Important Reminders:

- Every 4-H’er will be required to attend FOUR 4-H meetings this year, by July 1, in order to show at the fair. This can be club meetings or workshops that the extension office hosts.

Quality Assurance and Ethic Certification (QAEC)

All 4-H members enrolled in horses, poultry, rabbits, dogs & cats MUST complete online QAEC to show at Fair. This is a ONE TIME certification and is valid your entire 4-H career. You only need to take QAEC in one livestock area regardless of the number of livestock projects you are enrolled in. All new members enrolled in these projects and or any members who have not taken it before. **The deadline to complete QAEC is JUNE 1.** You can find the online training at: [http://web.extension.illinois.edu/qaec](http://web.extension.illinois.edu/qaec). Please remember to print a copy of your certificate for your records. If you have trouble or questions, please call the Extension Office.

Off-Premise Form

- In certain instances, members may keep their livestock on property other than their own. The member is required to submit a livestock Off-Premises Form to the Extension office for approval (including horses). This form will indicate where the animal is being kept and must be signed by the 4-H member, the member's parent, the property owner, the 4-H club leader, and an Extension 4-H staff person. As noted on the form, the 4-H member is responsible for the daily care and feeding of his or her animal project. This form must be submitted to the extension office by June 1st, 2023. Go to https://go.illinois.edu/WabashOffPremisesForm or you can contact the office to get a copy.

YQCA is a training that is required by the state for all 4-H'ers who are exhibiting beef cattle, dairy cattle, swine, sheep, or goats. You are required to take this training each year. **YOU MUST REGISTER TO ATTEND THE TRAINING!** Create a new account, do not use your previous username/password. The accomplishments of both individual members and clubs will be highlighted on the Illinois 4-H Website so make sure you go use the reporting link to document your positive efforts. Please note – this site is open year-round so if you do multiple projects throughout the year, please continue to share that information both on the registration side and on the reporting side.
