

# GENERAL RULES AND REGULATIONS FOR WAYNE COUNTY 4-H LIVESTOCK SHOWS

## OWNERSHIP OF ANIMALS

1. All animals exhibited at the 4-H Fair must be owned and cared for by the 4-H member by the starting date set forth by the Extension Office. Check each specie for starting dates and identification deadlines. 4-H Member may identify any number of animals.
1. Only youth with an excused absence will be allowed for another 4-H member to show their livestock project. If a 4-H member is unable to attend a livestock show, they may seek approval for another 4-H member to exhibit their livestock project from Extension Staff by submitting an Excused Absence Form by June 1. Extension staff will then review the request and notify the 4-H member, within 1 week, of approval or denial. **The livestock project is eligible for sale at the Foundation Livestock Auction, but the member must be present to sell.**
2. Registered animals must be registered in the member's name, farm name, or show a bona fide partnership agreement.
3. Preparation and grooming of animals at the fair is to be done by the 4-H member with help from other 4-Hers and limited adult intervention. Most preparation should be done before show day. Professional help is not allowed anytime during the 4-H shows.
4. All livestock, except dairy cows in production and bucket calves will remain on the grounds until the conclusion of the Livestock Auction Thursday night.
5. All 4-H members' livestock must comply with the appropriate specie livestock health regulations as set forth by the Wayne County Fair Association. Health papers, as required, must accompany all animals at the fairgrounds.
6. Only one animal per class may be shown in the 4-H show.
7. No animal may be shown as an individual more than once.
8. Beef, Goats, Poultry, Rabbits, Sheep and Swine weigh-in and check-in will be held Sunday, July 10, 2022. The Extension Staff will release exact time closer to the date, please check in the 4-H Fair Edition Newsletter.
9. All 4-H members must have 4-H livestock records in hand and up-to-date at check-in.
10. No bulls over the age of 1 year may be stalled in the 4-H barns.
11. The 4-H Livestock shows will be considered graded animal shows.
12. The 4-H Livestock Superintendent and/or Extension Staff have the right to remove or ban any animal for aggressive behavior, illness, or injury from any 4-H show.

## LIVESTOCK OWNERSHIP DATES

All animals must be the property of the 4-H member exhibiting them by the ownership (starting) date. Penalty for falsification will result in banning the member from competition in any class at the show for the current year. These are the requirements for Wayne County 4-H program and may vary from Illinois State Fair requirements.

### ANIMAL LESS PROJECTS

If you are signed up in dog, cat or a livestock class, and only intend to display a poster board, that is considered a general project. All animal less projects should be registered as a general project under the category of Animal Science, and not registered as a livestock project.

### OFF-PREMISE FORM

Animals enrolled in the 4-H program are expected to be in the 4-H member’s regular care from the animal starting date until the conclusion of the 4-H show at the county fair and/or state fair. If animals are housed at someplace other than the 4-H member’s residence, then an Off-Premise form needs to be on file at the Extension Office by June 1, 2022.

### ENTRIES

1. **Fair Entries** – All 4-H exhibitors (livestock and general projects) must submit their project/class entries at <http://wayne4-hfair.fairentry.com>. Times for entry will be posted on our Facebook page, the monthly newsletter and also on the 4-H weekly radio program.
2. **Entry Deadlines** – All entries must be received by the Extension Office by deadline dates. Anyone not submitting an online entry by this time will not be allowed to exhibit.

June 1, 2022 – Beef, Dairy, Goat, Horse, Sheep, Swine, Poultry, Rabbits

3. **Entry Fees** – The 4-H Shows require no entry fee.

4. **Entry Rules** – Entries may be made only in project areas in which the 4-H member is enrolled in. All entries must be the current work of the member making the exhibit or entry. Entry tags to label exhibits will be provided to the 4-H member upon registration for conference judging. All livestock entries must be made on FairEntry.com; otherwise the livestock project will not be shown. ABSOLUTELY NO WRITE IN ENTRIES ARE ALLOWED.

