

2024 LOGAN COUNTY

4-H Achievement Recognition

Logan County Award Selection Criteria

4-H Records

Completing your **4-H Records** is the annual process of tracking what you accomplished through the year. Your Records include two sections:

- Activity Lists - lists of project learning, community service, leadership, and participation you completed in the past 3 years.
- My 4-H Story - a story about what you learned, challenges you faced, and what you plan to do in the future.

Why should I do 4-H Records?

- Celebrate your accomplishments and earn prizes!
- Practice organizational skills
- Be ready for future college, scholarship, and job applications.

How do I get started?

Keep notes about what you do throughout the year to help you remember everything. You may want to fill out a Records Tracking Sheet every month and keep them all in one place.

What happens next?

At the end of the 4-H year (August 31), use your notes to complete a Records Form and turn it in to your club leader. Records are reviewed at the county level, and you will be given feedback. The reviewers are more interested in what you learned than what you did, so focus on the things that are most relevant and leave out things that are less important.

It's completely fine if your Records are small your first year. It's never too late to get started, and your accomplishments will grow every year!

How are 4-H Records judged?

The age of the 4-H member and years in the program will determine how they will be scored. Age categories include 8-10, 11-13 and 14-19. Cloverbud records are eligible for participation awards, only.

The scoring rubric looks at personal information, 4-H meeting attendance, award areas, 4-H project learning, community service, leadership, participation, and 4-H story content. Judges will assign a number for each category based on the age and rubric guidelines set forth in each of the categories. Those who score 38-31 points will be receiving an excellent standing and are deemed a top award winner; those who receive a score of 30-23 will be receiving a standing of very good; a score of 22-15 receives a good standing; a score that is 14 or below will receive a standing of fair.

More information about 4-H records can be found at <https://extension.illinois.edu/lms>

Club Awards

Several clubs are honored with awards. Club Award Categories were Community Service, Leadership, or Project Learning. ALL CLUBS were also selected as award winners at the State Level.

Club Awards/Community Service Include: Middletown 4-H'ers

Illinois State 4-H Scholarship Winners

Haven Henry - Illinois 4-H scholarship winner in the Creative and Performing Arts and Communications

Sophia Schneider - Illinois 4-H scholarship winner in the Creative and Performing Arts and Communications

Amy Hyde 2023 Illinois 4-H Hall of Fame Inductee

4-H Hall of Fame inductee from Logan County is Amy Hyde. For twenty years Hyde was employed with the University of Illinois Extension as a 4-H program coordinator in Logan County. She worked with countless youth, volunteers, teachers, and community members while assisting with 4-H Shooting Sports, Teen Teachers, 4-H Ambassadors, and the 4-H shows. She was also especially well known for her work as an ag literacy coordinator with the Ag in the Classroom program. "Seeing these children excited to learn about agriculture and seeing that I had an impact on them is the most rewarding part," said Hyde. She was loved by students and teachers alike for the engaging lessons that helped students connect agriculture to the real world.

Atlanta Ag 4-H Club

Club Award – Scrapbook Recognition
