Club Expectations

As you plan your activities for the year, keep in mind the following expectations from Illinois 4-H:

1. The first priority is to create a **safe, inclusive space** for learning, sharing, and collaboration that is welcoming to people from diverse backgrounds, cultures, and perspectives.
2. At least **1 fully screened volunteer** must always be present with youth during 4-H activities. Youth should never be left with a non-screened adult.
3. Clubs should have at least **5 members** or be actively working to recruit new members.
4. Clubs must **meet at least 6 times** in a year.
5. **Youth should be involved in planning and decision making**, including serving as elected officers. The Secretary should record attendance and meeting minutes to turn in at the end of the 4-H year. *Cloverbud clubs do not have elected officers.*
6. Clubs must follow Illinois Extension **fiscal policies**. Clubs that hold more than \$20 should have a checking account. The Treasurer must track all income/expenses and complete a Financial Statement at the end of the year. Clubs with bank accounts can have up to 2 fundraisers per calendar year. Leaders should consult with staff on any fiscal management questions.
7. If you want to use the **4-H logo** on t-shirts or anything else, contact staff for logo information.
8. If you want to do an overnight **field trip** or an activity that might involve extra risk, talk to 4-H staff first.