## **JUDGING and PROTESTS**

1. All exhibitors, leaders, and parents are expected to show respect and courtesy to judges. Violations may result in disqualifying the exhibitor. Qualified judges will judge all exhibits. Decision of the judge is final.
2. Extension Staff can make any changes to classes, weights, etc. as they deem necessary. In regard to a question concerning interpretation of the rules and regulations, the Extension Staff will make the decision.
3. If anyone contests any classification or regulation, they must bring it before the attention of the **Extension Staff** for consideration **BEFORE** the show begins.
4. **PROTESTS** - All protest of eligibility of exhibitor or animal must be filed in writing at least 12 hours before the show begins or within 12 hours after the conclusion of the show.

## **SHOWMANSHIP**

Two divisions of showmanship in each specie will be conducted.

- Junior showmanship class for members 13 years of age and younger as of September 1, 2021
- Senior showmanship class for members 14 years of age and older as of September 1, 2021

A rosette will be awarded to the top showman in each specie division. All showmanship winners will advance to the Showmanship Round Robin. A top showman will be selected for each age division. The winner of the Senior division will have the opportunity to compete at the Master showmanship contest held at the State Fair in August.

## **WEIGH-IN PROCEDURES**

Market animals (beef, goat, sheep and swine) must be tagged and/or weighed by Extension staff on the date designated for the specie you are showing. All weigh-ins will be held at the Wayne County Fairgrounds. Enter the fairgrounds from the south gate (Main Street) and exit using the north gate (Mt. Vernon Road). If you are not showing a market animal, please notify the extension office prior to the weigh in so they know your attendance is not required.

## **RATE OF GAIN CONTESTS**

Any 4-H member with a market animal project (barrow, steer, wether goat, or market lamb) may enter this class. The Rate of Gain contest is a voluntary class; however, if you choose to compete in the Rate of Gain contest the following requirements must be followed.

1. Each exhibitor will be allowed to enter the following in the Rate of Gain contest:
  - Steer or market heifer - may weigh up to 3 steers
  - Barrow - may weigh up to 5 barrows. A barrow weighing over 85 pounds at initial weigh in will not be eligible to compete in the Rate of Gain contest.
  - Market lamb (ewe or wether) - may weigh up to 4 lambs
  - Goat wether (doe or wether) - may weigh up to 4 wethers
2. All market animals must be weighed, and weight recorded, by Extension Staff and a member of the Livestock Committee, on set dates. The final weigh in will be made on Sunday, July 10, 2022 at the fairgrounds.
3. All market animals in the Rate of Gain contest will be ear tagged or tattooed at the initial weigh in.
4. Weights of the animal will be calculated on average pounds gained per day. A trophy will be awarded to the top rate-of-gain animal in each specie.

## **HEALTH REQUIREMENTS (BUFF COLOR PAGES)**

Exhibitors are required to familiarize themselves with all rules to their exhibits. If any questions, contact the Wayne County Extension Office or Call the Illinois Department of Agriculture, Bureau of Animal Health and Welfare at 217-782-4944. It is the responsibility of the exhibitor to make sure these requirements are met. All exhibitors will need to make their own arrangements for testing.

## **QUALITY ASSURANCE AND ETHICS TRAINING**

**Deadline to complete: June 1, 2022**

Website: <http://web.extension.illinois.edu/qaec/>

The Quality Assurance and Ethics Certification have been developed to review what is expected of youth when preparing for and exhibiting animals in competition.

### **Who is required to complete this certification?**

All 4-H Youth enrolled in a livestock project area or animal science project will be required to complete this online course one time in order to stay enrolled in a livestock project area.

### **Species:**

**Cat, Dog, Horse/Pony, Poultry, and Rabbits**

### **Certification:**

It will be required for the 2022 County 4-H Shows and the Illinois State Fair Junior Show that any new youth enrolled in one of the livestock project areas (listed above) complete the Quality Assurance and Ethics Certification.

