General Rules of the Livingston County 4-H Show

1. All exhibitors must be enrolled 4-H members.
2. Members may only enter exhibits in project areas in which they are enrolled. All projects must have been enrolled by April 15 of the current 4-H year.
3. All entries must be submitted through the FairEntry.com system by midnight on June 10.
4. To be eligible to exhibit at the State Fair, a 4-H member must be eight years old as of September 1 of the current 4-H year.
5. All 4-H projects must be completed during the current 4-H year (beginning September 1).
6. Only one entry per class is allowed, except where noted. Regardless, only one premium will be paid per class.
7. There will be no entry or pen fees for 4-H exhibits.
8. Exhibitors must be present at time of judging unless conflicts of showing other exhibits arise and the exhibitor has made arrangements with the project superintendent. If unable to participate in conference judging, exhibitor may complete the Livingston County 4-H Exhibit Report form when checking projects in at the show.
9. Only exhibits receiving an “A” rating are eligible for a plaque/award item.
10. If exhibit requirements for projects are not met the project may be lowered one grade.
11. Members should not bring their project books to the show unless specified in the exhibit requirements for project area.
12. No exhibits shall be removed before 3 p.m. on Saturday of the show. Exhibits removed early will forfeit premiums. If you cannot be at the grounds to pick up exhibits, make arrangements with your 4-H leader, another 4-H family, or Extension staff to pick up your exhibits. Exhibits may be discarded if left too long as space at the Extension Office is limited. Perishable items will be disposed of immediately.
13. Premium money will be divided after the show when the extent of participation has been determined and money is available from the Department of Agriculture. Premiums will be based on the “X” factor.
14. Award winners are encouraged to write a thank you note, including a picture of you with your trophy and project, to the sponsor and express your appreciation. Name and address of sponsor can be found with the plaque/award.
15. All 4-H members enrolled in Livingston County may only exhibit and collect premiums, plaques, and 4-H record awards in one county. Any youth that fails to attend at least three club meetings or activities, give a talk or demonstration at the club level, be enrolled by April 15, and have enrolled in the project area by April 15 will not be eligible to show or to sell at the livestock auction.
16. According to the Bureau Chief of the Illinois Department of Agriculture Bureau of County Fairs and Horse Racing, 4-H members are allowed to receive (1) ONE premium per class exhibited in premium eligible projects. This covers ALL projects, including livestock.
17. All livestock exhibited must meet the health requirements of the State Division of Livestock Industry. These requirements are listed further on in this show book.
18. All 4-H members exhibiting horses, poultry, dogs, cats, and small pets projects (live animal or poster) at the Livingston County 4-H Show are required to complete a Quality Assurance and Ethics training. A 4-H member must only take the training one (1) time in their 4-H career for any species to be qualified to show. Exhibitors in beef, dairy, goats, sheep, and swine complete the yearly YQCA certification.
19. If a livestock exhibitor has more than one (1) animal in the show ring, another Livingston County 4-H member may assist by showing one of the animals. Youth under age eight (8) or not enrolled in Livingston County 4-H may not assist.
20. University of Illinois Extension will not be liable for animals lost, hurt, or that die at the Livingston County 4-H Show.
21. No 4-H members are allowed overnight at the 4-H Park.
22. Unsportsmanlike conduct will not be tolerated from exhibitors, parents, or spectators. Those individuals will be asked to leave the 4-H Park.
23. No pets are allowed at the 4-H Park unless part of an exhibit. Owners and animals will be asked to leave the 4-H Park.
24. All accidents should be reported to an Extension staff member immediately.

NOTE: EARLY RELEASE TO GO TO ANOTHER FAIR IS NOT ALLOWED NOR IS THE SUPERINTENDENT ALLOWED TO RELEASE EXHIBITS
EARLY. PREMIUMS WILL BE IN JEOPARDY IF THESE RULES ARE NOT ADHERED TO.
PLEASE READ THE LIVINGSTON COUNTY AG FAIR BOOK REGARDING JUNIOR AG FAIR EXHIBITS, PREMIUMS, AND SALE CHECKS.

The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book.
4-H Code of Conduct and Consequences

The opportunity to participate in or attend 4-H activities is a privilege and not a right. All 4-H participants – youth, families, volunteers, and Extension staff – who participate in or attend any activity or event sponsored by the University of Illinois Extension 4-H Youth Development Program are expected to uphold the values of the Illinois 4-H program and conduct themselves according to the following standards. These standards also apply to online 4-H activity, including social media and internet presence.

1. **Create a Welcoming Environment for All.** Encourage everyone to fully participate in 4-H. Recognize that all people have skills and talents that can help others and improve the community. Though we will not always agree, we must disagree respectfully. When we disagree, try to understand why. Our priority is to create a safe, inclusive space for learning, sharing and collaboration that is welcoming to people from diverse backgrounds, cultures, and perspectives. Diversity includes, but is not limited to: race, color, religion, political beliefs, national or ethnic origin, immigration or citizenship status, sex, gender identity and expression, transgender status, sexual orientation, age, marital or family status, educational level, learning style, pregnancy, physical appearance, body size, and individuals with disabilities.

2. **Bring Your Best Self.** Conduct yourself in a manner that reflects honesty, integrity, self-control, and self-direction. Accept the results and outcomes of 4-H contests with grace and empathy for other participants. Accept the final opinions of judges and evaluators. Be open to new ideas, suggestions, and opinions of others.

3. **Obey the Law.** Obey the laws of the locality, state and nation and U of I and Extension policies and guidelines. Commit no illegal acts. Do not possess, offer to others, or use alcohol, illegal drugs, or tobacco products, which include e-pens, e-pipes, e-hookah, e-cigars, JUULs, vapes, vape pens or other electronic nicotine delivery systems. Do not possess or use weapons or firearms except as expressly permitted as part of supervised 4-H shooting sports programming. Do not attend 4-H activities under the influence of alcohol or illegal substances.

4. **Honor Diversity – Yours and Others’.** Respect and uphold the rights and dignity of all persons who participate in 4-H programs.

5. **Create a Safe Environment.** Do not carelessly or intentionally harm or intimidate anyone in any way (verbally, mentally, physically, or emotionally). Do not engage in romantic displays or sexual activities in either public or private situations. Be kind and compassionate toward others. Do not insult, harass, or bully others or engage in other hostile behaviors. Be considerate and courteous of all persons and their property.

6. **Be a Team Player.** Work cooperatively with all individuals involved in 4-H programs and activities. Be responsive to the reasonable requests of the person in charge. Respect the integrity of the group and the group’s decisions.

7. **Humane Treatment of Animals.** Treat animals humanely and teach 4-H youth to provide appropriate animal care.

8. **Participate Fully.** Participate in and contribute to planned programs, be on time, and follow through on assigned tasks/responsibilities in a manner that fosters the safety, well-being, and quality of the educational experience for self and others. Have fun!

9. **Watch What You Wear.** Use good judgment. Wear clothing suited for the activity in which you will participate. Dress in a manner that is respectful to yourself and others. Clothing that displays or promotes violence, obscenity, illegal activities, discrimination, or intimidation is prohibited. Do not wear revealing clothing, such as short skirts or shorts, midriff-baring tops, or anything showing undergarments.

10. **Be a Positive Role Model.** Act in a mature, responsible manner, recognizing you are role models for others and that you are representing both yourself and the University of Illinois Extension 4-H Youth Development Program. Be responsible for your behavior, use positive and affirming language, and uphold exemplary standards of conduct at all 4-H activities.

*The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book.*
2023 EXHIBITION LIVESTOCK HEALTH REQUIREMENTS

All 4-H members must follow the health guidelines of the Illinois Department of Agriculture Bureau of Animal Health and Welfare when exhibiting any livestock at county and state fairs in Illinois. Those guidelines are updated annually. The 2023 guidelines can be found online at:

Beef Health Rules

Identification
Individual identification of each animal shall be either a fully healed and legible tattoo, official metal ear tag, registration number (can only be used if the tattoo is recorded on the registration certificate or for breeds where pictures are acceptable), or individual brands, if brand is recorded on the registration certificate.

Illinois Cattle
Brucellosis
• Illinois is a Bovine Brucellosis Class-Free State. Brucellosis testing is not required for Illinois cattle.

Tuberculosis
• Illinois is an Accredited Tuberculosis-Free State. Tuberculin testing is not required for Illinois cattle.

Please note: Illinois calves less than six months of age, and Illinois steers are not required to have a Certificate of Veterinary Inspection.

Livingston County General Beef Rules

Please read, follow, and understand all general rules and “Exhibition Livestock Health Requirements” as presented by the IDOA: 2023 Illinois State Fair Health Requirements and 2023 County Fair Exhibition Health Requirements.

All female beef projects must be accompanied by a health certificate. All health papers will be picked up at the gate upon entering the 4-H Fairgrounds. No animals will be permitted on the grounds without the necessary health papers.

1. Steers must be born between January 1 and December 31 of the previous calendar year. Any over-age steer will not be permitted to show. Steers must be owned and personally cared for by the 4-H member since February 1 of the current calendar year and carried as part of their 4-H project.
2. All steers will be weighed and mouthed at the 4-H show.
3. All steers must have been tattooed in the exhibitor’s name by the designated date in February by Directors and Superintendents of the 4-H show to be eligible to exhibit at the 4-H show or the Illinois State Fair Junior Show.
4. Steers and Commercial Heifers will be shown in a weight division. Each exhibitor will be responsible for weighing their animal at the designated time TBD at the 4-H show. The animal will be assigned to the weight class to which it belongs.
5. All breeding female animals shown in purebred classes must follow the Illinois State Fair Show guidelines and be registered in the name of the person making the entry by June 1 of the current calendar year. Superintendents will check registration papers on the morning of the show. Exhibitors must bring registration papers for all beef animals entered in purebred classes.
6. Commercial Breeding Class is open to non-registered females that are to be placed back into the breeding herd. They will be shown by weight.
7. All cattle will be assigned to stalls by the superintendents.
8. Animals to be exhibited in the Livingston County Born and Raised classes must be declared at the tattoo and
weigh-in date in February.

9. Exhibitor may enter one animal in each Rate of Gain premium number.
10. Market animals may not have permanent teeth to be eligible to show. This rule is to be strictly enforced.
11. The ages for Purebred classes are:
   a. Senior Calf: (calved after October 1 of previous calendar year).
   b. Late Summer Yearling: (calved between July 1 & September 30 of previous calendar year).
   c. Early Summer Yearling: (calved between April 1 & June 30 of previous calendar year).
   d. Junior Yearling: (calved between January 1 & March 31 of previous calendar year).
   e. Senior Yearling: (calved between September 1 & December 31 of previous calendar year).
   f. Cow/Calf Pair: any new cow with natural calf at side (all breeds show together).
12. Steers entered in the Purebred English Steers class must be from purebred and registered parentage of the same breed and are subject to blood test for typing and dismissal at the discretion of the Livingston County 4-H Show Committee in cooperation and compliance with the Livingston County Agricultural Fair Board.
13. Each exhibitor is limited to one entry per class unless otherwise specified.
14. The Livingston County 4-H Show Committee members have the right to dismiss any unruly animals in cooperation and compliance with the Livingston County Ag Fair Association.
15. Each beef exhibitor may have one fan for every two animals. No butt fans allowed anywhere in the barn. Hanging fans are the only fans that may be used.
16. Tie outs for animals will be in designated areas. Each exhibitor must provide their own gate and post for tie outs. If exhibitor ties out animals, the area must be cleaned before they can receive premium monies.
17. **Beef Steers must weigh at least 1,000 pounds at the 4-H show weigh-in to be eligible to sell in the sale.**
18. Animals and pens must be kept clean.
19. Breeding heifers shown in Bred & Owned classes must specify the exhibitor as the breeder and owner on the registration papers. All breeds will show together including AOB.
20. Commercial heifers are not eligible for Bred & Owned classes.
21. Dams of breeding females entered in the Bred & Owned classes must have been owned by and registered in the name of the exhibitor when the breeding female being shown was conceived.
22. No grooming chutes will be allowed in the barn.
23. Each animal in the pair classes is required to be entered and shown in the appropriate individual class.
24. Neatest exhibit award will go to an individual or family.
25. Cell phones in the show ring are strictly forbidden. Disregarding of this rule will be addressed by the beef superintendents and 4-H Extension Staff.
26. Livestock trailers cannot be parked on the grounds for the duration of the shows and fair.

