Only one premium per class will be paid. There is a limit of two (2) breeds per exhibitor.
2. **Any animal not checked in by 8:30 a.m. on show day will not be eligible for Champion, Reserve Champion or Trophy.**
3. All sheep exhibited must be ear tagged or tattooed for identification and will be checked into the entry book with these numbers. ALL Purebred papers will be checked by superintendents at the designated check in time listed above. If any animal does not have a valid registration paper from their breed society, that animal will not be able to show in any purebred classes in the 4-H Show.
4. During check-in, all health and registration papers will be checked. All sheep must be checked in during the scheduled time and health and registration papers must be kept on fairgrounds at all times. If sheep are not checked in during the scheduled time above, the 4-H'er will be allowed to show but not eligible for Grand Champion, Reserve Champion, or Trophy. **PLEASE CONTACT THE EXTENSION OFFICE FOR EXTENUATING CIRCUMSTANCES.**
5. Sheep originating from a flock that have been previously classified as either an infected or source flock in the Scrapie program, can be exhibited in Illinois upon the completion of an approved flock plan.
6. Individual lambs may be shown from the pair of lambs. Lambs must be shown in individual class in order to be eligible to show in the pair class.
7. Group exhibits must be registered and entered in individual's name, and not family name. This rule will be strictly enforced.
8. All lambs must be less than one year old and have lamb's teeth (all small teeth). Yearling ewes must be at least one year old and under two years old based on September 1 cut-off date. Mouth characteristics of a yearling are no more than two large permanent incisors. All sheep will be mouthed by the judge and over-aged sheep will be disqualified.
9. You may use a show halter to show sheep.
10. **If a 4-H'er needs help showing their animal, another Stephenson County 4-H'er or Stephenson County Jr. leader will be allowed to help. (No adult leaders, parents or Cloverbuds will be allowed to help). However, 4-H'ers must show their own sheep in single entry classes.**
11. **Wethers** must have been owned and cared for by the 4-H exhibitor as part of a 4-H project by **May 15 of the current 4-H year per State Fair rules. Breeding sheep must be owned by June 25 of the of the current 4-H year. ANIMALS BOUGHT AFTER JUNE 25 CANNOT BE SHOWN.** Proof of purchases (sale bills) must be made available at check in: 1) if animals were bought (wethers) or 2) if there is no registration paper for that animal (i.e. purebred breeding sheep where registration papers have not been returned from the breed association). **All wethers must have been lambled on or after January 1st of the current 4-H year. All purebred sheep must be registered solely in the name of the 4-H member.**
12. Young flock consists of 3 animals: 2 ewes any age and 1 ram any age (all sheep must be owned by one exhibitor, and not a family).
13. Market lambs will be divided by breed as listed for breeding and will be shown at the end of the breeding sheep show.
14. The club exhibit shall consist of two or more members from different families, from one 4-H club exhibiting five specimens of the same species. One adult or junior leader may assist in setting up the animals because there aren't enough 4-H'ers to exhibit. If a club has enough animals to make two separate club exhibits in a given species, the club may do so.
15. If the 4-H'er has wethers that they plan to sell at the Livestock Sale on Saturday, the animal(s) must be entered in the Jr. Open Show. If animals are not staying for Jr. Open or Open, they must be removed from the fairgrounds and the 4-H'er must clean out the pens.
16. Only purebred, registered breeding sheep will be allowed to show in any of the purebred breeding sheep classes. Breeding sheep must be fitted for show per their breed association standard.
17. Grade sheep are any unregistrable, crossbred, or commercial sheep. Purebred, registered animals will NOT be allowed to show in any of the grade classes.
18. All grade sheep must be slick shorn within 10 days of the show. Aged Ewes to be shown slick shorn.

19. In any pair or flock classes, each animal shown must be of that breed. Breeding sheep and grade animals will not be allowed to be combined to show together in either the breeding classes or the grade classes.
20. Spring lambs may be shown as Fall lambs but Fall lambs may NOT be shown as Spring lambs. Cut off dates for the Fall and Spring lamb classes will be the same as what the individual breed associations recognize.
21. Fall lambs for Columbia, Montadale, Corriedale, Suffolk, Hampshire, Dorset, and AOB must be born between 09/01/21 and 12/31/21. Fall lambs for Cheviot, Oxford, Shropshire, and Southdown must be born between 09/01/21 and 02/15/22.
22. Spring lambs for Columbia, Montadale, Corriedale, Suffolk, Hampshire, Dorset, and AOB must be born 01/01/22 and after. Spring lambs for Cheviot, Oxford, Shropshire, and Southdown must be born 02/16/22 and after.

All of these rules will be strictly enforced!

