Show Day Procedure & Project Exhibit Requirements

Before the Show

1. **EXHIBIT RULES:** Specific rules for each project are listed in this Show Book. In most cases, the exhibit listed is one of several activities taken from your project manual. Be certain to follow the rules listed in **this handbook EXACTLY**, even if they differ from your project manual. 4-H Show exhibits which do not meet these guidebook rules will not be eligible to receive an A rating.
2. **WORK OF EXHIBITOR:** Projects are to be constructed by the exhibitor, and they must have been made in the current 4-H year. The same product or speech that is selected at the county level must be exhibited at the State Fair, adjusted to State Fair class requirements.
3. **NUMBER OF ENTRIES:** Some projects allow you to bring more than one exhibit per *project*; others allow only one. Remember to select just one choice unless the project rules specifically say you can prepare more than one. In the visual arts project, you may enter a separate exhibit in any or all of the 11 visual arts sub-divisions, but you may only bring two exhibits per sub-division.
4. **SIZE:** Table displays are limited to no more than 2' wide x 15 inches deep. There is no restriction on the height of displays, but exhibits over 4' tall must sit on the floor. Maximum poster size is 22" x 30". This rule will be STRICTLY enforced.
5. **CATEGORY:** In the *rare* cases where a project may have been entered in the wrong category, the superintendents, with approval from Extension staff, have authority to move a project to the correct class if it doesn't meet the requirements of the class it was originally entered in.

The Day of the Exhibition in Foods, Clothing & General Show

1. **ATTENDANCE:** 4-H members are encouraged to exhibit their own projects at the 4-H shows. Members unable to exhibit or who have a conflict **MUST** contact the Extension Office, their club leader, or the appropriate superintendent at least 48 hours in advance of the show. The exhibitor is to make arrangements for another **Effingham County** 4-H member to exhibit his/her project. If the exhibitor is unable to exhibit his/her project, and does not contact the proper individuals, the project may not be shown. **Parents and Leaders may not exhibit a 4-H members project.** Each club has an assigned time for all of their members to bring their projects. Members may come late as long as it is before noon. You are NOT encouraged to come early.
2. **CONFERENCE JUDGING:** At the county 4-H shows, a judge will evaluate the quality and appearance of each exhibit. In addition, the judge will ask the 4-H member some questions about their project to assure their knowledge of the project. Parents are not allowed to assist the 4-H member at any time during the conference judging. Only the superintendents and junior superintendents will be allowed in the judging areas along with the 4-H member being judged. ***The judge's decision is final unless it has been determined that an exhibitor has not followed the guidelines or rules for that exhibit class.***
3. **APPEARANCE:** 4-H members should dress nicely and be well groomed. Members should consider the judging process an "interview." Undergarments are intended to be worn under garments and should not be visible. For livestock exhibition: members should dress appropriate, including closed-toe work shoes or boots, no tank tops or low-cut tops, appropriate jeans/pants. Undergarments are intended to be worn under garments and should not be visible. These livestock rules also apply to members exhibiting poultry and rabbits since they are in close proximity to livestock. No flip-flops will be allowed in the barns or arena. If members want to be considered for State Fair, they must be present for county conference judging OR submit a written report telling about the project (a minimum of one double-spaced typewritten page or two handwritten pages).

Copyrighted or trademarked designs are not acceptable; this includes team, school logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, use the concept and create something different using the concept; however, it **MUST NOT BE AN EXACT REPLICA OF** something the judge can search for and find on Pinterest. The exhibit may combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create an exact replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

Quilts entered in Visual Arts should **ONLY** be entered in the Quilting Project area in either Level 1 *You Can Quilt* (SF 50331A) OR Level 2 *Quilting the Best Better* (SF 50331B). 4. No dog with a physical or mental condition that would significantly impair their performance may participate. Some examples of these include (but are not limited to) hip dysplasia, disc problems, severely slipped stifles, shoulder problems, overweight, or advancing age.
5. All agility classes will be shown with dogs on leash unless the class is specified as off-leash.
6. **Absolutely no dragging of dogs through the agility courses will be tolerated.** Dog/Handler teams displaying this behavior will be excused from exhibition at the discretion of the judge and/or Superintendent, with no placements, ribbons, or premiums awarded to excused teams.

10. Dogs are permitted 3 tries at each obstacle. The judge reserves the right to prohibit a second or third try if they feel that the dog's safety is at risk.