**Additional Rules for Carcass Classes**

1. Premiere carcass class will consist of one class with all breeds showing together. Lightweight calves may be discounted if sold to packer due to slaughter grade.
2. Each exhibitor will be allowed one entry per class. To qualify, premiere carcasses must grade at least low select, have a yield grade lower than 4.0, and a hot carcass weight of 1,000 lbs. or less. Remaining animals will be placed accordingly.
3. Steers will be taken to Chenoa Locker for live evaluation and slaughter.
4. Each exhibitor may have the carcass processed for their personal use or sell the carcass to the locker. **If exhibitor intends to sell the carcass to the locker, the exhibitor must make the arrangements with the locker prior to the day of the show.** Payment will be based on the dressed beef price that day. Pay weight will be determined by locker (dressed weight).
5. The slaughtering fee will be in accordance with current processing fees.
6. Premiere carcass steers must conform to General Livestock Rules and Regulations of the Livingston County 4-H Show.
7. In the event the meat inspector condemns any part or the entire carcass, the exhibitor will stand the loss.
8. The Grand Champion 4-H Premiere carcass may be sold at the Ag Fair Auction during the fair by live weight and must conform to standards in rule 2 above.
4-H BEEF STEERS

All 4-H exhibits will receive an A, B, or C placing. All premiums will be paid based on an “X” Factor.

Include a written outline/report of accomplishments and future goals. Club members should make a 5-10-minute presentation to the judge. All club members present for the judge’s critique should be able to discuss the project and answer questions. Only club members present for judging who participate in the actual critique and presentation are eligible for ribbons and premium.
CLOTHING & TEXTILES
Each county may submit 3 clothing entries total from 50151 A-C, 50152 A-C, 50153 A-C; 2 shopping entries from 50154, 50155, 50156

Clothing 1-3

All exhibits entered in Clothing 1-3 will be judged based on their construction and fit (if applicable). Exhibitors bringing garments should not wear their garments when they arrive for judging. The garment will be reviewed by the judges for construction first. Exhibitors will be asked to change into the garment as the second step of the judging process. If the garment was constructed for another individual, that individual must be present to wear the garment for the judge. (Only the exhibitor who made the garment is eligible for ribbon and premium.) Construction and appearance will both be considered during judging. If a pattern was used to make the item, the pattern instructions, either written or electronic, are to be included with the exhibit. Exhibit tags should be attached to the garment, not to the hanger.

Members wishing to exhibit knitted items should enroll in Visual Arts Fiber (if original) or Visual Arts (if made from a pattern). We strongly encourage youth interested in pursuing quilting to enroll and exhibit in the Visual Arts Quilting project area. Youth may still exhibit quilts in any level of Clothing as a “Sewn Non-Clothing” item, but these quilts will be judged using the Clothing rubric that evaluates the sewing skills and construction of the item. If exhibiting quilts in the Clothing area, all work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else. Quilts can be hand OR machine quilted as long as ALL work is completed by the exhibitor.

A before picture and a description of the redesign process must accompany the exhibit.

- Constructed garment – Any garment constructed by the member which is appropriate for the age and experience of the exhibitor. Should use at least one skill learned in this project and exhibitor should be able to identify the skills used. Possible examples are wool garment, dress or jacket with set in sleeves and zipper or buttons and button holes, suit, evening gown or sport outfit.

**Shopping in Style (SF 50154, 50155, 50156)**
Members are encouraged to spend more than one year involved in this project, so they have time to learn what clothing styles look best on them while they also gain skills in building a versatile wardrobe and staying within their budget. Each year enrolled in Shopping should build on previous year’s learning experience. For all levels of this project, participants should bring a garment to display and model for the judge.

**Exhibit one of the following options that align with the Shopping in Style level:**

**SF 50154**  **Shopping in Style: Beginning (Levels 1 & 2)**—Choose one of the following activities from Unit 1 or Unit 2 of the project book

- Exhibit should consist of a garment that reflects your personal style along with a poster or report that 1) explains how this garment reflects your style and how it influences what others think of you; **OR** 2) how your personal style either aligns or contradicts what is considered to be “in style” today. **OR**

- Exhibit should include a garment you purchased along with a poster or report that explains or illustrates how this garment is either 1) a modern version of a fad or fashion from an earlier decade; **OR** 2) how this garment reflects a different ethnic or cultural influence. Exhibit should include garment you purchased along with a poster or report that provides 1) a body shape discussion and how body shape influences clothing selections; **OR** 2) a color discussion that provides an overview of how different colors complement different hair colors and skin tones and how that influenced garment selection. Poster or report may include pictures from magazines, the internet or actual photos of garments. **OR**

- Exhibit should include garment you purchased along with a poster or report that 1) explains how this garment uses the principles of design lines to create an illusion to alter appearance; **OR** 2) explains how color and texture of fabrics can complement or enhance appearance. Poster or report may include pictures from magazines, the internet, or actual photos of garments.

**SF 50155**  **Shopping in Style: Intermediate (Levels 3 & 4)**— Choose one of the following activities from Unit 3 or Unit 4 of the project book.

- Exhibit should include two clothing items that were previously a part of your wardrobe that still fit but you don’t wear anymore and pair them with something new to make them wearable again. Also include a report that explains why the garment was not being worn and what you did to transform it into a wearable garment again. **OR**
• Exhibit should include at least five pieces of clothing that exhibitor can mix and match to create multiple outfits. Include a poster or report that includes a clothing inventory AND describes what you have learned by completing this activity. Please bring at least one complete outfit from the selected clothing to display and model for the judge. OR

• Exhibit should include garment you purchased along with a poster or report that 1) includes a wardrobe inventory which indicates why you selected the garment you did, clothing budget, and cost of garment; OR 2) explains how advertising influences clothing purchases making a distinction between wants and needs; and how the purchase of this garment compliments and/or extends your wardrobe. OR

• Exhibit should include garment you purchased along with a poster or report that 1) describes a cost comparison of this item completed by the exhibitor when purchasing the garment; should include variety of shopping options and/or price tracking at stores over a period of time; OR 2) provides a quality comparison rating the specific clothing item purchased based on care, construction, cost and unique features; should include construction quality details, design features that influenced selection, cost per wearing, and garment care.

50156  **Shopping in Style: Advanced (Level 5 & 6)** – Choose one of the following activities from Unit 5 or Unit 6 of the project book.

• Exhibit should include garment you purchased along with a poster or report that summarizes care requirements not only for this garment but also for garments made of other natural and synthetic fibers; exhibit should also include a care cost analysis for garments of different fibers. OR

• Exhibit should include garment you purchased which you have repaired or altered along with a poster or report that provides a clothing inventory list which includes cost savings for repaired items as compared to purchasing replacement garments.

• Exhibit should include multiple garments you purchased along with a poster or report that provides plans and commentary for a fashion show that would capture the attention of an audience. Fashion show plans should identify target audience, include show venue, purpose of the show, and logistical plan for the fashion show. This should also include a financial plan. Exhibitor should be prepared to demonstrate modeling skills and bring at least one garment to display and wear.

DAIRY CATTLE
For youth enrolled in Dairy Cattle

Contact Superintendent—Jesse Mackinson

All 4-H exhibits will receive an A, B, or C placing. All premiums will be paid based on an “X” factor.

To maximize your Dairy showing experience, remember to enter in the corresponding Jr. Ag Fair classes. Visit https://www.livingstoncountyagfair.com/

For members enrolled in dairy cattle:
- The YQCA is a livestock quality assurance program. All 4-H exhibitors of dairy cattle will be required to certify in the YQCA program each year. Attendance in either a face-to-face class or certification through an on-line course is required. To register for an in-person or online training, visit yqcaprogram.org.

Dairy Health Rules
Identification
Individual identification of each animal shall be either a fully healed and legible tattoo, official metal ear tag, registration number (can only be used if the tattoo is recorded on the registration certificate or for breeds where pictures are acceptable), or individual brands, if brand is recorded on the registration certificate.

Illinois Cattle
Brucellosis
- Illinois is a Bovine Brucellosis Class-Free State. Brucellosis testing is not required for Illinois cattle.

Tuberculosis
- Illinois is an Accredited Tuberculosis-Free State. Tuberculin testing is not required for Illinois cattle.

Please note: Illinois calves less than 6 months of age, and Illinois steers are not required to have a Certificate of Veterinary Inspection.

LIVINGSTON COUNTY GENERAL DAIRY RULES
Please read, follow, and understand all general rules and “Exhibition Livestock Health Requirements” as presented by the IDOA:

2023 Illinois State Fair Health Requirements

2023 County Fair Exhibition Health Requirements

1. All female dairy projects must be accompanied by a health certificate. All health papers will be picked up at the gate upon entering the grounds. No animals will be permitted on the grounds without the necessary health papers.
2. All purebred animals shown will be registered in the name of the person making the entry by June 1 of current year. Registration papers will be checked by superintendents before the animal is exhibited.
3. Non-registered heifers will be permitted to show provided they have Identified Grade Papers from their breed association. All non-registered animals must have Identified Grade Papers prior to the show. The papers must be in the name of the exhibitor.
4. Each exhibitor will be limited to one entry under each premium number.
5. All cattle will be assigned to stalls by the superintendent.
6. Dam and Daughter: Both females must be entered and shown in respective classes.
7. Produce of Dam: Group to consist of two animals, any age, female, the produce of one cow. The dam must be named.
8. Entries in the Dairy classes must have been owned and personally cared for by the exhibitor in accordance with the following project starting dates:
   
   Junior and Senior Calves - May 1 of current year
   Junior Heifers - June 1 of current year
   Senior Heifers - January 1 of current year
   Cows - October 1 of previous year

9. Best three females must be owned and exhibited by same person.

10. Cell phones in the show ring are strictly forbidden. Disregard of this rule will be severely addressed by the dairy superintendents and the Livingston County 4-H Show Committee.

11. The Livingston County 4-H Show Committee has the authority to release any animal deemed unhealthy or injured in cooperation and in compliance with the Livingston County Agricultural Fair Association.

The calving date will determine the Sub-Class for each entry. The dates shall be as follows:

Spring Calf - Born after March 1 of current year
Winter Heifer Calf - Born after December 1 of previous year to February 28 of current year
Fall Heifer Calf - Born September 1 through November 30 of previous year
Summer Yearling Heifer - Born June 1 through August 31 of previous year

DRONES: UNMANNED AERIAL VEHICLES/SYSTEMS

Each county may submit 2 entries total from 50375, 50376.

Choose one of the following classes based on your interest and skill level.
Each Exhibitor must complete the first 2 sections, and at least 3 Real World Missions in the Quads Away Curriculum and display a completed Mission Logbook.

**UAV Display (SF 50375)**
Prepare a display related to the Drones/UAV project on the topic of your choosing. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. Non-UAV/Drone projects should not be entered in this class (see Aerospace Display).

**UAV Unmanned Aerial Systems (SF 50376)**
Exhibit one Unmanned Aerial Vehicle and associated system assembled or made by the member. UAV or Drone exhibits in this class must be either originally designed or built from a kit of reconfigurable parts and components. These displays are limited to multicopters (tri, quad, hex, and octocopters), as well as FPV airplanes and flying wings with wingspans up to 36”.
A detailed build log with pictures, as well as a Mission Logbook must be included. The UAV MUST have a Flight Controller and utilize a camera/video transmission system. The exhibit will be a static display. The Drone should be in good flying condition with batteries fully charged, and all UAS components (including Video System) ready to demonstrate. DO NOT display your UAV with the propellers on, but rather on the table to the side of your UAV. The Drone will not be flown. Attach the printed directions/instructions of the UAV if any were used.
ELECTRICITY
Each county may submit 3 entries total from 50177, 50178, 50179.

Electricity 1 (SF 50177)
(May only be battery-powered projects using battery components and wiring). Exhibit a momentary switch, simple switch, basic circuit, electromagnet, galvanometer, OR an electric motor. All projects must include a report explaining how the project was constructed and the principles demonstrated. Recommendations can be found on the website. Projects using paper clips, cardboard, thumbtacks, and brads are not eligible for state fair exhibits in electricity. Members wishing to exhibit these types of projects should consider exhibiting in Junk Drawer Robotics 1 or 2.

Electricity 2 (SF 50178)
(May only be battery-powered projects using battery components and wiring). Exhibit a circuit board demonstrating parallel and series switches, including a circuit diagram; 3-way or 4-way switch circuit using DC/battery; OR a basic electrical device (examples: rocket launcher, burglar alarm, etc.). All projects must include a report explaining how the project was constructed and the principles demonstrated. Recommendations can be found on the website. Projects using paper clips, cardboard, thumbtacks, and brads are not eligible for state fair exhibits in electricity. Members wishing to exhibit these types of projects should consider exhibiting in Junk Drawer Robotics 1 or 2.

Electricity 3 (SF 50179)
Exhibit a 120V lighting fixture or other appliance that uses a switch; OR two electrical household circuits using 120V materials to comply with National Electrical Code, one with a simple on/off switch to control bulb, and one using 3-way switches to control light from two locations; OR other project which demonstrates principles in the Wired for Power book. All electricity projects must include a report, explaining how the project was constructed, and principles for its operation. Recommendations can be found on the website.

Electricity 4 (not eligible for state fair)
Exhibit any electronic or solid-state appliance. Exhibitor must be able to explain how the project was constructed, how it is to be used and how it works. When project is being constructed, general safety and workmanship should be considered.

ENTOMOLOGY GENERAL
Each county may submit 2 entries total from 50183, 50184, 50185, 50186.

