BE A FASHION DESIGNER

On March 9, 1959 Ruth Handler introduced Barbie to the world at the American International Toy Fair. People immediately fell in love with her. Through the years, Barbie and her friends have become role models and fashion icons. Barbie and friends have worn fashions from Donna Karan, Givenchy, Oscar de la Renta, and Tommy Hilfiger among others.

For this challenge/activity you will need:

- imagination
- markers, colored pencils, pens
- sktechpad/paper
- materials to create you design

Directions:

Use your imagination to sketch a new fashion design. Will you use traditional fabric or unconventional items like duct tape? Is your design practical for every day wear, a costume, or something for a special occasion or use? Try using materials to create your fashion item for a doll or person to wear.
