# Camp Russell 2023

Register your child now for summer day camp! Choose from four weeklong programs, each with a different theme. Camp will run from 9 a.m. to 3 p.m. each day. Children will have fun learning about nature through hands-on activities, games, and nature awareness. Camps fill quickly and space is limited to 20 children per camp so register now!

**\* NOTE - 7 year olds must have completed First Grade.**

## **June 12 - 16 Forest Adventures Camp (ages 9-11)**

Anyone who loves learning about nature and exploring the outdoors will love this camp. We will make what we need to have fun and be adventurers for the week! We will investigate the forest environment and will have fun as we learn about animals, plants, rocks, and much more.

## **June 26—30 Rainforest Camp (ages 7-9)**

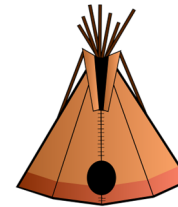

Campers will have fun discovering all the wonderful reasons we need rainforests and how we can protect them. We will investigate the plants and animals that live and migrate there. We will even design our own rainforest at the nature center.

# Registration Information

Camp fee is \$150 per child, per week (**check payable to the DeKalb County Forest Preserve**). Registration (see back) and payment are due as soon as possible to reserve your space. Upon receipt of payment, you will be sent a registration packet containing additional camp information. **Questions?** Call the Natural Resource Education Center (located in Russell Woods Forest Preserve) for questions about the camps at (815) 784-2000. For questions regarding registration or to find out if camps are full please call the University of Illinois Extension Office at (815) 758-8194.

## **July 10—14 Indigenous Skills Camp (ages 9-11)**

Explore the ancient and present culture of indigenous Native American tribes. Campers will get to take part in a Native American naming ceremony, learn Native American survival skills and games, make tools, native crafts, and more!

## **July 24—28 Incredible Insect Camp (ages 7-9)**

Bug lovers unite! Be an entomologist for a week. What is the difference between bugs and insects? Come to camp and find out as we collect and study all kinds of creepy crawlers from the forest. We will make a live trap to see who crawls around at night, too. Camp is filled with games and hands on activities.