Size and number of exhibit cases should relate appropriately to the number of insects being displayed for a specified class. Cases should be no deeper than 4”. Exhibitors should note that Entomology exhibits may be placed UPRIGHT for display.

Entomology 1 (SF 50183)
Exhibit 15 or more species representing four or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 1 project manual, Teaming With Insects 1, with at least one completed activity for each year enrolled. Rules for pinning and labeling insects are available from your local Extension office.

Entomology 2 (SF 50184)
Exhibit 30 or more species representing eight or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 2 project manual, Teaming With Insects 2, with at least one completed activity for each year enrolled. Rules for pinning and labeling insects are available from your local Extension office.

Entomology 3 (SF 50185)
Exhibit 60 or more species representing twelve or more orders. Collection must be accurately labeled. Exhibitors must also include the Entomology 3 project manual, Teaming With Insects 3, with at least one completed activity for each year enrolled. Rules for pinning and labeling insects are available from your local Extension office.

Entomology Display (SF 50186)
Open to youth enrolled in Entomology 1, Entomology 2 or Entomology 3
Exhibit any activity or display related to Entomology that does not fit into Entomology Classes 1, 2 or 3 above. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

ENTOMOLOGY BEEKEEPING

Each county may send 2 entries total from classes 50188, 50189, 50190.

Create an exhibit that shows the public what you learned in the beekeeping project this year. **Note:** No beehives may be exhibited. Honey moisture content will be measured. Fill level: the honey should be filled to the jar shoulder, not over, nor under. Chunk honey should go in a wide-mouth jar, preferably one specially made for chunk honey (see beekeeping catalogs). Be careful to distinguish “chunk honey” (comb in jar) from “cut comb” (comb only in plastic box). *Honey exhibited (including chunk, cut comb, and sections) must be collected since the previous year’s fair.*

**Beekeeping 1 (SF 50188)**
Exhibit an educational display for one (1) of the following:
- Flowers used to make honey. Display pressed flowers from ten (10) different Illinois plants that bees use for making honey.
- Uses of honey and beeswax.
- Setting up a beehive.
- Safe handling of bees.
- Equipment needed by a beekeeper.

**Beekeeping 2 (SF 50189)**
Exhibit one (1) of the following:
- Extracted honey: Three (3) 1# jars (glass, screw-top), holding 1# of honey each.
- Chunk honey (comb in jar): Three (3) 1# jars (wide-mouth, glass).
- Cut-comb honey: Three (3) 1# boxes (boxes are usually 4 ½” x 4 ½” in size).
- Section honey: Three (3) sections of comb honey (in basswood boxes or Ross rounds).
- Working with honey bees. Present a topic from your manual to teach fairgoers about working with honey bees. Use your knowledge and creativity to display this information on a poster or in a notebook.

**Beekeeping 3 (SF 50190)**
Exhibit three (3) of the five (5) kinds of honey listed below (#1-5) or prepare an educational display about honey bees or beekeeping (#6).
1. Extracted honey: Three (3) 1# jars (glass, screw-top), holding 1# of honey each.
2. Chunk honey (comb in a jar): Three (3) 1# jars (wide-mouth, glass).
3. Cut-comb honey: Three (3) 1# boxes (boxes are usually 4 ½” x 4 ½” in size).
4. Comb honey: Three (3) sections (honey built by bees in frames of wood commonly called “sections”) (boxes are usually 4 ½” x 4 ½” in size).
5. Section honey: Three (3) sections of comb honey (in basswood boxes or Ross rounds) **OR**
6. Prepare an educational display about honey bees or beekeeping.

**Entomology Ready4Life Career & Entrepreneurship**
*For Ready4Life Career & Entrepreneurship Exploration exhibit opportunities for this project area, visit the Ready4Life section of this document.*
**ESPORTS** (not eligible for state fair)
All exhibitors must complete all activities in the Illinois 4-H eSports Pilot Curriculum.

**eSports** (not eligible for state fair)
Compete in at least 1 ranked tournament online or in person (either as a team or solo), and fully document your progress throughout. Any game with a documentable bracket system, and at least 3 rounds counts. Be sure to include a description of the tournament, your match information, your win-loss record, and description of the game and platform being used to play the game (Ram requirements/capabilities of your machine, video card specs., etc.). Prepare a PowerPoint presentation describing your journey through eSports (including your 1 mandatory tournament), what you have learned about gaming/eSports, and why you think more youth should be involved. Also include a detailed description of your most important win, explaining your strategy in that victory. Be sure to include screenshots and video, if possible. Load your presentation to a USB drive.
EXPLORATORY (not eligible for state fair)

Exploratory (Welcome to 4-H) (not eligible for state fair)
Youth ages 8 – 10 may exhibit a display on one of the following topics from the project book:
  - Windowsill gardening; OR
  - 4-H animals; OR
  - 4-H family; OR
  - Coat of arms

Collectibles (not eligible for state fair)
Bring your completed project book and your collection or examples of your collection (if it’s too large to bring) with pictures of total collection, OR an exhibit or poster illustrating one feature of the project.
FAMILY HERITAGE
Each county may submit 1 entry from 50197.

Family Heritage (SF 50197)
Prepare an exhibit of items, pictures, maps, charts, slides/tapes, drawings, illustrations, writings or displays that depict the heritage of the member’s family or community or 4-H history. Please note: Exhibits are entered at 4-H’ers own risk. 4-H is not responsible for loss or damage to family heirloom items or any items in this division. Displays should not be larger than 22” x 30” wide. If you need a size waiver because the historical item is larger than 22” x 28” please contact show staff for approval.

Family Heritage Ready4Life Career & Entrepreneurship

FOODS & NUTRITION
Each county may submit 7 entries total from any of these food classes: 50200 A-C, 50201 A-C, 50202 A-E, 50203 A-D, 50204, 50206, 50208 A-F, 50211.

Do not bring your foods projects in until your judging day on Wednesday.

Please note:
- While members may exhibit in more than one sub-class, they can only earn one premium per class.
- Exhibitors may only exhibit in one 4-H Cooking level – 101 OR 201 OR R301 OR 401
- No food projects are to be brought to the 4-H show before the morning of foods judging.
- All food items should be on disposable containers as noted in class description.
- After judging, one whole cookie/bar/etc. and the one piece the judge tasted will be put on a small plate (provided at the judge’s table) and tagged for display.

RULES FOR FOOD PROJECTS:
1. GENERAL COMMENTS ABOUT MENU PLANNING – Do not forget to include the required menu with those projects that indicate this requirement. Some projects require a menu for one meal, and some require the entire day’s menu. Write clearly or type on 3”x5” or 4”x6” recipe cards (one meal menu on each card) - staple together. Plan simple menus that include basic nutritional needs. Use form like the outline below. Capitalize foods. Meal planning and USDA Choose MyPlate handouts are available upon request at the Extension office.

The judge will evaluate the menu carefully. (Snacks may be added in remaining space available.) Name specific foods, serving size (ex. one or two slices of toast), and be sure to include the food product you are exhibiting. You may have to add snacks or increase the number or size of servings so that you meet the guidelines from Choose MyPlate. See www.ChooseMyPlate.gov for more information.

4-H Cooking 101 (SF 50200A, 50200B, 50200C)

Using the recipes included in the project manual (which are also available at go.illinois.edu/Cooking101Recipes), prepare an exhibit for one of the classes below. No icing should be on any products. Changes to recipes are only allowed to accommodate food allergies and sensitivities (i.e. nut allergy, gluten intolerance, etc.). If you make changes to the recipe, bring a copy of the recipe with your changes. Bars, coffeecake, or cookies should be displayed on a disposable plate placed in a zip-sealing plastic bag. In addition to your food exhibit, complete the What’s on Your Plate? Activity on pages 10-11 in the 4-H Cooking 101 project manual (and for download at go.illinois.edu/Cooking101Activity). Bring a document with printed pictures of your 3 or more plates and the answers to questions 1-7 to remain on display with your project. The words on the plates must be legible and clearly visible in the picture. Pictures, graphics or photos are acceptable. Due to space limitations at State Fair, the size of the activity document should be no larger than an 8 ½” x 11” binder or folder.

Members may exhibit one in each of the following sub-classes of cereal bars, coffee cake, cookies:

- **Cereal Bars** (SF 50200A) - 3 cereal marshmallow bars
- **Coffeecake** (SF 50200B) - ¼ of 8” square or round coffeecake
- **Cookies** (SF 50200C) - 3 cookies

4-H Cooking 201 (SF 50201A, 50201B, 50201C)
Using the recipes included in the project manual (which are also available at [go.illinois.edu/Cooking201Recipes](http://go.illinois.edu/Cooking201Recipes)), prepare an exhibit for one of the classes below. Changes to recipes are only allowed to accommodate food allergies and sensitivities (i.e. nut allergy, gluten intolerance, etc.). If you make changes to the recipe, bring a copy of the recipe with your changes. Bread, biscuits, or scones should be displayed on a disposable plate placed in a zip-sealing plastic bag. In addition to your food exhibit, complete Experiment with Meal Planning Activity on page 91 in the 4-H Cooking 201 project manual (and for download at [go.illinois.edu/Cooking201Activity](http://go.illinois.edu/Cooking201Activity)). Bring either page 91 with your completed answers or a document with the answers to remain on display with your project along with a picture of the meal you prepared. You do not need to complete the Challenge Yourself section on page 91. Due to space limitations at State Fair, the size of the activity document should be no larger than an 8 ½” x 11” binder or folder.

Members may exhibit one in each of the following sub-classes of biscuits, scones, and nut bread.

- **Biscuits** (SF 50201A) - 3 rolled biscuits
- **Scones** (SF 50201B) - 3 scones
- **Nut Bread** (SF 50201C) - ½ loaf (9” x 5”) of basic nut bread (no variations)

**4-H Cooking 301** (SF 50202A, 50202B, 50202C, 50202D, 50202E)

Using the recipes included in the project manual (which are also available at [go.illinois.edu/Cooking301Recipes](http://go.illinois.edu/Cooking301Recipes)), prepare an exhibit for one of the classes below. If icing is used on the tea ring or sweet rolls, the recipe for the icing must also come from the book. The yeast bread/roll dough may be prepared in a bread making machine; however prepared mixes are not permitted. Changes to recipes are only allowed to accommodate food allergies and sensitivities (i.e. nut allergy, gluten intolerance, etc.). If you make changes to the recipe, bring a copy of the recipe with your changes. Display exhibit on a disposable plate or pie tin and place in a zip-sealing plastic bag. In addition to your food exhibit, complete one of the six experiments: Experiment with Flour p. 33-34, Experiment with Kneading p. 35-36, Experiment with Yeast p. 37-38 or 39, Experiment with Butter p. 62-63 or Experiment with Cheese p. 104-105. Copies of all experiments are available to download at [go.illinois.edu/Cooking301Experiments](http://go.illinois.edu/Cooking301Experiments). Bring a document with a printed picture of your experiment and the answers to the experiment questions to remain on display with your project. Due to space limitations at State Fair, the size of the experiment document should be no larger than an 8 ½” x 11” binder or folder.

Members may exhibit one in each of the following sub-classes of dinner rolls, yeast rolls, tea ring, sweet rolls, and cake.

- **Dinner Rolls** (50202A) - 3 dinner rolls
- **Yeast Bread** (50202B) - loaf of yeast bread
- **Tea Ring** (50202C) - 1 tea ring
- **Sweet Rolls** (50202D) - 3 basic sweet dough rolls
- **Cake** (50202E) - one layer of a rich white cake or rich chocolate cake, top side up (without frosting)

**4-H Cooking 401** (SF 50203A, 50203B, 50203C, 50203D)

Using the recipes included in the project manual (which are also available at [go.illinois.edu/Cooking401Recipes](http://go.illinois.edu/Cooking401Recipes)), prepare an exhibit for one of the classes below. Changes to recipes are only allowed to accommodate food allergies and sensitivities (i.e. nut allergy, gluten intolerance, etc.). If you make changes to the recipe, bring a copy of the recipe with your changes. Display exhibit on a disposable plate and place in a zip-sealing plastic bag. In addition to your food exhibit, pick one of the recipes from Cooking 401 that is not a choice for exhibit. Make the recipe and take a picture of the results. Bring a document with a printed picture of the food you made from the recipe and the answers to the following two questions: 1.) If you made this recipe again, what would you do differently? 2.) What did you learn that can help you in other ways besides preparing food? Due to space limitations at State Fair, the size of the activity document should be no larger than an 8 ½” x 11” binder or folder.

