

ADAMS COUNTY AG IN THE CLASSROOM

Ag In the Classroom

Partner: Adams County Farm Bureau

Ag in the Classroom is a program that delivers agriculture activity based curriculum to supplement children in the community. Topics include dairy, horses, pumpkins, apples, soil, pollinators, pigs, poultry, etc. Last school year, we reached 12 out of the 13 primary schools in Adams County with a total of 31 agricultural topics and lesson programs.

National Ag Week

Partners: Adams County Farm Bureau and Miss Quincy Outstanding Teen, Molly Gerard

To promote National Ag Week, 12 of our 13 Adams County Schools participated in a coloring contest. Each grade colored a different agricultural scene and one winner was chosen from each grade. In total, 1,057 students participated across 74 classrooms.

Adams County Fair Ag Tent

Partners: Adams County Farm Bureau, Adams County Fair Board, Unity, Liberty, Payson, and Quincy JH FFA Chapters

During the 2023 Adams County Fair, the Ag Tent offered daily lessons and crafts. Each day was a different theme in agriculture. Crafts included: animal puppets, coloring sheets, animal masks, cow milking, and corn, soybeans, and wheat bins for sensory. Over 360 youth and 170 adults took part in our Ag Tent activities.