Once you complete this program, you will earn your certificate of completion for the Quality Assurance and Ethics Certification requirement and will be eligible to show your livestock and stay in your 4-H project area.

Youth will be going through these steps to complete the certification:

- Register for the certification. (First name, Last name, County)
- Complete sections on benefits, purpose, care, and medicine.
- Review and understand the Illinois Fairs Affidavit.
- Select and complete **one** species section (choose a species you plan to show).
- Print the “certificate of completion” for your records. Your 4-H county or local Extension office will be sent a confirmation that you have completed the certification.

### **Timeline:**

30 – 45 Minutes

### **How to receive training:**

Training will be online. Participants will be required to register first and last name and entering the county of their 4-H Club. After completing the registering, exhibitors will receive an ID number or “token”. If training is not completed in one setting, they will need this “token” to re-enter the training. Exhibitors will receive training on six different sections, then they will have the opportunity to receive training in one or more of the seven species sections. Upon the completion of the training, they will be added to the QAEC database. Also, before exiting the website, participants will want to print a certificate to verify completion.

**THIS TRAINING MUST BE DONE IN ORDER TO STAY ENROLLED IN THE LIVESTOCK PROJECT AREA. IF IT IS NOT COMPLETED BY THE DEADLINE, YOU WILL BE PULLED FROM THE LIVESTOCK PROJECT AREA AND THEREFORE WILL NOT BE ELIGIBLE TO EXHIBIT AT THE COUNTY 4-H FAIR OR THE ILLINOIS STATE FAIR JUNIOR SHOW.**

# **YOUTH FOR THE QUALITY CARE OF ANIMALS (YQCA)**

**Deadline to complete: June 1, 2022**

**Website:** [http:// https://yqca.learnrow.io/Account/Login](http://https://yqca.learnrow.io/Account/Login)

Youth for the Quality Care of Animals (YQCA) is a national multi-species quality assurance program for youth ages 8 to 21 with a focus on three core pillars: food safety, animal well-being, and character development. YQCA includes information for youth showing the following food animals: pigs, beef cattle, dairy cattle, sheep, goats, market rabbits, and poultry.

## **Required Species:**

**Dairy Cattle, Beef Cattle, Swine, Sheep and Goats**

YQCA in-person workshops are available to youth through the extension office. YQCA is also available as an online program for youth everywhere in the United States. Once you complete this program, you will earn a certificate of completion for the YQCA requirement and will be eligible to show your livestock and stay in your 4-H project area. Once you complete your YQCA training, it is highly recommended that you print a copy of your certification of completion and keep it with your livestock records.

**If you choose to take the online version, it is the responsibility of the youth to provide a copy of the YQCA certificate of completion to the extension office by the June 1 deadline. Failure to provide the certificate of completion could result in removal from the livestock project area and not allowed to show in the county 4-H Fair or Illinois State Fair Junior Show.**

## **Timeline:**

1 hour to 1 hour and 15 minutes for in person training

1 hour to 3 hours for online training

YQCA certification is designed to be useful and help prepare you for your show but also prepare you as a young producer in animal agriculture industry. That's why the program includes information on multiple species even though you may only be raising one or two – we hope that you see that by raising animals you are part of a larger community that relies on the good faith of everyone doing their part. Also, we hope this training continues to spark your interest in animal agriculture so that you consider pursuing a career in the industry or becoming an entrepreneur and continuing to raise animals to meet the demands of a growing world.

If you ever have questions about YQCA, please contact [info@yqca.org](mailto:info@yqca.org). If you ever have issues with the system, with your certification or any technical difficulties, please contact [help@yqca.org](mailto:help@yqca.org). Your extension educator, ag teacher or other advisor may be able to help, but our team of dedicated support professionals will respond as quickly as possible to help you.