Members may exhibit one in each of the following sub-classes of focaccia bread, pie shell, sponge cake, French bread.
**Focaccia Bread** (50203A) - ¼ of a 15” x 10” loaf of focaccia bread (do not include dipping oil)

**Pie Shell** (50203B) - one baked pie shell – traditional, oil, or whole wheat (no graham cracker)

**Sponge Cake** (50203C) - ¼ golden sponge cake, top side up, without frosting

**French Bread** (50203D) - ½ loaf French bread

**Food Science 1-4** (SF 50204)
Prepare a display, digital presentation, or poster on one of the food science experiments from the manual that you completed. Share 1) the food science question you investigated; 2) process used to conduct the experiment; 3) results and observations; 4) what you learned; and 5) how you have applied this information. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

**Sports Nutrition** (SF 50206)
Prepare a display, digital presentation, or poster on one of the activity chapters in the manual that you completed. The activity chapters are listed by page number in the table of contents. Your exhibit should include, at minimum, information on one physical fitness component and one food/recipe component from the activity chapter. The exhibit should include the project manual with the pages of the activity completed. You may also include live demonstration of physical activities. Do not bring food made using the recipes, but consider adding pictures of the completed recipes to your exhibit. You must furnish any equipment you need for the exhibit. Internet service is not provided. All exhibits must include something visual, such as a printed copy of a digital presentation. Electronic equipment will only be used during your judging time and will not remain on display during the exhibit period.

**Examples for Activity 1**
Example A: Make a video of yourself practicing flexibility, strength and endurance physical fitness activities and making pasta salad with different vegetable, pasta and dressing ideas. Bring a screenshot and brief description of your video to leave on display.

Example B: Make a poster of pictures of flexibility, strength and endurance physical fitness activities and information on the results of making the spinach and mandarin orange salad. Include answers to the questions in the book.

**Nutritional Poster (not eligible for state fair)**
Exhibit on a poster, one nutritional theme or idea that will educate the public about nutrition. Be prepared to discuss how the nutritional poster related to what you learned in your specific project. Nutritional Posters must be related to the project in which the member is enrolled. Entry tag should be securely attached to the project.

**Food Preservation** (SF 50208A, 50208B, 50208C, 50208D, 50208E, 50208F)
Prepare an exhibit using ONE of the following food preservation methods: canning; freezing; drying; pickles/relishes; jams, jellies and preserves OR a combination of these (see Preservation Combination option below), excluding Freezing. **No freezer jam exhibits will be allowed for Freezing; Jams, Jellies, and Preserves; or for the Preservation Combination options.** Be sure to review all of the Food Preservation rules that follow the class list so you can follow all exhibit requirements.

**Fruits/Vegetables** (SF 50208A) – The exhibit should include two different canned foods in appropriate jars for the products. Food may be fruit, vegetable, or tomato product (i.e. salsa, juice, etc.).

**Freezing** (SF 50208B) – Prepare a nutrition display that illustrates a freezing principle. There is NOT a food exhibit option for this preservation method.
Drying (SF 50208C) – Exhibit two (2) different dried foods packed in plastic food storage bags. Choose from fruit, vegetable, fruit leather or meat jerky.

Pickles and Relishes (SF 50208D) – Exhibit two (2) pint jars of different recipes of pickles and/or relishes.

Jams, Jellies, and Preserves (SF 50208E) – Exhibit two (2) half-pint jars of two different jams, jellies, and/or preserves.

Preservation Combination (SF 50208F) – Exhibit two (2) different preserved food products from two different categories above, excluding Freezing, in appropriate jars/packaging (Drying). For example, exhibit 1 jar of tomatoes (Fruits/Vegetables) and 1 half-pint of jelly (Jams, Jellies, and Preserves).

All preserved products should be prepared and processed according to the current USDA/Extension information. USDA information on preserving food, including recipes, can be found at: www.homefoodpreservation.com or web.extension.illinois.edu/foodpreservation/. Recipes must be processed in a water-bath or pressure canner. Food preservation items will not be tasted.

All food preservation exhibits must be labeled with: 1) The name of the food; 2) The date preserved; 3) Appropriate method(s) of food preservation (For canned projects: boiling water bath or pressure canner; For drying projects: Specify equipment used (food dehydrator, oven, etc.).

Examples:

All food preservation exhibits must be accompanied with the recipe(s) – typed or written, with the source of the recipe(s) listed. Required recipes and sources for food preservation exhibits – all food preservation recipes must be from an approved source. Those sources are:
- PUT IT UP! Food Preservation for Youth website or manuals
- National 4-H Home Food Preservation Project Manuals
- U.S. Department of Agriculture (USDA)
- National Center for Home Food Preservation
- Ball/Kerr Canning (recipes after 1985)
- Mrs. Wages

DO NOT BRING RECIPES FROM: Magazine or newspaper clippings, Pinterest (unless it is from a source listed above), a recipe from a family member or friend without a source, cookbooks (excluding the Ball, Kerr, Put It Up!, and 4-H Home Food Preservation books).

Canning Equipment Requirements: All canned products must be canned in clear, standard jars in good condition (no chips or cracks). Jars must be sealed using two-piece canning lids (flat lid and band). Must use a new, unused flat lid. Bands must not be rusty or severely worn.

Foods Innovation Class (SF 50211)
Open to youth enrolled in any Foods project.
Demonstrate the skills and knowledge you have gained through the project. The exhibit may include, but isn’t limited to, original recipes, results of experiments not in the foods project books, variations on recipes or experimenting with unique cooking or baking methods. Your work can be displayed by a food product, demonstrations, digital presentations, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. If you bring a food product, the food
will NOT be tasted.

GEOLOGY

Each county may submit 3 entries total from 50218, 50219, 50220, 50221, 50222.

Size and number of exhibit cases should relate appropriately to the number of specimens being displayed for a specified class. Specimens are not limited to Illinois locations. All levels of Geology use the same manual, Geology-Introduction to the Study of the Earth.

Pebble Pups 1 (SF 50218)
Display 8 to 19 rocks and mineral specimens with three minerals in the collection. Collection may include duplications that show variations. Label collection and note where found.

Pebble Pups 2 (SF 50219)
Display at least 20, but no more than 29, rocks and mineral specimens with seven minerals in the collection. Collection may include duplications that show variations. Label collection and note where found.

Rock Hounds 1 (SF 50220)
Display at least 30, but no more than 40, rocks and mineral specimens with ten minerals in the collection. Rocks should include at least three igneous, two metamorphic, and three sedimentary groups. Label collection and note where found.

Rock Hounds 2 (SF 50221)
Display no more than 50 specimens that have been selected to illustrate a specific theme of the exhibitor’s choosing. Be creative. Sample categories could include (but are not limited to): industrial minerals and their uses; a specific rock group and the variety that occurs in that group, including some minerals that occur in that environment; select fossils traced through the geologic ages; minerals and their crystal habits; rocks and minerals used in the lapidary arts.

Geology Innovation Class (SF 50222)
Open to youth enrolled in Geology.
Demonstrate the skills and knowledge you have gained through the Geology project. Exhibit may be the result of knowledge gained from project manuals; independent study about Illinois rock(s) and mineral(s), interaction with geology professionals; and/or individual exploration in the area of geology. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. GOATS
For youth enrolled in Dairy Goats, Meat Goats

Contact Superintendents—Elisa Thorson and Tony Palmer

All 4-H exhibits will receive an A, B, or C placing.
All premiums will be paid based on an “X” factor.

To maximize your Goat showing experience, remember to enter in the corresponding Jr. Ag Fair classes at https://www.livingstoncountyagfair.com/. Contact Superintendents with any goat entry questions.

For youth enrolled in Dairy Goats, Meat Goats:
• The YQCA is a livestock quality assurance program. All 4-H exhibitors of goats will be required to certify in the YQCA program each year. Attendance in either a face-to-face class or certification through an on-line course is required. To register for an in-person or online training, visit yqcaprogram.org.

Goat Health Rules
Identification
Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable, if the owner provides the reader!

Tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal. When using ear tags, the tag MUST indicate the premise ID and state of origin. The tag number MUST be assigned by a state or APHIS representative and be recorded in the Scrapie Record Database. Ears should be used for tattooing when possible. If there is no space in the ear, the flank or tail fold may be used.

Illinois Goats
1. Goats originating from a herd that has previously been classified as either an infected or source herd can be exhibited in Illinois upon the completion of an approved herd plan.
2. For any animal born after January 1, 2002, the CVI must include the flock of birth and the flock of origin, if different.
3. All goats moving within Illinois must be officially identified to their herd/flock of birth with a Scrapie tag that is available through the Illinois Department of Agriculture at (217) 547-6030.

LIVINGSTON COUNTY GENERAL GOAT RULES

Please read, follow, and understand all general rules and “Exhibition Livestock Health Requirements” as presented by the IDOA:
2023 Illinois State Fair Health Requirements
2023 County Fair Exhibition Health Requirements

1. Goat projects require a certificate of veterinary inspection. The Livingston County 4-H Extension Staff has the authority to release any animal deemed unhealthy or injured in cooperation and compliance with the Livingston County Fair Association. For the safety of all, bring only healthy animals!
2. Ownership must have been effective as follows:
   a. Kids - June 1 of current year
   b. Yearlings not in milk - March 1 of current year
   c. Does - January 1 of current year
3. Ages of animals will be determined as of day of show.
4. Purebred animals must be registered in the name of the exhibitor.
5. Animals will be assigned stalls by superintendent.
6. Each exhibitor will be limited to one entry in each breeding animal premium number.
7. Animals in Mother-Daughter class must have been shown in their respective individual classes.
8. Meat goats and Pygmy goats may not show in any Dairy goat classes. This includes percentage Meat or Pygmy goats.
9. Cell phones in show ring are strictly forbidden! Disregard of this rule will be addressed by the goat superintendents and the Livingston County 4-H Extension Staff in conjunction with the Livingston County Ag Fair Board.

**MARKET WETHER GOAT RULES**

1. Each exhibitor is limited to two market wethers. Each exhibitor will be limited to one entry in each class number, except in the wether classes where they may show two animals per class.
2. All market wethers will be weighed in at a date/time to be determined and placed in the proper weight category. Must declare sale animal at weigh in.
3. All market wethers must be under 1 year of age.
4. Market wethers, except Pygmy wethers, must weigh a minimum of 35 pounds in order to be exhibited. Pygmy wethers must weigh a minimum of 20 pounds. Underweight market wethers must remain on the grounds until released on Saturday, unless otherwise determined by superintendents.
5. All market wethers must be clipped and groomed for show.
6. Market wethers must have a Scrapie tag, and it will be used as the form of identification, in order for the animal to be exhibited.
7. Health requirements are the same as for all other goats.
8. Market wethers exhibited at the show are eligible to be sold on the auction. However, only one market wether can be sold per exhibitor providing no other species are being placed on the auction.

All premiums will be paid based on an “X” factor.

To maximize your Horse and Pony showing experience, remember
to enter in the corresponding Jr. Ag Fair classes. Visit https://www.livingstoncountyagfair.com/.

All 4-H Members showing horses are required to take Quality Assurance and Ethics training at least once in their 4-H career for any species of livestock to be eligible to be enrolled in a livestock project area and/or exhibit at the Livingston County 4-H Show. Training can be found at http://web.extension.illinois.edu/qaec/ and must be completed before completing Show Entry.

LIVINGSTON COUNTY GENERAL HORSE RULES
Please read, follow, and understand all general rules and “Exhibition Livestock Health Requirements” as presented by the IDOA:
2023 Illinois State Fair Health Requirements
2023 County Fair Exhibition Health Requirements

1. All 4-H members are required to wear a properly fitted ASTM or SEI standard F1163 (or above) certified equestrian helmet whenever mounted or driving a horse or pony. Original tags must be present in all approved helmets.

2. Only the Livingston County 4-H Extension Staff, in cooperation and compliance with the Livingston County Agricultural Fair Board, will have authority to release any animal deemed unhealthy. For the safety of all, bring only healthy animals! See Health Rules in the Health requirements website listed above.
   a. All horses and other equine, twelve (12) months of age and older attending an advertised equine event, shall be accompanied by a negative test for Equine Infectious Anemia (EIA) conducted within the last twelve months. A copy of this test shall accompany the animal.
   b. AGID (Coggins) or ELISA tests are accepted.
   c. An advertised equine event means a show, rodeo, sale, auction, exhibition, trail ride, or horse fair that is posted or media promoted.
   d. A CVI is not required for Illinois equine.

3. The show will be open to any 4-H exhibitor enrolled in the 4-H horse project area. Exhibitors under 12 years of age must have an adult at ringside while animal is being shown. The ringmaster and/or judge reserves the right to dismiss any horse or exhibitor from the ring who could pose a hazard to other exhibitors.

4. Horses and ponies entered in all classes must be owned or leased and personally cared for by the exhibitor by May 1 of the current year. A horse or pony can only be shown or exhibited ONCE in each CLASS NUMBER. Leasing a horse or pony, is designed for exhibitors who otherwise would not have a horse to show. Only ONE “non-related” exhibitor can share or lease a horse or pony. More than ONE can share or lease a horse or pony ONLY if they are siblings, but they have to be shown or exhibited in separate CLASS NUMBERS. If siblings share or lease a horse, it cannot be shared or leased with other non-related exhibitors. Ownership/Lease forms are due by June 1.

5. Exhibitors must deliver two pictures of the horse (left and right-side view) in addition to a copy of the horse’s registration papers or IL 4-H Certification of Ownership or IL 4-H Horse Lease form to the Livingston County Extension Office by June 1. Only horses with photos and registration papers submitted may be shown—no substitutions.

