GENERAL RULES & REGULATIONS

1. Any 4-H member who knowingly violates a rule as printed in Show Book, established by the Peoria County 4-H Staff and Superintendents shall be disqualified from the show and forfeit all premiums and awards. This does not apply to all situations.
 - a. If an exhibitor disputes a disqualification of their project(s), the exhibitor may request a hearing before an impartial group of individuals. If the hearing cannot be held before the completion of project judging the exhibitor may exhibit their project with the understanding that awards and/or premiums will be withheld until a decision has been made.
 - b. If another exhibitor or any member of the public has reason to believe that a project (livestock or non-livestock) should be disqualified, he/she must contact Extension staff or the appropriate superintendent and present his/her evidence in writing. Evidence must be filed after official check-in of the project or before the completion of judging. If after reviewing the evidence, the disqualified project and disqualified exhibitor requests a hearing, the complaining person shall be required to testify at the hearing and present his/her evidence. If the complaining person refuses to testify, no disqualification will be made based on that complaining person's evidence.
2. To be eligible for 4-H membership, youth must have had their eighth birthday before **September 1, 2022**, and not reached their nineteenth birthday by **September 1, 2022**.
3. Participation in the Peoria County 4-H Show is subject to the following deadlines: Enrollment in the Peoria County 4-H program as a member by **May 1, 2023**. 4-H Show entries must be submitted to the county office by **June 15, 2023**.
4. All exhibits in the 4-H Show must be current year's work, beginning **Sept. 1, 2022**, to the date of the show.
5. All exhibits should be the work of the 4-H member. **NO** project including both **livestock & non-livestock** can be exhibited at any other county 4-H show by you or another 4-H member. The same project or animal cannot be shown twice.
 - a. For example, a member cannot exhibit a project (livestock or non-livestock) at the Peoria County 4-H Show and then exhibit the same project at another county 4-H show.
 - b. Another example is that a member exhibits a project at one county 4-H Show, the same project cannot be exhibited by another 4-H member at a different county 4-H Show.
6. If a 4-H member cannot exhibit his/her project at the 4-H Show, they should register for pre-judging. In extreme cases, another 4-H member may exhibit the project for the absent 4-H member. Include a short-written report that tells how you made the project, what you did in the project, or what you learned from doing the project.
7. To be eligible to exhibit at the State Fair, the 4-H member must be 8 years old as of **September 1, 2022**.
8. Peoria County Extension and the management of Exposition Gardens will do everything possible to ensure the safety of all 4-H members and their exhibits during the county 4-H Show.
9. Sale of 4-H projects will be allowed in accordance with 4-H Auction Guidelines (page 11).
10. Anyone having a protest/complaint **must** submit the same in writing to Extension staff or the appropriate Superintendent. There is a fee of **\$25** to file a complaint. (A complaint form is located in the back of the show book or will be available from Extension Staff during the 4-H Show.)
11. All exhibits will remain on the grounds and in place until dismissed by the department Superintendent. Any individual picking up another 4-H member's project must have a written permission slip from that 4-H member.
12. Exhibit tags need to be **COMPLETELY FILLED OUT** and **SECURELY ATTACHED** before a project can be judged or exhibited. Tags should be placed on projects where the information can be seen from the front of the project while on exhibit.
13. **No use of any tobacco products will be allowed on the grounds.** The "No Smoking" rule in the barns must be observed.
14. No alcoholic beverages and other controlled substances will be permitted on the fairgrounds anytime by anyone. Possession and/or use of these prohibited substances will result in disqualification of all exhibitors associated with their use or possession.

15. **Sportsmanship** - All 4-H members and their families are expected to practice good sportsmanship at the 4-H show. Good sportsmanship is dependent on respect – respect for the rules of the show, for other 4-H members and their families, for superintendents, leaders, other volunteers, and Extension staff. Sportsmanship is awareness that your actions, attitudes, and behavior affect everyone, and how much they enjoy the 4-H show.

Sportsmanship expresses an attitude that having your project judged and exhibited will be enjoyed for its own sake, with proper consideration for fairness, ethics, respect, and a sense of fellowship with 4-H members competing in the same class. (*Poor sports play and live by the “win at all costs” mentality*). Being a “good sport” involves being a “good winner” as well as being a “good loser”.

The following are a few examples (**but not limited to**) of good sportsmanship behavior from 4-H members and their families that is encouraged and admired:

- Acting towards others in an honest, straightforward, firm, and dignified manner even when others do not play or exhibit fairly. Treating others fairly as you would like to be treated.
- Maintaining self-control in dealing with others.
- Showing respect for authority and 4-H members you may compete against.
- Helping or showing support for an opponent and shaking hands or offering congratulations to a Class Champion.