## **A Few Notes**

- Check the List of Fairs & Shows and their requirements page to see if the shows you want to attend require an in-person training. Double-check by reading the entry requirements or by checking with the show manager.
- If you are currently a 4-H member and your state uses 4-HOnline, you have the option of creating your YQCA account using your 4-HOnline account. This will link the two and allow your YQCA certification to show in your 4-HOnline profile.
- When you register for YQCA, you will be presented options for the online program or for any applicable in-person workshops offered in your state.
- You will need to be prepared to pay for the cost of the YQCA training when you register in the system. Credit cards, debit cards and coupon codes are accepted. If you are uncomfortable using a credit card or debit card for online purchases, find a friend or educator that will willingly buy the coupon codes you need and pay them back.
- Finally, enjoy the program. A lot of people put a lot of effort to make sure that each program was appropriate and engaging for each age level. We hope this is part of the educational foundation for your animal project.

**THIS TRAINING MUST BE DONE IN ORDER TO STAY ENROLLED IN THE LIVESTOCK PROJECT AREA. IF IT IS NOT COMPLETED BY THE DEADLINE, YOU WILL BE PULLED FROM THE LIVESTOCK PROJECT AREA AND THEREFORE WILL NOT BE ELIGIBLE TO EXHIBIT AT THE COUNTY 4-H FAIR OR THE ILLINOIS STATE FAIR JUNIOR SHOW.**

## **RULE FOR HORSE EXHIBITORS**

### Section 18(g)

All 4-H members are required to wear a properly fitted ASTM or SEI standard F1163 certified equestrian helmet whenever mounted or driving at all 4-H horse and pony events, shows, activities, or practices. Original tags must be present in all approved helmets. The 4-H member is responsible to see that this specified headgear is properly fitted with the approved harness fastened in place whenever mounted. Helmet policies apply to all county, area, and state 4-H horse and pony events, shows, and activities. *Protective helmets are recommended for all riders and drivers at all times. It is recommended that all adults working with 4-H members model the desired youth behavior by also wearing protective helmets whenever mounted or driving.*

## **PREMISES REGISTRATION NUMBER VOLUNTARY**

Premises Registration is voluntary to exhibit livestock (beef, dairy, horses, swine, sheep, goats, poultry and rabbits) at the Illinois State Fair/county fair. The exception: members showing a swine project at the Illinois State Fair will be required to have a premise ID number.

Choosing to register your premises puts you on the frontline of controlling and preventing the spread of animal disease. A disease outbreak can't be predicted but it can impact every segment of animal agriculture. Participation ensures that you have the information you need, when you need it most, to protect your animals and your investment. Registering a premise involves obtaining a seven-character alpha-numeric "identifier" for the farm, ranch, veterinary clinic or other site where livestock or fowl are handled, housed, managed or processed.

If an exhibitor wants to register their animals, an application form can be found on-line at [www.agr.state.il.us/premiseid](http://www.agr.state.il.us/premiseid). Exhibitors who register on-line will receive a premises registration number immediately. An application can also be obtained by calling 866/299-9256. If completing application and returning by mail, it may take up to 4 weeks to receive the number.

## **JUNIOR LIVESTOCK EXHIBITS AT THE ILLINOIS STATE FAIR**

All State Fair Premium Books and livestock entry forms will ONLY be available via the State Fair web site.

<http://www.agr.state.il.us/isf/>

1. State Fair entries will need to be signed by County Extension Staff before the exhibitor mails their own entry forms to State Fair Entry Office. Entries must be postmarked by July 1st.
2. Entry Payment—Two separate checks, one for Junior entries and one for Open entries.
3. Entry Deadlines— **STATE FAIR ENTRIES ARE DUE IN SPRINGFIELD, IL BY:**
  - June 1 for Horse entries, lease forms and photos
  - July 1 for all other livestock
4. Registration papers (pedigrees) will be required in all purebred classes. Registration papers must show ownership of the animals in the name of the exhibitor or ownership by immediate family members including the exhibitor. Certificates from breed association representatives will not be accepted in lieu of registration papers. The entry form itself still has to be in the individual exhibitors' name.