6. Mares, geldings, and mares with foal of previous calendar year may be shown. No stallions, except foals under nine months of age.

7. Judging will be based on conformation, style, manners, and way-of-going.

8. Superintendents will be in charge of stalling animals.
9. Exhibitors must LEAD horses from the barns to the designated riding area. Riding is only permitted the day of the show in the grandstand area. No riding is permitted anywhere else on the grounds. A superintendent will supervise exercising of animals each morning from at a determined time in the far north corner of the grandstand area.

10. All unruly horses and ponies must be tied in their stalls at all times except when being shown or exercised under supervision.

11. No animals are to be abused. If in the opinion of the judges or the superintendents, abuse has occurred, the exhibitor will be disqualified.

12. Bats permitted in skill classes and whips optional in halter classes. Bats must be one inch wide and used only behind saddle girth.

13. Exhibitors may enter one or all of the class numbers for the class size, providing they have eligible animals. Only one animal may be entered per class number.

14. English Equitation and Western Horsemanship — The same horse or pony can be shown in both Western and English classes.

15. Either Western or English tack and attire may be used in horsemanship and production classes.

16. Animals in Home Grown classes must be born and raised on the exhibitor’s property.

17. During years when the Illinois State Fair Jr. Horse Show conflicts with the Livingston County Junior Fair, the only horse exhibitors who will be allowed to check in their horses at the Livingston County 4-H Show prior to 4 p.m. check-in time or leave the grounds early are the exhibitors who are or will be exhibiting their horses at the Illinois State Fair 4-H Horse Show on Tuesday of check-in of our show or to arrive at the Illinois State Fair Jr. Horse Show the same day as departure from our show with prior approval by the Livingston County 4-H Extension Staff in cooperation and compliance with the Livingston County Agricultural Fair Board.

18. All classes will be awarded points along with premium monies. The exhibitor with the most points in each age group (8-10), (11-14) and (15-19) will receive a trophy. Bonus points can be attained by attending and participating in the horse clinic (25 points) and the horse barn work night on Saturday before the show (10 points).

19. Each exhibitor’s stall must be cleaned out and checked by one of the superintendents, before premium monies will be awarded. First- and second-year Horsemanship is a walk and trot class only. This class is open to exhibitors in their first or second year of riding.

20. The judging of the Costume Class will take place in the Grandstand area. Exhibitors need to enter this class in fairovery.com. and turn in a story about their costume at the exhibitor’s meeting.

21. Cell phones in the show ring are strictly forbidden. Disregard of this rule will be addressed by the horse superintendents and the Livingston County 4-H Extension Staff.

22. **Fans are not allowed in the horse barns.**

23. Horse barn workday will start at 10:00 a.m. the Saturday before 4-H show-fair week.

HORTICULTURE: FLORICULTURE

Each county may submit 3 entries total from 50192, 50193, 50194, 50195, 50196.

To maximize your showing experience, remember to enter in the corresponding Jr. Ag Fair classes. Visit https://www.livingstoncountyagfair.com/.

Floriculture A (SF 50192)
Exhibit one of the following options:

• Create a flower arrangement, either a round arrangement or a bud vase. No silk flowers are permitted; OR
• Create a photo collage or a collection of pictures of flowers that you have raised. Label your flowers by name and tell if you started with a seed, cutting or transplants. Mount pictures on a poster board; OR
• Exhibit in one container: 3 stems of blooms - each with attached foliage. Foliage that would go inside the container may be removed. All three blooms or stems should be the same variety, color, shape and size and must have been grown from seed, young seedling plants, bulbs or rhizomes by the exhibitor. (NOTE: Exhibitors choosing lilies should include no more than 2/3 of foliage for their exhibit.)

Floriculture B (SF 50193)
Exhibit one of the following options:

• Display a mixed planter that may include herbs with foliage plants and/or flowering plants. The planter should include three or more kinds of plants. The container exhibit space must not exceed 18"x18".
• Create an artistic display of dried flowers and/or herbs explaining how each was dried; OR
• Create a photo collage or collection of pictures of plants from your theme garden. Label your plants by name and explain how the plants were chosen to fit the theme.
• Create an artistic fairy garden of plants, flowers and/or herbs. Explain the process you utilized to prepare your fairy garden. Label your plants by name and explain how the plants were chosen to fit the theme.

Floriculture C (SF 50194)
Exhibit one of the following options:

• Create a terrarium. Selected plants should be started by the exhibitor from cuttings or seeds or as purchased plugs. The terrarium must be cared for by the exhibitor for at least 5 months. Exhibitor should be able to explain the different plant, soil, and environmental needs and watering requirements of a closed system; OR
• Exhibit a plant that you propagated from cuttings, layering or division or started from seed. Create a photo board showing the progression of growth. Tips for vegetative propagation of houseplants can be found in the University of Illinois Extension Gardener’s Corner (go.illinois.edu/gardenerscorner).

Floriculture D (SF 50195)
Exhibit one of the following options:

• Create a centerpiece around a theme such as a wedding, holiday, birthday, etc. No silk flowers are permitted; OR
• Create an exhibit of forced bulbs in a pot.

Floriculture Display (SF 50196)
(Open to youth enrolled in Floriculture A, Floriculture B, Floriculture C, and Floriculture D)
Present an exhibit of the member’s choice that focuses on some aspect of floriculture which does not fit in the categories above. The exhibit may include, but isn’t limited to, dish gardens, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

DISPLAY CLASSES

Herb Container Display (SF 50313)
(Open to youth in Vegetable Gardening A, Vegetable Gardening B, Vegetable Gardening C, and Vegetable Gardening D)
Herbs should be grown in pots (8” maximum diameter). Categories: Mint, Oregano, Rosemary, Sage, Thyme, and all other herbs. Herbs should be labeled with common and Latin names. Herbs should be in your care for a minimum of three months for state fair exhibits. Remove dead leaves from plants and check that the soil is clear of debris such as dead leaves. When exhibiting herb plants, be sure to grow the plants in the container to be displayed to avoid transplant shock. Exhibits will be evaluated based on cleanliness, uniformity, condition, quality, and trueness to variety. Additional herb resources are located on the project resources section of the Illinois 4-H website.
- Display must include 4 or more different kinds of herbs. There may not be more than 2 different varieties of any herb. For example, peppermint and chocolate mint would be classified as two different herb varieties.
- In instances where containers display more than one variety of herb, special care should be taken that each distinct variety is accessible and clearly visible to the judges to ensure full points for cleanliness.

Vegetable/Fruit Display (SF 50314)
(Open to youth in Vegetable Gardening A, Vegetable Gardening B, Vegetable Gardening C, and Vegetable Gardening D)
1. This class is allowed a 2’6” x 2’6” space for each display.
2. Display must include 6 or more different kinds of vegetables or fruits. There may not be more than 2 different varieties of any vegetable/fruit. For example, red and white potatoes would be classified as two different varieties. Acorn squash and zucchini would be classified as two different vegetables.
3. The number and type of vegetables/fruits used must conform to the Vegetable/Fruit Plate/Display List. Fruit Plate list is below Vegetable Plate list.
4. Exhibitors must provide the name and variety of all vegetables/fruits used. (i.e. Cabbage – Golden Acre; Cucumber, slicing – Straight Eight; Tomatoes, slicing – Rocky Top; Snap Beans – Contender, etc.).

Vegetable Gardening Display - Other (SF 50316)
(Open to youth in Vegetable Gardening A, Vegetable Gardening B, Vegetable Gardening C, and Vegetable Gardening D) Present an exhibit of the member’s choice that focuses on some aspect of vegetable gardening which does not fit in the categories above. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

PLATE CLASSES

**MAKER**

(not eligible for state fair)

**Maker: Open to youth in all projects.**

Exhibits in this category are designed to be multi-disciplinary in nature, innovative, and must not fit into any other exhibit category. To qualify for this category, your project MUST abide by the following guidelines:

- Exhibitors must complete the [DIY Make & Build Curriculum](#), and answer all the questions at the end of each lesson. You must display (or upload if virtual) your answers to these questions, as well as your Maker Log from the DIY Make and Build curriculum.
- Exhibits must be an object or device that has an intended purpose and uses technology in either a mechanical way, digital (computer) way, or combination of the two. Your device or object **cannot** be one of the included activities in the DIY Make and Build Curriculum.
- The device must be something that can be used in everyday life by multiple people (a target audience), and MUST be manufactured/built by the exhibitor (If not fully manufactured by the exhibitor, the device MUST be modified structurally or be reprogramed to perform a different function other than what it was designed to do).
- Exhibits MUST be able to interact with the outside world. (e.g. an on off switch, input sensors, feedback, etc.)
- Exhibits MUST include a detailed build log with instructions on how to make or build the exhibit, AND contain either a 3D rendering or detailed and labeled sketches of the device/product.
- All parts and software used in the design/build MUST be listed in a detailed Bill of Materials including cost per item and total cost. Total time spent on the build must be documented in your build log.

In addition, exhibitors are HIGHLY encouraged to use tools such as 3-D printers, laser cutters, routers and/or other hand/power tools to help in the manufacturing process *(NOTE: Simply 3-D printing or laser cutting an object without the other specifications does not qualify as a Maker Project)*. It is also HIGHLY encouraged that exhibits use Open Source software and/or hardware in the build.
NATURE: NATURAL RESOURCES AND OUTDOOR ADVENTURES
Each county may submit 3 entries from 50256, 50257, 50258, 50259, 50278.

Electricity and water are NOT available for these displays. **NO live animals or reptiles are permitted in these exhibits.**

**Natural Resources 1 (SF 50256)**

For safety reasons, lures must be placed in a plastic case.

Wildlife 1 (SF 50266)
Exhibit any activity developed from the project manual. Be able to explain the importance of and concept behind the exhibit.

Wildlife 2 (SF 50263)
Exhibit any activity developed from the project manual. (Ex. Create a display of the life history of an animal.) Within the exhibit, explain the importance of and concept behind the exhibit.

Wildlife 3 (SF 50265)
Exhibit any activity developed from the project manual. Be able to explain the importance of and concept behind the exhibit.

Fish and Wildlife Innovation Class (SF 50264)
Open to youth enrolled in any Sportsfishing or Wildlife project. Demonstrate the skills and knowledge you have gained through your Sportsfishing or Wildlife project. Exhibit may be the result of knowledge gained from project manuals; independent study, interaction with natural resource or conservation professionals. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Exploring Your Environment 1 (not eligible for state fair)
Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of natural and/or manmade environments, how humans affect the environment, or how the environment affects our lives. Include your project manual that documents activity recordkeeping, your answers to activity questions, and details personal thoughts and ideas.

Exploring Your Environment 2 (not eligible for state fair)
Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of one of the following: stewardship of natural resources, investigating greenhouse effects on living organisms, methods of reducing or managing waste in your home or community, or calculating your ecological footprint. Include your project manual that documents
activity recordkeeping, your answers to activity questions, and details personal thoughts and ideas.
PHOTOGRAPHY

Each county may submit 3 entries total from 50268, 50269, 50270, 50271

ALL photos in exhibits must have been taken by the exhibitor. Photo/Model releases from individuals pictured in the exhibitor’s photographs are required unless the photograph is of a group in a public place where identification would not be an issue. The release can be obtained at: https://4h.extension.illinois.edu/sites/default/files/2022-07/photo-and-video-model-release-2016.pdf. Photos may be taken with a camera, an electronic tablet (i.e. iPad), or a cell phone.

ALL photos must be accompanied by details of the camera settings that include:

- Camera/device used
- Aperture (F-stop)
- Exposure time (shutter speed)
- ISO (film/sensor sensitivity)
- Lighting used (flash, artificial, sunlight, other)
- Lens Filters (Ultra-Violet, Polarizing, etc.) if used.

Learn more about finding metadata for your photos at https://4h.extension.illinois.edu/sites/default/files/2022-12/Photography%20Tip%20Sheet%202023.pdf.

Additional details required for Photo Editing ONLY:

- Photo editing software/application used (required for ALL edits and retouches except for cropping)
- Filters used (lens filters and or digital/software filters)

Members are allowed to shoot on a camera’s automatic setting, but should be able to find the metadata information on the photo to discuss the information above.

The exhibition size requirements for all photographs will be:

- Minimum image size: 5” x 7”
- Maximum image size: 8” x 10”
- Maximum exhibit size (including frame): 18” x 20”

All exhibitors must include unframed (taped to the back of the framed exhibit or attached to the project booklet) original or un-edited versions of either the same subject or the examples of the same technique that the framed image represents. This will assist the judge in understanding the choices made by the photographer to build the exhibited composition.

NOTE: Images taken with devices that apply an automatic filter will not be eligible for award.

All photography exhibits must be prepared for hanging with a wire attached across the back of the frame for hanging. For further explanation, please refer to the short video How to add a hanger on your 4-H Project! at https://www.youtube.com/watch?v=QQH-Yszm-5l

Photography 1 (SF 50268)
Exhibit one framed photo which demonstrates your understanding of a technique you learned from your Photography 1 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.

