

JOIN 4-H TODAY!

Learn by doing!

4-H makes learning fun! In 4-H clubs young people work with other youth and adult volunteers to learn new skills, practice being a leader, give back to their community, and make new friends. They learn about topics that interest them through hands-on 4-H projects and activities

The cost to join 4-H for the year is \$20. As a 4-H member you can join a community or special interest club, participate in 4-H workshops, attend state 4-H events and camps, sign up for projects that interest you, enter your projects in 4-H shows at your local county fair, and more. There are nearly 200 different project areas to choose from including things like: robotics, visual arts, gardening, cooking, photography, horses, electricity, drama, and more!

We have great 4-H Community Clubs youth can join in Henry County:
