

There have been some changes to how certain 4-H projects are classified. Please check this list to determine if this affects a project you plan to show at the 2022 fair.

Animal Science will now have level 1 and level 2

New class number assigned for eSports

All the Cooking classes now have subclasses named specifically with the food made for that class.
Example: Cooking 101: Cereal Bars (SF 50200A) Coffeecake (SF 502008) Cookies (SF50200C)

Fairy gardens will go in Horticulture: Floriculture B class

Division name for Horticulture: Vegetable Gardening is changing to Horticulture: Vegetables, Herbs & Fruits

Fruit is being added to Vegetable Display Class in Horticulture: Vegetables, Herbs & Fruits

A new Fruit Plate is added to Horticulture: Vegetables, Herbs & Fruits

We are adding a Natural Resources or Outdoor Adventures Innovation Class and a Fish and Wildlife Class to Nature

Under Plants and Soil Sciences division, we are adding Cover Crops as a new class

In Visual Arts, we will add two new Quilting classes

New Public Speaking competition information is listed in Communications