Photography 2 (SF 50269)
Exhibit one of the options listed below:

- Exhibit one framed 8” x 10” close-up photograph using the skills learned on pages 58-61(section: Bits and Pieces) of the project manual titled Level 2 Next Level Photography. No photo editing is allowed in this class except cropping and red eye removal; OR
• Exhibit one framed 16 5/8” x 8 1/8” panorama photograph using the skills learned on pages 62-65 (section: Panorama) of the project manual titled Level 2 Next Level Photography. No photo editing is allowed in this class except cropping and red eye removal; OR

• Exhibit one framed 8” x 10” photo which demonstrates your understanding of a technique you learned from your Photography 2 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.

Photography 3 (SF 50270)
Exhibit one of the options listed below:
• Exhibit one framed 8” x 10” still-life photo that demonstrates good composition, including color, form, texture, lighting and depth of field. No photo editing is allowed in this class except cropping and red eye removal; OR

• Exhibit one framed 8” x 10” photo which demonstrates your understanding of a technique you learned from your Photography 3 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.

Photo Editing (SF 50271)
Open to members in Photography 1, Photography 2, and Photography 3.
Exhibit one framed 8” x 10” photo that has been altered using digital photo-editing techniques (beyond cropping and red-eye reduction). Include a print of the original photo(s), taped to the back of the photo frame. Photos in which an automatic filter was applied at the time the photograph was taken will not be eligible for award.

For Ready4Life Career & Entrepreneurship Exploration exhibit opportunities for this project area, visit the Ready4Life section of this document.
PLANTS & SOILS
Each county may submit 3 entries total from 50280.

Cover Crops (SF 50280)
Exhibit an experimental or educational activity related to one experience from your project; OR prepare a display focusing on any activity related to the cover crops project. This could be related, but not limited, to plant growth & development, cover crop benefits, land management, sustainability, or other topics of interest to the member related to cover crops. A cover crop might include any plant that is sown in between primary production crops for the benefit of overall farm health rather than crop yield (examples: pennycress, clover, radish, annual ryegrass, etc.). The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Plants & Soils 1 (not eligible for state fair)
Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of environmental and internal factors that affect plant growth and the function and characteristics of soil. Include your project journal that documents activity recordkeeping requirements, answers activity questions, and details personal thoughts and ideas.

Plants & Soils 2 (not eligible for state fair)
Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of the composition of plants, the functions of individual plant parts, plant life cycles, and the many ways plants reproduce. Include your project journal that documents activity recordkeeping, answers activity questions, and details personal thoughts and ideas.

Plants & Soils 3 (not eligible for state fair)
Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of the relationship between soil and other cycles found in nature. Displays should also provide an example of a leadership or service-learning experience focused on environmental stewardship. Include your project journal that documents activity recordkeeping requirements, answers activity questions, and details personal thoughts and ideas.

Plants & Soils Ready4Life Challenge (not eligible for state fair)
Open to 11- to 18-year-olds enrolled in any Plants & Soils project.
Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

All 4-H exhibits will receive an A, B, or C placing.
All premiums will be paid based on an “X” factor.

To maximize your Poultry showing experience, remember to enter in the corresponding Jr. Ag Fair classes.
Visit https://www.livingstoncountyagfair.com/.

Birds born after September 1, 2022 can show at the 2023 fair as a young bird.
If you have questions, contact the poultry superintendent, Jim Brown (815-343-4717).
No changes or substitutions will be allowed at check-in, only scratches.

All 4-H Members showing poultry are required to take Quality Assurance and Ethics training at least once in their 4-H career for any species of livestock to be eligible to be enrolled in a livestock project area and/or exhibit at the Livingston County 4-H Show. Training can be found at http://web.extension.illinois.edu/qaec/ and must be completed before completing Show Entry.

Poultry Health Rules

1. All entries (except waterfowl, i.e. domesticated fowl that normally swim, such as ducks and geese) in a show or exhibition shall have originated from a U.S. Pullorum-Typhoid Clean or equivalent hatchery or flock OR have a negative Pullorum-Typhoid test within 90 days prior to exhibition. Exhibitor shall show proper information as to name and address of owner or exhibitor, name and address of the authorized testing agent, date of the testing and the number, breed and species of those tested. For testers in the area, call the poultry superintendent.
2. Prior to being used to transport poultry to a show, all crates, boxes, containers and vehicles shall be thoroughly cleaned and disinfected. All poultry should be bathed and clean upon check in.
3. Any poultry vaccinations must be performed at least four weeks prior to delivery to the show.
4. Upon admission to show, all entries shall be examined by the official county fair veterinarian or qualified state personnel who shall also receive and examine all certificates necessary for admission of birds to a show. Birds not in show condition will be excused from exhibition and removed from the premises. Any fowl showing signs of illness during the show will be removed from the exhibition grounds.
5. All out-of-state turkeys must originate from flocks that are officially classified as U.S. Mycoplasma gallisepticum. Clean in accordance with the provisions of the National Poultry Improvement Plan or be negative to a test for Mycoplasma gallisepticum within 30 days prior to entry.
6. A permit is also required for out-of-state poultry. A permit may be obtained by calling IDOA at (217) 782-4944.

LIVINGSTON COUNTY GENERAL POULTRY RULES
Please read, follow, and understand all general rules and “Exhibition Livestock Health Requirements” as presented by the IDOA:

2023 Illinois State Fair Health Requirements
2023 County Fair Exhibition Health Requirements

1. All birds will be judged according to the American Standard of Perfection.
2. All poultry projects should be in good condition. However, the Livingston County 4-H Show Committee, in cooperation and compliance with the Livingston County Agricultural Fair Board, still has authority to release any animal deemed unhealthy. For the safety of all, bring only healthy animals!
3. All birds must have been owned, fed, and personally cared for according to the following dates:
   a. Cockerels – Birds born after September 1, 2022 can show at the 2023 show as a young bird.
   b. Pullets – Birds born after September 1, 2022 can show at the 2023 show as a young bird.
   c. Breeding Pens – Birds born after September 1, 2022 can show at the 2023 show as a young bird. Breeding pen will
consist of two pullets and one cockerel. The single cockerel and single pullet must be in the Breeding pen.

d. **Egg Production Pens** – Birds born after September 1, 2022, can show at the 2023 show as a young bird. Egg production pen consists of the same variety of hens, hatched in the prior year. Birds will be judged on the egg production qualities including pigmentation and bleaching, handling condition, molting and uniformity.

e. **Market Trios** – Birds born after September 1, 2023, can show at the 2023 show as a young bird. Market trios shall consist of three cockerels or three pullets. Market trio birds cannot be used in the breeding classes. Market trios will be judged on conformation, fleshing, finish, feathering, uniformity, and cleanliness. They will be weighed upon check-in and placed in the correct class.

f. **All Other Poultry** – Birds born after September 1, 2022, can show at the 2023 show as a young bird. All other poultry will consist of a breeding pair and must consist of a male and a female.

4. Each exhibitor in the Breeding Classes may bring up to 18 birds but may only have one entry in each class.
5. The exhibitor will furnish own feed, feed container, water, water container, bedding, and care for birds during the show. Each exhibitor is responsible for keeping the pens and area around the pens clean.
6. Poultry exhibits will be pre-registered by superintendents and assigned pens.
7. Entries are to be in place by 9 p.m. during Tuesday check-in, unless otherwise announced.
8. Eggs from the project flock shall be brought to the grounds on the day of the show just prior to show and taken home the same day. Eggs should be removed from refrigeration the day prior to the show to minimize sweating. Eggs are judged on uniformity of color, size, cleanliness, shape, and soundness of shell. Each exhibitor is limited to two lots of eggs but may have one entry in each class number.
9. All exhibitors must bring their entries to the judging table for judging when their classes are called.
10. General rules of 4-H show-fair apply to this section.
11. Cell phones in the show ring are strictly forbidden. Disregarding this rule will be addressed by the poultry superintendents and the Livingston County 4-H Extension Staff in conjunction with the Livingston County Ag Fair Board.

**PHEASANT & QUAIL**

Not eligible for State Fair
Superintendent: Debbie Ruff

**For Youth Enrolled in Poultry**

Quail and pheasants will be judged on conformation, fleshing, finish, feathering, and trueness of breed type and characteristics. The breed and hatch date must be declared at the show judging.

- A written report that details how the birds were raised is to be left with the Pheasant & Quail Superintendent or on top of the cage during check-in.
- The written report must include the brooder report sheet.
- All pheasants must be wearing blinders.
- The 3 birds are to be 2 hen and one rooster.

LIVINGSTON COUNTY GENERAL RABBIT RULES

Please read, follow, and understand all general rules and “Exhibition Livestock Health Requirements” as presented by the IDOA:

2023 Illinois State Fair Health Requirements
2023 County Fair Exhibition Health Requirements

1. All rabbit projects will not require a health certificate. However, the Livingston County 4-H Extension Staff, in cooperation and compliance with the Livingston County Agricultural Fair Board, will have authority to release any animal deemed unhealthy. For the safety of all, bring only healthy animals!
2. Entries must have been owned and personally cared for by the exhibitor from January 1 of the current year if the animal is carried from year-to-year, and from birth if the rabbits to be shown are Intermediate or Junior bucks or does. First year exhibitors must own and care for the rabbit by June 1 of the current year.
3. Each exhibitor will be permitted to show one entry in each class number. Each exhibitor may enter up to two breeds: single fryer, meat pen, and carcass entry can be different breed but must be kindled and raised by exhibitor.
4. The “All Other Breeds” lot includes all “non-fancy” and crossbreeds for which a class has not been established.
5. The “Fancy” lot includes all rabbits identified with the fancy breeds that do not have intermediate classes.
6. Senior Bucks and Does - Over 8 months.
7. Intermediate Bucks and Does - 6-8 months.
9. Wood shavings will be provided on the first day only. All other wood shavings must be provided by exhibitor. Only wood shavings are to be used.
10. Volunteers needed for setup and tear down
11. No parents are allowed at the judging table during the show.
12. Cell phones in the show ring are strictly forbidden. Disregard of this rule will be addressed by the rabbit superintendents and the Livingston County 4-H Extension Staff in conjunction with the Livingston County Ag Fair Board.

READY4LIFE CAREER & ENTREPRENEURSHIP EXPLORATION
Each county may send 2 entries from 50366A and 2 entries from 50366B.

*Ready4Life Exploration exhibit opportunities are open to members in any project area.*

**Ready4Life Exploration (Career) (50366A)**
Open to 11- to 18-year-olds.
Exhibits in this category must include the following: a) a physical representation of the career such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career exploration and pursuit above the workmanship of the physical specimen on display.

**Ready4Life Exploration (Entrepreneurship) (50366B)**
Open to 11- to 18-year-olds.
Exhibits in this category must include the following: a) a physical representation of the business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related business fields, potential business opportunities, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of the business exploration and pursuit above the workmanship of the physical specimen on display.
Each county may submit 3 entries total from 50285, 50286, 50288, 50289, 50292.

NOTE: If applicable for their class and display, exhibitors must bring their own computers for demonstration purposes; computers will not be provided. Internet access will not be available.

- Exhibits in classes 50284, 50285, or 50286 are designed to be used with LEGO Mindstorms (NXT, EV3, Lego Inventor, Lego Prime).
- Any other programmable robot kit such as Arduino or Raspberry Pi, should be exhibited in Robotics Innovation/Open Source Class (50292).
- Members should bring their robot to the state fair.

Robotics 1: Beginning: (not eligible for state fair)
Exhibitors should complete Activities 1-6 in the Robotics 1 with EV3 project book. Exhibitors will design, build and program a robot that can autonomously follow a predetermined path that changes direction at least 4 times during a single run. They will bring their project book, their program code (on laptop or on paper), and a single page write up to share what they learned about the engineering design process and programming.

Robotics 1: Intermediate: (SF 50285)
Exhibitors will design, build and program a robot that uses at least one sensor to autonomously follow a path, respond to and/or avoid obstacles. The robot must be autonomous and cannot be controlled remotely. Exhibitors in this class must use at least one sensor in their robot design. Exhibiting youth must complete and display a build log which contains a diagram (drawing or 3D rendering) of their robot with each of the key components labeled, an explanation of why they made the design/programming decisions they made, and a short journal sharing what they learned about the engineering design process and programming throughout their work in the project (as well as while preparing the exhibit). In addition, each youth must bring their program code (on laptop or on paper), and their robot to demonstrate. The robot and obstacles must be able to fit on a 4’ x 8’ robotics table when being judged, and a 2’ x 2’ area when being displayed.

