

Multi-Project Clubs

are open to youth ages 8-18 as of Sep 1. During monthly club meetings, members develop leadership and life skills through fun activities and community service. Outside of club meetings, members independently work on 4-H projects, choosing topics that spark their interest.

Cloverbud Clubs

are for children ages 5-7 as of Sep 1, and members do all project activities as a group during club meetings.

SPIN (SPecial Interest) Clubs

focus on one project area, and club meetings are spent developing skills in that area.