## **4-H FOUNDATION LIVESTOCK AUCTION**

Sponsored by: Wayne County 4-H Foundation

Any Wayne County 4-H member may offer their animal for sale to the public at the 4-H Foundation Livestock Auction held Thursday during the Fair. Participation in the auction is a privilege once the requirements and eligibility are met. Any Sale at the 4-H Foundation Livestock Auction is final.

### **Animal species include Beef, Sheep, Swine, Dairy, Goat, Rabbits, and Poultry.**

- The following age / ideal weight requirements for the auction are:
  - Steers/Heifers: ideal weight is 800 pounds and up and be less than 24 months of age
  - Barrows: ideal weight is 200 to 285 pounds
  - Goat Wethers: must be at least 4 months of age.
  - Market Lamb: Can be a ewe or wether born after January 1, 2022.
  - Poultry: All market pens are eligible to sale. Market pen must be comprised of 3 cockerels or 3 pullets not shown as singles.
  - Rabbit: All market pens are eligible to sale. Meat pen must be 3 rabbit any sex or breed, not weighing over 5 pounds each, not over 69 days of age and not shown as singles.
- Extension Staff can make any changes to classes, weights, etc. as they deem necessary. In regard to a question concerning interpretation of the rules and regulations, the Extension Staff will make the decision.
- 4-H member may sell only ONE animal/pen; that animal must have been shown during the 4-H market show.
- 4-H animals will be sold at the auctions to the highest bidder during the auction
- Each exhibitor will lead/drive their own animal in the sale
- Inappropriate behavior during the livestock auction will result in forfeiture of sale. Inappropriate behavior will be determined at the County Director's discretion.
- Only "A" rated animals will be sold.
- Minimum price that a 4-H member can receive per animal at the auction is:
  - \$475 Steer or Heifer
  - \$250 Barrow
  - \$175 Goat Wether
  - \$175 Lamb Ewe or Wether
  - \$100 Meat Pen
- This is a premium sale. Sales are based on a dollar per head. The market price will be determined by current prices and weight of the animal prior to the sale.
- If the buyer wants to keep the animal, he must pay the market price plus the amount bid for the animal to the Wayne County 4-H Foundation. The buyer will get the animal.
- A 20% fee will be charged per animal. This fee will support auction expenses, 4-H scholarships, and 4-H trips sponsored by the Wayne County 4-H Foundation.
- Rights may be reserved for later shows (FFA, IL State Fair, etc.), but must be stated by the seller prior to the sale.
- Parental signature will be required, to allow the sale of the 4-H animal, if the youth is under 18 years of age.
- Members must wait 30 minutes after the auction to clean out pens and load animals.
- 4-H Members will pick up auction pictures from the Extension Office and deliver them with a thank you card to their auction buyer before their check is given.

**STATE FAIR RULES:**

**Illinois State Fair Horse Show**

By May 1 of the exhibit year, exhibitors must place on file at the local extension office, copies of ownership and/or lease papers for all animals that the member plans to exhibit at the State Junior Horse Show. In addition to the ownership/lease papers, two photos (one of each side) of the animals will be mandatory for all horse and ponies, grade and registered animals.

Copies of ownership and/or lease papers and one set of the photos will be forwarded to the Illinois State Fair by May 15 by Extension Staff.

# Poultry

**4-H Superintendent: Zack Paul**

All Animals must be the property of the member exhibiting them and will be subject to identifying check. Penalty for falsification will result in banning the member from competition in any class at the show for the current year.

**Identification & Health Requirements:** Poultry and Miscellaneous Birds will be required to meet appropriate health requirements and negative blood test for various poultry diseases (see health section for specific details). All poultry entries in the 4-H show must have originated from a U.S. Pullorum-Typhoid Clean or equivalent hatchery OR have a negative pullorum-typhoid test within 90 days prior to the 4-H show. The 4-H member must have proper identification as to name and address of owner, name and address of authorized testing agent, date of the testing and the number, breed, and species of those tested. **Poultry and miscellaneous birds that are six (6) months and younger do not need to be tested.**