Robotics 2 (SF 50286)
Exhibitors will design, build and program a robot that uses sensors and programming to complete one of the challenges selected challenges from the 2023 4-H State Robotics Challenge. The robot must be autonomous and cannot be controlled remotely. Eligible challenges will be marked in the Challenge Documents and on the Illinois 4-H Robotics website (https://4h.extension.illinois.edu/programs/stem-and-robotics/robotics). Exhibiting youth must complete and display a build log which contains a diagram (drawing or 3D rendering) of their robot with each of the key components labeled, an explanation of why they made the design/programming decisions they made, and a short journal sharing what they learned about the engineering design process and programming throughout their work in the project (as well as while preparing the exhibit). In addition, each youth must bring their program code (on laptop or on paper), and their robot to demonstrate. The robot and obstacles must be able to fit on a 4’ x 8’ robotics table when being judged, and a 2’ x 2’ area when being displayed.

Robotics Innovation Open Source Class (SF 50292)
Open to youth enrolled in Robotics 3, but may also include youth in Robotics 1 or 2 if the exhibits meets the guidelines.
Exhibit an original robot, either homemade or a kit that does not fall under Robotics 1 or 2 that can complete a task using multiple sensors. The robot must be autonomous and cannot be controlled remotely. If a robot kit is used, then some parts of the robot must be built using other components such as wood, plastic or metal. The robot can include any types of motors, pneumatics or sensors. The Innovation class can also be used for LEGO Mindstorms/ Spike Prime, etc. or Vex kits where the exhibit does not fall under Robotics 1 or 2 exhibit option. Autonomous control of the robot may also be achieved...
using an “open source” platform such as Arduino or Raspberry Pi and can be programmed using a coding language that is publicly available. Exhibitors in Robotics Innovation/Open-Source class must complete and display a build log which contains a diagram (drawing or 3D rendering) of their robot with each of the key components labeled, an explanation of why they made the design/programming decisions they made, and a short journal sharing what they learned about the engineering design process and programming throughout their work in the project (as well as while preparing the exhibit). In addition, each youth must bring their program code (on laptop or on paper), and their robot to demonstrate. Exhibits in this class must be able to fit on no more than a 6’ x 2’ table (or ground footprint), and must be fully assembled 15 minutes prior to the judging start time. No Exceptions.

**Junk Drawer Robotics**
All exhibits should be original designs made with everyday objects and materials. Exhibits with purchased kits will not be accepted. Exhibitors are also required to bring their Junk Drawer Robotics Youth Robotics Notebook with the sections completed for the project they are exhibiting, including the sections leading up to the activity they are exhibiting. For example, if a youth is bringing Activity E from Junk Drawer Level 1, they should have robotics notebook sections A-E completed.

**Junk Drawer Robotics 1** (not eligible for state fair)
Exhibit any item from the “To Make” activity from the Junk Drawer Robotics Level 1 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

**Junk Drawer Robotics 2** (SF 50288)
Exhibit any item from the “To Make” activity from the Junk Drawer Robotics Level 2 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

**Junk Drawer Robotics 3** (SF 50289)
Exhibit any item from the “To Make” activity from the Junk Drawer Robotics Level 3 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

SHEEP
For youth enrolled in Sheep

Contact Superintendent—Jim Davis

All 4-H exhibits will receive an A, B, or C placing.
All premiums will be paid based on an “X” factor.

To maximize your Sheep showing experience, remember to enter in the corresponding Jr. Ag Fair classes.
Visit https://www.livingstoncountyagfair.com/.

For members enrolled in sheep:
• The YQCA is a livestock quality assurance program. All 4-H exhibitors of sheep will be required to certify in the YQCA program each year. Attendance in either a face-to-face class or certification through an on-line course is required. To register for an in-person or online training, visit yqcaprogram.org.

Sheep Health Rules
Identification
Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A Microchip ID is acceptable if the owner provides the reader.

Ear tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal. When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

(Sheep Must Have Scrapie Tags)

Market Lambs
All wethers must be slick shorn (show ring ready) before weigh-in so that show lamb fungus can be identified.

Illinois Sheep
1. Sheep originating from a flock that has previously been classified as either an infected or source flock can be exhibited in Illinois upon the completion of an approved flock plan.
2. For any animal born after January 1, 2002, the CVI must include the flock of birth and the flock of origin, if different.

LIVINGSTON COUNTY GENERAL SHEEP RULES
Please read, follow, and understand all general rules and “Exhibition Livestock Health Requirements” as presented by the IDOA:
2023 Illinois State Fair Health Requirements
2023 County Fair Exhibition Health Requirements

1. All sheep projects require a CVI (Certificate of Veterinary Inspection.) However, 4-H Extension Staff members will have authority to release any animal deemed unhealthy in cooperation and compliance with Livingston County Agricultural Fair Association. For the safety of all, bring only healthy animals!
2. All purebred animals shown will be registered in the name of the person making the entry by June 1 of the
current year. Registration papers will be checked by superintendents before the animal is exhibited.

3. Entries in the Purebred Sheep Division must have been owned and personally cared for by the exhibitor at least 30 days prior to the show.

4. Each exhibitor will be limited to one entry in each premium number, except in the wether and market ewe lamb classes where they may show two animals in whatever class they fall.

5. Exhibitor can only exhibit five market animals.

6. In breeding classes, a pair of lambs shall consist of ewes, rams or both. Any combination of Jr. and Sr. lambs is permitted. In the Commercial Class only ewe lambs may be shown.

7. Only wethers may be shown in the Market Wether Class.

8. Wethers and market ewe lambs must be lambed on or after January 1 of current year and must be owned and cared for by the exhibitor on or before May 15 of current year.

9. All Market lambs must be shorn within 30 days of exhibit.

10. No wethers or market ewe lambs less than 75 pounds will be permitted to show.

11. All Market lambs must be weighed during check-in – date and time TBD.

12. Market ewe lambs cannot be shown in the Commercial Ewe Lamb class.

13. Cell phones in the show ring are strictly forbidden. Disregarding this rule will be addressed by the sheep superintendents, and the Livingston County 4-H Extension Staff in conjunction with the Livingston County Ag Fair Board.

**Show Order: will be announced day of show**

Sr. Ewe lamb - Born September 1 of previous year to February 15 of current year

Jr. Ewe lamb - Born after February 15 of current year

Sr. Ram lamb - Born September 1 of previous year to February 15 of current year

SHOOTING SPORTS
Each county may submit 2 entries total from 50380, 50381, 50382, 50383, 50384.

Participants must be a member of an approved 4-H Shooting Sports Club to exhibit. All exhibits should be posters or stand-alone items suitable for display to the general public. Stand-alone items have the intent to enhance the discipline such as a quiver, gun case, gun sling, locking cabinet, gun or target stand, sporting clays equipment wagon, etc. Exhibits deemed to be inappropriate by a superintendent will not be displayed.

NOTE: Shooting Sports Displays have the following prohibitions:
- No live ammunition.
- No knives or arrow tips (including field points, hunting broadheads, etc.).
- No functional or non-functional bows, firearms or firearm parts that could be reassembled are allowed.
- No humanoid shaped targets or reference to paintball, laser tag, air-soft, or pointing of any type of firearm or bow toward another person is allowed.
- No display involving primarily tactical design firearms (i.e. AR platform or military type firearms).
- No reference or use of the word “weapon” should be used in a display.
- Make sure there are no safety violations in your display. (Example: no earplugs or safety glasses in a picture of a person shooting a firearm.)

Shooting Sports: Archery Display (SF 50380)
Exhibit a poster or stand-alone display depicting safe archery handling, range safety, the parts of the bow, tracking the target, target sighting, or another topic you have learned through the 4-H Shooting Sports program.

Shooting Sports: Rifle Display (SF 50381)
Exhibit a poster or stand-alone display depicting safe firearm handling, range safety, the parts of the rifle, tracking the target, target sighting, or another topic you have learned through the 4-H Shooting Sports program.

Shooting Sports: Shotgun Display (SF 50382)
Exhibit a poster or stand-alone display depicting safe firearm handling, range safety, the parts of the shotgun, tracking the target, target sighting, or another topic you have learned through the 4-H Shooting Sports program.

Shooting Sports: Hunting & Outdoor Skills Display (SF 50383)
Exhibit a poster or stand-alone display related to something you learned in the Hunting & Outdoor Skills project.

Shooting Sports: Pistol Display (SF 50384)
Exhibit a poster or stand-alone display depicting safe firearm handling, range safety, the parts of the pistol, tracking the target, target sighting, or another topic you have learned through the 4-H Shooting Sports program.

SMALL ENGINES
Each county may submit 1 entry total for 50294.

Small Engine displays must be no larger than 4’ x 4’ display board. Exhibits must be portable. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display. No electrical power is available for displays/exhibits.

Small Engines 1-3 (SF 50294)
- Exhibit a display, selecting one of the following items:
  - **Ignition/Electrical System**: Identify the parts of the Ignition System and explain how magnetic energy is produced through the ignition system to ignite the spark plug; OR
  - **Compression System**: Explain how heat energy is produced and engine power is measured by an engine and/or converted into mechanical energy through transmissions; OR
  - **Heat Transfer**: Explain how heat is transferred through the cooling and lubrication system of an air cooled or water cooled engine; OR
  - **Filter Maintenance**: Explain the proper maintenance and cleaning of the air, fuel and oil filters of an engine; OR
  - **What does a serial number reveal?**: Explain the various information that can be learned from the serial number or identification number stamped on the shroud of a Briggs & Stratton engine; OR
  - **Tools to do the job**: Identify and explain the function(s) of different specialty tools needed for small engine work, OR
  - **Experimentation**: Explain through illustration an experiment you conducted from the project manual showing the results of your work.

Small Engines 1-3 Maintenance (County project – not eligible for state fair)
Exhibit a display that illustrates either routine maintenance procedures OR diagnosing and troubleshooting specific problems with the engine.

**SMALL PETS**

Each county may submit 2 entries total from 50135.

For youth enrolled in Small Pets 1, Small Pets 2, Small Pets 3, or Guinea Pigs

Pets will remain at the 4-H show only during their show period. No exceptions

All 4-H members enrolled in a small pets project are required to take Quality Assurance and Ethics training one time in order to exhibit at the Livingston County 4-H Show. Training can be found at [http://web.extension.illinois.edu/qaec/](http://web.extension.illinois.edu/qaec/) and must be completed by June 15.

**Small Pets—Live Judging**

(Small Pets and Fish are NOT ELIGIBLE FOR STATE FAIR)

1. Pets must be brought in their own cages. They may only be removed for judging purposes.
2. Cats or kittens should be entered in the Cat project.
3. All exhibitors must complete the Quality Assurance and Ethics Certification (QAEC) Training as described above.
4. Members may enter in any or all the classes below.

**Small Pets (NOT ELIGIBLE FOR STATE FAIR)**

Exhibit a small pet. Be prepared to discuss general health, nutrition, and grooming your pet. No cats or kittens can be shown in this class. Pet rabbits may be shown if not entered in a Rabbit livestock category.

**Tropical Fish (NOT ELIGIBLE FOR STATE FAIR)**

In a folder, exhibit a photo of a fish in a tank and a one-page story about work done on this project. On outside of folder, write name, age and name of club. DO NOT bring fish to the show.

**Saltwater and Freshwater Fish (NOT ELIGIBLE FOR STATE FAIR)**

Prepare a display that shows the fish in a tank and explains information about the fish species, care, and management of the tank system. DO NOT bring fish to the show.

Swine Health Rules

Identification
1. Swine shall be identified by an official ear tag, tattoo, or recognized breed ear notch.
2. Ear notch identification is acceptable for barrows, crossbred gilts, and breeding swine. (Note: Ear notch identification of crossbred swine does not satisfy USDA identification requirements for brucellosis and pseudorabies testing.)

Brucellosis
1. Brucellosis testing is not required for Illinois swine.

Pseudorabies
1. Pseudorabies testing is not required for Illinois swine.

LIVINGSTON COUNTY GENERAL SWINE RULES

Please read, follow, and understand all general rules and “Exhibition Livestock Health Requirements” as presented by the IDOA:
2023 Illinois State Fair Health Requirements

2023 County Fair Exhibition Health Requirements

1. The SWINE SHOW IS A NON-TERMINAL show.
2. All animals must be accompanied by health papers. Each exhibitor is responsible for securing the health papers for their animals.
3. All other market swine must be farrowed on or after January 1 of current year. Animals must have been owned, fed, and personally cared for by the exhibitor since June 1 of current year.
4. Each exhibitor can bring no more than six head of swine. These six head all must be weighed and tagged at weigh-in.
5. Gilts can be shown as market gilts or breeding gilts, not both.
6. No boars may attend the show.
7. Exhibitor may show only one animal per class number. (Enter market animals in lightweight class).
8. Market gilts and barrows will be shown by weight. All market hogs must be weighed upon check-in to be eligible to show. This weight will also be used as the sale weight. NO re-weighing.
9. All market hog weights, as determined by superintendents, will be final.
10. It is the responsibility of the 4-H exhibitor to provide transportation to slaughter facilities for hogs NOT sold at the Livingston County Ag Fair auction.
11. Pens will be assigned by superintendent to each exhibitor.
12. The Superintendents will determine the requirements for each class number. Each animal will be marked prior to show time for identification.
13. All swine exhibitors must provide bedding for each pen that is used for their animals in the swine barn. All bedding must be wood shavings, no straw.
14. No livestock trailers are allowed to remain on the grounds during the 4-H show-fair.
15. Exhibitors must clean all of their pens. Exhibitor will not receive premiums until pens are clean!
16. All purebred animals must be accompanied by registration papers from the respective breed association and meet the requirements of that specific breed association.
17. Any questions concerning rules in the swine department must be addressed by the Swine Superintendents.
18. Cell phones in the show ring are strictly forbidden. Disregard of this rule will be severely addressed by the swine superintendents and the Livingston County 4-H Extension Staff in conjunction with the Livingston County Ag Fair Board.

