## 4-H Foods/Clothing & General Show Results

**Taylorville, Ill.** — 4-H Foods/Nutrition & Clothing projects were shown on Thursday, July 14, 2022 at the Christian County Extension Office. 4-H general projects were showcased on Monday July 18, 2022 at the Expo Building located on the Christian County Fairgrounds. During the 4-H shows, members complete a process of evaluation called conference judging. This process allows the 4-H members to answer questions asked by the judges pertaining to the projects. The questions are asked to help the judge determine how much the 4-H member learned while doing their project. The 4-H program would like to thank the judges that judged at both shows. Thank you to all those who helped make the 2022 4-H General Show a success.