The following are of few examples (**but not limited to**) of poor sportsmanship behavior that are unacceptable at a 4-H event and may be grounds for disqualification and/or forfeiture of premiums and awards.

- Rude conversation or inappropriate laughter directed towards youth while exhibiting.
- Blaming others and not taking responsibility for personal actions.
- Reacting immaturely or improperly, making excuses for your loss, referring to unfavorable conditions or other petty issues.
- Damaging or destroying another’s 4-H exhibit or property that is not your own.

16. We rely on parents, 4-H Leaders and other adults associated with the 4-H Show to set the example by also complying with these rules. Some rules are necessary to assure a high quality 4-H Show and to provide the wholesome atmosphere on the fair grounds that every parent wants for their children.

17. Premiums will be paid for only ONE entry in a particular class. Premiums will be paid after show once funds are acquired. **IMPORTANT NOTE: “The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book.”**

18. **NOTE:** Program Participants (including minors) will be required to provide their social security number or foreign national tax ID number prior to receiving a prize, gift, or award (\$100 or more) to ensure proper IRS reporting as required by law. This sensitive information is kept confidential and handled through security protected software (PEAR). Participants will not be eligible for prize, gift, or award if social security or foreign national tax ID information is not provided.

19. Only projects with (SF-####) after the class name will have State Fair delegates and alternates chosen. Classes that do not have this after the class names do not advance to state.

(Example: Animal Sciences (SF-50135A) advances to State Fair. Candy Making is not a project that advances to State Fair.)

20. If you need a reasonable accommodation to participate in the Peoria County 4-H Show, please contact Kristi Smith, 4-H Program Coordinator, at least two weeks prior to the event at University of Illinois Extension, Peoria County, (309) 685-3140.

Copyrighted or trademarked designs are not acceptable; this includes team, school logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, use the concept and create something different using the concept; however, it **MUST NOT BE AN EXACT REPLICA OF** something the judge can search for and find on Pinterest. The exhibit may combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create an exact replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

Quilts entered in Visual Arts should **ONLY** be entered in the Quilting Project area in either Level 1 *You Can Quilt* (SF 50331A) OR Level 2 *Quilting the Best Better* (SF 50331B). Code of Practice & Behavior Statement

I believe that my participation in the 4-H program should demonstrate my own ability, knowledge and skill. I will do my own work and only accept advice and support from others. I certify that my project has been cared for and maintained by myself and my immediate family during the required tenure of ownership. My project has not been cared for by a professional fitter or maintained at a professional fitter's facility.

For Horse and Pony projects only: I understand that I should be the only one to fit and train my animal on the show grounds. I can however accept physical assistance with tack, equipment and appointments during the show by my immediate family members or project leader.

I will not use abusive or questionable techniques in the feeding, fitting and showing of my animal(s). I will not resort to fraudulent, illegal or deceptive practices when fitting them for the show. I also will not allow my parents, my instructor or any other adult to employ such practices to my animal(s).

I have read, understand and agree to abide by the General Rules and Regulations (pg 6) and the General Livestock Rules and Regulations (pg 9) in the Peoria County 4-H Show Book. I also have read and agree to abide by the Livestock Department Rules and the Health Requirements for the specific project area(s) I will be exhibiting in. I ask that my parents and/or instructor of my project not break the rules or make exception on my behalf. I wish for my project to be an example of how to accept what life has to offer – good or bad – and how to live with the outcome.

I realize that I am responsible for following the rules and accepting the consequences.

I will respect other people's property at all times.

I understand that there is a 4-H code to follow and that I represent 4-H, Peoria County and my 4-H Club with my behavior. I will make attempts to not swear, smoke or drink (alcoholic beverages) and will conduct myself in a becoming manner at all times. I understand that repeated violations may result in my being denied the privilege of continuing the show.

I will show good sportsmanship.

For Horse and Pony project exhibitors only– I will ride safely at all times.

I will care for my animal(s), my equipment and help keep the show area neat and clean.

The Livestock Superintendent(s) and/or Extension staff will deal with violations of any of the General Rules or General Livestock Rules, specific Livestock Department Rules and Health Requirements stated in the Peoria County 4-H Show Book. I understand that the decision of the department Superintendent(s) and/or Extension staff will be final. Penalties could include losing the right to continue the show for the current year, losing ribbon(s), premium(s) or trophy(s) and losing the privilege to auction for the current year.