SWINE

Show Time: 9:00 a.m.
Swine Show Ring, Fairgrounds

Superintendent:

Tom Flack – (815) 291-9524

Rules:

1. **As of 2016, Swine will NO longer have to be blood tested for Brucellosis and Pseudorabies to show in Illinois.** They will only need a health paper/certification of vet inspection and ear tag.
2. An exhibitor may enter up to two entries per weight class. **If two entries are made, the second entry must be shown by another Stephenson County 4-H'er. Only one premium per weight class will be paid.**
3. All swine exhibited must have been farrowed on or after **December 15, 2021**, per county fair requirements.
4. This is a non-terminal show. Animals will be released on Saturday afternoon.
5. All swine shall be negative to an official test for pseudorabies conducted within 90 days prior to the show, or swine shall originate immediately and directly from a quality pseudorabies-negative herd.
6. Animals may be purebred or crossbred.
7. No family or farm shirts advertising specific swine may be worn in the show ring.
8. 4-H'ers must identify his/her hogs when weighed.
9. **All swine must be ear notched with a different number**, even if from the same litter.
10. **ALL 4-H SWINE PROJECTS MUST BE OWNED BY MAY 15. NO EXCEPTIONS!**
11. **Ear notch form(s) will be filled out by the exhibitor and submitted to the Extension Office by June 1.** Any swine being checked in that do not match this form will be allowed to show but will be ineligible for Champion, Reserve Champion or trophy awards.
12. Recommended weight is 220 lbs. to 290 lbs. However, if your animal is over or under weight, it will still be eligible to show.
13. The club exhibit shall consist of two to five members from different families, from one 4-H club exhibiting five specimens of the same species. One adult or junior leader may assist in setting up the animals if there are not enough 4-H'ers to exhibit. If a 4-H club has enough animals to make two separate club exhibits in a given species, the club may do so. **CLOVERBUDS ARE NOT ALLOW TO EXHIBIT ANY LIVESTOCK ANIMAL FOR ANY CLASS.**
14. See General Livestock Rules, State Fair Livestock Exhibit Notes, and State Health Rules for County Fairs for further guidelines.
15. **Each individual animal or pair of animals you are planning on showing needs to be registered by the June 1 deadline! NO EXCEPTIONS!!**
16. **The State Fair Open and Junior Barrow Shows will be non-terminal. The only barrows that will be taken to slaughter will be the Carcass Show barrows. So, unless exhibitors have entered their barrow in the Carcass Show, they will have to take their barrows home with them.**

2022 Exhibition Livestock Health Requirements**County Fairs****GENERAL REQUIREMENTS**

These Exhibition Health Requirements apply to all livestock present at the fair including those animals that are not entered in competitive events.

1. Exhibitors are required to familiarize themselves with all rules applicable to their exhibits.
All out-of-state animals shall require an entry permit. Entry permit numbers are available by calling the Illinois Department of Agriculture, Monday through Friday from 8:00 AM to 4:30 PM, at 217/782- 4944. Permits may also be obtained online at: <http://www.agr.state.il.us/AnimalHW/animalregistry/login.php>
2. All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request.
CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.
3. All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.
4. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
5. CVI for out-of-state livestock shall be void thirty (30) days after issuance.
6. CVI for Illinois-origin livestock shall be void ninety (90) days after issuance.
7. All livestock shall be subject to examination upon entry to any Illinois fair or exhibition. Any animal showing evidence of infectious, contagious or communicable diseases shall be immediately withdrawn and held in quarantine at the owner's risk and expense until properly treated and recovered, or until the animal is released to return to the owner's premise.
Any livestock infected with scabies, mange, active lesions of ringworm, soremouth, or multiple warts which are easily visible without close examination shall not be permitted to exhibit and are subject to quarantine or removal from the fairgrounds.
Sheep and goats with caseous lymphadenitis as evidenced by draining abscesses shall not be exhibited and are subject to immediate quarantine or removal from the fairgrounds.
8. Illinois Department of Agriculture personnel or designee may collect blood, tissue, milk or urine samples from any animal being exhibited and/or raced at any Illinois fair to test for the presence of illegal drugs or banned substances. New examination techniques, such as ultrasound, may also be used at anytime while the animals are on the grounds of any Illinois fair or exhibit.
The Illinois Department of Agriculture or designee may collect urine, blood, tissue or other test samples from exhibition animals at the time of slaughter.

9. All exhibitors of animals at any Illinois fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed, the animal(s) will be excused from exhibition and ordered removed from the grounds with all awards being forfeited.
Any practice or deviation from normal, accepted care, including physical, medical or mechanical application, shall constitute a violation of show rules and may result in the animal(s) disqualification and removal from the fairgrounds.
10. Any Illinois cattle, bison, cervidae or goats being exhibited in non-accredited free states must be isolated from the remainder of the herd/flock upon return to Illinois and retested for tuberculosis 60-120 days post-entry.

Identification

CATTLE

Individual identification of each animal shall be either a fully healed and legible tattoo, approved official ear tag, registration number (can only be used if the tattoo is recorded on the registration certificate or for breeds where pictures are acceptable), or individual brands, if brand is recorded on the registration certificate.

4-H Accommodation Request

The University of Illinois encourages qualified persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about the accessibility requirements of a 4-H event, please contact [name and phone number of county 4-H staff] in advance of your participation or visit.

A request for a reasonable accommodation can be made at any time. It is best, however, to make the request as far in advance as possible in order to allow time to review your request and to make arrangements for the accommodation, if needed. You should give a minimum of ten (10) working days' notice, if possible. In emergency situations, the ten-day requirement can be waived, but you should make your request as soon as you know that you may need an accommodation.