**SINGLE BARROWS (Show by Weight)**

For Ready4Life Career & Entrepreneurship Exploration exhibit opportunities for this project area, visit the Ready4Life section of this document.
Each county may submit 1 entry total from 50320.

Veterinary Science (SF 50320)
(Open to youth in Veterinary Science 1, Veterinary Science 2, and Veterinary Science 3)
Prepare a display focusing on any activity related to the veterinary science project. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. Live animals are not permitted as exhibits in this area. For safety reasons, exhibits cannot include glass, syringes with needles or any other sharp objects. Exhibits may include activities from Veterinary Science projects OR from any other Animal project area.

VIDEO/FILMMAKING
Each county may submit 3 entries total from 50324, 50325, 50326, 50327, 50328. Enrollment in the Video project is required to exhibit in the classes in this section.

All Exhibitors must bring their video to be judged on a USB flash drive and saved in .MP4 format. Exhibitors are encouraged to post their video on YouTube.com in advance of State Fair. Exhibitors may choose whether to make the video “public, unlisted” (someone must have the link to view it), or “private” (only people you choose may view it). This will allow fairgoers to view the exhibits on display. There will be monitors at the exhibit table for viewing videos so exhibitors will NOT need to bring a laptop or device for viewing.

Requirements that apply to ALL video classes:
Video submissions should be no longer than five (5) minutes in length (unless noted differently in class description). Videos are to be original and a result of the member’s current year’s work. Criteria for judging shall include: (1) Evidence of story line; (2) Use of camera angles; (3) Use of zooming techniques; and (4) Smoothness of scene changes. Image and sound quality will be considered in relation to equipment available to and used by exhibitor. All videos should comply with copyright regulations and display an image that is appropriate for 4-H audiences. No time or date should be imprinted on the video footage. All videos should include an opening title screen, as well as closing credits which include date of production, name of video exhibitor and research sources if appropriate. All Video/Filmmaking exhibitors must include a printed copy of materials which will remain on display.

Commercial or Promotional Video (SF 50324)
Prepare a short video (30 seconds to 1 minute in length) that promotes an event, advertises a specific project/product, or is a public service announcement. The video should demonstrate skills in making and editing video.

Animated Video (SF 50325)
Video in this class should represent creative animation of original artwork created by the exhibitor and may include stop motion techniques. Media might include images created with graphics software or hand-drawn images.

Documentary (SF 50326)
Video in this class should represent a research-based investigation into a topic of choice. Video credits should list research sources and may include paper or electronically published materials, as well as interviews with experts or constituents related to the topic of investigation.

Short Story or Short Narrative (SF 50327)
Prepare a short video that tells a story. The video should demonstrate skills in making and editing video.

Video/Filmmaking Innovation Class (SF 50328)
Open to youth enrolled in Video/Filmmaking
Demonstrate the skills and knowledge you have gained through the Video project. Your exhibit should not fit in the other exhibit options for this project. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

- Chalk/Carbon/Pigment on wood, metal or textiles (Division B) 50352
- Clay 50337
- Computer-Generated Art 50338
- Fiber 50339
- Fiber Non-Original Ages 8-10 Only 50350
- Heritage Arts 50341
- Leather 50321
- Metal 50342
- Nature 50343
- Paper 50344A
- Paper 50344B
- Quilting – You Can Quilt 50331A
- Quilting – Quilting the Best Better 50331B
- Three-Dimensional Design/Mixed Media 50348
- Wood 50349

Each county may submit TWO entries from:
- Chalk/Carbon/Pigment on canvas, paper or glass (Division A) 50336
- Food/Cake Decorating (2 total from 50332, 50333, 50334, 50335)
- Glass/Plastic (2 total from 50340A, 50340B, 50340C)
- Scrapbooking (2 total from 50345, 50346, 50347)

General exhibit information:
Exhibitors must be enrolled in the Visual Arts project category in which they are exhibiting. Exhibitors are encouraged to date the project when it is made. Exhibitors must be able to carry or cart their exhibits across the fairgrounds from the parking lots. All visual arts exhibits are evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity.

Articles exhibited must be an original design created by the exhibitor (except in Heritage Arts, which may follow a pattern, AND Fiber-Non Original Ages 8-10 ONLY). Copyrighted or trademarked designs are not acceptable; this includes team, school logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member’s own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, use the concept and create something different using the concept; however, it MUST NOT BE AN EXACT REPLICA OF something the judge can search for and find on Pinterest. The exhibit may combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create an exact replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

Quilts entered in Visual Arts should ONLY be entered in the Quilting Project area in either Level 1 You Can Quilt (SF 50331A) OR Level 2 Quilting the Best Better (SF 50331B). All work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else.
Read Visual Arts exhibit guidelines thoroughly. Some exhibit categories have size restrictions!

**Visual Arts Food/Cake Decorating Beginning (SF 50332)**

Exhibit one of the following:

- Exhibit four decorated cookies, using a minimum of four different techniques. Exhibit may use cookies OR cookie forms.
- Exhibit four decorated cupcakes, using a minimum of four different techniques. Exhibit may use cupcakes OR cupcake forms.
- Exhibit a single layer decorated cake, using a minimum of four different techniques. Exhibit may use cake OR cake form.

**Visual Arts Food/Cake Decorating Intermediate (SF 50333)**

Exhibit one of the following:

- Exhibit four decorated cookies, using a minimum of five Level 2 techniques. Exhibit may use cookies OR cookie forms.
- Exhibit four decorated cupcakes, using a minimum of five Level 2 techniques. Exhibit may use cupcakes OR cupcake forms.
- Exhibit a single layer or two-layer cakes, using a minimum of five Level 2 techniques. Exhibit may use cake OR cake forms.

**Visual Arts Food/Cake Decorating Advanced (SF 50334)**

- Exhibit a decorated, stacked or multi-layer cake; or a tiered cake, using a minimum of four Level 3 techniques. Exhibit may use cake OR cake forms.

**Visual Arts Food/Cake Decorating Master (SF 50335)**

Exhibit an original design decorated cake using more than five techniques. Exhibit may use cake OR cake forms. In addition, include a one-page written description of your project, including goals, plans, accomplishments, and evaluation of results. Up to four pictures of your accomplishments may be included in the description.

**Food Decorating Activity** (not eligible for state fair)

The Food Decorating Activity allows the opportunity for 4-H members to demonstrate their decorating skills in front of a judge and audience. Exhibitors should bring their items to be decorated to the grounds the morning of the Food Decorating Activity. See below for requirements for each level (Beginning, Intermediate, and Advanced). Participants should bring their own equipment and colored frosting already mixed.

Family members are encouraged to watch the cake decorating but specific rules will be adhered to in order to make the 4-H members and judge more comfortable for judging.

- No parent or other person may sit or converse with 4-H member once judging has started unless advised to do so by the judge or superintendent.
- No parent or other person may assist the 4-H member with their decorating project unless advised to do so by the judge or superintendent.
- Talking will be kept to a minimum so as to not distract the 4-H members and judge. Individuals will be asked to leave that do not adhere to this rule.
- Chairs will be made available to viewers. No one will be allowed to walk around during judging except the judge and superintendent.
- Cakes may be viewed only when all decorating and judging is complete. They will be displayed in the fair office.
• If you would like a picture of a 4-H member with the judge, the judge will be available after judging for pictures or questions.

At the completion of the event, members are encouraged to donate their decorated cake, cupcakes, or cookies for the auction. All cake auction proceeds benefit the Livingston County Ag Fair Scholarship Fund.

Exhibit an item noted below:

**Beginners** – Decorate a 9”x 13” (one layer) cake, already frosted but not decorated; or four cookies; or four cupcakes. Finished product must display a minimum of four (4) different techniques.

**Intermediate** – Decorate a two-layer cake, either round or square, already frosted, but not decorated; or four cookies; or four cupcakes. Finished product must be decorated a minimum of five (5) Level 2 techniques.

**Advanced** – Decorate a stacked and/or tiered cake which shows more advanced techniques than in the beginning or intermediate classes. A minimum of four (4) Level 3 techniques must be displayed.

---

*Please note: There are other opportunities for exhibiting cakes, cupcakes, and cookies through the Ag Fair on Friday. Refer to [https://www.livingstoncountyagfair.com/](https://www.livingstoncountyagfair.com/) for more information and check out the Junior Home Economics section.*
Visual Arts Chalk/Carbon/Pigment: Division A & B
Enter the division based on the type of material on which the art was created.

Chalk/Carbon/Pigment Original: Division A: Canvas, Paper, Glass Original (SF 50336)
Any original artwork done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc. on canvas, paper, or glass. This would include all painting, sketching, drawing, cartooning, original non-computer generated graphics, printing, etc. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Drawings and paintings should be matted or framed under glass. (Exceptions: Oil and acrylic paintings do not require glass and are not required to be matted.) Watercolor, chalk, pen & ink, computer-generated art, etc. do require some protective covering. Gallery frames are acceptable. Canvas paintings that continue “over the edges” are acceptable without frames; however, the piece must still be prepared for hanging. Matted pieces without frames are acceptable, however the piece must be prepared for hanging OR it must include a photo of the artwork being displayed in a non-hanging manner. There is no specific requirement for the type of mat used.

Chalk/Carbon/Pigment Non-Original: Division A: Canvas, Paper, Glass (not eligible for state fair)
Any original artwork done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc. on canvas, paper, or glass. This would include all painting, sketching, drawing, cartooning, original non-computer generated graphics, printing, etc. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Drawings and paintings should be matted or framed under glass. (Exceptions: Oil and acrylic paintings do not require glass and are not required to be matted.) Watercolor, chalk, pen & ink, computer-generated art, etc. do require some protective covering. Gallery frames are acceptable. Canvas paintings that continue “over the edges” are acceptable without frames; however, the piece must still be prepared for hanging. Matted pieces without frames are acceptable, however the piece must be prepared for hanging OR it must include a photo of the artwork being displayed in a non-hanging manner. There is no specific requirement for the type of mat used.

Chalk/Carbon/Pigment Original: Division B: Wood, Metal, Textiles (SF 50352)
Any original artwork done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc., on wood, metal, or textiles. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Any exhibits created as a piece of wall art must be prepared for hanging.

Chalk/Carbon/Pigment Non-Original: Division B: Wood, Metal, Textiles (not eligible for state fair)
Any original artwork done with pencils, chalk, pens, ink, paint, charcoal, dyes, etc., on wood, metal, or textiles. Painted and/or glazed pre-formed ceramics and painted porcelain dolls are not eligible for State Fair exhibit. Any exhibits created as a piece of wall art must be prepared for hanging.

REMEMBER:
Exhibitors may show up to three different mediums between original and non-original within the Chalk/Carbon/Pigment class. For example, you can exhibit: one Division A Original chalk, one Division A Non-Original pencil drawing, and one Division A Original painting. However, you cannot exhibit more than one of the same medium. Example, you cannot show two paintings projects.

**PLEASE NOTE THE FOLLOWING:**
1. Paper-cut designs and quilling have the potential, depending on the design to align with either of the categories. The key design element is whether the design is 2-dimenstional or 3-dimenstional.
2. Paper twist articles made from a kit or directions in a craft book or store ARE NOT original and not appropriate in the Visual Arts Paper exhibit area. Scrapbooks are also not eligible in for Visual Arts Paper and should be exhibited in Visual Arts Scrapbooking.

**REMEMBER:**
Exhibitors can show up to three different mediums within the Paper class between original and non-original. For example, you can exhibit

- one quilling project,
- one origami project, and
- one paper architecture project

However, you cannot exhibit more than one of the same medium. Example, you cannot show three quilling projects.

WOOD

Visual Arts Wood Original (SF 50349)
Any original item made of wood (wood carving, sculpture, collage, wood burning, etc.). Utilitarian wood items made from patterns or kits (outdoor or indoor furniture, shelves, etc.) should be entered in woodworking, NOT Visual Arts. Popsicle stick crafts are not acceptable for State Fair entry. Wood items that have been partially or totally created through the use of laser cutting programs/devices should be entered in Computer-Generated Art. All Visual Arts Wood exhibits MUST have an artistic element that the exhibitor can explain. Furniture built by the exhibitor aligns with the Woodworking project area – unless the element to be judged is wood carving or wood burning that is one element of the exhibit. Exhibits will be judged using a Visual Arts Rubric and not a woodworking construction rubric.

Visual Arts Wood Non-Original (not eligible for state fair)
